

Read Divorce Billionaire Heiress Chinese Language Chapter 146-150

Chapter 146 was teased

Chapter 146 Being teased

Su Nan sneered, do you think she is so fooled?

Does Fu Yingying think her apology is valuable?

Even if she kneels here to apologize, she won't take a second look!

Fu Yingying was shocked by Su Nan's words.

She was stunned for a moment, and her aura died instantly.

She almost forgot that Su Nan was now the daughter of the Su Group, the president of the Su family who turned her hands over the clouds and turned her hands into the rain.

Now, Su Nan can force Fu to step back!

She is no longer the soft bun who can be bullied at will!

"Su Nan, you...what's your attitude? I'm here to apologize anyway, why are you not polite at all?"

Fu Yingying gritted her teeth secretly, she was here anyway, so she can do business.

It was her fault that Su Nan didn't accept it!

Su Nan looked down at the time and made an internal call.

"Let the security come up and ask Miss Fu to go out."

In Fu Yingying's shocked eyes, she added a sentence: "In the future, don't let her get close to the Su Group."

"Su Nan, you are really not good or bad!"

Fu Yingying's face changed greatly. If it was rumored that she was kicked out, how would she behave?

Grandpa Fu and Fu Yechuan would definitely think that she had provoked Su Nan first!

Su Nan's eyes were cold.

"What's the matter? Fu Yingying, learn how to apologize to others first."

The security guard outside the door was already in place. Yu Lou knocked on the door and came in, looking at Fu Yingying with a dignified expression.

"Miss Fu, please."

Fu Yingying's face turned red and white, she glared at her through gritted teeth, then stomped her feet and ran out.

It was just that she regretted it as soon as she walked out of the door of the Su Group.

When she goes back, how will she explain to Father Fu and Fu Yechuan?

If I knew it earlier, I would have endured it!

On the way back to the old house, she was restless.

As soon as she got back to the old house, Mr. Fu's teacup smashed at her, but luckily he escaped quickly.

Too bad the teacup was broken.

"Grandpa..."

"If success is not enough, failure is more than failure, do you still have the face to come back?"

Mr. Fu's face was ashen.

Fu Yingying pursed her lips, intending to make up a reason to add fuel to it.

"Su Nan she..."

"Su Yifeng called me and said that as soon as you went to the Su Group, you would sneer at her, be high above, Fu Yingying, don't you have a brain?"

Fu Yingying's face froze.

She didn't expect that Su Nan was one step ahead of her and blocked the road!

Then, what she said, Mr. Fu naturally wouldn't believe it!

It's really unfortunate that Su Nan has calculated it again!

Not surprisingly, she went to kneel at the ancestral hall for another night...

After Su Nan got off work, Qin Yufei took her to a private party.

Although I was a little tired, but thinking that I hadn't gone out to relax for a long time, I readily agreed.

She was wearing a dark green suspender dress with pearls inlaid with irregular lace, and the design was elegant and extravagant.

She was tall and slender, with a well-proportioned skeleton, and there was no jewelry on her neck, but her slender and graceful swan neck had a fatal beauty.

As soon as the two entered the door, they attracted a lot of attention.

Qin Yu leaned into Su Nan's ear and whispered, "Let's see if you like it, just take it away..."

Su Nan rolled her eyes at her, "Are you still interested?"

"The key is to participate . Well..." Qin Yu stuck out her tongue, "I'll go say hello to the master, you can sit down as you like."

Su Nan nodded and found a secluded place to sit down.

Just when I was about to take out my mobile phone to check the changes in the stock market, a young man walked over to him, with a pair of peach blossom eyes, a pair of designer clothes and a watch, for fear that others would not know that he was rich.

At first glance, it is a rich second-generation illiterate.

At this time, she looked at her with frivolous eyes.

"Miss Su, I've admired your name for a long time, you are more beautiful than the photos on the Internet..."

Su Nan glanced at him lightly, nodded without any expression, and said hello.

She didn't know him, so there was no need to greet him.

Besides, this conversation is really cheesy and old-fashioned!

The rich second generation was ignored, and his face was a little overwhelmed.

He came here with the intention of clinging to Fu Yechuan.

At this time, Fu Yechuan and his friends were upstairs, talking about this Su Nan, and drinking silently, looking very unhappy.

Thinking that Fu's reputation was damaged by Su Nan recently, Fu Yechuan must be about to die of anger.

If he could take the opportunity to teach Su Nan a good lesson, wouldn't he be able to please Fu Yechuan?

Maybe Fu Yechuan can take care of their family's business as soon as he is happy!

Thinking of this, he became more courageous!

Staring at Su Nan with red eyes.

"Well, I'll invite Miss Su for a drink?"

He said, and handed it to Su Nan with a glass of wine.

Su Nan glanced at the wine glass indifferently.

No intention of reaching out.

She raised her eyes, and her eyes fell on the rich second generation.

"I don't drink." A

blunt refusal.

It's not anyone's wine, she's open to anyone.

The man in front of him was disgusting.

The rich second generation was obviously a little unhappy, and smiled sarcastically.

"Miss Su is now a strong woman, and her communication is cumbersome. Why doesn't she drink?

Isn't she disrespectful?"

...

Chapter 147: Master Ben teaches you

Chapter 147 This young master teaches you

the contemptuous attitude of the rich second generation, as if to imply that Su Nan is strong from outside and works hard.

The so-called female president is just a person with a better reputation.

Isn't he still a rich second-generation divorced?

What is there to be proud of?

Su Nan's expression was indifferent, and the corner of his lips slightly raised a mocking arc.

The voice was indifferent.

"Yes, I just don't want to show your face!"

Su Nan under the light was bright and cool.

No need for extra expressions, just a look, and the momentum will instantly kill the rich second generation in front of him.

What is he?

Give him the face, is he worthy of it?

She didn't want to stay here for half a second, and immediately stood up, planning to find Qin Yu.

Many people around have noticed the movement here.

Seeing that the second generation of rich didn't give her any face, he was immediately embarrassed and embarrassed, and he stepped forward to grab her arm and cursed loudly.

"Su Nan, do you really think of yourself as a scallion? It's just a woman who was swept out of the house. A divorced woman really thinks it's worth so much?"

It's good if someone invites you to drink. Who do you pretend to show?

Say it . . . how much to buy you a drink, this young master has money—"

Before he finished speaking, a glass of wine was poured on the rich second generation's face.

Su Nan is so quick!

He didn't even notice that the wine glass in his hand was empty.

Not a drop was splashed on his face, and the embarrassing liquid dripped down his head...

Su Nan rubbed his arm, his eyes were extremely indifferent.

"It's the 21st century, and your mouth is still so dirty. It's time to wash it.

Just you?

Buy me a drink?"

She sneered and shook her head, looking up and down at his exaggerated clothes.

It looks like a lot of money, but the real rich will never wear these brands that can see the value at a glance.

"You can't afford it..."

Compared with the angry second generation in front of her, she is a queen who speaks for itself!

She smiled arrogantly, and in her eyes there was a sense of distance that others were unattainable, which was a kind of innate nobility.

The scent is superb!

A fire was burning on Fu Erdai's chest, and his reason was about to lose control.

With so many people watching, how dare Su Nan do this to him?

Relying on some money at home, these sons and brothers will be held by others wherever they go, and it is not an exaggeration to be domineering!

If he admits defeat this time, he will be everyone's joke in the future!

A woman who Fu Yechuan didn't want, dare to be so arrogant?

"I have to teach you this woman!"

Fu Erdai raised his arms through gritted teeth, and threw them down at Su Nan's pretty face.

Unexpectedly, before the slap fell, a tall shadow rushed in front of him. He dragged Su Nan behind him.

Then he kicked Fu Erdai's chest and kicked him away heavily.

He rolled on the ground several times, curled up in pain, screaming miserably...

Su Nan's wrists were being pulled, and those hands were slender and beautiful, like works of art.

A familiar and unfamiliar smell filled her surroundings, with a faint smell of alcohol.

She had been infatuated countless times.

I want to get close, but I don't dare to get close.

But now, I just want to retreat and get away quickly.

Fu Yechuan.

He stood in front of her, and a tall figure enveloped her. After Su Nan saw his facial features, he quickly broke free from his big hand.

Take a step back and keep your distance.

When Fu Yechuan realized her move, he frowned, feeling a little disappointed in his heart.

However, he concealed it quickly.

At this time, Lu Qi also hurried over, looking at Fu Yechuan and the rich second generation on the ground.

Very surprised.

"Xu Yang, are you crazy?"

His family was just a small company that didn't make it to the top, not even in City A.

How dare you provoke Su Nan?

Still trying to make a move?

...

Chapter 148 This matter

Chapter 148 When

the people around this matter saw this scene, they were all secretly surprised.

According to legend, Fu Yechuan and Su Nan had been at odds for a long time.

Why did Su Nan encounter danger and the first one to rush out was this ex-husband?

Hearing the movement, Qin Yu ran over in a panic and looked at Su Nan, "Are you alright?"

Su Nan shook his head calmly, without the slightest hint of fear.

She was already prepared.

Even if no one came forward to help her, with Su Nan's skills, this rich second generation couldn't touch a single hair of her!

It's just that Fu Yechuan's appearance was too unexpected...

The second generation of Fu, who was lying on the ground, recovered, although it hurt, he had to grit his teeth and endure it.

He didn't hear Lu Qi's voice just now, and naturally he couldn't contact Fu Yechuan himself.

Before opening his eyes, he cursed.

"Who? Who dares to meddle in his own business?"

he shouted angrily.

Anyone else dare to help Su Nan?

It's so ignorant!

At this time, the pain on his face, as if all his internal organs were displaced, he gasped in pain!

Lu Qi laughed angrily.

"Xu Yang, keep your dog's eyes wide open, are you impatient?"

Usually this person pretends to be a grandson in front of them.

How dare you scold so vigorously now?

See you soon!

Now you can hear the speaker's voice clearly. Isn't this the voice of Lu Qi, who is always by Fu Yechuan's side?

Fu Erdai was shocked, opened his eyes and looked at the person in front of him.

Fu Yechuan stared at him coldly and deeply, faintly awe-inspiring and terrifying.

Ignoring the pain on his body, he rolled and crawled in front of Fu Yechuan.

He shouted respectfully and nervously, "President Fu, why are you?"

This shouldn't be!

Didn't Fu Yechuan hate Su Nan?

Why would you stand up for her?

Before he had time to think so much, he quickly stated his position.

"Mr. Fu, I misunderstood! I just want to teach this ignorant woman a lesson. She has spread rumors and slandered your reputation many times on the Internet. It's really hateful.

You are a generous person, so you can ignore it.

But we are really friends. I can't stand it anymore, I have to let her know the importance!"

He was completely thinking about Fu Yechuan...

But as soon as he finished speaking, he was kicked heavily on the chest, and his face was instantly pale and painful!

Fu Yechuan's brows were cold and expressionless: "What are you?" As

soon as Lu Qi heard this, he immediately ran to Su Nan to clear the relationship for Fu Yechuan.

"We're not friends, the old man doesn't know him at all, it has nothing to do with our old man, he makes his own decisions, Su Nan, you...don't get me wrong..."

He was fully aware that Fu Yechuan had no intention of tearing his face off with Su Nan.

From the moment he personally sent Qiao Wanrou to the police station, Lu Qi knew that Fu Yechuan was probably caught in it.

It's just that he didn't even understand it himself.

Therefore, he must stand up and explain clearly for Fu Yechuan!

Not everyone can be friends with Fu Yechuan, this Xu Yang is really shameless!

Under the eyes of the public, Su Nan smiled when he heard Lu Qi's words.

Smiling coldly.

"You don't need to explain, it's not the first time that Mr. Fu's friends have troubled me. Mr. Lu didn't do anything less at the beginning..."

So, what use are these explanations for her?

Do you think that two insignificant explanations can clear the relationship?

To make her feel grateful?

Su Nan is not a fool, how can he believe that they will be kind?

Seeing this, Lu Qi showed a guilty conscience, and was silent for a while, but he didn't know how to refute?

Yes, as a friend of Fu Yechuan, he did cause a lot of trouble for Su Nan during the three years he was forced to marry.

Not much better than this Xu Yang method.

He really has no qualifications or position to refute Su Nan's words.

Ruthless!

Lu Qi subconsciously glanced sideways at Fu Yechuan who was standing in front of him with a straight back.

The hands beside him were clenched tightly, blue veins bulging.

Don't think about it, the old man is definitely not feeling well!

The rich second generation on the ground rolled in pain, his face turning pale and ugly.

"Mr. Fu, I'm really thinking about you. I don't know that you are still interested in this woman. If you knew, I wouldn't dare to do it if you gave me a hundred courage!"

He felt that Fu Yechuan might still have feelings for this woman. Interesting, otherwise why would you attack him?

Knowing this earlier, he could not wait to be killed by a headbutt, and he would not dare to touch that woman!

Lu Qi paused and couldn't help but speak.

"Shut up Xu Yang, do you have any reason to speak here?"

When is it your turn to make up your own mind about Fu Yechuan?

You don't want to hang around in City A, do you? "

Things that don't have long eyes!

...

Chapter 149 She is just bullying others

Chapter 149 She just bullied

Su Nan with a sneer, today's good show is really wonderful!

It's just that she's not in the mood to accompany the show any longer.

Watching for one more second is a waste of life.

She turned her head to look at Qin Yu, "Change places, look at people you don't want to see, it will affect your mood."

The only person who didn't want to see was Fu Yechuan.

Qin Yu knew what Su Nan was thinking, and she regretted bringing her here. As soon as she heard her proposal, she nodded in agreement.

Su Nan carried her bag, stepped on high heels, turned around and left.

She doesn't care at all, the eyes of those who watch the show.

If you want to watch it, just watch Fu Yechuan next!

Qin Yu went to drive, and Su Nan stood at the door waiting.

She looked down at her toes, the night wind was slightly cold, with bursts of chills.

There were heavy and familiar footsteps behind him.

Su Nan did not look back.

“Su Nan.”

His voice was deep and mellow, extremely familiar.

“Qiao Wanrou has been punished, I wonder if we can... be friends?”

He walked to Su Nan’s side and looked at her with complicated eyes.

It was the first time for Fu Yechuan to take the initiative to be friends with a woman.

It’s a wonder in the world!

He couldn’t stand her.

But at least he should be given a chance to make up for it.

Now Qiao Wanrou is no longer an obstacle or misunderstanding between them. After he recognized Qiao Wanrou as a person, he felt even more ashamed of Su Nan.

heard.

Su Nan raised her eyes, squinted him, raised her eyebrows, and spoke sarcastically.

“I’m very picky about making friends. President Fu doesn’t meet my criteria for making friends at all, so let’s forget it.”

Fu Yechuan was a little stiff.

He would not fail to hear Su Nan’s refusal.

Not to mention friends, not even to meet and greet.

“Mr. Fu won’t think that I hate you so much because of Qiao Wanrou?

Without Qiao Wanrou, I should accept you and forgive you?”

Su Nan’s mouth evoked a playful smile.

Fu Yechuan’s face froze slightly, and his face darkened.

He suppressed the uncomfortable feeling in his chest.

His voice was cold.

“What do you mean?” he asked Su Nan.

Is not it?

He has explained it clearly.

He has nothing to do with Qiao Wanrou.

Why is it even more unbearable in her eyes?

Not even a chance for reconciliation?

Su Nan raised her eyebrows with a cold smile on the corner of her mouth.

Simply a great irony.

“To be honest, I think you are a very unbearable person!”

“In marriage, you have to hurt your wife in exchange for the favor of other people’s girlfriends. What face do you have to do?”

“In order to reflect your noble character “

Don’t talk about friendship, what does it have to do with me?”

“It’s me who donated blood, it’s me who was slandered and spread rumors, and it’s me who wasted three years of youth!”

“What obligation do I have to bear the consequences of all of this for you, don’t you find it disgusting?”

“It was never Qiao Wanrou’s problem between us, but you, Fu Yechuan!”

She finished speaking, holding back the smile on the corner of her mouth. , the eyes are full of cold.

It was he who killed all her enthusiasm and love with his own hands.

One sentence has nothing to do with Qiao Wanrou.

Should she be reunited with tears in her eyes?

dream!

She turned around without looking at him, and walked away on high heels.

Fu Yechuan stood there stiffly, cold to the bone!

Is he not even qualified to approach her?

He seemed to feel that Su Nan had completely jumped out of his control and seemed to never be able to catch him again.

This feeling made him panic for no reason.

Qin Yu's car stopped not far away and waited for her.

As soon as he got in the car, Su Nan fastened his seat belt expressionlessly.

Qin Yu saw Fu Yechuan's figure.

He snorted disdainfully.

"What did he do for you?"

Su Nan curled his lips, "Make friends."

"Bah, does he deserve it?"

"Of course he doesn't."

Su Nan raised his eyebrows as a matter of course.

Looking at the man in the rearview mirror, getting smaller and smaller, she suddenly felt a little boring.

As soon as she got home, she called Yu Lou.

The voice is indifferent.

"There is a rich second-generation named Xu Yang. No matter what his family does, when I open my eyes tomorrow, I want to hear the news that their family has gone bankrupt."

Yu Lou didn't know what happened. It was the first time that Su Nan used the power of the Su Group to block a company.

"Okay, Mr. Su."

It seems that he has to work overtime again tonight.

...

Chapter 150 Can you turn it over

Can chapter 150 be turned over the
next morning?

Fu Group.

Fu Yechuan came out of the conference room after the morning meeting.

Suddenly remembered something, turned around and told assistant Chen Mian.

“Immediately terminate any cooperation with Xu Yang’s company, buy their company at a low price, and let him get out of City A for me.”

Chen Mian paused, not understanding Fu Yechuan’s sudden thought, and looked at him with complicated eyes.

Report truthfully.

“Mr. Fu, early this morning, there was news that the Xu family went bankrupt. They were in debt and fled in a hurry. Even the house was sealed...”

Therefore, it is unlikely that the Xu family would be acquired. .

Fu Yechuan frowned tightly, his expression cold and solemn.

Don’t think about it, it’s Su Nan’s handwriting.

Her movements are really fast...

Fu Yechuan felt extremely uncomfortable when he thought of what she said last night.

He tried his best to suppress the strangeness in his heart, and gave a light “um” in his eyes, indicating that he already knew.

When Lu Qi knew that Xu Yang was going to end, he was terrified.

The food in front of me suddenly doesn’t taste good!

Compared to Xu Yang, Su Nan is really soft-hearted towards herself!

If she turned over the old accounts, Fu Yechuan might not be able to save him!

After thinking about it, he couldn't sit still, so he packed up and ran to the Su Group.

When Su Nan found out about this, he just sneered.

Don't care at all.

"Don't worry about him, the next meeting will be held as usual!"

Yu Lou nodded, "Okay, Mr. Su."

He held two temporary meetings, went down to check the progress of the project, and went to the staff canteen for a meal.

The schedule is very tight.

It's almost time to get off work, so it's easy to relax.

Only then did Su Nan remember that there was such a person.

"Is he still there?"

Yu Lou knew who she was asking.

"Yes, Mr. Lu drank four cups of coffee in the living room and ordered a takeaway..."

Su Nan chuckled, this Lu Qi is really patient.

"Let him come in."

"Yes." Yu Lou respectfully went out.

After a while, Lu Qi knocked on the door and came in, holding a bunch of Yanbaba flowers in his hand.

Su Nan raised his eyebrows, and Lu Qi had a smile on his face.

"Su Nan, are you busy so soon?"

He thought he would have to wait until midnight to finish overtime.

Su Nanhuan clasped her hands and looked at him playfully.

"Mr. Lu has been waiting for a long time."

Although he said that, there was no apology in his tone.

Lu Qi smiled, "It won't be long before my time is worthless."

Where is this going?

Lu Qi dared to come, and was ready to be tossed by Su Nan. As long as she calmed down, she would be easy to say.

"Is there something wrong with Mr. Lu?"

Su Nan lowered his head and took a sip of coffee, which was full of fragrance.

But Lu Qi drank four cups in a row, and when he smelled it, he almost vomited.

Hold on!

Lu Qi looked at her sternly and thought about his words.

"I thought about what happened yesterday. Before, as a friend of Fu Yechuan, I was really not very friendly to you. I feel guilty and regretful, so I came here to apologize to you."

Su Nan looked at him suspiciously.

"Didn't you come because you were afraid of Xu Yang's fate?"

This woman really hit the nail on the head!

Don't even give him a face!

Lu Qi's face froze, and then he admitted with a smile.

"Yes, we were all deceived by that woman Qiao Wanrou. Yesterday we went to drink with the old master, and we all drank in a mess.

When it comes to the past, everyone regrets it. I was really blind and mistook the pearl for the fish's eye.

Su Nan, for the sake of our sincerity, can we turn the page?"

He laughed so hard, the arrogant young master at the time probably didn't expect such a day, right?
