Chapter Sixteen Encounters

Chapter 16

The wine in Su Nan's hand spilled onto her head without a drop, and before Fu Yingying could scream, just as she was about to stand up, Su Nan pressed her shoulders firmly and sat down and pushed her hard. , a shady opening in her ear.

"Miss Fu, you have to remember that it was I who brought up the divorce. I didn't want your Fu family anymore. If you dare to speak rudely, I'll let you know who can't get along in City A!"

When Su Nan left, The back is neat and neat, and Fu Yingying's pale face has not yet reacted. Qu Qing cursed loudly from the side, calling for the manager and waiter to come over to clean up the mess.

"Is this bitch Su Nan crazy? How dare she treat you like this!"

Qu Qing said viciously, and in a blink of an eye, Su Nan had already led the manager down to the VIP room on the other side.

Fu Yingying's hair and clothes were stained with red wine, and she couldn't see it at all. She suddenly reacted, and she was so angry that she wanted to chase after it and settle the account, but was stopped by the waiter later, "Miss, there is a change of clothes here, do you need it? Everyone

around looked at Fu Yingying who was in a state of embarrassment. Fu Yingying stamped her feet angrily, "I won't let her go!"

Su

Jin was obviously unhappy, but Su Nan was not affected in any way. She looked up at Su Jin and smiled, "Brother, I have an appointment with Qin Yu to go shopping at night, do you want to go with me?" The

man squinted her with a cold tone, "Are you still in the mood to eat and go shopping? The Fu family's What kind of attitude do people have towards you, the dog's eyes look down on people!"

Su Nan lowered his head and pulled the corner of his mouth helplessly, a trace of coldness flashed in his eyes, "It doesn't matter, don't worry about it, it's over anyway,

they won't mess with me in the future. Fortunately, if you dare to provoke me, I'm not a useless person to be slaughtered." After the

two of them finished their meal, they saw Fu Yechuan's car as soon as they went out.

As soon as Fu Yingying in the car saw Su Nan coming out, she couldn't wait to pull Fu Yechuan out too, crying and complaining, "She did it, brother, I was so embarrassed just now, it was Su Nan, a slut who harmed me, and my mother can also testify. Yes ."

Su Nan stood there with coldness on his brows and took Su Jin's hand away as if he didn't see it.

Fu Yechuan's face was gloomy and ugly. He didn't believe that Su Nan would become so bad. Thinking about Qiao Wanrou's framing of her, he was afraid of causing a misunderstanding, so he waited for Su Nan to come and explain himself, but Su Nan didn't even look at him at all. Leave.

When passing by Fu Yechuan, he grabbed his arm and looked at her with a frosty face.

"Su Nan, you should explain!"

Su Nan looked up at him lightly, and snorted, "I did it, what's there to explain."

She raised her leg and was about to leave, not caring about it at all. occur.

I don't care about Fu Yechuan's attitude.

Fu Yechuan pressed his hand slightly, Su Nan felt uncomfortable, turned to look at him, a bit of coldness in his beautiful eyes, "Mr. Fu, do you want to teach me a lesson for her?"

"Brother, don't let her go, this bitch People who dare to do something can't spare her so easily!"

Fu Yingying, who has been held in the palm of her hand since she was a child, has never suffered such grievances, and of course she won't give up easily!

Fu Yechuan's eyes darkened slightly, and he frowned at his sister, "What do you want?"

Fu Yingying curled her lips and looked at Su Nan proudly, "Let Su Nan bow to me and apologize."

"Let me apologize?" Su Nan sneered and looked at Fu Yechuan. He probably thought the same thing...

Every time Fu Yingying or Qu Qing raised an issue, it was her apology that ended with her apology

. This time, she just didn't want to get used to their stinky problems!

“Mr. Fu also wants me to apologize? Let's go to the surveillance first to find out the reason. Miss Fu is not an innocent little white rabbit, so what are you pretending to be pitiful for?”

Su Nan said sarcastically and pushed it away. Fu Yechuan's hand used to hold Su Jin's arm.

Su Jin couldn't help but speak from the side, his tone was cold, “Isn't there anyone in the Fu family who taught Miss Fu to be retaliated against when she bullies others? Why didn't Miss Fu want to apologize to Su Nan when she made a rude remark? ?”

Fu Yingying's heart trembled when Su Jin looked at her, she felt guilty and flustered, she hid behind Fu Yechuan and said pitifully, “Brother, I don't...”

Both Su Jin and Su Nan's eyes were on Fu Yingying's. On the body, the eyes are cold.

Hearing this, Fu Yechuan frowned slightly.

“It wasn't because she hacked me on the Internet for stealing ‘Mengmen’ and made my sisters laugh at me. It's my own thing, how can it be called stealing? I just said a few words to her, and she dared to resist!” Fu Yingying Guilt-ridden quarrel.

That incident really made her lose face!

Fu Yechuan's face was cold, his eyes darkened, his brows furrowed, and he wanted to speak.

Su Nan couldn't help chuckling, ignoring her self-editing and self-direction, “Those who don't resist being scolded by others are the former Su Nan, Miss Fu should learn how to respect others, otherwise there will be another next time. “

The monitoring of the restaurant will be kept forever, and Mr. Fu can check it at any time and say goodbye.”

Su Jin said, pulling Su Nan to the side of the car, thoughtfully opened the door for her, and left.

Chapter 17 Coincidence

Chapter 17 Coincidence

Fu Yechuan squinted his eyes darkly as he watched Su Jin's car gradually go away.

Su Nan, who is divorced, is like a derailed train, and it is impossible to grasp the direction of travel.

In the past, Su Nan had to be careful even when he spoke to him, but now, he dared to say those rude words without fear.

Fu Yingying was not willing to let her go like this, and wanted to go to stop the car, but was held by Fu Yechuan.

"Enough!"

"Brother, how can you speak to outsiders? When Su Nan bullied me, she was bullying our Fu family. She forgot who gave her food and clothing for the past three years. She really owes her a lesson!"

"Fu Yingying, the jewelry in the safe in Jingyuan Villa is for Su Nan, why did you take it without permission?" Fu Yechuan couldn't help reminding that although he didn't take the initiative to give it away, all the property in Jingyuan, it was all shared by him and Su Nan, that was clear.

"Brother, I'm your sister. It's just a piece of jewelry. Do you still care about me? Besides, Su Nan has no occasion to wear such precious jewelry. What's wrong with me taking it?" Fu Yingying was dissatisfied. Speaking, how can Su Nan be worthy of "Dream"?

Fu Yechuan really wanted to teach her a lesson, but Fu Yingying started to cry because she thought she was wronged, and he didn't even want to say anything.

"Look at the surveillance first."

One sentence made Fu Yingying stop and her tears froze. She gritted her teeth angrily, "Brother, don't you believe your sister? They are clearly framing me!"

"Look I know." Fu Yechuan glanced at his sister and walked in.

Fu Yingying's face flashed a trace of panic, but she still followed suit.

"Brother, I'll just say she's not a good thing. Look at the man next to her who is saddling her, maybe he's already wearing a green hat for you. Eighty percent of the time he took your wallet and raised that little white face!"

Fu Yingying sarcastically wanted Fu Yechuan to help her deal with Su Nan, why did that woman step on her head?

Fu Yechuan's eyes sank and his face became cold and stern, "Shut up!"

He lifted his foot and left, completely ignoring Fu Yingying.

The owner of the restaurant was ordered by Su Jin, and the surveillance video had already been prepared. As soon as Fu Yechuan arrived to explain his intention, the owner took out the surveillance video and handed it over.

One minute, two minutes...

Fu Yechuan's face became more and more gloomy and ugly, while Fu Yingying was a little anxious while standing aside. In the video, the insults and cursing of Fu Yingying and Qu Qing were terrible, but Su Nan's reaction was already accustomed to it.

Habit?

Isn't this the first time?

Did the Fu family treat Su Nan like this when they were in the Fu family?

Su Nan's calmness and counterattack shocked them both. Is this her first counterattack?

Fu Yechuan's heart was complicated, his blood flowed rapidly, his face changed several times, he turned off the video abruptly, and walked out with big strides.

"Brother, wait for me..."

"Fu Yingying, this isn't the first time I've scolded her, right?" Fu Yechuan stared at his sister.

Fu Yingying's face turned pale in an instant. It was ugly and she quickly denied it, "What? I'm just angry that she found another man just after the divorce. What do I usually scold her for?"

Fu Yechuan sneered. sister.

"Go and apologize to Su Nan!"

"I don't want it, let me apologize to that slut, I might as well die..." Fu Yingying shouted aggrievedly, it was obvious that Su Nan poured her wine. What makes her apologize?

Chapter 18 Fu Yingying can't afford

to offend Fu Yechuan's arm, "Brother, you have to help me, is Su Nan looking for Xiaobailian with your money now? The man next to her clearly has an affair with her... .."

Fu Yechuan dragged her off his body, his tone was cold, and he left after saying a word, "That man is Su Jin from Xicheng, you can't afford it."

He is now doubting whether he has come to the point of divorce . One step, it's not just his own problem, maybe the whole Fu family is a problem?

Fu Yingying froze all over. Although she had never met Su Jin, in the circle of celebrities, everyone knew that Su Jin had a single diamond king in Xicheng. She was mysterious and noble. How many women thought of marrying him. , Su Nan is actually with him?

Fu Yingying was angry, since her brother didn't help her, she could only go to others for help, and immediately made a phone call, "Lu Qi, Su Nan bullied me, you have to help me."

.....

Su Group In the building of Su Jin's office, Su Nan was watching Su Jin making coffee for her. She was skilled and beautiful. She received a call from Du Yan, president of Huaying Entertainment, "Su Nan, I got inside information, Miss Fu is looking for someone. Do I need to help you solve the secret filming of you?"

Su Nan pursed her lips and smiled, her eyes indifferent, "No, let her take the picture, it just happens to be smooth sailing, saving me a fortune in publicity."

Hanging up the phone, Su Jin frowned slightly and moved, "What's the matter?"

"Miss Fu finds someone to secretly film me, let her go."

Su Jin didn't take it to heart, these little tricks were all within control, he cooked The fragrant coffee was handed over, "Be careful of being hot."

Su Nan took it with a smile, closed his eyes and smelled the coffee, "Brother's coffee is really unique, it is much better than the top baristas in the world, even if you go If you open a coffee shop, you will definitely be rich."

Su Jin sneered and gave her a helpless sidelong look, "No one can afford the coffee I brewed except you."

Su Nan tasted the coffee with great interest, and suddenly remembered something, “I will officially take office tomorrow, can you ask Qin Yu to be my vice president and help me for a few days?”

Su Jin nodded indifferently, “Whatever, you arrange. That’s good.”

Thinking of Qin Yu’s look at Su Jin, Su Nan actively sent Qin Yu a WeChat message: OK, I will officially go to work tomorrow.

Qin Yu immediately replied: Yes, President Su!

Qin Yu came from a good family, and he proposed that the Su Clan help Su Nan for the sake of Su Nan and Su Jin. Su Nan could see through it but not tell the truth. Of course, he would like to watch the best best friend and eldest brother come together.

Su Nan was in a much better mood, and happily went to the appointment. The two discussed it and went to the bar they used to go to “heard”.

The bar is warm and passionate, surrounded by loud music, and the sound waves come in waves, making people immersed in it.

Qin Yu entered the Su family as she wished. Tonight, she let herself go and danced after drinking. The two beautiful and outstanding girls with detached temperament naturally attracted attention, one was hot and the other was indifferent.

Qin Yu’s tongue started to grow louder when she spoke, and she wanted to continue drinking. Su Nan’s head was really big. She took Qin Yu’s hand and said loudly, “Wait for me here, I’ll go to the bathroom and come back right away.

” He waved his hand, reassuring her.

But in two or three minutes, when Su Nan came back, he saw a tall man standing next to Qin Yu, and his face instantly sank.

The man had noticed these two single women for a long time, and when he saw Qin Yu alone, he became very lustful, but he didn’t expect Su Nan to come back so quickly, so he just kept holding Qin Yu in his arms without doing anything else. , squinting at Su Nan.

“Since you’re back, you can’t leave today, why don’t you just accompany your brother for a drink?” The man had a sly smirk in his eyes, half threatening and half coaxing.

Qin Yu was already unconscious, but the man strangled her neck, as if he could drag her away at any time.

She looked directly at the man, her voice calm, “Let go of her.” The

man curled his lips proudly, and reached out to greet, “Come here, drink this glass of wine, and I will let her go.”

Don’t think about it, the wine must be in it something.

Su Nan did not hesitate, just go past guests next to discourage, “Miss, first do in the past, it was the police, this man is a famous bully boss.”

Bully leader dare to bully her head came, she migraine He glanced at the guest, “Thank you, don’t worry.”

Su Nan was very upset, and instead of anger, she laughed, “I’ll go over and you’ll let her go?”

“Yes, come here...”

The man smiled greedily, thinking that he was bound to win, tonight’s bliss is not shallow!

Su Nan sneered, raised his legs and walked over.

Walking in front of the bastard, she was close at hand, and she raised her eyebrows, “Let go of her, I’m here.” No

matter how good-looking she is, she is also a woman, and she is more beautiful than the one in her arms.

He wanted to touch Su Nan’s face, but before he touched her, he saw that a bottle of wine smashed into his head, “Ah-” like a pig. howl!

In the next second, Su Nan raised his hand and folded his wrist down, which easily made him lose the ability to resist. Taking advantage of the moment he was screaming and screaming, he kicked him in the chest and fell violently. He landed on the ground, rolled a few times, curled up on the ground in pain, trembling, and didn’t even have the strength to stand up to resist.

Even the music in the bar was turned off, and for a while, it was silent.

Everyone watched this scene in shock, and some people didn't even see the action clearly. It didn't even take a minute. Those who had planned to be heroes to save the beauty didn't even have a chance to appear.

A big man with five big and three rough, was killed by a beautiful woman!

I haven't touched it for three years, and I'm not unfamiliar at all. Fortunately, the basic skills are still there. Withdrew the movement, I glanced at the gangster on the ground with a cold look, and then calmly went over to pick up the glass of wine on the bar, approached him, and squatted down. go down.

"You drink it yourself, or should I drink it for you?"

She sneered at the corner of her mouth, ignoring the dark blood flowing on his head, which made it even more terrifying and ridiculous under the colorful slide lights.

The man wailed in pain, twitched and begged for mercy, he never thought he would get into trouble!

But Su Nan didn't care about his begging for mercy, and stretched out his hand to rip his hair, forcing him to raise his head, his voice still quiet, "Let me help you.

”

After clapping his hands and standing up, Su Nan calmly finished dealing with the man, without the slightest panic...or pride.

Everyone was shocked, thinking it was a bronze, but it turned out to be a king?

Seeing that she turned around and helped Qin Yu up, she walked out without panic, "Let's go, today is really a disappointment."

Everyone came back to their senses, and the woman had disappeared at the door.

And the gangster on the ground was clutching the wound in pain, rolling all over in discomfort, wriggling like a worm...

Several paparazzi were excited and ran out to make a phone call to report, "Mr. Lu, we photographed Su Nan is beating people in a bar, this material is really explosive, and her image will be ruined if you post it online."

Lu Qi ate the fresh food that was airlifted in front of him without caring, and smiled smugly, "Let's post." It's

only been a day . When you arrive, Su Nan shows the fox's tail?

After leaving the Fu family, she ungratefully bullied Fu Yingying and betrayed Fu Yechuan. This woman's face was really hateful, and it was time to teach Su Nan a lesson.

Chapter 20 Being scolded again

Chapter 20 was scolded

late at night again. The paparazzi quietly posted the edited clip on the Internet overnight, ignoring the cause and effect, and just simply cut out Su Nan's ruthless hands-on look, and suddenly looked at it, as if he couldn't stand it. Men bully him the same way.

After a good night's sleep, Su Nan didn't forget that today was her first day at work, so she got up on time to pick out clothes.

Qin Yu drove her small sports car over, pushed the door angrily and came in, "Su Nan, people on the Internet are scolding you again!"

Su Nan paused, "scold me? Why?"

Qin Yu gave the video to She clicked it and watched it again. The video was just over ten seconds, but it clearly left Su Nan's cold face compared with the man's miserable appearance.

The following comments are nothing more than the overturning incident of Su Nan's wealthy ex-wife, who met in a bar late at night, Su Nan beat someone, and was such a ruthless ex-wife. These words pushed her to the top of the trending search.

Su Nan turned off the phone without caring, "It doesn't matter, you won't be angry if you don't need to look at it. Go to work soon."

Qin Yu was angry for her. Although she drank too much last night, she was still conscious, Su Nan The action was clearly for herself, no, she couldn't let it go so easily.

"Don't worry about it, I'll take care of this, go and go to work."

As soon as he went out, the butler sent by Su Yifeng stood at the door respectfully.

"Miss, the driver is waiting for you outside."

Su Nan frowned. He had to pick him up when he went to work, and the driver was driving a Rolls-Royce, which was too eye-catching. He immediately refused, "No, I'll drive to work." The

housekeeper He took out a bunch of car keys in a hurry.

“Su Dong specially selected several latest models of Maserati and Porsche, and put them in your garage. Several Lamborghinis and Ferraris ordered from abroad have not been delivered yet. It will take a few days. You can make do with it.”

Qin Yu’s eyes widened, and she was speechless. Uncle Su loves Su Nan very much. How many millions and tens of millions of cars can you make?

The little sports car she drove might not be enough to buy tires for any car in her garage.

Su Nan sighed helplessly, “I went to work as an ordinary person, so I can’t be too ostentatious. I don’t want any of these. I’ll just go with Qin Yu.” The

housekeeper hesitated for a while, then bowed slightly to Qin Yu. , “Please, Miss Qin.”

Qin Yu smiled, “It’s my honor to be a driver for Su Nan.” The

two of them looked at each other and smiled, and Su Nan took Qin Yu and ran out. , this uncle of the housekeeper is just as nagging as Su Yifeng.

.....

As soon as I went to the company, Su Jin held a meeting to officially introduce Su Nan’s entry, the airborne director. This position has been vacant for a long time, and many people coveted it. Someone began to investigate Su Nan’s background and background.

But apart from Su Nan’s identity as Fu Yechuan’s ex-wife, other family backgrounds were blank.

Lin Shuang, a woman who had won the ticket and thought she could get this position, said dissatisfiedly. She has coveted this position for a long time, why should she be taken by someone who has no ability?

“What skills does Miss Su have? Can she be competent for this job after being the daughter-in-law of a wealthy family for three years? I disagree. I will not stay in the same company as a person like Miss Su.”

At the meeting, she immediately proposed be opposed to.

Su Jin glanced down at his watch, and his voice was indifferent: “If you don’t want to stay, you can make a resignation report. I approve.”
