Chapter 166 Transfer money to President Fu

Chapter 166

The atmosphere inside and outside the car stagnated for a moment.

Fu Yechuan's expression was extremely tense and ugly, he stared at Su Nan with deep eyes, his thin lips pursed tightly.

Without outsiders present, she didn't even want to pretend to be peaceful on the surface.

With Su Nan, Fu Yechuan was never qualified to be forgiven!

And others, Cheng Yi, Su Qi, Su Ming, Yu Fei, and even Chen Mian, were treated ten thousand times better than him!

Su Nan sat there lightly, waiting for Fu Yechuan to leave automatically.

Not everyone can ride in her car.

Fu Yechuan is even more unworthy!

But a full minute passed, and he still stood there, motionless.

Su Nan frowned at him, didn't he understand?

Just as he was about to open his mouth to chase people away, Fu Yechuan's thin lips lightly opened, his voice was cold and warm.

"Su Nan, you won't go to the place I'm going, are you sure?"

Of course...

Before he could say it, Yu Lou coughed, indicating that she had something to say.

Before Su Nan could react, Fu Yechuan let out a faint smile.

"I haven't signed the 5% of the Gemini Group shares I bought from me. If you don't want to go, forget it..."

Su Nan froze fiercely as soon as he finished speaking.

What are you doing?

Yu Lou closed his eyes helplessly, cleared his throat, and explained.

“President Su, I just wanted to talk about this. President Fu sold 5% of the shares to us, and we are only one step away from signing.”

Su Nan took a deep breath and looked at Yu Lou sideways. Glancing at him fiercely.

Didn't you say it sooner?

Yu Lou lowered his head shyly, avoiding her gaze aggrieved.

She didn't give a chance to say it...

Fu Yechuan hooked his lips gently, that smile was enough to deceive people.

He gently clenched his hand covering the glass and tapped the glass twice, as if waiting for Su Nan to respond.

One second...two seconds...

he turned around decisively and walked away.

The person in the car behind finally couldn't help it.

“Wait a minute!”

Fu Yechuan paused.

Su Nan closed his eyes, clenched his fists, and looked at Yu Lou.

“Aren't you going to open the door for President Fu?”

Hearing this, Yu Lou immediately jumped out of the car and opened the left side of the back seat, respectfully.

“President Fu, please—”

Fu Yechuan turned his back to them, and the corners of his lips showed a slight arc, and then disappeared.

Without much hesitation, I turned around, got in the car, and sat down.

As soon as I got in the car, I smelled a faint scent of perfume.

Su Nan used her favorite Shalini perfume, the unique light and cold fragrance, which penetrated into his heart like nothing.

Fu Yechuan, who had always hated women wearing perfume the most, suddenly felt inexplicably tolerant and heartwarming at this moment.

He felt that only Su Nan's use of perfume was the real icing on the cake.

Only then did Su Nan look at the documents in his hand, and sure enough, only Fu Yechuan's signature was left on the equity transfer letter.

She twitched the corners of her mouth and looked at Fu Yechuan calmly.

"How could President Fu give up the shares of the Gemini Group?"

And just at this time?

Fu Yechuan hasn't reached the point of selling shares yet!

The man returned to his senses and glanced at her, his delicate features were full of alertness and distrust of him.

He frowned slightly, she might never believe that he would be good to her?

After thinking about it, he took the equity transfer book directly from her and signed his name on it.

Indifferently handed it back.

"I believe it's true now?"

Su Nan looked at the signature on it and was slightly taken aback.

She suddenly remembered Fu Yechuan's signature when he got divorced.

After returning to her senses, her eyes turned cold, and she put away the equity transfer letter, her attitude was alienated and indifferent.

Ordered to the floor.

"In the House, remember to always transfer to Fu."

Owe each other.

Yu Lou naturally responded in a timely manner and did not dare to hesitate.

She curled her lips into a smile and lowered her eyes slightly, covering up all her discomfort and changing the subject in time.

“President Fu should know what I’m going to do, right?”

I thought you would show mercy to Xu Yin because of her infatuation with President Fu ? I

didn’t expect you to be so cruel to the woman who likes you?”

...

Chapter 167 Not necessarily yours

Chapter 167 It’s not necessarily your

Su Nan, but she just said two sarcastic remarks.

But these two words caused a huge stir in Fu Yechuan.

He has always been so cruel to the woman who likes him?

Cruel to Su Nan, cruel to Qiao Wanrou, and cruel to Xu Yin.

Fu Yechuan’s eyebrows were tightly wrinkled, and the stormy sea was suppressed in his eyes.

The corners of his lips pursed into a straight line, he pondered for a moment, and lowered his voice.

“Su Nan, you are different from them.”

At least, Su Nan used to be his wife.

And other women, nothing.

So, no need to worry.

Su Nan lowered his head and smiled, looking at him with indifferent and distant eyes.

“Yes, I’m not the same as them. At least I used to be because of my special blood type, but what about the people who have successfully ascended the ranks..”

She laughed at herself, glanced at him lightly, and said goodbye coldly. face away.

Fu Yechuan frowned slightly.

He clearly didn't mean that.

"Here, Mr. Su." Yu Lou said.

I can finally breathe a sigh of relief.

Yu Lou felt that this journey was the most difficult journey he had ever experienced!

Su Nan got out of the car neatly and didn't want to delay a minute.

And Fu Yechuan also got off the bus.

The two had just left the venue of the Juli Group reception.

Getting out of the same car in a blink of an eye and appearing at the door of the Twin Group together is enough to attract everyone's attention.

The sudden general meeting of shareholders has been confusing.

The presence of these two together is even more surprising.

Especially for the shareholders and executives of the Gemini Group, the weight of these two, no matter which one, can't be offended.

"President Fu, President Su..."

Everyone greeted each other respectfully and went up to say hello.

Fu Yechuan nodded lightly, not in the mood to deal with it.

Xu Guanghui, chairman of Gemini Group, went up to press the elevator with a wink, and bowed to invite Fu Yechuan and Su Nan to go in first.

How can they be qualified to ride with these two people?

Fu Yechuan paused and walked in first with his legs raised.

And Su Nan paused and smiled lightly.

"You guys go first, I'm going to make a phone call."

After she finished speaking, she turned around and went in the other direction.

Fu Yechuan furrowed his brows subconsciously, and the hands beside him gradually tightened.

Although he didn't say it clearly, he felt that Su Nan didn't want to be alone in the same closed space with him!

Everyone can't figure out what these two people mean, so they can only do it.

Yu Lou explained a few words for Su Nan, and everyone went to the conference room on the top floor one after another... The

leisure area was empty.

Su Nan answered Su Qi's call there and hung up irrelevantly. As soon as she turned around, she saw the menacing Xu Yin.

Came towards her with strides.

"Su Nan, why are you here?"

she asked loudly.

The recording of her going to provoke Su Nan was posted on the Internet, and it was immediately attacked by the Internet.

Countless people are digging her background.

She spent hundreds of thousands going out without being able to put things down.

Now she has become a bed bug on the Internet, and she can't even say a word easily.

The Gemini Group was also hit hard because of her affairs. Her father Xu Guanghui got angry and scolded her for an hour.

It was all a hole that Su Nan dug for her!

How is she willing?

However, Su Nan attended the press conference with Fu Yechuan and Ringo as if nothing had happened, and behaved elegantly and calmly.

Sitting next to the two giants in the mall, he still looks scorching.

Everyone's praise and attention to Su Nan even surpassed Fu Yechuan for a time!

When she was doing beauty treatments not long ago, all she heard were the compliments of everyone!

The most beautiful president in history?

She was so angry that she left halfway through. Why is Su Nan so beautiful?

Just luck!

Everyone is so blind!

She was so angry that she came to the company to ask her father for help, and she had to hack Su Nan to death on the Internet!

But who would have thought that as soon as he entered the door of the company, he saw Su Nan sitting leisurely in the rest area and chatting on the phone?

Hehe...

Immediately, the anger and jealousy in his chest couldn't be contained.

When Su Nan saw Xu Yin, he chuckled lightly.

"What a coincidence, Miss Xu."

"I'm asking you, why are you here?"

Xu Yin hurriedly said that this is her territory, and nasty people like Su Nan cannot be allowed to appear!

Su Nan's eyes were slightly cold, but the smile on the corner of his mouth did not diminish.

"As one of the shareholders of the Gemini Group, I don't need to report to the general meeting of shareholders, right?"

As far as I know, Miss Xu does not have any shares in the Gemini Group..."

Therefore, I am not qualified. It should be Xu Yin!

Xu Yin's face was dark and ugly, and her fists were clenched tightly.

"This is my family's company. I can come if I want.

But you, you are not welcome here.

Your share is nothing at all. I will let my father buy it back immediately, and you will leave me now!"

Her voice sharp and piercing.

Su Nan casually raised his eyes, brushed the broken hair beside his ears, and opened his lips coldly.

“Your company? Not necessarily...”

She glanced at her lightly, and the mockery in her eyes was obvious.

Soon, it will not belong to the Xu family.

It's her Su Nan's!

...

Chapter 168 You are not cheap

Chapter 168 Are you cheap?

Su Nan is really looking forward to that moment, and wants to see how Xu Yin will react?

“Su Nan, don't think I'm afraid of you, you live by your family like me, what's so good about you?”

They are the same kind of people, why does Su Nan act like she is aloof in front of her?

Xu Yin said more and more vigorously, trying to expose all Su Nan's unhappiness in person!

She folded her hands and lifted her chin sneeringly.

“Even if you marry into the Fu family, wouldn't you still be kicked out?”

Now, taking advantage of the family's power, you want to take the opportunity to approach Fu Yechuan and attract his attention. Is that your goal?

Su Nan, are you cheap?”

Xu Yin thought that she must have hit Su Nan's disguise. Now, how can she pretend to be arrogant?

She waited for the moment when Su Nan became angry.

But when Su Nan heard this, there was no trace of anger on his face.

Instead, there was a mocking smile.

He raised his eyes and looked at Xu Yin.

Su Nan's voice was icy cold.

"Miss Xu, there is a common sense, you should know that it is not their turn to drive me away, it is I who don't want him Fu Yechuan.

And... I didn't go to plastic surgery and spend money to please a man, this point, I can't compare to you."

After she finished speaking, she curled her lips and walked away on high heels.

She didn't even give Xu Yin a look.

Only after Xu Yin reacted did she realize that Su Nan was humiliating her!

She stomped her feet angrily, trembling all over, and the face that had been adjusted was even more terrifying.

Su Nan dared to connote her?

Why does she have such courage?

And it's still on her territory!

Xu Yinqi was so delirious, she couldn't let Su Nan go so easily, she couldn't be so cheap!

She looked at Su Nan's back and chased after him without saying a word.

You have to teach her a good lesson!

Su Nan stood at the elevator and waited.

Coming soon.

Ding –

At the same time, Xu Yin has caught up, grabbed Su Nan's arm, and raised her arm high with gnashing teeth!

"Su Nan, you're going to die for me—"

Before the hand could fall, the person in the elevator suddenly raised his leg and kicked Xu Yin!

“Ah—”

She screamed and rolled on the ground in pain.

When he reacted, he looked up angrily, and his face was bloodless!

“Brother Ye Chuan...”

She was shocked and looked at it in disbelief.

Fu Yechuan actually kicked himself for Su Nan?

The man stood there with a cold face, and glanced at the woman on the ground with indifference and disdain, without the slightest guilt or regret.

Is his dislike because of her?

Or because of her name?

Xu Yin bit her lower lip with a hurt expression.

Before she could recover, a figure rushed forward and slapped her in the face.

Full of effort!

“You idiot, how many times have I told you, don’t make trouble for me, do you have to kill the whole family?”

It was her father, Xu Guanghui.

Xu Guanghui’s face was ferocious, and he turned around suddenly.

Bowed to Su Nan and apologized, extremely humble and cautious.

“Mr. Su, are you all right?”

I’m sorry, Mr. Su, I didn’t teach her well, which surprised you.

I’m so sorry, I will punish her properly when I go back...”

Su Nan smiled lightly, Her eyes swept across Xu Yin, who was in a state of embarrassment on the ground.

“Since you’re here, let’s take Miss Xu to the general meeting of shareholders.”

There was no room for resistance.

Xu Guanghui paused, and immediately bowed to agree.

“Yes, Mr. Su, please—”

He respectfully stepped forward to press the elevator, bent over to invite Su Nan in, and then invited Fu Yechuan to go in, he honestly waited for the next ride.

And Xu Yin, who was on the ground, watched this scene and felt as if her whole body had been drained of strength, weak and panicked.

She was frightened!

Xu Guanghui glared at Xu Yin angrily, gnashing his teeth.

“Dare to provoke anyone? Why didn’t you die on the plastic surgery table in country H?”

...

Chapter one hundred and sixty-ninth hit is you

The one hundred and sixty-ninth chapter hit is that you,

Xu Yin, can’t care about anything.

He stepped forward and pulled Xu Guanghui’s arm.

“Dad, why are you so afraid of her? That woman Su Nan is nothing at all!”

Xu Guanghui shook her off, thought about Su Nan’s words, and then went over and pulled him up again.

Be rude.

“Let me tell you, Su Nan is the successor of the Su Group. She can make this company disappear from her eyes with the touch of a finger. You’d better be honest with me. If you dare to cause trouble, I will throw you to H. The country, I won’t give you a penny, just fend for yourself!”

Xu Yin shuddered and looked terrified.

Su Nan...

she has a cool feeling in her heart, which makes people feel cold...

in the elevator.

Su Nan and Fu Yechuan didn't say a word, and went to the door of the conference room, where Yu Lou was waiting for her.

Seeing the two of them coming, he stepped forward to open the door for them.

Fu Yechuan's aura has always been strong, feared and admired. No matter where he is, he is the focus of attention and cannot be ignored.

However, when he entered the arena, Su Nan was at the forefront, comparable to Fu Yechuan's aura, but his cool and bright appearance was even better, attracting attention.

As soon as they came in, Xu Guanghui and Xu Yin quickly followed.

At the beginning of the meeting, Su Nan didn't say much during the whole process. Yu Lou was always announcing various results and matters step by step.

Xu Yin felt that her head was dazed the whole time. She sat there in a daze, cold and hot, and her palms were all sweaty.

Looking at Su Nan, who was sitting on the main seat with a dignified temperament and a cold and noble character, she suddenly felt a sense of distance in her heart.

The identity distance between her and Su Nan.

It seems far, far away... beyond

her reach!

She suddenly panicked –

is this the end of offending Su Nan?

She taught Xu Yin a lesson with facts!

Fu Yechuan, who was beside him, kept his eyes fixed on Su Nan's face.

It seemed that he was able to participate in this meeting because of her...

the final result of the meeting, she understood.

As the largest shareholder, Su Nan controls the entire Twin Group.

After dismissing Xu Guanghui as chairman, Du Yan of Huaying Entertainment will take over the Gemini Group.

The Gemini Group will become one of the small companies under the Su Group....

Su Nan watched Xu Yin's face change with a smile the whole time.

It's amazing!

It didn't disappoint her at all!

I believe that after this incident, Xu Guanghui will not let this troublesome daughter continue to stay by his side, after all, he still has an illegitimate child.

Xu Yin could finally completely disappear in front of her eyes.

At the end of the meeting, she didn't want to talk too much with everyone, she gave Yu Lou a wink and left.

Yu Lou stayed behind to deal with the rest.

Su Nan got in the car and planned to drive away by himself.

At the intersection, the vehicle in front is slow to leave.

Su Nan frowned slightly as he looked at the Range Rover standing in front of the road.

She was getting impatient... As soon as the

other party started to leave, Su Nan stepped on the accelerator.

“boom—“

The violent shock of the vehicle collision made her dazed?

The other party suddenly stopped?

As a result, Su Nan rear-ended!

Just a few minutes after I was happy, when this happened, Su Nan didn't know whether to cry or laugh?

When she was about to get out of the car, she suddenly saw the person in the car in front of her getting out of the car.

The other party was really all too familiar.

Fu Yechuan.

Su Nan took a deep breath and took a closer look at the license plate number. The model of the car is the same, but the license plate is different.

Hehe...

It seems that you have bought several of the same car?

Sure enough, Mr. Fu has a soft spot for Range Rover...

She's going to start hating this car!

Fu Yechuan walked over with a heavy face, knocked on her car window, and looked at her through the car window with sharp and deep eyes.

The sight seems to be able to penetrate glass.

Su Nan took a deep breath, she rear-ended, she is fully responsible, she is at fault!

She is unlucky!

"Su Nan, did you do it on purpose?"

...

Chapter 170 Want to be private?

Chapter 170 Is it going to be private?

Su Nan deliberately hit his car?

She didn't believe it herself.

Where did he get his confidence from?

It was clear that he deliberately braked suddenly!

But if you read it right, a child just walked slowly in front of the Land Rover Range Rover.

So...

something has happened, then there's no hiding.

Lowering the car window, Su Nan pursed her lips, and the corners of her mouth twitched slightly, "Yeah, I hit you on purpose."

Her smile was cold and provocative.

What about intentional?

It's not that she can't afford it!

Fu Yechuan's eyes narrowed and he frowned slightly.

"So, what are you going to do?"

His voice was hoarse and indifferent.

Did she do it on purpose?

Surprisingly.

She raised her eyes, her eyes indifferent.

"How much will I pay you?"

Actually, Su Nan is not responsible.

But now that you've admitted it, there's nothing to regret.

Fu Yechuan paused for a moment, then took out his mobile phone.

"Let's contact you after the inspection, have you changed the number?"

"No..." Su Nan subconsciously spoke, and then fell silent.

Seeing Fu Yechuan find out the number, he dialed it directly.

"Sorry, the call you dialed is temporarily unanswered..."

Fu Yechuan looked at her with deep eyebrows, his face suddenly gloomy, and his eyes fixed on her.

Su Nan pursed her lips, and her eyes flashed.

It feels a bit complicated...and awkward to have the blocked person standing in front of you.

"Make an offer, and I'll transfer the money now."

She said, picking up her mobile phone, not wanting to delay for a minute.

Fu Yechuan's voice was dull.

"You won't know the price until the repair is done. Leave a phone number and I'll contact you when the time comes."

He admitted that the drunkard's intention was not drinking at this moment.

His purpose is not to repair money, but to get her to get his name off the blacklist!

Su Nan paused and looked at Fu Yechuan.

She simply said, "Just contact my assistant."

Fu Yechuan was silent and put away his phone.

"If you don't want to, forget it, just pretend it never happened..."

Obviously, he didn't plan to contact the third person.

Su Nan was sullen, pretending to be nothing on the surface, but inwardly slandering.

Is Fu Yechuan taking her as an irresponsible perpetrator?

Or do you feel like you're taking advantage of him?

She didn't want to get into too much trouble.

Isn't that just a repair fee?

After this matter is dealt with, it is not too late to block him again.

Su Nan took a deep breath and looked away coldly.

"Understood, the number has not been changed."

After saying that, he was about to start the car and leave.

I don't want to be with him for a minute!

But Fu Yechuan had no intention of leaving, and stared at her for two seconds without saying a word.

Suddenly bending over to look at the woman in the driver's seat, a big, strong hand grabbed her steering wheel, her slender and clean fingers like a work of art.

Fu Yechuan's actions were too sudden, and Su Nan was stunned. Before he could react, he heard Fu Yechuan's sexy and magnetic voice ringing in his ears.

"Su Nan, you won't forget it when you look back, right?"

He reminded her, not believing that she could agree to him so easily.

It is difficult to guarantee that it will not be directly pushed to the assistant to contact to deal with this matter.

Su Nan took a breath and glared at him with annoyed eyes.

"No."

It was really euphemistic to say!

Aren't you just afraid that she'll miss the bill?

Su Nan immediately took out his mobile phone, found the blacklist, released him in front of him, and called him again.

In an instant, his cell phone rang.

The note on the caller ID is: "Mrs."
