The first thousand four hundred and fifty-one chapters hit the mandarin ducks.

Qin Yu seemed to have heard some gossip and refused to let it go.

“What’s the result? Did Aunt Qiao Fan beat the mandarin ducks?” As

if being amused by Qin Yu’s words, Shen Liang’s eyes became a little interesting.

“Very vulgar routine, take a sum of money and leave.”

Qin Yu tutted and shook her head, “It’s quite vulgar, if I follow you, I will have all your money, if it were me, I would never take it so easily. Leave!” All I

can say is that the ex-girlfriend’s eyelids are too shallow.

Shen Liang raised his eyebrows, raised his eyelids and looked at her with great interest:

“If it were you, would you stick to it?”

“Of course! Only by putting on a long line can you catch big fish!”

Shen Liang’s smile deepened, “Or Miss

Qin has foresight...” Qin Yu paused, a little embarrassed, why should she compare herself?

Immediately changed the subject.

“But why aren’t you sad? You didn’t resist? Didn’t you quarrel with Aunt Qiao Fan?”

Shen Liang looked at her, smiled calmly, and shook his head.

“Those are things that only children do. Why should I make trouble unreasonably?

No one can stop her from leaving. I can only say that the conditions offered by my mother are too attractive, and I have nothing to say.”

He did Not sad, but to deal with this unequal feeling, there is a sense of heavy burden that has been carried for a long time.

The woman left, but he breathed a sigh of relief.

Morality and random self-restraint, the initial goodwill prevented him from abandoning her halfway.

Even though this good feeling has gradually disappeared in the gradual understanding.

But he never treated her badly. If Qiao Fan hadn't come forward, he would have gotten married, ordinary and restrained.

He couldn't say two words that he didn't love to a woman whose heart was full of his eyes.

Qiao Fan's appearance was like a timely rain that rescued him.

In the eyes of outsiders, this is just the survival of the fittest and the elimination of the fittest among the giants, and it is just a contest of the right match.

The sympathy of their sympathy, the jokes of jokes, what true love is priceless, in the face of interests, is not worth mentioning.

But only Shen Liang felt that the burden of this relationship was already heavy, and he was happy to let go of the burden.

These words turned a corner in Qin Yu's heart, but she felt a little guilty.

These were all things she would do originally. It was common for her and Qin's mother to be upset, resist and then quarrel.

Was it naive in front of Shen Liang?

If it was before, she would have retorted without hesitation.

But now, there seems to be some truth to it.

She had to admit that a part of her risked her life back then and had a rebellious mentality.

Facts have proved that Qin's mother is right.

Thinking about it, she was a little sad.

Taking a breath, he noticed that Shen Liang was looking at her intently, with a very wonderful expression.

He didn't expect that his story would make this little girl have so many expressions?

Interested?

Qin Yu reacted immediately and asked subconsciously,

“How much did Aunt Qiao Fan pay?”

Shen Liang was startled and smiled.

Seeing him laugh, Qin Yu touched her nose, shouldn't she be sad?

Shen Liang stretched out his hand, five fingers.

Qin Yu: “Five million?”

Shen Liang shook his head.

Qin Yu: “Fifty million?”

Shen Liang still shook his head.

Qin Yu had to be shocked and suppressed her emotions:

“Five hundred million?”

Shen Liang then withdrew his hand and nodded.

There was no expression on his face, and there was no sadness or grief on his face.

It seems that this matter is not enough to make him fluctuate.

Qin Yu swallowed her saliva. Although she knew that the Shen family was in full swing, she had never heard of a woman who would take 500 million to send a woman away?

...

Chapter 1452 The amount is large enough

Chapter 1452 The amount is large enough

but this number is worth it.

Because the woman didn't leave, the monthly allowance of the Shen family would not exceed seven figures at most, which was the standard of allowance for ordinary wealthy daughter-in-laws.

But according to Aunt Qiao Fan's temper, after getting married, I'm afraid I can do it without giving a penny.

Wouldn't it be better to ask for such a fool's errand to be dashing with 500 million?

No wonder, giving up the cornucopia of Shen Liang is still tempting enough!

Shen Liang looked at Qin Yu's appearance, envy for a while, and sighed for a while.

It was so interesting.

Qin Yu felt that if she and Mo Xian were changed, Mo Xian's mother would not have sent her 500 million in one shot!

People are more mad than people!

Shen Liang suddenly remembered something, "By the way, you and Mr. Mo..."

Qin Yu's face paused, and she turned her head away.

"No drama."

Shen Liang nodded calmly.

"No wonder, I said you have a boyfriend, but my mother doesn't believe it. If you had one, you wouldn't come."

Otherwise, how could Mother Qin arrange this dinner in such a timely manner?

The night outside the window was dark but gorgeous.

The air outside was a bit cold, and Qin Yu was a little cold, so she couldn't help tightening her clothes.

Shen Liang's eyes darkened.

They didn't say anything and looked out the window together.

After a while, the two girlfriends chatted so happily that they forgot the time.

The two meet and talk next time.

Qin Yu and Shen Liang went back, ready to say goodbye to each other.

As a result, Aunt Qiao Fan patted Shen Liang's arm:

"Don't worry, Aunt Qin and I are shopping around, will you send Qin Yu home?"

Shen Liang was taken aback and looked at Qin's mother.

He originally planned to send Qin's mother and Qin Yu home.

But Qiao Fan said this, leaving Qin's mother behind is to leave him and Qin Yu alone.

Everyone understands the purpose of this.

Qin Yu paused and couldn't help but say,

"Aunt Qiao Fan, it's too late, you still have to rest, why don't you go back together?"

Mother Qin glared at her:

"It's not too late, you usually play with Su Nan and the others. It's not too late until the early morning, what time is it? Go back with Shen Liang obediently..."

Qin Yu wanted to say something, but was shocked by Mother Qin's gaze, and couldn't say a word. .

Shen Liang smiled, "Okay, I'll take Miss Qin home well, please rest assured."

Qiao Fan: "It's almost the same, you have to seize the opportunity!"

Qiao Fan hated it. He whispered in his ear.

Shen Liang nodded helplessly.

Qiao Fan and Mother Qin walked out hand in hand.

Qin's mother: "I just said, Shen Liang is a good boy, look at how sensible he is!"

Qiao Fan: "The more you look at it, the more suitable you are, I think you can choose a date to get engaged, I'll ask for more tables later."

.....

Shen Liang and Qin Yu looked at each other and couldn't help laughing.

They were really embarrassed and stiff, but there was no room for refusal.

Qin Yu took off his coat and handed it over:

"Here, I won't bother you anymore. The person supervising us is gone, and I'm going back too."

Shen Liang raised his eyebrows and didn't take it.

“That won’t work. If my mother knew about this, she would have to rip off my skin!”

Qin Yu: “I didn’t expect that you are quite a mother’s treasure?”

Shen Liang frowned, “What is a mother’s treasure?”

Qin Yu shut up .

People like Shen Liang probably don’t understand the meaning.

“Just to listen to my mother? As long as my mother says, I will listen.”

Shen Liang frowned hesitantly, and then shook his head in disapproval.

“No, I only listen to the right words and do my best to meet the requirements, not all of them will.”

Qin Yu shrugged: “Okay, Shen is always filial, but this time I will avoid it, I will go home. I still recognize it.”

Shen Liang shook his head, and under the light and shadow of the transition, he gave a low laugh.

“Oh No…….”

…

it. Qin Yu was really at a loss for Shen Liang’s determination to send her back.

It can only be blamed on his daring to disobey Aunt Qiao Fan’s orders.

My heart is more inclined to the aspect of his mother’s baby.

On the road, however, I was still apprehensive.

Because she didn’t go back to Su Nan, she went to her own house.

She was worried that she would see people she didn’t want to see there.

as predicted.

The car is parked downstairs.

There was also a familiar car parked on the opposite side not far away.

The people in the car didn't know how long they waited, and the whole person merged with the darkness.

When Qin Yu looked at the car, her pupils shrank.

Shen Liang noticed that something was wrong with Qin Yu, and followed the direction of her gaze.

Get down from the car on the opposite side.

Mo Xian.

He stared at them coldly, with suppressed anger in his eyes.

Shen Liang paused and coughed:

"Isn't there no drama?" He

spoke very quietly.

She thought Qin Yu wouldn't answer, but she smiled and said in a relaxed voice:

"I have no fun here, as for him..."

She paused and laughed sarcastically: "He has no fun."

The two people who didn't play, why torture each other?

Shen Liang paused: "Then it seems that you need help. I'm afraid five hundred million won't be able to beat it, right?"

He was willing to use his jokes to make her feel more relaxed. After saying this, Shen Liang was startled even himself.

Qin Yu looked at the man who was approaching gradually, and snorted coldly,

"I don't want to waste fifty cents!"

Five hundred million?

Does he fit?

Shen Liang smiled, the smile in the eyes of the man outside was particularly dazzling and gloomy.

Until Mo Xian stood three or four steps away from their car, he stopped approaching.
Wait for her to come down.

There was unspeakable anger all over him.

Qin Yu smiled and pushed the door to get out of the car, but suddenly her wrist was pinched.

Looking back, Shen Liang looked at her worriedly: "Do you need help?"

Qin Yu: "No, thank you."

After saying that, she pushed the door and got out of the car.

Shen Liang watched, did not move, did not leave.

Across the front windshield, he and Mo Xian looked at each other, their auras were turbulent and sharp.

Qin Yu was still wearing his clothes, maybe she didn't notice this detail, but in Mo Xian's eyes, it was like sand in his eyes.

He knew Shen Liang, both in the mall and in private.

In the shopping mall, Shen Liang's circle will only come together with Fu Yechuan, Su Nan and the others. It is actually difficult for a company like Mo Xian to revive the family to return to glory by relying on its old capital.

Among them, Shen Liang is a legendary person. From an old family business that struggled to grow under the pressure of Hong's Group, he is now almost a dominant player in the Midwest. I don't know how many people are jealous.

Privately, he knew about his engagement with Qin Yu, but in the end, he still won, and Qin Yu did not choose Shen Liang.

Seeing them appear at the same time now, Mo Xian's heart is full of mixed emotions, and he can't tell what it feels like.

Anger prevailed, and in this uncontrollable emotion, there was a bit of panic that he was unwilling to admit.

Qin Yu walked to the front, and he withdrew his gaze.

Surprisingly, she is not angry, not angry, not thin, even fatter than before, even more charming and willful.

Mo Xian stared at her for a few seconds, and said in a somber voice, “

Do you know how long I’ve been looking for you?” Cold and aloof. Qin Yu looked at him and smiled: “Why are you looking for me? I beg you to look for me?”

Mo Xian’s lips pursed into a straight line, with a cold breath, his voice was very deep:

“Qin Yu, you have to have a temper when you are angry.”

He lowered his voice . He lowered his throat and stared at her with dark eyes:

“Some things you know have happened and cannot be undone, why bother about what has happened?

I have done everything I can for you, why can’t you understand me?”

Qin Yu sneered With a sigh, the smile was extremely sarcastic:

“I have done everything I can? It’s like I forced you to divorce?

Mo Xian, tell me, am I not understanding enough for you? When

others call me a junior, I

Did n’t say a word. When your mother and your ex-wife came to call me a vixen, I didn’t take revenge, am I not considerate enough?”

Mo Xian frowned slightly, just about to speak.

Qin Yu laughed, and there was a bit of coldness in her voice.

“It’s okay to be considerate of you, but now you have to be considerate of your sister-in-law, where does your family have such a big face? Do you

really think I’m a poor bastard who has been carried away by love ? I

can only keep my head down in your house for the rest of my life. Come?”

Mo Xian stared at her coldly, with no expression on his face, the cold and sharp chill cut through the icy air like a knife blade.

“So, you regret it? It’s you who said you don’t

want to be named ...” “Mo Xian, you think I don’t want you to be named. If I marry you, my name will always be in the rank of another woman. Behind me, Qin Yu, doesn’t have the consciousness to be the second child of ten thousand years.”

Mo Xian’s delicate facial features were soaked with coldness, and even his brows were dyed with full of anger.

He raised the corners of his mouth and smiled grimly:

“So you think so.”

“What do you think? I don’t want the title you gave, and I won’t give you the title either. What I said is based on mutual On the basis of equality.

You mistakenly thought I was going to be tolerant of all your past, sorry, I’m not that kind of person.”

Qin Yu smiled, with a bit of coolness in the smile.

Mo Xian gritted his teeth, obviously suppressing his emotions:

“So, you have refused to meet for a few days. It seems that you have figured it out?”

“I figured it out that night, otherwise I wouldn’t have everything. Take it away, yours is yours, mine is mine, and there is no intersection.

I thought you understood, Mo Xian, if you like it, stay together, if you don’t like it, separate. Any one of us has the right to stop this. A relationship.”

After all, when they reconciled again, everyone in the world was not optimistic, not even themselves.

It was the tolerance of each other during this period that made them feel that they could spend the rest of their lives together.

But once the veil is lifted, what lies in front of you is a chasm that will never be crossed.

Mo Xian’s eyes fell on her, and then on the car behind her. Looking at Shen Liang’s meaningful gaze, he couldn’t calm down anymore.

He also forgot the gentleness and pleading when he came. He came to beg for peace, but when he saw her getting out of Shen Liang's car, his eyes were full of anger and coldness.

He sneered and looked at Qin Yu's eyes with a look of extreme disappointment:

“Have you found your next home?”

Qin Yu was stunned, and her eyes instantly turned red.

There was some instability in the breath.

Even if he was arguing with her now, she wouldn't be so angry.

But this sentence really hurts.

She stood there, trembling with anger, biting her lower lip to keep her tears from falling.

I want to scold, but I am afraid that I will collapse as soon as I make a sound.

Is this the person she used to love?

Is she blind?

Mo Xian looked at her like this, shook his head, glanced at the people in the car, and sneered sneeringly:

“Then I wish you a good chance to seize the opportunity, I hope he will not despise your notoriety.....”

The pleasure like revenge swept through the whole body, and Mo Xian felt extremely happy.

As if stinging her, you can please yourself.

The moment he turned around, Qin Yu's tears fell.

Trembling all over.

Just the next second, a strong wind blew past his ears, Shen Liang rolled up his sleeves, put one hand on Mo Xian's shoulder, and punched the other hand...

Mo Xian's face He was punched, staggered for a few steps, his eyes were gloomy, he couldn't get angry, he dropped his coat, and headed towards Shen Liang...

...

Chapter 1455 was humiliated by him

Chapter 1455 was humiliated by him

Qin Yu stood there, trembling all over.

Before she could say goodbye to the past, the knife from Mo Xian stabbed her on her body.

She thought that the breakup was an external factor between them, because his ex-wife, his family, and his sister-in-law, who was the trigger this time.

Oh, it wasn't.

The weather of the night turned into a sharp sword, cutting her barriers with a knife.

She will probably never forget this night, being humiliated by someone she loves.

The man she considered her true love treated her like this.

Shen Liang and Mo Xian did not give in to each other, as if they were competing with each other, punching their fists in the face, as if they were dying.

Mo Xian's ruthlessness was learned from childhood, and he played it out.

Shen Liang came out of the training hall when he was a child, and his moves were regular routines, but there was no obvious on the bar, and he didn't lose the slightest.

Qin Yu stood there and spent a full minute recovering.

Soon, she looked up again, she walked over, looked at the person who was inseparable, and called out coldly,

"Stop!" The

two looked over at the same time, Qin Yu walked over with an expressionless face, looking at the paralyzed On the ground, two people were gasping for breath.

She walked towards Shen Liang.

Shen Liang stood up with her help in astonishment, and then looked at Mo Xian darkly.

At this moment, Mo Xian had an uncontrollable chill and coldness on his face.

She stared at Qin Yu, but did not move away.

But Qin Yu didn't look at him at all, just looked down at his injury, "Let's go, I'll give you some medicine."

Everyone can feel the tyranny of the storm.

But who of these three people is afraid of whom?

When the two of them were about to go upstairs, Mo Xian's tone was extremely cold:

"Qin Yu, I wish you a hundred years of happiness!"

His blessing gnashed his teeth.

He waited to see Qin Yu come over to beat him and scold him out of control, then his chance came.

But he didn't know how lethal this sentence would be.

Qin Yu raised her head, took a deep breath, and held Shen Liang's arm tightly without looking back.

It's just that every word clearly entered Mo Xian's ears.

"I thank you!"

She pulled Shen Liang upstairs, and she didn't change at all until she heard the sound of the car starting.

When she got to the door, she pushed it open.

Shen Liang stood at the door, hesitant.

Qin Yu turned her head and said calmly, "Come in..."

Shen Liang paused and walked in.

"Will it be... inconvenient?"

Qin Yu smiled, "What's the inconvenience of this? Didn't you see it just now? He also wished us a hundred years of harmony..."

Shen Liang looked at the expression on her face, made sure she didn't endure the discomfort, and was relieved.

Looking at the surrounding decoration style, it is simple and luxurious, which is her character.

Not at all low key.

Shen Liang paused, she had already gone to the bedroom on her own.

Qin Yu came out again, holding a medicine box, really planning to give him medicine.

Shen Liang was dubious, "This medicine...isn't it expired?"

Qin Yu was taken aback, "Can the medicine still expire?"

Shen Liang: "..."

Qin Yu muttered: "The last medicine was so hypocritical!"

So, under Qin Yu's insistent persuasion, she had to Applying medicine to the wound on his face and painting his face blue, blue, green and green is extraordinarily funny.

Shen Liang was worried that he would be killed by the expired medicine, and wanted to go back to the hospital to have a look, but Qin Yu refused.

"As soon as you leave, what if Mo Xian is waiting below?"

Shen Liang: "Are you afraid that I will suffer from him?"

He was a little unhappy, did she underestimate herself too much.

Qin Yu: "I'm afraid that once you leave, he will come up to trouble me. You stay here for one night before leaving, so that he can give up completely..."

Shen Liang blinked and looked at her with deep eyebrows, hesitating to say anything.

Qin Yu patted his shoulder, "It doesn't matter if you help me this time? Don't worry, no one will know about it!" No one

would say it except them.

Shen Liang was blocked for anything, what else could he say?

“Miss Qin doesn’t mind anymore, so what else do I care about as a man?”

He sat there calmly and smiled.

His eyebrows were low, and the light and shadow cast on his face, with a sense of depressive silence.

Some are captivating.

Qin Yu was stunned for a moment, then smiled, “But I don’t understand, why did you suddenly do it just now?”

Although she felt that the moment Shen Liang did it was very handsome, it was tragically handsome.

Let her marry him immediately.

But looking back, he is not such an impulsive person.

Shen Liang paused and spread his hands:

“You are about to cry, can I sit in the car? If he bullies you, you have to pay it back. That’s right!”

In his impression, Qin Yu did not A man willing to suffer.

If others dare to provoke her, she will swipe a bottle on someone else’s head, no matter what kind of rich advantage he has.

But seeing her forbearance in the car, Shen Liang couldn’t take it anymore.

He really couldn’t take it, so he got out of the car and started...

Qin Yu nodded thoughtfully, holding the medicine box in her arms.

“Of course, there will be no next time. I was not prepared just now. Even if you don’t take action, I will not suffer in vain.”

Shen Liang looked at her amusingly, his voice low and hoarse:

“Well, I think so too, but I’m afraid that if I don’t take action, my mother will kill me if she finds out.”

Qin Yu smiled, and her heart suddenly became clear.

It turned out to be because of Aunt Qiao Fan.

So it all makes sense.

then.

This sleepless night, one lived in the master bedroom and the other lived in the second bedroom, so it was arranged like this.

Shen Liang had no opinion and sent the Buddha to the west, not to mention Qin Yu's initiative.

Originally thought that after what happened to Mo Xian, Qin Yu would not be able to fall asleep, at least not so easily.

As soon as she touched the pillow, she fell asleep.

If it wasn't for the alarm clock in the morning, she wouldn't wake up at all.

It's not that she is very dedicated, but she just doesn't want to make Mother Qin angry anymore, so she can only be conscientious and behave better.

She was still wearing a thin silk pajamas with suspenders, which was vacuumed inside. She went out to wash with her eyes closed as usual, because the faucet in the bathroom in the master bedroom was broken, and she was too lazy to find someone to fix it.

Just as soon as I went out, I heard movement in the bathroom.

She seemed to have forgotten that there was another person at home.

A clump of mush followed the sound in his head.

She didn't even bother to open her eyes. Standing at the door, she opened her eyes reluctantly, and she met a cold, angular face and his naked body.

Qin Yu woke up in an instant.

She widened her eyes and looked at him in shock:

"You..."

Shen Liang just wanted to take a shower. He slept too late last night, and the wound was afraid of infection, but he persisted all night. Can't help it.

He felt that if he didn't take a shower, he wouldn't be able to get out of this door.

Who would have thought that Qin Yu would wake up now?

Shen Liang's face was a little red, but his tone was still calm.

"Sorry, do you want to use the bathroom?"

She nodded subconsciously and pointed to the bathroom in her bedroom, "The faucet in the master bedroom is loose, I'll use this."

Shen Liang calmly wrapped himself in a bath towel, calmly He turned his body sideways and went out:

"Let me take a look at it for you."

Perhaps it was the first time the two of them faced such a scene, and they didn't know how to reverse the awkwardness.

Can only bite the bullet and ignore this embarrassing feeling.

Qin Yu nodded: "Okay, thank you..."

How polite she is.

...

Chapter 1457 Get the certificate directly

Chapter 1457 Get the certificate directly.

Shen Liang went to the bathroom of the master bedroom without looking back. It was more luxurious and luxurious than the bathroom outside, and even the bathtub was twice as big.

Glancing at it, there are still her underwear hanging there on the wall...

He quickly retracted his gaze and focused on the faucet.

Really loose.

He turned his head to look at her: "Do you have any tools at home?"

Qin Yu was stunned for a moment, "Yes."

She ran to the utility room and took out a toolbox, not sure if she had never used it before, even the label on it Not torn off.

Everything is quite complete, but it is of no use to her.

Shen Liang reached out and took it, accidentally touching her chest.

The hand was soft, like the softest and softest thing in the world. At that moment, his fingertips trembled and he quickly retracted.

Qin Yu was also stunned.

She stood there dumbfounded, unable to ignore the scene just now.

Both of their faces were flushed red.

Shen Liang lowered his head and held the tool to observe the faucet, trying his best to forget the touch just now.

It's really strange, it's not that he hasn't touched women before, and women have no fatal attraction to him.

The last girlfriend had a relationship with him, but it was only one or two times, and he was not very interested.

But the momentary touch just now seemed like an electric shock, like a tremor he had never experienced before, making his heart beat violently.

It was as if the blood all over his body was flowing backwards, scorching hot.

Usually when I'm with my brothers, it's inevitable to hear them talk about this topic, and any woman's eyes and actions can kill you.

He felt that they were boasting, and he didn't believe that they would lose their minds because of women's lust.

But at that moment, he suddenly felt that he was shallow.

The impression in his mind lingered, and he tried hard to restrain himself from looking at her and ignoring her existence.

Qin Yu stood there, also stunned.

If she ran away, wouldn't she seem to care about this matter?

If you want to expose it casually, you should be very experienced!

And she was worried that if Shen Liang wanted any more tools, he would run away, wouldn't it be embarrassing to leave him behind?

And, where else can she run?

This is her bedroom!

In the tangle, suddenly a burst of water spewed out uncontrollably.

Qin Yu was not spared even standing at the door, and was sprayed with water on her face.

Not to mention the Shen Liang closest to the faucet.

Shen Liang did not expect such a result.

His chest was bare, full of water, and his hair was wet.

The water was turbulent and fast, breaking the awkward atmosphere between them.

The two started looking for something to block the flow of water...

they didn't notice the movement outside.

Mother Qin: "Qin Yu in our family is very lazy, she must not know when we come here..."

Qiao Fan: "Young people are like this, pay attention to health care, but what's the news?" The

two walked over to one of them. .

One in wet pajamas was hunched over with a towel to block the faucet on the sink, and the other was naked behind her to block her.

From the back, you can't see the out-of-control faucet.

In their line of sight, they can only see the scene where the man can't wait to encircle the woman, which is simply heart-warming.

The two old aunts couldn't stand it when they saw this scene.

But they didn't plan to leave like that.

"Oh my God, what is this doing? The door is still closed..."

Qin's mother's tone was eager, but there was a bit of excitement in her eagerness!

"You guys are too anxious. It's early in the morning, and you don't pay attention to the impact at all..."

Aunt Qiao Fan went over and pulled Mother Qin away:

“Let’s go outside and wait, young people, with a lot of firepower, understandable, but Let’s get engaged earlier, forget it, get the certificate directly, and preparations for the wedding will begin next week...”

...

Qin’s mother kept saying: “This is too anxious, Qin Yu is still young.”

Qiao Fan is determined not to leave behind:

“You can grow up slowly, Then it’s the same as my own daughter, I will get the certificate in two days, I will show them the house in the afternoon, I will buy the wedding house, you can’t argue with me...”

Qiao Fan’s words were full of I’m proud. After all, I have a favorite daughter-in-law, so don’t be too happy.

“When the baby is born, I will take care of the baby myself...”

...

The two people in the bathroom still don’t know what happened.

Coincidentally, the faucet stopped running, and their stalemate seemed meaningless.

Qin Yu slowly raised her head, looked at Shen Liang, and opened her mouth:

“What should I do?”

She didn’t seem to have left Shen Liang, so this scene could be avoided.

Shen Liang pursed his lips, and his brows were also a mess.

Isn’t it just a loose faucet?

Why did he break the pipe?

Was it accidental or intentional?

He didn’t even realize it himself.

It's just that things have developed beyond everyone's imagination.

Qin Yu stood up, touched her face, and summoned her courage, "Forget it, I'll make it clear, we can't go on like this, we didn't do anything..."

Just as he was about to go out, Shen Liang shook his hand. Holding her wrist, the wrist is slender and white, and the hand is smooth and tender.

"Wait..."

He immediately let go, his tone was calm:

"Let me talk, change your clothes first."

Qin Yu was stunned for a moment, only to realize that her pajamas were all soaked through.

If you go out like this, you can't even explain why!

She nodded immediately, then ran to the bedroom to change clothes.

It is impossible for Shen Liang to go outside to change his clothes, his clothes are in the second bedroom.

He just wiped it with a dry towel and walked out.

"Mom, Aunt Qin, good morning."

Qiao Fan watched him come out like this, and was immediately dissatisfied:

"Even if you are about to become a family, you still have to be polite. How can you be so unruly in front of Aunt Qin?"

Qin The mother smiled, very loving and tolerant:

"It doesn't matter, it's all a family, you don't need to see outsiders."

Shen Liang's words reached his throat and swallowed.

He pursed his lips, "Come with me..."

Qiao Fan and Mother Qin looked at each other, not knowing what he was going to do.

Shen Liang took them to the second bedroom: "Two people please take a look..." The two of them looked at it, not knowing what it meant.

Qiao Fan: "Speak straight, what are you doing?"

Shen Liang was helpless:

"Mom, I slept in the second bedroom last night, not what you think..."

Qiao Fan looked at him like , snorted meaningfully:

"What does it look like? We have seen it with our own eyes. What else do you have to say? You are resting in the second bedroom. Why did you run into Qin Yu's room early in the morning

? Liang: "I'm going to help her fix the faucet..."

"Bathroom broken?"

Shen Liang nodded.

Qiao Fan: "Why don't you go outside and go to the girl's room to fix the faucet?"

Shen Liang, if a man dares to do it, he must dare to admit it. You can't do those things that are always messed up and discarded.

I know young people today. You don't take your relationship so seriously anymore, but you can't be like this, Qin Yu is such a good girl, this time you have the vision!"

Qiao Fan gave him no room to explain, and said to Qin's mother with a smile:

"I I even thought of the child's name..."

Shen Liang's head grew big.

Qiao Fan pushed him and gritted his teeth:

"Go to change clothes, what are you still doing?"

Shen Liang silently entered the second bedroom.

He understood, no matter what he explained, it was useless.

Ms. Qiao Fan only wants to see what she sees, and wants to know what she knows.

...

Chapter 1459 is willing to marry you

The first thousand four hundred and fifty-nine chapters is willing to marry you . The matter is urgent, Shen Liang feels that it is more important to change clothes first.

Qin Yu changed clothes and came out, blushing as hell, she almost didn't dare to look at the person in front of her.

She had never encountered such a speechless thing in her life.

And they were all elders.

Both Qiao Fan and Qin's mother were very enthusiastic about preparing meals in the kitchen.

It looks like it has become a family.

Qin's mother is not good at cooking, she is helping Qiao Fan, and she looks at the movement in the bedroom from time to time.

The two children did not come out.

As soon as Qin Yu came out, it attracted their attention.

Qiao Fan's attitude was a 180-degree turn.

"Qin Yu, are you tired? You can drink porridge after a while. Auntie hasn't cooked for a long time, but she should be able to eat."

Qin Yu was overwhelmed by this enthusiasm.

Could it be that Shen Liang has not made it clear.

"Auntie, I..."

"Don't say anything, the girl is a bit thin-skinned, auntie understands.

Don't worry, auntie is very open-minded, auntie won't have any thoughts about you, it's all because Shen Liang is too impulsive , the Shen family will definitely give you an explanation!"

Qiao Fan said everything he could, his eyes narrowed with laughter, and the corners of his mouth turned up uncontrollably.

Qin Yu frowned and scratched her head, "Auntie, didn't Shen Liang make it clear?"

Qiao Fan nodded calmly:

“He made it clear, he said he would marry you!”

Qin Yu was struck by lightning expression.

Shen Liang just came out of the second bedroom.

Qiao Fan grabbed the first voice:

“Qin Yu is willing to marry you, that’s the blessing of your eight lifetimes, you should cherish it in the future, do you hear?”

Shen Liang looked bewildered.

Qiao Fan simply didn’t do it for a while, and he didn’t even allow him to eat. He had to go to the Civil Affairs Bureau to register with his household registration.

No matter what Qin Yu and Shen Liang said, Mother Qin and Qiao Fan couldn’t listen.

The two were forced to give up their working hours and were taken to the Civil Affairs Bureau by two people.

Qin Yu took time to run, but was caught by Qin’s mother.

“You dare to run? Are you still on good terms with that Mo Xian?”

Qin Yu lost the slightest affection for Mo Xian after what happened last night.

“Of course not!”

“Why would you run away without you? Are Shen Liang’s conditions not good? His character and family background are hard to find even with a lantern. What else do you have to pick and choose?”

Qin Yu stood there, she pursed her lips, “That can’t be so hasty, right? I have only met Shen Liang a few times?”

Mother Qin sneered: “Do you think you are in free love? Qin Yu, I will only give you one chance to be self-willed, like Don’t even think about this kind of love that doesn’t care about the overall situation.

Whether you think I’m coercive and enticing, or a commercial marriage, Shen Liang is the best person I can choose for you. As long as you get the certificate today, what will happen in the future? I won’t care about you anymore!”

Qin Yu stood there, feeling cold all over.

She looked at Mother Qin's expression, with a bit of grief on her face.

She suddenly felt that the relationship she had with Mo Xian at the beginning was probably a fatal blow to Mother Qin.

So as soon as she broke up, Qin's mother couldn't wait to let her go on a blind date.

What is actually wrong?

Shen Liang was indeed the best candidate she could find. Without the relationship between Mother Qin and Qiao Fan, she would not even be able to meet the threshold of the Shen family.

Qiao Fan called, Qin's mother packed up and immediately pulled her in.

"Emotions can be cultivated. If you can't cultivate them, you can make do with it. Who do you make do with?"

Qin Yu didn't struggle, and followed in obediently.

Qiao Fan watched Mother Qin and Qin Yu come over and smiled like a flower.

"Why do you suddenly want to go to the bathroom? Is Qin Yu feeling unwell? If you feel unwell, auntie will take you to the hospital for a while..."

...

Chapter 1460 The incredible marriage

Chapter 1460 The incredible marriage and

going to the bathroom was just an excuse for Qin Yu to leave.

Facing Qiao Fan's sincere concern, she twitched the corners of her mouth:

"It's alright, I just caught a cold in the morning."

Shen Liang next to Qiao Fan looked helpless. He really didn't expect things to develop to this stage.

He thought that Qin Yu had sneaked away just now, and she was not the one to be submissive.

But why is she back?

Qiao Fan took the number and urged them:

“Quick, it’s our turn!”

Shen Liang and Qin Yu were pushed to the front.

The staff didn’t even look up, didn’t even ask if it was voluntary, and passed the seal directly.

Everything went unbelievably well.

After getting the red book, the two looked at each other.

Is this married?

Legal relationship!

Qiao Fan couldn’t hide his happy smile, and took Qin’s mother’s hand:

“Finally, I have a concern, I will go to see the house in the afternoon, the wedding is scheduled for next month, don’t worry, it will be beautiful, absolutely I won’t be wronged by Qin Yu!”

Qin’s mother laughed too hard:

“What is wronged or not, it doesn’t matter, the wedding is almost enough, and it shouldn’t be too grand...”

“Then why? Okay, it should be, it should be!”

...

Shen Liang looked down at the red book, then looked up at Qin Yu.

Although there was a bit of melancholy on his face, he seemed to accept it helplessly.

But for some reason, his heart was not so conflicted, instead...with a bit of expectation.

Qin Yu was really at a loss as he stood there.

Her last relationship just ended and she got married the next day?

She didn’t even dare to think about this progress!

Just like a dream.

Shen Liang had a lifeless expression and seemed helpless to Qiao Fan’s arrangement, but he accepted it.

The four walked to the door, the sun shining warmly on them.

Qin Yu felt dizzy for a moment.

The books in their hands were taken by Qin's mother and Qiao Fan, and they were kept on their behalf in name, but they were actually worried that they would turn around and divorce if they couldn't think of it.

Shen Liang and Qin Yu didn't think of this at that time.

They were pushed into the car in a hurry.

Mother Qin thought that there was still something to do in the company, so she proposed to go back first.

Qiao Fan insisted on taking Qin Yu back to Shen's house, but Qin Yu couldn't adapt for a while, so he pushed back again and again.

In the end, Shen Liang said that he also had something to go first, so he was scolded by Qiao Fan and left.

In this way, people will not get together.

Qin Yu followed Qin's mother away.

Shen Liang took Aunt Qiao Fan away.

The two people who just got married just parted ways like this, and there is no joy in getting married at all.

Qin's mother bent her lips in the car and muttered:

"You and Shen Liang will be fine in the future, and you will also accept your eldest young lady's temper.

I used to feel that I didn't feel relieved to hand over the company completely to you, but now I feel relieved. With Shen Liang around, your temper can't be turned upside down.

He is prudent and careful and won't treat you badly."

Qin Yu suddenly raised her head, "Mom, did you deliberately let me marry Shen Liang for the sake of the company?" For a

moment, the car fell silent.

Mother Qin stopped talking.

She didn't know if she was angry or suppressed her anger.

After a while, she gritted her teeth and said:

“Qin Yu, can you be more mature, then love can't be eaten.

Am I doing it for the company?

Qin Yu, without the company, who will look at you highly?

The company is With your backing, I can still run without Shen Liang when I'm here, but what if I'm gone?”

Qin Yu was stunned for a few seconds, then looked at her dully.

Qin's mother took a deep breath:

“To put it another way, if you are with Mo Xian, can you guarantee that Mo Xian can keep the company for you?

He and their family can't wait to drain your blood, right? “
