Chapter 161: The Thriller Female No. 1 is you

Chapter 161 Thriller Girl No. 1 is you

hearing this, Su Nan lowered his head and smiled softly.

There was no trace of panic and fear.

As if Xu Yin's words were of no importance to her, they were more ridiculous than jokes.

When Xu Yin's anger was about to reach its peak, she spoke slowly, her tone cold and tepid.

"Miss Xu, is it because of Fu Yechuan that he treated me like this?"

Xu Yin was panicked for a moment, but calmed down quickly.

She didn't need to hide it in front of Su Nan.

"It's good that you know. Since you're divorced, get out of the way and don't dangle in front of him, or don't blame me for being rude."

Su Nan glanced at her and sneered.

She really thinks too much.

"I've never had the habit of turning back and picking up trash. You should tell him not to hang around in front of my eyes."

Because women all over the world have to live and die for Fu Yechuan?

Does he fit too?

She used to be blind, but fortunately there is no future!

"You—"

Xu Yin's face turned blue, her disdainful attitude obviously offended her.

The Su Nan in front of her is so beautiful and charming, her aura is powerful, and she is full of extravagance.

It is a kind of self-confidence and beauty from the bottom of my heart, uncarved nature, enviable and jealous.

Xu Yin felt unwilling in her heart.

Why should all the good things belong to her Su Nan?

Why is the person she can't ask for, what Su Nan doesn't want?

Are you making fun of yourself?

Su Nan doesn't want to go on, she's busy too, okay?

She turned her head slightly, her eyes were cold and arrogant, and she squinted at Xu Yin's angry face.

"You want to hide Yu Fei, but I want to support him. I just want you to know who has the final say here!"

She didn't need to announce her abilities to the world, she only targeted Xu Yin.

offend her?

Su Nan sneered a little, and her eyes darkened, so let's do our best!

"Okay, Su Nan, do you think I'll be afraid of you?"

Xu Yin was greatly depressed by Su Nan in her aura.

"I hope that in a few hours, Miss Xu will still be so confident."

Su Nan said indifferently, and walked in.

Xu Yin was reluctant to follow up.

When the lady at the front desk saw Su Nan, she was obviously respectful.

"Mr. Su, did you come to see Mr. Du? He must be very happy to know that you are here."

Su Nan nodded, "He's here, then I'll go up?" The

lady at the front desk did not dare to be slighted, and immediately stepped forward to give it to her Press the elevator to lead the way.

The neglected Xu Yin was very dissatisfied and scolded her bitterly. “Are you blind? Did you not see that Miss

Ben is still here?” “Which artist are you a fan of? Fans are not allowed to come in, stop in front of the door, don’t you see the writing on the door?” Xu Yin was furious, “I’m not a fan, I want to find your boss, Du Yan, and let him come out to meet him. Me!” The front desk lady was a little helpless. She was used to how many unreasonable things happened in a day.

Did not expect to find fault early in the morning.

“Miss, you don’t have the potential to be a star, so go back. Hundreds of people recommend themselves every day, don’t we want to see our bosses?

And our company has regulations, never face plastic surgery!”

In one sentence, Xu Yin was completely irritated. !

How dare you say she has plastic surgery?

How natural is her face?

Can’t you see the plastic surgery at all?

She was about to jump in anger, Su Nan couldn’t help laughing at the side, and the lady at the front desk was very humorous.

She stood there lazily, looking up and down Xu Yin’s face with a half-smile.

“Ms. Xu can act in horror movies, and you are the No. 1 Horror Girl.”

Xu Yin felt greatly insulted and shouted sharply at her.

“Su Nan, don’t think I dare not touch you, believe it or not, I’ll find someone to attack you—”

...

Chapter One Hundred and Sixty-Second

Chapter 162 Before she

even finished speaking, the CEO’s exclusive elevator arrived downstairs.

Du Yan came out of it, glanced at it, saw Su Nan, and breathed a sigh of relief.

He greeted him with a warm smile.

“Mr. Su, you just need to call me when you call me. Why do you bother our eldest lady to make a trip in person?”

That cautious and humble appearance is not like a big capitalist who is turning his hands for the clouds and rains in the circle. dude.

Xu Yin's face instantly turned ugly.

After being ignored one after another, she is also the daughter of an entertainment company giant!

“Du Yan, you—”

“Who did you just ask someone to do?”

Du Yan said suddenly, his face instantly cold, and his eyes were full of shock and warning.

Xu Yin paused, subconsciously panicking in her heart.

“Do you know who I am? I'm the eldest lady of the Gemini Group. If you don't believe me, ask Su Nan!”

She actually had to rely on Su Nan to prove her identity!

But it doesn't matter that much now.

Su Nan smiled, neither admitting nor denying it.

Let her act on her own.

She is not involved!

Thank you!

Du Yan sneered, and pulled the corners of his lips with disdain in his eyes.

“You don't even dare to say that, but you are quite arrogant!”

Xu Yin saw Du Yan's attitude, but she was not as enthusiastic and relaxed as she had imagined, and she was a little uncertain about the other party's weight.

She thought that everyone was a big boss in the entertainment industry, so she would naturally give her face.

But now it seems that it is unexpected?

“Mr. Du, I’m here to talk about business with you.” She emphasized the word “business”.

But Du Yan didn’t care at all, just wanted to get rid of this mental illness quickly.

“You don’t have the qualifications, and we don’t have time to serve idlers, Andy, let the security escort her out.”

“Yes.” The

front desk lady said respectfully.

Du Yan looked at Su Nan and smiled confidently.

“Mr. Su, don’t worry, it’s absolutely safe here.”

Su Nan nodded, not caring about Xu Yin’s threat at all.

She’s not that great yet.

do her?

Haha, it’s quite a dare to say it!

The two got on the elevator one after the other, and Su Nan sent a recording to Du Yan, which was recorded when he met Xu Yin at the door.

She probably never dreamed that Su Nan had this skill...

“This, I can probably explain it to Yu Fei.”

She didn’t want to implicate others.

Du Yan listened to it again, and the smile on the corner of his mouth slowly enlarged, making fun of her.

“Mr. Su’s routines are deep...”

Su Nan gave him a white look, “I have already asked someone to buy the Gemini Group, and I will announce the controlling shareholder meeting this afternoon. Is there any problem with you?”

Du Yan’s face suddenly became serious . He got up, “Of course there’s no problem, what President Su meant was Huaying Entertainment.”

He would cooperate unconditionally.

From the day he became the president of Huaying Entertainment, he knew that the surnamed Su could not be offended.

Su Nan smiled, "After the acquisition, you have to work harder."

Therefore, Du Yan immediately understood what Su Nan meant.

Is this planning to hand over the Gemini Group to him as well?

Excited just a little bit!

"Then I'll work harder, young man..."

Su Nan twitched the corners of his mouth, looking at the old man who was almost forty years old.

How dare you call yourself a young man?

The two discussed some post-acquisition issues, and the conversation was almost over.

Then Su Nan suddenly remembered a person and asked Yu Fei.

"Is he all right?"

It was really difficult to encounter such a big setback when he first debuted.

"Fortunately, the team is more anxious. After all, when they went to the Gemini Group to plead for mercy, they were kicked out, which scared the agent enough."

Du Yan smiled, "But with the help of President Su, the matter will be solved easily. Su Nan raised his eyebrows, "

That's good, give me more resources to make up for it, after all, it's the family I'm implicated in."

"Don't worry, the person in charge of General Su, who dares to offend?"

"Go away—"

Su Nan Glancing at him, the people who followed Su Qi, sure enough, couldn't say two serious words!

After the business was finished, Su Nan stepped on high heels and left, and if she stayed any longer, she wanted to beat up!

In less than ten minutes, Xu Yin had not waited to return to the Gemini Group to complain to her father, and this recording had already replaced the news of Su Nan and Bao Yu Fei, and became the number one in the hot search.

And the most indignant and lively of everyone is that the whole Internet is talking about “Miss Xu.”

Soon, Xu Yin’s details were picked up...

...

Chapter 163 President Su’s Favorite

Chapter 163 President Su’s favorite

Xu Yin bullied her classmates and dropped out in high school, and was sent abroad for “reform” for a year.

When he came back, he saw Fu Yechuan, and when his confession was rejected, he went to country H for plastic surgery. None of the facial features on his face were pure natural.

Knowing the news of Fu Yechuan’s divorce, I couldn’t wait to come back...

And what everyone talked about the most was the second half of the recording.

——“Miss Xu, is it because Fu Yechuan did this to me?”

——“I have never turned around to pick up rubbish, you should tell him not to hang around in front of my eyes.”

——“You want to hide in the snow. Yu Fei, I want to support him, I just want you to know, who has the final say here!”

... For

a time, the comment area almost fell.

“My God, how confident is this to say that, the goal of life is Su Nan!”

“Mr. Su is simply a winner in life. A woman with hundreds of billions of property will care about an ex-husband? Raising Xiaoxian the meat does not smell?” “

Thank you Suzong Xi Huan little meat, thank you for saving our brother, the Soviet Union always ah ..... “

” Miss Xu almost like a flea play fine, go to hell!

Su total momentum Wynn Goddess of eternity...”

“No matter how rich the old bacon is, it is not as tender as the fresh meat, but Mr. Su has the vision and supports the fresh meat!”

...

This recording brings The only side effect is that everyone thinks that Mr. Su loves little fresh meat!

Fu Group.

In Fu Yechuan’s office, the air temperature seemed to drop suddenly.

There was silence all around.

In front of Fu Yechuan, his face was black as if covered with a mass of black mist, and an overwhelming chill was exuding from his body.

Frozen, shivering!

Chen Mian paid attention to Su Nan’s news early in the morning and reported it to Fu Yechuan as soon as possible.

But before they had time to act, the trend on the Internet suddenly changed!

At first everyone spurned the scandal of Su Nan and Yu Fei, but at this moment, they thank Su Nan for liking Xiao Xianrou!

Chen Mian had never experienced such a difficult few minutes.

The invisible aura, the pressure can kill people!

Fu Yechuan looked at the comments on the Internet, the more he looked, the more angry he became, but he was still reading each one of them very seriously!

Some people even matched the clip of Su Nan and Yu Fei on the Internet with beautiful music, as if they had witnessed a thousand years of love!

Only two words can be used to describe it!

Fu Yechuan, a rich and powerful old bacon, was killed by Yu Fei, a young fresh meat who just debuted?

Bang –

he threw the phone on the table so hard that the screen cracked.

Chen Mian froze all over, and instantly entered a state of tension!

“President Fu—”

Fu Yechuan’s face was ashen, his tone was cold and harsh, and he gritted his teeth.

“A group of people are not doing well by themselves, and they are still in the mood to take care of other people’s affairs?”

What little fresh meat?

They look like sissies, where do they fit well?”

Chen Mian replied immediately without hesitation.

“It’s all Yu Fei’s fans who are self-indulgent, how could Miss Su fall in love with such a person?”

I think it’s Yu Fei who wants to use Miss Su’s reputation to gain popularity, the entertainment industry is too impetuous...” What

he thought in his mind was that if he is gone, who cares about Miss Su

’s match? I feel entangled for President Fu!

Fu Yechuan snorted coldly, remembering the last paragraph of the recording, Su Nan accidentally dragged him into it, and it seemed that the words were specially told to him. It

just got better. His face became cold again. He

didn’t have the habit of looking back to pick up trash?

In her eyes, is he the trash of the past?

He suddenly raised his head and stared at Chen Mian in front of him.

“Then what do you think Su Nan likes? What about people?”

His voice had an inexplicable chill. If I

remember correctly, that night, Su Nan laughed at this assistant Chen Mian more than he did!

She only sneered and laughed at him!

Why?

Too obvious!

...

Chapter 164 The type she likes

Chapter 164 The Type She Likes

Chen Mian felt as if an invisible hand suddenly grabbed her by the back collar... The feeling of suffocation is simply too unpleasant Be wary!

“Huh?”

Seeing that Chen Mian was silent, Fu Yechuan’s eyes became even colder.

“Isn’t your relationship very good? Tell me what you think.”

Every word carries a fatal threat.

Do not say?

He can’t get out.

Chen Mian felt that he really took his life to work... He

coughed and cleared his throat.

He bites the bullet and speaks.

“Mr. Fu, my relationship with Miss Su is not very good. How can I know who she likes?”

Looking at Fu Yechuan’s cold eyes, he immediately added.

“But I think that when Miss Su gave up her identity and wanted to marry you, the type she liked must be someone like Mr. Fu!

What is that Yu Fei? How could Miss Su lower her requirements and like him like this?

Where's the person?" Seeing Fu Yechuan dropping his eyelids and not asking any more questions, Chen Mian was relieved.

Escaped!

Fu Yechuan was silent for a few seconds, "Let's start preparing for the press conference. The Juli Group's press conference must be followed up in time, and no mistakes can be made!"

"Of course, I will supervise it immediately, and the new mobile phone will be delivered to you immediately."

Chen Mian said solemnly, and then left in a hurry.

Fu Yechuan snorted coldly, picked up the phone and looked at the comments on it, then threw it back with disdain.

Don't want to watch anymore, upset!

Someone like Yu Fei deserves to be compared with him?

Are the netizens' eyes blind?

Under the heated discussion on the Internet, the relationship between Su Nan and Yu Fei has risen to the popularity of "national sister and brother love"!

Although the parties on both sides did not admit it, the fans are happy, this group of CPs has been nailed down!

A large number of people went to Su Qi's comment to sympathize with him, and gave him a trick to get him back to Su Nan...

and a large number of people went to Su Qi's comment to persuade him to give up...  
..... The project jointly developed by Juli Group, Su Group and Fu Group has attracted much attention

. This time, the three groups held a high-profile press conference, which rushed into the headlines of all news in an instant. Occupy the hottest list! What a mess of scandals, all have to lean back! Countless people began to speculate what the main purpose of this reception was, but Ringo's secret work was not very good. They did everything possible, but they didn't get any news. So this reception was full of 300 people, and 300 reporters were eagerly waiting. Not only reporters, but also world-class famous medical experts and leaders in the field of artificial intelligence were invited. This press conference is more solemn and serious. When the time came, Ringo, Fu Yechuan and Su Nan appeared together. The most eye-catching is undoubtedly Su Nan, who is standing with the two giants. She is calm and calm without being arrogant or impetuous,

and the extravagance exuding from her bones, coupled with her bright and beautiful appearance and figure, make people unable to ignore it. .

She was born to live in the spotlight, born to stand at the top and overlook all beings.

Ringo's smoky gray custom suit also made him look cool and gentle.

Fu Yechuan's sculptural perfect facial features are even more impressive. He wears a black and straight personal custom suit, which makes him look unattainable and indifferent.

The three have an absolute advantage in appearance. If they make their debut, I am afraid they will kill a lot of celebrities.

The relationship between Fu Yechuan and Su Nan is hotly discussed on the Internet, but now they are in the same frame, handsome and beautiful, and they are particularly seductive, but no one dares to ask the truth of these scandals.

Because this occasion is too grand!

“Start—“

...

Chapter 165 Private Issues

Chapter 165 Private Issues

Throughout the process, Ringo briefly and clearly introduced the role and meaning of the artificial intelligence chip, and named it “human \*world”.

The project results that are enough to change the course of human medical development cannot be limited to the scope of the country. This is the progress of the whole world and a major milestone related to human health!

Su Nan maintained an indifferent smile throughout the whole process, immersed in the whole process, her eyes sparkling, hiding great excitement and joy.

Until this moment, she suddenly felt that talking about relationships in those three years was simply wasting her life.

Is it bad to make money?

Isn't business good?

Until the end, the voices of amazement and applause in the venue were endless, and many experts and reporters expressed their desire to go forward to find more surprises...

Helpless, Ringo took on another hour of extended press conference by himself. .

Su Nan saw that it was almost here, and Yu Lou sent relevant documents, saying that everything about the Gemini Group was in order, just waiting for her to attend.

Immediately, she stood up and planned to leave quietly.

But before the people left the venue, a group of reporters surrounded the corridor, "Mr. Su, do you have anything to say?"

Su Nan smiled helplessly, "Mr. Lin was talking incessantly, you should go to interview. He's right."

Seeing that she had no air at all, the reporters also relaxed.

"Mr. Su, do you mind if we ask some personal questions?"

Su Nan raised her eyebrows and did not reply clearly.

"If it's too personal, I have the right to refuse to answer..."

"In the video posted on the Internet, Yu Fei said that he likes your type of girl. Excuse me, which type of boy do you like?"

In a word, the hearts of those present were hooked.

The atmosphere paused, and there was a moment of silence.

Su Nan's smile gradually expanded.

"I, I... like you, I admire Yu Fei..."

There is no clear answer, but at least it is an answer.

I like it and appreciate it, I hope they can tell the difference... The

reporters can't keep asking, but they just moved out of the way and saw Fu Yechuan standing not far away.

His eyes were cold and his face was extremely ugly, staring at the one of the group of people...

They didn't know that Fu Yechuan was there!

It's a bit weird to ask this question in front of my ex-husband.

And Su Nan's answer seemed like a slap on Fu Yechuan's face.

Loud and crisp!

At this time, everyone looked a little nervous.

Who doesn't know Mr. Fu's temper?

In the circle of journalists, it is said that the ban will never wait until the next day.

The only Fu Yechuan who made the reporters feel terrified...

and Su Nan Wanwan, facing the camera in their hands, showed a sweet and kind smile, beautiful and generous, and walked away elegantly on high heels... ..

got into the car, and Yu Lou handed the documents to Su Nan.

"Five percent of Gemini Group's shares flowed out of Mr. Fu Yechuan's hands..."

Hearing this, Su Nan was taken aback.

Just looking up to ask, I heard someone knocking on the window.

It was Fu Yechuan.

He stood there with a grim expression, a trace of gloom and indifference in his eyes.

Su Nan lowered the car window slowly, with a loose tone.

"Mr. Fu, what's the matter?"

"I'm going to attend a general meeting of shareholders, but the car is broken down. Let's stop by for a little while?"

Fu Yechuan raised his hand and looked at his watch, then pointed to the Range Rover not far away.

Chen Mian squatted beside the car, the steel nail in his hand didn't go in for a long time, I feel distressed... What did the

car do wrong?

Su Nan raised his eyebrows and chuckled casually.

“If you don’t go by the way, don’t take it with you.”

After she finished speaking, she wanted to raise the car window, but she put a hand on it and blocked it!

“You don’t even ask me where I’m going, how do you know that I’m not going by the way?”

His voice was deep, clearly such a charming voice, but at this time, his anger was faintly suppressed.

Su Nan was a little impatient.

Can’t he hear that she’s refusing?

Is there something wrong with this person’s comprehension?

She raised her eyes slightly, and the words spit out from her charming lips were the coldest.

“Don’t ask, as long as it’s where you go, I won’t go.”
