Chapter 151 Do you want to die?

Chapter 151 Do you want to die?

Su Nan's eyes flashed and he shook his head with a smile.

She refuses!

Turn over?

Dream it!

These people are really naive!

Lu Qi's smile was stagnant. He came here this time, most of the time, he was humiliating himself.

He left in despair, and Su Nan spoke indifferently.

"Young Master Lu, it's fine if I don't trouble you, and don't take the initiative to come to you in the future."

Lu Qi paused, something flashed through his mind, and turned to look at her.

Bright eyes.

"Su Nan, do you still like Lao Fu?"

If you still like it, the chances of them being together now are even greater than three years ago!

A match made in heaven.

Hearing this, Su Nan's face became even colder.

"Do you want to die?"

Chi Guoguo threatened.

Lu Qi shrank his neck, smiled embarrassingly, and ran away.

This is her answer.

How would you like it?

Aren't they masochists?

As soon as he went out, he stood downstairs in the Su Group.

He called Fu Yechuan.

"Old Master, I never thought you and Su Nan were so well-matched..."

Personality, imposing manner, family background, it's just a match!

By Fu Yechuan's side, there should be a woman like Su Nan who is evenly matched...

Besides her, who deserves it?

Fu Yechuan: "Huh?"

His tone was cold and puzzled.

But because of his words, there was a little bit of joy in his heart?

Lu Qi sighed and continued: "But there's no drama!"

Fu Yechuan hung up the phone immediately, his thin lips parted lightly, "I'm sick!"

After Lu Qi left, Su Nan received a call from Su Qi, there was an auction at night
Participation is required.

Because people on the Internet often misunderstand the relationship between Su Nan and Su Qi, Su Qi decided to find Ningzhi as a female companion.

And Su Nan's male partner is Yu Fei, a young freshman who has just made his debut in the entertainment industry carefully selected by Su Qi.

But he is really handsome and handsome, no wonder there are so many fans...

Yu Fei was obviously a little nervous, wearing a white suit dress, like a clean and clear prince.

He blushed a little restrained when he saw Su Nan.

Su Nan smiled and didn't say much, took his arm and walked in directly, found a seat and sat down.

On the huge screen in front are photos of the auction items.

A priceless emerald bracelet.

Collectible paintings.

And a pair of black gem cufflinks designed by the famous designer Pire.

When Yu Fei saw the photo of the cufflinks, he was obviously startled, his eyes sparkling.

“Master Pire’s finale is actually here?” He said to himself in disbelief.

“Do you like this?”

Yu Fei nodded and said happily.

“I was a designer before I entered the industry, and my idol is Master Pire. If he can accept me as a disciple, I will quit the circle and join him!”

Su Nan doesn’t know much about cuffs, but remembers that Fu Yechuan loves to collect cuffs, especially the works of master Pire.

What a coincidence!

Why do I think of him, it’s so annoying!

Su Nan glanced at him and saw Fu Yechuan who was a few seats away.

There was a chattering woman beside him, watching his eyes light up.

Aware of the cold gaze, Fu Yechuan turned his head and saw Su Nan who lowered his head and talked to Yu Fei.

The side face is soft and beautiful, and the dimples are very beautiful when he smiles.

It turns out that when she is not angry, she can be so beautiful!

The two were very close and intimate.

Fu Yechuan’s chest was irritated, his face was gloomy and cold, and his eyes became colder and colder.

The woman next to him noticed something was wrong with him and followed his gaze.

Deliberately exaggerated opening.

“Ah, Mr. Su has a new boyfriend again, but he is really insightful. This Yu Fei is a freshman who just debuted, and the first drama became a hit. Mr. Su is really popular!”

Fu Yechuan’s comment He glanced at her sideways, and his tone was cold and blunt.

“Your position doesn’t seem to be here?”

Xu Yin was stunned for a moment, then showed an embarrassed smile, and didn’t care to find herself under the steps.

“My daddy is the organizer, and they are willing to change seats with me.” The implication is that she can sit wherever she wants.

...

Chapter 152 Only you deserve it

Chapter 152 Only your worthy

Xu Yin just returned to China and came here to join in the fun.

She didn’t expect to see Fu Yechuan here, she couldn’t care about anything, so she was going to approach him.

She was robbed of the opportunity by Su Nan three years ago, and she will not be soft-hearted after three years!

Fu Yechuan didn’t say a word, his face was a little cold, and the disgust in his eyes was obvious enough.

If Chen Mian, who was sitting next to him, couldn’t see it, he would have been in vain for so many years.

At this time, he hurriedly proposed.

“Mr. Fu, why don’t we change seats?”

Fu Yechuan stood up without saying a word, and Chen Mian hurriedly yielded to him and sat in his original position.

Biting her head, she ignored Xu Yin’s angry and dazzling eyes next to her.

Su Nan’s phone rang, it was Ning Zhi’s WeChat.

“Isn’t the woman next to Fu Yechuan Xu Yin from Gemini Entertainment Group?”

Su Nan frowned slightly when he saw the name.

Reply: "I didn't see it."

She thought for a long time before she remembered who Xu Yin was?

At that time, the famous lady in the circle who threatened not to marry Fu Yechuan, his father was a big man in the entertainment industry, and he wanted the wind and the rain.

But because he was hit after being rejected, he went to country H for plastic surgery.

Unexpectedly, Fu Yechuan and Su Nan got married as soon as they left.

In a foreign country, Xu Yin, who has just undergone a complete cosmetic surgery, is saddened!

Heartbroken!

"I heard that it took more than 800,000 yuan to move the whole face in H country, then the chin can pierce the paper..." Ning Zhiliu made a horrified expression.

Su Nan smiled, it had nothing to do with herself, she was too lazy to pay attention.

As soon as I looked up, the auction started.

Others are not interested.

It's just that Su Nan was paying attention to the pair of cufflinks.

When the cufflinks auction started, the asking price was 200,000.

This is not low in the value of cufflinks.

Yu Fei next to him raised the sign without hesitation.

"250,000—"

"300,000—"

.....

Up to 600,000, there are still people asking for the price.

Yu Fei has already begun to shake.

For the little fresh meat that has just debuted, the price is not low.

Su Nan thought for a while, he should accompany him to participate in this boring auction, he should show something.

So, she raised the sign without hesitation.

“Seven hundred thousand—”

Seeing that the person who just asked for the price was Su Nan, he obviously did not intend to follow.

But unexpectedly, Xu Yin held up the sign, “750,000—”

She excitedly said to Fu Yechuan.

“Brother Yechuan, let me give you this as a gift..”

Fu Yechuan did not respond.

Turn a deaf ear.

She is not discouraged either.

As the opponent was Su Nan, Xu Yin didn't want to give up this good opportunity to win a round.

The distance was so close that Su Nan could hear it clearly.

Oh, this Xu Yin is afraid that she has some misunderstanding of her own worth?

Dare to fight with her?

Su Nan: “One million—” There was an

uproar in the audience.

This is really the highest price for cufflinks.

And Xu Yin's excited passion has not faded, but she died in shock.

Because she can't afford more pocket money than one million...

The disgust for Su Nan in her heart is even deeper!

And Yu Fei wanted to say something on the side, but he was afraid of being self-indulgent.

Just when the final word was about to be finalized, the man's voice was low and mellow.

"One hundred and one million."

It was Fu Yechuan.

This pair of cuffs is not worth so much, but he has collected all the cufflinks of master Pire, except for this pair.

Incomplete, always imperfect.

He was bound to win.

Su Nan asked for this pair of men's cuffs, which seemed to be of no use.

Now everyone thinks that there is a good show to watch.

Ex-wife and ex-husband on the bar, see who can win in the end?

Su Nan pondered for a while, then raised the placard again, "1.2 million—"

As if the price was just a number to them.

Yu Fei couldn't help but said, "Miss Su, forget it, it's not worth so much money."

Su Nan smiled at him and said nothing.

no doubt.

Fu Yechuan made another bid.

Straight to 1.5 million.

He turned his head slightly and glanced at Su Nan's direction.

At this time, Su Nan's focus was not on him at all. He just looked at the pair of cufflinks with some obsessive yearning.

Without any hesitation, Su Nan raised the placard to bid: "Two million—"

"Two million once—"

"Two million twice—" The

host paused and dragged for a few seconds, deliberately waiting for Fu Yechuan to compete .

Chapter 153 Change of clothes

Chapter One Hundred and Fifty-Three Changes of clothes

There was silence in the arena.

But disappointing!

Fu Yechuan withdrew his gaze lightly and did not continue to bid.

If she likes it that much.

Just give it to her.

“Two million three times—” The

final word!

Everyone was a little shocked, Mr. Fu just admit defeat?

The good show they were looking forward to was not even a splash of water...

Su Nan snorted coldly, she couldn't have spent so much money, it was Fu Yechuan who made her spend an extra million for no reason, he did it on purpose right?

Stand up and simply go to the checkout to get something.

Yu Fei followed him.

No one paid attention, and others followed.

Su Nan looked at the pair of cuffs and handed it to Yu Fei.

“Give it to you.”

Yu Fei was taken aback, his eyes widened in shock.

“Send me?”

Two million cuffs, give him away after changing hands?

Su Nan nodded and smiled, "Thank you for accompanying me to the auction, a small gift, you're welcome."

"Thank you Miss Su for your kindness, I can't ask for it."

"But in my opinion, only you are worthy of this. To the cufflinks."

There should be a most holy place in the heart for those who can give up everything for their dreams.

Hearing a movement outside, heavy footsteps left.

The two didn't care.

Yu Fei still refused, Su Nan hesitated for a moment, "If you don't like it, you can give it to someone else."

But what she wants to give cannot be taken back.

It just so happened that Ningzhi and Su Qi came in one after the other.

Ning Zhi smiled and said, "I just watched President Fu angrily leave, is there a dispute?"

Yu Fei shook his head in confusion, "No, no one came in just now..."

Su Nan Thinking of the sound of heavy footsteps just now, I was relieved.

I don't care much.

Ning Zhi went over and took her hand, "Let's go, let's go eat something."

Su Nan nodded, greeted them, and followed Ning Zhi out.

"It's really unexpected that Fu Yechuan can get you."

Su Nan sneered, "Do you think he will let others? He clearly raised the price!"

Ning Zhi nodded clearly, it made sense!

Not far away, there are quite a few girl stars around Xu Yin, laughing and flattering.

The daughter of the entertainment industry boss, of course, has to hold it.

After all, blocking Xue Zang is still a big hit, it's all her words.

Seeing Su Nan coming over, Xu Yin didn't get angry.

Immediately, yin and yang sarcastically satirized her.

“Miss Su, you’re really willing to spend money for men, but how did you do it? Every time the men around you are different...”

Xu Yin laughed at her chaotic private life.

The people around laughed embarrassingly, but did not dare to respond.

What is Su Nan’s identity, they can’t afford to offend!

Su Nan smiled, bright and eye-catching, just standing there, he has already killed all the little stars who often seek life under the spotlight.

The beauty of being left behind and independent is really irresistible.

“It’s enough to be beautiful, but if you want to do this, I’m afraid it’s too difficult...”

She also deliberately glanced at Xu Yin regretfully, looking at her facial features, which were uncharacteristic, like a beautiful face The camera is out of shape!

When Xu Yin heard this, she immediately froze.

She hates people talking and laughing about her plastic surgery.

“Su Nan, don’t think you’re Su Yifeng’s daughter, I’m afraid of you?”

“Aren’t you good-looking?”

“If it wasn’t for your beauty, you thought Fu Yechuan would fall in love with you three years ago? “

The name Fu Yechuan cannot be mentioned casually in Su Nan.

Ning Zhi saw that Su Nan’s face changed, and quickly replied.

“Xu Yin, I remember that you went to confession three years ago. Why did you have plastic surgery if you failed? Could it be... Fu Yechuan thinks you are ugly, right?”

Xu Yin’s face turned red and white, ugly. At the extreme, as if Ning Zhi had said it, she trembled with anger.

Those big eyes that opened the corners of their eyes almost made people think that their eyeballs were about to fall out!

“You are talking nonsense! You are ugly! You two are ugly!”

After speaking, she picked up a drink and poured it at Su Nan.

But I didn't expect that Su Nan's figure was very fast, pulling Ning Zhi to the side and dodging, avoiding it perfectly.

But...

Chen Mian spoke anxiously from the side.

"Mr. Fu, are you alright, do you want to change your clothes?"

Chapter 154 The standard of girlfriend

Chapter 154 The Standard of Girlfriend

Just because he heard Su Nan's words to Yu Fei, "Only you are worthy", Fu Yechuan was so angry that he couldn't say anything, so he turned around and left.

Who would have thought that it was such a coincidence that Fu Yechuan saw Su Nan surrounded by people and arguing.

As soon as he came over, a glass of juice was poured directly on him.

The one who suffers becomes himself.

At this moment, except for Su Nan, everyone looked at Xu Yin as if a catastrophe was imminent.

Xu Yin's complexion changed a few times, and she twitched the corners of her mouth, "Brother Yechuan...you, are you all right?"

Fu Yechuan's eyes were cold and pressing, and his voice was extremely cold.

"I'm not familiar with you, call me President Fu."

After he finished speaking, he just glanced at Su Nan, who had nothing to do with him, then turned and left.

Since he was born, no one dared to make him so embarrassed!

Chen Mian stepped up to catch up.

Xu Yin had just boasted that she and Fu Yechuan had a very good relationship, and the two were very likely to get married.

But in the blink of an eye, he was slapped in the face by the male host himself.

Unfamiliar?

What a deadly insult!

She bit her lower lip and stared at Su Nan angrily. The cup in her hand was empty, and she was holding it tightly in her hand at the moment.

I can't wait to pinch Su Nan to death!

Ningzhi added fuel to the fire.

"I'm afraid Fu Yechuan has forgotten your surname? Did you just introduce yourself?"

Su Nan couldn't help but chuckled, pulled Ning Zhi and turned to leave.

The rest of the people immediately changed the topic, I can't make the eldest lady unhappy...

The final dinner is about to begin, and the biggest player here is Su Qi.

The reddest little fresh meat is Yu Fei.

The organizer can't afford to invite Su Qi to come on stage, and what he wants to do depends on his mood.

But they will not let go of Yu Fei, a popular traffic niche.

Yu Fei had seen this kind of scene a lot, and he didn't take it at all. He greeted him calmly and said a few words of blessing.

But the host was unwilling to lose the opportunity for this hot topic.

"Yu Fei is an adult, can I ask on behalf of your fans, what kind of girl do you like?"

Yu Fei was stunned, lowered his head and smiled, not planning to answer.

The moderator changed the question in a different way.

"Are there any ladies present that you admire?"

Everyone waited with bated breath.

Yu Fei thought about it, and in the crowd, he saw Su Nan accurately.

His smile was clear and clean, revealing little tiger teeth.

“I appreciate a girl like Miss Su Nansu.”

Everyone cheered.

They all looked at Su Nan’s expression.

Su Nan smiled helplessly and waved at Yu Fei.

What a lovely child, even the topic is led by the nose.

Just because she gave a pair of cufflinks?

There are already many scandals about her, and she doesn’t care about other things.

It’s just this little fresh meat, I’m afraid it will be a little troublesome.

Among the countless eyes, two of them swept coldly on her face, making her extremely uncomfortable.

Turning his head to the side, he saw Fu Yechuan’s deep and dark eyes.

Su Nan turned his head without hesitation, as if he didn’t see it.

Looking at the little fresh meat on the stage, he smiled.

Reassure him that he is not angry!

And Su Qi couldn’t help taking the stage at this moment, if it was later, his sister would be hacked!

“Brother Yu Fei, now Su Nan is the target of my scandal, leave me some heat...”

Everyone burst into laughter.

With Su Qi’s reputation, these words are undoubtedly for Yu Fei.

It’s just this scene that was passed on to the Internet by someone with a heart.

Xu Yin proudly watched the video on her phone.

Satisfied smile.

Now the whole world knows that Su Nan is a feisty woman.

See how she will be squeamish in the future?

The banquet continued into the night.

When it was over, Su Qi found someone to send Yu Fei back.

And he personally sent Ning Zhi home.

Su Nan drove by himself and happened to meet Fu Yechuan... and Xu Yin when he went out.

“Send me home, it’s so late, a girl will be afraid...” The voice screamed and wanted to be beaten.

Fu Yechuan frowned slightly, “It’s not the right way.”

“Then take a detour, Mr. Fu, what should I do if I am in danger by myself?”

Xu Yin pretended to be weak and made a flustered expression, and went to pull Fu Yechuan’s hand. did not succeed.

But he was avoided.

This scene, like a rich woman molesting people.

Extraordinarily funny!

Su Nan couldn’t help but smile and hid behind the wall without making a sound, so he didn’t show up.

“You will not be in danger.”

Fu Yechuan said firmly.

That tone almost made the words more straightforward.

Even if it does happen, who is in danger?

...

Chapter 155 is so unlucky

Chapter 155 is so unfortunate that

Xu Yin didn’t give up, and she has to say more.

But Su Nan's phone rang.

Ringtones cut through their hilarious vibe.

No way, she can only pick up as she walks.

It's Su Qi.

"I heard that there is a fugitive nearby. You wait there. I'll have someone pick you up."

Su Nan smiled.

"No, I can go by myself."

Ignoring the two people, I just walked over.

"Su Nan..."

Fu Yechuan called out her name.

Su Nan didn't have time to react.

Fu Yechuan chased Shangli.

"I'll take you off."

Su Nan raised his eyebrows and chuckled, surprised.

When did they get to know each other so well?

Take the wrong medicine... you don't have

to!

"Don't get me wrong, I heard that there are fugitives around here. It is not safe. If you have an accident, I will be scolded on the Internet." I

heard that the murderous fugitive has robbed many little girls...

Fu Yechuan's tone was indifferent, and the light in the night drew his figure for a long time.

Slightly lonely.

When he spoke, his expression flashed a little nervous, and Su Nan thought that he must have misunderstood.

Will he be nervous about her safety?

Oh, sows can climb trees!

Looking at Xu Yin, who was chasing after him, the resentment in her eyes should not be too obvious.

Su Nan hooked his lips.

The sound is cool.

“No, I’d rather meet a fugitive than stay with you.”

After she finished speaking, she lifted her leg and left, not wanting to say another word.

“This Su Nan, why is she so arrogant? She really doesn’t know what to do!”

Xu Yin was almost dying of anger.

Isn’t Su Nan humiliating himself by rejecting Fu Yechuan in front of her?

She must have done it on purpose!

Fu Yechuan’s brows were deep, Chen Mian drove over, Fu Yechuan got in the car, and said coldly, “Come on.”

It’s no use calling Xu Yin from behind!

Chen Mian rushed out of the car in an instant.

Several of the street lamps on this section of the road were broken. Fu Yechuan looked nervous and uneasy, and he always had a bad premonition in his heart.

Under the dim streetlights ahead, a car was parked with no one in it.

“It’s Miss Su’s car!”

In less than two minutes, the accident happened?

“Stop!”

Fu Yechuan said coldly, with a chill in his eyes, he jumped out of the car without saying a word, and ran over quickly.

Chen Mian quickly followed.

Just as she approached, she heard the man groaning, and then she saw Su Nan standing side by side with a bald man in front of Su Nan's car.

Taking a closer look, the man had a dagger in his hand and mud on his body, and looked at the woman in front of him in a panic.

Seeing that there were so many people, the man panicked even more, just wanting a quick solution.

Su Nan took a step back calmly, his eyes sharp and fearless.

Yep, that's just bad luck.

With so many people coming and going, it was she who met this fugitive!

Just as he was stabbing her with a dagger, Su Nan suddenly turned to his side, spun around with a flying kick, and kicked the person heavily on the front of the car.

The action is fluent and crisp.

Sassy and beautiful!

The man was careless. He didn't think that Su Nan had the skills. He endured the pain and got up. Before he raised the dagger in his hand, he felt a sharp pain in his wrist!

Bang –

“Ah -“

he screamed suddenly, the dagger fell to the ground, the heel of the high-heeled shoe stuck on the back of his hand, piercing his palm!

Heartbreaking pain!

resounded through the night sky.

Threat removed.

Chen Mian looked at this scene in shock, and was shuddered by the man's terrified screams.

If I hadn't seen it with my own eyes, I wouldn't believe that the scene in front of me really happened!

Su Nan didn't give other heroes a chance to save beauty at all!

next second.

Fu Yechuan took a step forward with a solemn expression, and ran to check on Su Nan's situation.

"Chen Mian, call the police!"

"Yes!"

He didn't dare to delay for a second.

Su Nan knew that someone was coming, but he didn't expect it to be Fu Yechuan.

Seeing him coming, he just looked away faintly, bypassing him to change spare shoes.

The CHANEL high-heeled shoe she liked was stained with blood and was already dirty. Although it was a pity, she would not want it again.

"Su Nan, are you injured?"
