Chapter 141 is not the reaction she should have

Chapter 141 is not her reaction

. Fu Yingying did not expect that a small act of hers would bring so much trouble to the Fu Group.

And Su Nan, who she wanted to deal with the most, was unscathed!

After returning to the old house, Mr. Fu furiously scolded her for a whole afternoon.

No one dared to intercede for her.

Old Master Fu has the same attitude as Fu Yechuan: go and apologize to Su Nan!

But then he was locked up in the ancestral hall and knelt down for a day and a night before talking about it!

The next day, Cheng Heng's death day arrived.

Su Nan never dreamed that he could see Qiao Wanrou and Fu Yechuan in front of Cheng Heng's cemetery?

Cheng Yi saw it too.

Cheng Yi's face was unhappy, and he pulled Su Nan and did not step forward immediately.

"Ah Heng, Ye Chuan has taken good care of me, don't worry, I will take good care of myself."

After Qiao Wanrou finished speaking, she shyly glanced at Fu Yechuan.

Tenderness turns a hundred times, and the words are still resting.

"Ye Chuan, I know you are worried about Su Nan's affairs. Don't worry, I will go to country F as soon as possible, so that Su Nan will not target you."

It is better to retreat than to stay behind.

Fu Yechuan frowned slightly, and just as he was about to say something, he heard a light snort from someone behind him.

Extremely disdainful.

Looking back, Su Nan raised his eyebrows and looked at them coldly with a half-smile.

She wore a black knee-length dress that was more solemn. There was no embellishment on the clothes, but it made her whole person more eye-catching.

“Miss Qiao is so reluctant to President Fu, she should stay...”

She laughed sassily and sarcastically.

Want to escape so soon?

Her account hasn't been settled yet...

“Why are you here?”

Qiao Wanrou's voice changed, she was surprised and stared at Su Nan fiercely.

Cheng Yi's face was ugly, and he stepped forward to question.

“I should ask this, why are you all in front of my brother's tomb?”

Fu Yechuan knew that Cheng Yi was Cheng Heng's younger brother, but he didn't communicate much.

Cheng Yi went to study abroad very early, and naturally did not know that Cheng Heng had met Fu Yechuan during the years in the army.

Qiao Wanrou was a little flustered.

If Su Nan knew, his relationship with Fu Yechuan was only because he used to be Cheng Heng's girlfriend.

Instead of the “true love” she deliberately created in Su Nan's imagination.

Isn't she mocking herself more recklessly?

In an instant, she suddenly raised her head to look at Fu Yechuan.

The moment Fu Yechuan saw Su Nan, he had a plan in his heart.

Facing Cheng Yi's questioning, Fu Yechuan's face was calm, he pondered for a while, and his voice spoke slowly.

“Cheng Yi, let me introduce, I'm Cheng Heng's comrade-in-arms.

Qiao Wanrou is Cheng Heng's girlfriend.

Before he died, he entrusted me to take care of her."

In just a few words, all the cause and effect were revealed.

Although it was an introduction to Cheng Yi, he really wanted to tell Su Nan.

Fu Yechuan kept his eyes fixed on Su Nan, hoping that she would respond.

This is why he has been taking care of Qiao Wanrou.

Not because of liking, cheating or whatever...

In his life, except for Su Nan who married him, there was no other woman...

But Su Nan's indifferent reaction was unexpected, she didn't seem to care about their relationship or his explanation.

Seeing this, Fu Yechuan's face was tense, and his eyes never looked away.

Qiao Wanrou was embarrassed and embarrassed at that moment.

Su Nan has a panoramic view.

I see.

What did she think Qiao Wanrou had to make Fu Yechuan unswervingly affectionate?

Among the women who coveted Fu Yechuan, Qiao Wanrou's family background, education, and appearance were all inferior.

It's really ridiculous, she actually lost to such a woman?

The atmosphere was eerily quiet.

What broke the atmosphere was Cheng Yi's inconceivable rhetorical question.

"Can my brother like her? Don't come here to fight the autumn wind!"

...

Chapter 142 What is he?

Chapter 142 What is he? When

Qiao Wanrou heard Cheng Yi's words, her face turned pale.

Looking at Su Nan's mocking gaze, she clenched her fingers tightly and ran out without saying a word.

Su Nan paused and clicked his tongue.

He turned around and followed Qiao Wanrou's footsteps, chasing after him.

Fu Yechuan frowned, just as he was about to follow, Cheng Yi stepped forward to stop him from letting him go, and insisted that he speak clearly.

How did he know that what Fu Yechuan said was true or false?

Just as Qiao Wanrou was about to drive away, she heard a movement behind her, and when she looked back at Su Nan, her expression changed.

"What are you doing here, to laugh at me? But

even so, if Ye Chuan can hurt you for me, it means that he doesn't have you in his heart at all, so don't be sentimental..."

Compared with her, Su Nan was still lost.

After speaking, she sat in the driver's seat, a bright red BMW M4, which matched Qiao Wanrou very well.

The next second, she started the car, stepped on the accelerator, and left slowly.

Su Nan's eyes were terribly cold, she calmly got into her car, and with a bang, she immediately caught up.

There are no other vehicles on the wide road.

Su Nan's eyes were cold, and when he approached Qiao Wanrou's car, he turned the steering wheel sharply to the right.

In an instant, it slammed into it!

"Bang——" The

voice roared and shook.

The moment the front left of the red BMW was hit, it sank, and the braking sound was shrill and harsh—

the people in the car were shocked and looked up in disbelief, looking at the perpetrator, Su Nan!

Su Nan hooked his lips and didn't stop there.

on the road.

She turned the front of the car extremely skillfully, and quickly rotated into a handsome and perfect arc, and the smoke and dust were everywhere!

Intense and exciting!

At this time, she was facing the front of Qiao Wanrou's car, looking at her flustered eyes, she picked up the phone in a panic.

Who to call?

It doesn't matter anymore!

Su Nan didn't give her a chance to get out of the car, she snorted coldly, stepped on the accelerator heavily, and slammed into it!

.....

In an instant, the sound of the collision was sharp and piercing, and the woman's terrified scream resounded in the sky –

the red BMW was almost completely overturned!

At this time, it rolled over to the ground in a twisted and weird shape, exuding a strong and pungent smell of gasoline...

Su Nan reversed, parked, and got off with satisfaction, leaning on the side of his car, wrapping his arms around his arms. .

She looked at him indifferently with a high-level admiration attitude.

Until Qiao Wanrou was covered in blood, she crawled out of the car in extreme embarrassment.

Looking at Qiao Wanrou who was lying on the ground trembling, Su Nan's eyes were domineering.

"How does it taste?"

she asked.

Qiao Wanrou's body froze, and there was no contempt in her eyes at this time.

With a trembling voice, she said, "Su Nan, you like Ye Chuan, you can chase it with your ability..."

She casually hooked the corners of her lips and stepped forward.

Looking down at her.

"What kind of thing is he? What status am I now, is he worthy of it?"

Unbelievable.

However, with a sassy demeanor, what he said is also full of confidence!

"The person I'm looking for is you!" The corners of

her lips twitched slightly, sneering.

"Don't be in a hurry to go abroad, I hold grudges the most, and there are still a lot of accounts that have not been settled with you. For example, you want my life in my car, right..."

There was an intimidating aura. Cool!

Qiao Wanrou's face turned pale in an instant, her body trembled in panic and panic, her hands were clinging to the ground.

The nails are bleeding!

"No... What are you talking about, I don't understand, you don't want to spit."

There was no warmth or emotion in Su Nan's beautiful eyes.

Seeing her embarrassed appearance, my heart was very happy.

How scary was the escape that night?

Her nightmare for several days was that scene.

Almost, she disappeared from this world, never seeing those relatives and friends again!

She is not that kind and generous.

Qiao Wanrou must pay the price for this!

“Su Nan—” A

cold and indifferent voice came from behind, very familiar.

“What are u doing?”

...

Chapter 143: Are you paranoid?

Chapter 143 You are paranoid?

Fu Yechuan’s voice was filled with shock that could not be concealed.

He couldn’t believe what he saw.

The tragic and shocking picture in front of him and the elegant and noble Su Nan seem to be two worlds!

Who caused all this?

At a glance!

The gentle and silent Su Nan in my impression can be so crazy?

“Is President Fu blind? Didn’t you see it all just now?”

Su Nan was too lazy to explain, and turned around and wanted to leave.

She had nothing to say to him.

Fu Yechuan stepped forward quickly, stood in front of her, and looked at her with a gloomy expression.

“I just explained that I have nothing to do with Qiao Wanrou.”

He thought that Su Nan was angry because of his relationship with Qiao Wanrou.

Jealousy?

It must be so.

Although she did it a bit too much, Fu Yechuan was inexplicably... a little happy?

heard.

Su Nan sneered unconsciously.

The smile is somewhat playful.

He casually raised his eyes and looked at Fu Yechuan with a cold and emotionless tone.

“Do you think I’m doing this to her because of you?”

Fu Yechuan frowned, his eyes fixed on her face.

“Otherwise?”

Su Nan raised an eyebrow, gave him a sideways glance, and sneered.

“Mr. Fu really looks down on himself. I suggest you go to see a brain department. Narcissism and delusional disorder is also a disease...”

Fu Yechuan’s expression darkened slightly, and there was some doubt in his eyes.

After she finished speaking, she turned around and opened the door to get in the car.

The car just started, she slowly lowered the window, threw a material from the window, and threw it in front of Fu Yechuan.

The next second, step on the accelerator.

Just leave without looking at the people behind you!

A narcissist and a white lotus are a natural pair!

But Fu Yechuan squatted down and picked it up slowly with a sullen face, just opened the first page, his pupils shrank suddenly.

The black eyes are deadly cold!

The air pressure all over the body instantly dropped to freezing point!

In that photo, Qiao Wanrou, a tall and thin man, was standing in front of Su Nan’s car with a sneaky look!

That night, that car, that sudden accident... Close your eyes, you can still see it!

Don’t worry, the truth has come out!

The information in his hand is evidence of Qiao Wanrou's intentional murder!

Therefore, Su Nan was angry, crashed the car, and fought a tooth for a tooth. Even if she killed her, it would not be a surprise!

Qiao Wanrou is not wronged at all!

Deserved!

There was a thick sullenness between his eyebrows, and his face was black and terrifying.

Fu Yechuan's mood started from the moment Cheng Heng died, and until now, there has never been such a heavy moment.

His heart seemed to be hit hard by someone with a blunt weapon, and he couldn't breathe!

Su Nan didn't take revenge because of jealousy, but because of the car accident!

In addition to the loss, he is more of an uncontrollable anger!

If he didn't show up that day, then that day would be Su Nan's death!

...

underfoot, a hand tugging at his pants.

"No...it's not me...help me..."

Qiao Wanrou was lying there, extremely embarrassed, she spoke incoherently in a panic.

She panicked, she really panicked!

She didn't expect Su Nan to find out so quickly.

I didn't expect that she would use such an extreme way to take revenge on herself!

Fu Yechuan's gloomy and cold gaze shifted to Qiao Wanrou's body.

Is she still pretending?

He never thought that he would be cheated by a woman again and again?

What Su Nan had said appeared in his mind, Qiao Wanrou is a cat and will never die...

He realized.

Since his marriage, Qiao Wanrou has been injured repeatedly and needs to donate blood. The amount of blood used for a little injury even exceeds that of an operation.

She did it on purpose!

Su Nan's car accident that day was also the work of Qiao Wanrou!

Qiao Wanrou is a hungry wolf under the appearance of silence.

And he, as an accomplice, hurts the most innocent Su Nan again and again!

Cheng Yi casually descended from the mountain.

Although he walked slowly, he just saw everything clearly.

"Hey, Mr. Fu, why are you willing to throw people on the ground?"

To be honest, even if my brother was alive, he wouldn't marry such a rude woman. You should keep yourself and take care of yourself, don't bring it out and be ashamed. Now..."

He snorted softly.

Fu Yechuan is an idiot!

At this time, the man's eyes were indifferent to the extreme. He squeezed the evidence tightly and took a step back, avoiding Qiao Wanrou's dirty hands.

Extremely despised.

"Ye Chuan..." She wept mournfully.

"Go away—"

Fu Yechuan gritted his teeth, with a chill in his eyes.

...

Chapter 144 President Fu Xiaosan is a Murderer

Chapter 144 President Fu

Xiaosan is a Murderer The broad streets are empty.

Fu Yechuan didn't even look at Qiao Wanrou on the ground, he lifted his legs, got into the car, and left.

No one paid attention to the injured Qiao Wanrou, she was like a piece of trash and was left behind!

In desperation, Qiao Wanrou got up from the ground and called her eldest uncle, but as soon as the other party answered the phone, she yelled.

"Sangmenxing, what did you do to make Mr. Fu so angry? He wants to block my company now, what do you think..."

Qiao Wanrou was at a loss in panic and suddenly heard the honking of the car's horn. the sound of.

Did Fu Yechuan send someone to pick her up?

She still has a chance, doesn't she?

Before I could express the joy in my heart, I saw several cars gradually approaching and stopped.

It's a police car!

The people inside got out of the car with a cold expression on their faces.

"Qiao Wanrou? Now someone is suing you in the name of intentional homicide, come with us!" For a

moment, hesitantly poured a basin of ice water down from the sky.

All the luck and joy, at this moment, are silent.

She didn't expect that the last person who came to pick her up was the police!

What awaits her is the disaster of prison!

At this moment, she suddenly realized that Fu Yechuan would never be merciful to her again!

And Su Nan will not let her go!

She was trembling all over, panicking.

The police had handcuffed her, shoved her into the car and drove away.

Su Group.

The project of Juli Group can basically be finalized. With Su Ming there, there is no follow-up worry.

The most important thing right now is the bidding plan that Su Nan is looking at.

She is now the president of the Su Group, and major projects are waiting for her to decide, so she has to pay attention.

Just finished the meeting, and the brain relaxes from the tension.

As soon as he went out, Yu Lou handed over his cell phone.

“Mr. Su, Cheng Ershao just called, maybe there is something urgent?”

Cheng Yi?

Su Nan nodded and took it.

She called directly, and within a few seconds, the other party picked up.

“Su Xiaosi, have you seen it? Qiao Wanrou has been arrested!”

Cheng Yi couldn't wait to share with her the good news that everyone knew on the Internet.

This woman has forced Su Nan to suffer so much, she really deserves it!

Su Nan frowned, puzzled.

“I just finished the meeting, what happened?”

“The evidence you threw out was handed over to the police by Fu Yechuan. In less than a night, Qiao Wanrou made all the moves!

” A sarcastic sneer.

“Really? He was willing to do something to her?”

It was surprising.

I thought that Fu Yechuan was very affectionate towards Qiao Wanrou...

It seems that it is nothing more than that!

Cheng Yi chuckled twice, and spoke in a cold voice.

“That Qiao Wanrou, I have known my brother Cheng Heng for less than three days, she pretended to be gentle and kind, and deliberately made everyone around me think that my brother liked her.

Hehe...

Fu Yechuan thought she was my brother's true love, she was blind!

I told Fu Yechuan the truth that day, his face was not so ugly, hahaha...”

Su Nan could not help frowning, his heart sank unconsciously, and then relieved.

Qiao Wanrou was tortured for three days. I've been with her for three years.

It's a great irony...

But she doesn't intend to go into it, Qiao Wanrou is seeking her own death, and she will have to pay the price sooner or later.

However, how did it get exposed on the Internet?

“How does the media know about this? “

She was puzzled, did the news spread so quickly?

“First-hand news released by Huaying Entertainment, which is controlled by Su Yingdi, and he himself is still eating melons online...”

Cheng Yi wanted to continue, Su Nan He simply hung up the phone and went straight to the Internet.

Sure enough, the number one trending search was: “Mr. Fu's mistress is a murder, a crime! “

Those evidences were posted on the Internet, photos, confessions, the process, it was clear!

...

Chapter one hundred and forty-fifth brother for you

Chapter 145 Brother, I'm going to put you down for you

. Below this hot search, the comment area explodes directly.

“This mistress is simply an anti-social personality!”

“The mistress wants to kill? She is crazy, who gave her the courage?”

“President Fu is blind and blind, and the mistress he’s looking for is too unprofessional, even Su Nan’s feet His fingers can’t compare, does he have a special taste?”

“Fu’s stock has fallen a little bit recently...”

...

And the next day’s hot search was ” Actor Su eats melons online on 5G.”

Su Qi used his official account to retweet Huaying Entertainment’s revelations.

And added: “Deserving it! I know you’re not such a person, but brother will fall for you! @Su Nan.”

“My God, eat melon and eat dog food?”

“We’ll all fall for you!”

“Quan The world knows that Su Qi likes Su Nan, but why is it so fake? I want to laugh...”

“The actor Su really likes me, Mr. Su, and has vision, but Mr. Su should be single!”

Su Qi The voice of , is undoubtedly an open and aboveboard maintenance!

Unabashed preference!

This is a unique precedent on the Internet...

If it were an ordinary starlet, it would never have caused such a big reaction.

But Su Qi’s status in the circle is like a god!

His words and deeds are notable.

As soon as he spoke, fans sympathized with Su Nan even more.

And Qiao Wanrou and Fu Yechuan were naturally implicated and scolded.

Su Nan sneered, he really deserved it.

The amount of money that Mr. Fu fell, although it was a lot, but to the Fu family, it was just a drop in the bucket.

She doesn't care!

Three hours later, the Fu Group responded: Mr. Fu Yechuan and Ms. Qiao have no improper relationship, and our company will use legal means to safeguard Mr. Fu's reputation.

The attorney's letter is posted below.

But, to no avail.

Public relations ability is too weak.

As soon as the incident happened, the rest of the Su family knew that Su Nan was almost killed.

Su Yifeng sent people to the police station to put pressure on her, so that Qiao Wanrou had no chance of commuting her sentence.

Su Jin asked her to go back and have a good rest for a few days, not to worry about the company's affairs.

Su Ming knew that she was still alive and nothing happened.

Su Qi angrily cursed on the Internet!

...

until when I was about to get off work, Yulou knocked on the door and came in.

"President Su, Miss Fu said she wanted to see you."

Su Nan paused, "Fu Yingying?"

Yu Lou nodded.

What is she here for?

Didn't you teach enough lessons last time?

The corner of Su Nan's mouth evoked a playful smile.

Leaning on the comfortable seat, she raised her eyebrows.

“Let her come in.”

“Yes.”

Not long after Yu Lou went out, Fu Yingying stepped in with exaggerated high heels.

Her complexion is not very good-looking, and it is not very moisturizing for the past few days.

According to Mr. Fu’s character, if it hurts the interests of the Fu Group, he will not recognize his six relatives.

It’s a pity that Miss Fu didn’t think about this.

“Su Nan, you really flew up the branches and turned into a phoenix?”

Fu Yingying looked around, with undisguised envy in her eyes.

Su Nan’s eyes were indifferent and his smile was extremely cold.

“My time is precious. Miss Fu, let’s talk straight.”

She was not in the mood to scold such people.

She is afraid of losing her share!

Fu Yingying’s face was instantly dissatisfied, what attitude?

But think about what Mr. Fu said, if she didn’t complete the task, she would definitely be scolded to death when she went back!

Just hold on for a while!

She raised her chin and looked at Su Nan arrogantly, the corners of her eyes slightly raised.

“I’m here to apologize to you.”

Now, Su Nan should be satisfied.

When will she, the eldest lady of the Fu family, apologize to others?

If it wasn’t for Su Nan’s counterattack being too heavy and losing the interests of the Fu family, and Mr. Fu forcing her to apologize, she would not have come.

Su Nan looked at her and couldn’t help but chuckle.

If she didn't know, she thought she was here to settle accounts.

Apologize?

When she is stupid?

"What are you laughing at? What are you proud of? If it wasn't for Grandpa who asked me to come, I wouldn't be here..."

Su Nan restrained his smile, and his eyes were indifferent.

"I didn't force you to come, if you don't want to come, get out!"
