Chapter 1841

Divorce billionaire heiress Chinese language chapter 1841

Named Little Mike and looked at her with a smile: "Pretty sister, I heard that you gave birth to a little sister, let me play with her!"

Su Nan raised her eyebrows: "Of course, you It's my brother, but she can't walk yet, she can play with you when she grows up."

Little Mike rubbed his hands in anticipation.

He also has a sister.

This surprise has made him happy for several days, and he has long wanted to run out to see his sister.

It's a pity that Daddy watched too closely, so he was guarded and he was not allowed to sneak out.

Only a little surprise can be found in the few words of the bodyguard and the babysitter.

Su's house.

Little Mike ran in as if he was happy.

Su Yifeng had been waiting at the door for a long time.

Little Mike saw him kissing his father more than he saw him, so he went up and hugged him and kissed him.

Su Yifeng couldn't close his mouth with joy, "Oh my little heart, are you tired?"

Little Mike hugged him: "Uncle, I miss you!"

Su Yifeng laughed heartily.

When the man in the living room saw this scene, he turned his head away speechlessly, and then coughed heavily.

Little Mike noticed that Shang Qian was still there.

In his arms, he was holding a white and tender baby.

He blinked and got off Su Yifeng.

Shang Qian just wanted to give the talk to the person next to him, and planned to hug and make up for his eldest son, but the eldest son came to him, but he was not as enthusiastic as he imagined.

He looked at the child in his arms excitedly and asked,

“Sister?”

Shang Qian withdrew his hand and snorted:

“Let’s get to know you!”

He held the hand of the talking child and said hello to Mike:

“This is brother Mike, this is sister talking.”

Shang Qian looked down at himself When I was a daughter, my eyes were full of soft colors, and I really wanted to give her all the tenderness of the whole world.

Mike took her little hand and kissed it hard.

“Sister is so young...”

Shang Qian twitched the corners of his mouth and looked at him with some disgust:

“You haven’t washed your hands since you came back...”

Su Yifeng didn’t look good, and hurried over to stop him Go on:

“Mike, Su Xiaohu has missed you for a long time, because he always liked to lie on his sister’s face before, so he was locked in the study by me. Would you like to take it down to play?”

Little Mike nodded excitedly. He nodded and ran upstairs.

Shang Qian held back the rest of his words.

Su Nan came over and smiled, “The room has been tidied up, it’s just the holiday for him to have fun.”

“Play?”

Shang Qian chuckled: “He still has a lot of homework to learn, I’m afraid he won’t be able to play for a few days.”

Su Yifeng coughed With a sigh, "That... Shang Qian, tell me the name of the child, have you thought about it?"

He quickly changed the subject.

Shang Qian was stunned for a moment, then nodded:

"Dad, it's Shang Lili, that's the name you gave, I added a word, so what do you think?"

He took out the name and showed it to Su Yifeng.

Su Yifeng watched for a while, then nodded:

"Alright."

Although it feels weird, I guess it's good to get used to it.

Su Nan looked over and said, "Lili? Why isn't it called Shang Doudou?"

Shang Qian: "No."

Su Yifeng: "No." The

two of them fought for the chance to say the child's name in unison.

Su Nan paused: "If you can't do it, you can't do it." In just

one day, Su Nan realized that little Mike really didn't call Shang Qian. It's all together with talking about little friends.

Divorce billionaire heiress Chinese language chapter 1842

I hated

that Su Nan's body gradually recovered since she was a child. She went to the hospital for examination several times, but the doctor was really helpless about her amnesia.

It is clear that the various indicators of the body are very normal, but that memory just can't be recalled.

But Su Nan doesn't care, it doesn't affect her normal life now, so she doesn't worry at all.

after a few days.

A business party, Su Nan and Su Qi attended together.

Su Nan rarely appeared in front of the public again, and it was a bright feeling.

There are many rumors that she is ill and cannot go out. Now her red lips and white teeth look like she is ill?

Why does his face look even more radiant than before!

Everyone suppressed their inner thoughts and went up to greet you one after another:

"Miss Su, it's been a long time since I haven't seen you, how are you?"

"Mr. Su, I heard that you gave birth to a daughter? Is it true? When will it be done? Wine?"

"Miss Su, when are you going back to the company?"

...

Su Nan smiled, dealing with a scene like this with ease.

"My daughter will hold a hundred-year-old banquet in a few days, she must come to her face..."

"The company also depends on the specific arrangements, I can't say..."

Su Qi became a side by side . More stable, and chat with other colleagues.

He asked Su Nan to go to the rest area to sit and chat, and have a couple of drinks with the others to talk about things.

Su Nan readily agreed.

She glanced around and found that Qin Yu and Ning Zhi didn't come.

She was a little listless and chatted with the people next to her.

After a while, there were suddenly two more people in front of me, a man and a woman.

"Su Nan, it's such a coincidence that I can see you here?" The

man was quite tall, average-looking, somewhat familiar, with an air of nouveau riche all over his body.

He put his arms around a pitiful little white flower beside him, and the little white flower snuggled in his arms, looking at Su Nan with a bit of dodging eyes.

Su Nan frowned, she couldn't remember who was in front of her.

But what is certain is that this person must not be someone she has forgotten, or will it feel familiar?

She paused, and in order not to let others see the clue, she smiled and said nothing.

Anyway, this person's intuition for her is not very good, which is quite annoying.

But the man was very blind, so he insisted on standing in front of him:

"I heard that you almost died in childbirth when you gave birth? Is it true?"

There are speculations in the circle that you are going to die, and the company gave it all to Su. Qi, how can it be all right in a blink of an eye?"

Su Nan's smile faded and he sneered:

"You're disappointed that I didn't die?" The

man was stunned for a moment, and quickly changed his words: "How can I think so? How long have you known each other? You and I have grown up since childhood. When the Cheng family was in trouble, it was you who helped!"

Su Nan turned around and wanted to understand the relationship.

She and Cheng Yi grew up since childhood. Cheng Yi is his cousin, so the person in front of him is Cheng Yi's cousin.

It turned out to be the son of Cheng Yi's mother's sister Liang Qi, Lin Yang.

That little bastard who knew nothing but opportunistic tricks since he was a child.

It was annoying since I was a child, but it is still the same when I grew up.

She raised her eyes and twitched the corners of her mouth:

"Is your brother here?"

Lin Yang saw that she took the initiative to speak, and naturally he would not miss this opportunity:

“My aunt is forcing him to have a blind date recently...”

Su Nan raised his eyebrows. No wonder he didn't show up much at the recent gatherings. Dare to be busy with blind dates?

Most of the readers are now reading this novels:-

Divorce billionaire heiress Chinese language chapter 1843

Changing clothes

Lin Yang thought that the atmosphere was just right, so he leaned forward and said,

“Su Nan, I've been optimistic about a few projects here, and it looks like they can make a lot of money. Do you want to join in? Are you a member?”

Su Nan only talked with him for a while, and then he understood what he meant.

I really can't hide.

“I'm not interested. If you want to talk about business, you can go to my third brother.”

“How can the third brother be interested in a small project like me?”

Lin Yang was very excited, “It can really make money, you believe me! “

Su Nan resisted his temper and didn't want to turn his face here, but he did find it quite boring.

“Could it be that your family can't even take out this kind of money? Your family can't take it out. Didn't your aunt always love you? How could it make you short of money?”

” Isn't it all Cheng Yi? He insisted that there was a problem with my accounts, and he kicked me out of the company, and didn't let my aunt give me money, otherwise, how could I be reduced to this point?”

Su Nan raised an eyebrow, this is Did not expect.

Cheng Yi's mother had always liked Lin Yang very much, so she almost regarded him as her own son.

I didn't expect that now they are in the same mind with Cheng Yi?

Lin Yang licked his smiling face: "Su Nan, you can cooperate with me, I have a project and you have money, we will definitely make a lot of money."

Su Nan's mood was very calm, she smiled and refused:

"I am very If you have money and don't want to participate in other projects, you can find someone else to cooperate with."

Lin Yang's face stiffened, but he refused to give up:

"Just think about it again?"

Su Nan shook his head, looked away, and immediately let go something inside, stand up, and plan to go somewhere else to stand.

As a result, the little white flower who had been standing in front of her with Lin Yang had no intention of giving way, and the red wine she was holding suddenly spilled onto Su Nan's skirt.

Su Nan's face turned cold and frowned.

He looked at the woman impatiently.

The little white flower turned pale with fright, took a step back, and quickly bowed and apologized:

"I'm sorry, Miss Su, I didn't mean it, I really didn't mean it, I just lost my mind and didn't pay attention, I'm sorry... .."

I don't know if Su Nan's aura is too strong, Xiao Baihua looks weak and delicate in front of her, and looks like she has been bullied badly.

The eyes of many people around him fell here, and they didn't know what to say.

Su Nan felt that she really didn't read the almanac when she went out. She stepped on a lump of mud and soiled her shoes.

She didn't feel anything at first, but as soon as this little white flower apologized, she became the one who bullied others. It seemed that it was wrong not to forgive.

Before he could say anything, Lin Yang stood up and pushed a handful of small white flowers, scolding him fiercely:

“Don’t you have eyes? What is this occasion? You cheered up when I asked me to bring you in. Just cause trouble for me!”

Xiao Baihua’s tears fell.

She glanced at Lin Yang aggrievedly, and her whole person was immersed in sadness:

“I’m sorry, I really didn’t mean it.”

Lin Yang glared at her viciously, then looked at Su Nan:

“Su Nan, do you want to? Going to change clothes?”

Su Nan twitched the corners of his mouth, “Of course.”

She didn’t say much and just left.

I was really disgusted by these two people.

Originally, she didn’t want to care about it. It was because the little white flower had too many inner dramas that made her so unhappy.

Lin Yang was very unwilling to let Su Nan go, but there was nothing he could do.

Most of the readers are now reading this novels:-

A secret

Lin Yang glanced at the little white flower next to her in annoyance and pushed her:

“What are you still doing, keep up and serve Miss Su, dare to neglect her and break me Be careful, I’ll settle the account with you!”

Xiaobaihua gave him a wronged look, and followed silently to the direction where Su Nan left.

in the bathroom.

Su Nan was originally wearing a white dress, so the red wine stains were particularly obvious.

It's not treatable with water at all.

She had already sent a text message to the driver outside, asking him to bring the spare clothes, and had been waiting here.

In less than a minute, someone she didn't want to see appeared at the door.

"Miss Su..."

It was the little white flower.

Really haunted.

Su Nan didn't look away: "Lin Yang asked you to come? You tell him to let him give up, I won't invest in him."

She could see things after spending her money, at least she was happy.

Investing in Lin Yang is like entering a bottomless pit.

Xiaobaihua looked at her and bit her lower lip:

"I didn't come for him."

Su Nan raised her eyebrows, "Then you are..."

Xiaobaihua took a deep breath: "Miss Su, I am I want to ask you, can you not tell Lin Yang that you know me, even if I beg you."

Su Nan tilted her head to look at her, expressionless, but her heart was beating.

When did you meet her?

Seeing her indifferent, Xiaobaihua was a little excited:

"I was deceived when I was with Cheng Yi before. He didn't like me at all. No matter how hard I tried, he didn't want to give me a second look, or even pay more attention to me.

But Lin Yang It's different. He is willing to coax me, take care of me, buy me things and spend money for me. We are really happy together.

But...Lin Yang doesn't know about me and Cheng Yi being together, he If you find out, you probably won't let me go, so can you keep this secret?"

She raised her eyes and looked at Su Nan pleadingly.

Su Nan gritted his teeth, unable to calm down.

what did she hear?

This little white flower in front of me had been with Cheng Yi, and now she's hooking up with Lin Yang. What's the point? Lin Yang doesn't know anything?

He even knew their relationship.

Xiaobaihua's tears were about to come out: "Miss Su, I admit that I shouldn't have made the idea of in the first place, I didn't know it was yours, otherwise I wouldn't do it if you gave me ten courage, please. Please keep a secret for me, okay?"

It's like a single sentence can drop a thunderbolt.

Have you tried Shang Qian's idea?

Wow!

It seems that it is unsuccessful, otherwise, it will not be reduced to holding Lin Yang and will not let go.

Eyes are really worse than the last.

She chuckled lightly, not so enthusiastic:

"I'm not so busy, and I don't need to beg me. I'm not the only one who knows about this. Let's pretend we don't know each other."

That way, she doesn't need to be bothered. .

Xiaobaihua still has to chase after her, asking her to be accurate.

But the driver had already run over with the bag, "Miss..."

Su Nan nodded, made a wink, separated Su Nan and Xiao Baihua, and looked at her warily.

Xiaobaihua couldn't get close, and stood there sparsely, seemingly unwilling.

Su Nan, who came out after paying off the clothes, didn't see Lin Yang and Xiao Baihua, and was really relieved.

It didn't take long for Su Qi to come to find her. It was almost time, and everything that should be discussed was over.

Su Nan followed him into the car and left.

Divorce billionaire heiress chinese language chapter 1845

I can only do

it for two days.

Su Nan received a call from Ning Zhilao, saying that it was Cheng Yi's birthday. He didn't plan to make a big deal. He happened to be near the crew where Ning Zhilao was staying, and planned to get a table nearby.

Qin Yu also went.

Su Nan told Shang Qian and went with the driver.

It was only when he arrived that he found out that Cheng Yi also invested in the crew that Ning Zhi was staying with, so he went to visit the cast.

Cheng Yi looked Su Nan up and down, and went to hug her:

"My little heart, it's great that you're fine."

Su Nan clicked his tongue and pushed him away: "Go away, of course I'm fine."

Cheng Yi's smile deepened:

"I heard that you forgot about Shang Qian, and you still think of me, I am so moved..."

"Don't be moved, my family died when I was ten years old. I remember that Tibetan Mastiff, of course I remember you."

Cheng Yi rolled his eyes speechlessly: "I don't understand romance."

Ning Zhi came out and took her in: "Just in time, today is the finale of the crew, with Cheng Ershao. Our birthdays hit each other, so let's just spend it together."

Su Nan was shocked: "So it's okay?"

Cheng Yi smiled, "No way, but I'm quite satisfied with this drama, so let's make do with it."

The people in the crew All arrived.

Su Nan and Ning Zhi went in arm in arm, Cheng Yi followed behind with his pockets in.

There was a piece of light inside, the lights flickered, and it was very lively.

Ning Zhiliao leaned over and said, "There are a lot of people. I guess I heard that Cheng Yi is here. Toast, it's all from the entertainment industry. If you want to deal with it, deal with it. If you don't want to go ahead and change places."

Su Nan raised his eyebrows, "Look at Cheng Ershao's mood, after all, it's his birthday."

Even if you don't want to deal with it, you can't just leave.

Ning Zhi nodded, she herself was considered half of the entertainment industry, and naturally she knew the relationship between the characters inside.

Cheng Yi was wearing a black shirt and black trousers, with his sleeves rolled up and his eyebrows twitching. At first glance, he looked like a son and brother.

If he wasn't Cheng Yi, maybe he could be a movie star when he went to play.

Su Nan and Ning Zhiliao admired the handsome men and beauties around them for a while, and watched a beautiful woman in a red dress swaying over on the other side.

The two laughed.

Qin Yu.

"Miss Qin is so beautiful today, I thought I was wrong!"

Su Nan joked.

Qin Yu raised her chin arrogantly: "Our boss Shen said that I'm outrageously beautiful every day."

Ning Zhijiao: "Is he not guilty of saying this?"

Su Nan held back a smile, "I see Mr. Shen It's a pity not to come, Miss Qin can't see it even if she dresses up so well."

Qin Yu curled her lips: "Don't talk about me, I've been working overtime for a few days, I'm tired and have a headache.

" So busy in the company?"

"It's not everyone who is busy, it's only me who is busy, Shen Liang's broken company, I'm also a vice president, let me do some work that a small assistant can do, and I don't even have time to play every day. Just sleep on the bed!"

Su Nan and Ning Zhi opened their mouths in shock.

No wonder Qin Yu didn't take the initiative to make dinner appointments these days. Is there another reason for daring?

"Why don't you leave it to someone else?" Su Nan asked.

"It's a secret, I can only do it!"

Qin Yu rolled her eyes silently, feeling uncomfortable in her heart.

To be wronged to death.

Su Nan always felt that something was weird: "Can the work for the assistant be kept secret?"

Ning Zhi was also very suspicious: "Yeah..."

Qin Yu's face changed, and she felt that there was something wrong with it. Too right.

Most of the readers are now reading this novels:-

Divorce billionaire heiress Chinese language chapter 1846

She was about to think of something slim about the blind date, when several directors over there watched the three together, and after toasting Cheng Yi came over with a glass of wine.

"Miss Su, Miss Qin, and Miss Ning are indeed good friends. Thank you for your strong support to our crew!"

Su Nan smiled and raised his glass.

The three took a sip: "You're welcome."

After everyone's greetings, Qin Yu swept around:

"Where's Cheng Yi?"

A well-informed director thought for a while:

"It seems that his girlfriend was called away.. ..." The three stared at each other.

"How can he have a girlfriend?" The

director smiled embarrassedly, knowing that he made a slip of the tongue: "Female friend, sorry, slip of the tongue."

Ning Zhiluo frowned slightly: "Why didn't you hear about it?"

Su Nan approached her In the ear: "I heard that I have a blind date recently, and it may be a blind date."

The other two suddenly realized.

No wonder then.

After all, Cheng Yi would not take the initiative to say such a thing.

They went back and forth, and some celebrities who used to be very beautiful in front of the screen were also toasting one by one with their wine glasses humbly at this time, from the director to the investors, and even Su Nan and the three of them were not spared.

A very lovable woman came out of the director pile, and then joked with other investors. She seemed to be able to do it with ease and with infinite beauty.

Su Nan looked at it, but couldn't remember her name.

"She's the female number one?" With

such a strong control field, it is not the female number one that can't be justified!

Ning Zhi glanced at it, "It's not her, the female number one hasn't come yet..."

Qin Yu: "Will the female number one not come on this occasion? Everyone else should be robbed of their heads, right?"

Ning Zhi Li smiled, "Don't tell me, this female lead has a big temper, but she has a straight temper, and everyone in the crew doesn't like to talk to her very much."

"Who is it?"

"Meng Shuang, because of her She has a bad temper and often offends people, so even if she is good at acting, she doesn't win any awards, and she can be the number one girl, thanks to her acting skills."

Just as she was talking, the door was suddenly pushed open from the outside.

A woman with a cold temperament walked in from the outside wearing a long black dress, her face was cold like a stranger.

Beautiful is beautiful, but the cold temperament on her body is indeed unapproachable.

For a time, almost all the other female stars in the arena quieted down, subconsciously fearing the appearance of Meng Shuang.

This is interesting.

Meng Shuang glanced around, her eyes seemed to have noticed that Ning Zhi was here, just as she was about to walk here with her skirt in hand, a harsh joking sound came out:

"The female number one is here, we have all been waiting for you for a long time. That's it.

Cheng Ershao sincerely invited us to his birthday party, and it's a banquet again.

You are so good, you put on a higher shelf than anyone else, and let everyone wait for you alone? "

Qin Yu was excited. Grasping Su Nan's hand tightly:

"Are you going to tear it up? This is the scene of a female star tearing up!"

Su Nan was stunned for a while, seeing her useless appearance, she really wanted to pretend she didn't know her!

The person who spoke was the woman who had been active in the field just now, Lin Lu.

Lin Lu was so beautiful just now, with her personality and her mouth, she almost coaxed everyone present into obedience.

Really have to admire.

Ning Zhiliu approached them and said,

“These two people can’t deal with each other, and the director hardly dared to put them together for filming.

Originally the heroine decided Meng Shuang, but then the investment boss behind Lin Lu changed the crew to Lin Lu. Later ,

Meng Shuang’s fans ended up tearing up, and Lin Lu had a maid’s face and was not recognizable. It was indeed risky for her to be the first female lead, and finally Meng Shuang was decided.

So the two people didn’t deal with it at the beginning . already.”

Most of the readers are now reading this novels:-

Read Divorce Billionaire Heiress Chinese Language Chapter 1847

Divorce billionaire heiress chinese language chapter 1847

Does it have anything to do with you?

Su Nan nodded: “No wonder!”

It doesn’t seem like a good scene to tear openly, but they obviously don’t care.

Seeing Meng Shuang turn her eyes, she saw Lin Lu:

“Idiot, does it have anything to do with you?” After one sentence, the atmosphere almost fell silent.

Then, someone couldn’t help but chuckle.

Meng Shuang’s reply was really neat.

Lin Lu’s face turned pale after being scolded by her, and she couldn’t get off the stage.

“You...”

Of course she wanted to scold her, but a pair of people who scolded her cuteness couldn't stand it anymore, for fear that someone would take pictures and spread them on the Internet.

And in front of so many bigwigs, I can't be too cheap.

She gritted her teeth, wishing she could tear Meng Shuang apart.

Fortunately, the director came out in time to make a rescue, ignoring the words Lin Lu was scolded:

"It's good to come, Meng Shuang told me that she was in the water until late at night from yesterday's filming, and she has a cold today, so I let her rest. Enough is enough. Come again.

Meng Shuang, come and have a drink with your colleagues..."

Everyone couldn't watch the excitement, and they knew it wasn't the time to fan the flames.

At the moment, it is very happy to pretend that nothing has happened, and everyone talks about it.

Meng Shuang obeyed the director's words, and even though she was still catching a cold, she brought a glass of wine with her.

After bowing down one by one, Meng Shuang finally arrived at Su Nan and the others.

They could see the scene just now, Ning Zhi smiled:

"Meng Shuang, sit down and rest for a while."

It seemed that Ning Zhi took good care of her.

Meng Shuang was not polite, sitting opposite, leaning back lazily.

She really deserves to be a heroine. With her temperament, if she didn't have that face and acting skills, she would never have been able to get to the front line.

The main thing is that very recognizable face, which is really unique and beautiful.

Among the three of them, the person who knew her the most was Ning Zhiliao.

Ning Zhi smiled and looked at Su Nan and Qin Yu:

"You don't know yet, who is Meng Shuang?"

Su Nan and Qin Yu looked at her questioningly.

Ning Zhi looked at Meng Shuang and raised her eyebrows. Meng Shuang smiled and replied,

“My sister is Meng Xue, and I am from the Meng family.”

Both Su Nan and Qin Yu were quite shocked.

Oh my God!

It turned out to be a member of the Meng family, who was inextricably linked with the Li family and several major families in City B.

But how could such a celebrity come to the entertainment circle?

No wonder it was surprising.

Meng Shuang looked at Su Nan with a smile on her face:

“I’m a fan of Su Yingdi, and I followed in his footsteps to get to where I am today!”

Ning Zhi smiled and seemed to have known about this for a long time.

Su Nan: “...”

Why is Su Qi’s influence so great?

If he knew, his tail would be lifted to the sky.

“If the third brother knew, he would be happy for you.”

Su Nan said with a smile.

Meng Shuang raised her eyebrows, which seemed to be expected.

Meng Xue, the man who has been failing in investing all the time, and a younger sister who is in the entertainment industry are indeed unexpected.

No one knew about the key thing, and no one had dug up Meng Shuang’s background, otherwise Lin Lu would not have that attitude.

Originally, this kind of social occasion was mostly for exchanging feelings and preparing for the next resource.

But with the power of the Meng family, if you want to get some resources for Meng Shuang, isn't it a matter of hand?

So Su Nan admires Meng Shuang a little bit.

Qin Yu pressed aside: "Can your family agree?"

Meng Shuang spread her hands, "What if you don't agree? Let me accept the company? They can't hand the company over to me."

Of course, she didn't either. Interest.

Most of the readers are now reading this novels:-

Divorce billionaire heiress Chinese language chapter 1848

Silly Bai Tian

, Qin Yu frowned, puzzled: "Why is it impossible?"

Even if there is a sister at home, it doesn't affect Meng Shuang's entry into her own company!

Meng Shuang's face darkened slightly, and the smile was not so obvious.

Ning Zhi pushed Qin Yu's arm down and frowned slightly.

Qin Yu didn't understand.

Meng Shuang smiled, "It's okay, I asked because everyone didn't know, and there's nothing I can't say."

Ning Zhi felt a little distressed.

Meng Shuang's tone was calm:

"Because my current mother is not my biological mother, she is Meng Xue's biological mother, and I am an illegitimate child, and I went to Meng's house later." The

hall was noisy and silent for a moment.

Meng Shuang said these privacy so calmly, as if she didn't care at all.

But if you really don't care, how come no one knows about it all the time?

Su Nan and Qin Yu looked at each other, and Qin Yu regretted her blunder.

"I'm sorry, Meng Shuang, I really don't know about this outside. I didn't mean to stab you."

Meng Shuang smiled and glanced at her:

"I know."

Ning Zhi coughed:

"Actually all it doesn't matter, the road ahead is all one's own, each has its own strengths, and the past is gone."

Su Nan nodded, "Yes, I don't think Meng Xue is so keen on the company, and this kind of pressure has subsided. It's a good thing to do."

It would be torturous to watch the company that you got go bankrupt.

Compared with Meng Xue, Meng Shuang's road was much simpler and brighter.

Qin Yu thought for a while:

"How is your relationship with Meng Xue? She got married before, and we didn't go there, but she received a share of the money."

Meng Shuang smiled, "I have a relationship with my sister. That's right, she's a fool and sweet, if it weren't for her, I wouldn't be able to make a living in Meng's family so easily. She also wants money for her career, and she lost too much

money before marriage, and her family has already limited her quota."

In the family, it is rare for two sisters to get along peacefully.

Qin Yu laughed: "Do one thing and lose another, we will all go around her in future investments."

"Fortunately, Li Suizhou will take care of her now, and she will be restrained a lot."

Meng Shuang couldn't help but smile.

Su Nan hooked her lips, the atmosphere was just right, and when she looked up, she saw Cheng Yi pulling and tugging at a woman at the door, entangled impatiently.

She was slightly taken aback.

“That man looks familiar!”

She was talking about the woman next to him.

Qin Yu glanced at it and smiled: “Isn’t this Cheng Yi’s friend? I heard that she blew it before it even started. This woman is simply a showgirl.”

Ning Zhi narrowed her eyes: “I seem to be I’ve seen her in the crew.”

Meng Shuang nodded: “Yes, playing a maid, two lines, I don’t know who got in.”

Qin Yu and Su Nan looked at each other.

Over there, Cheng Yi annoyed and slackened his neckline and walked over, with a dark face and looking very unhappy.

People passing by were just watching from a distance, not daring to step forward to intervene.

Xiaobaihua followed behind him step by step, staring reluctantly at Cheng Yi’s back, who didn’t know how deep the love was!

Cheng Yi glanced at it and walked in the direction of Su Nan and the others.

Su Nan suddenly saw the little white flower clearly and remembered who she was!

Isn’t this Lin Yang’s girlfriend?

The woman who came over to warn her not to tell her about their relationship!

Tsk tsk...

“Cheng Ershao, follow this beautiful girl wherever you go. She wasn’t your last girlfriend...”

Qin Yu teased deliberately on the side.

I Don't Want To See You

Cheng Yi sat down without changing his face, picked up the wine glass and took a sip, ignoring Qin Yu's words at all.

On the other hand, Xiao Baihua, who was following behind him, was heartbroken after hearing the words:

"Do you have other girlfriends? Didn't you say that you would only be single-minded to one person?"

Qin Yu and Su Nan were stunned for a moment, unable to help themselves. Looking at Cheng Yi.

Cheng Yi looked like he had no love for life, and his expression was indescribable.

Just as Xiaobaihua was about to ask her question again, she suddenly saw Su Nan jokingly staring at her.

Her face was slightly pale, her figure swayed, and her inexplicable eyes dodged with some guilty conscience.

At this moment, he was speechless for a while.

Cheng Yi sat there, a little irritable, turned his head slightly, and said in a sharp tone:

"Can you stop pestering me, am I not clear enough? I don't like you at all, and I don't care about you much, don't bother you all day. Shaking in front of my eyes!"

Xiaobaihua regained some sense and looked at Cheng Yi sadly:

"But you didn't say that at the beginning, you said that I'm different from other girls!"

Cheng Yi smiled: "Yes It's different, others are not as cheeky as you! You can't get rid of it!"

Xiao Baihua seemed to be hit, and her face was ugly and pale for a while.

But he didn't run away.

Right now, Su Nan admires this little white flower's determination.

If it was someone else, she should have left here instead of a slap in the face, but she still stood here firmly.

A lot of eyes around here are looking at it.

Su Nan may have understood the purpose of this little white flower.

For a girl who can't even reach the 18th line, the best way to become famous is to catch up with a famous person.

Ningzhi coughed: "Cheng Ershao, why don't you go out and deal with some private affairs? There are so

many people here, some people will gossip!"

Cheng Yi turned his head away speechlessly, "I don't want to be alone with her!"

He couldn't take off any hat that was put on it.

I have never met such a difficult woman.

I really regret that I met her in the first place!

Xiaobaihua stood there stubbornly, "I don't want to leave, I just want an explanation. How can you say that to me? I thought you were different from other people, but you're too disrespectful to women!"

Cheng Yi reluctantly grabbed Scratching hair.

A good birthday party, and now I have no mood at all.

Qin Yu on the side couldn't help but snorted lightly:

"No, he just doesn't want to see you, but don't talk to women, you don't represent the majority of women, don't engage in feminism!"

Xiaobaihua has nothing to do with others . Vice attitude:

"What does it have to do with you, this is a matter between me and Cheng Yi!"

Qin Yu twitched the corners of her mouth and rolled her eyes:

"Who is so rare to hear?"

Cheng Yi couldn't bear it any longer: "Shut up, you What kind of thing, dare to yell at my friends here?"

Xiaobaihua looked at him aggrievedly:

"I can't even say it?"

” feel boring.

This is obviously being entangled by someone, and he won't let go unless he sucks some blood.

She thought about it, after all, she was a friend for many years, so she couldn't stand idly by.

Especially, today is Cheng Yi's birthday.

After a pause, she took out her phone and sent a text message out.

Nobody noticed.

Meng Shuang couldn't stand it any longer, and felt very irritable:

“You guys are talking, my friends are here, I'll go say hello.” After speaking, she stood up and left.

Ning Zhi looked at Su Nan and Qin Yu, and the three got up and left together.

Cheng Yi looked like he wanted to stop but was unable to say it, which was also pitiful.

Watching the fun

, Qin Yu chuckled lightly and took a sip of the fruit wine:

“Cheng Ershao is really unlucky enough that even a woman can't get rid of it?”

“This woman seems to be easy to deal with, but it is difficult to deal with. Very, open face, can do anything!”

Ning Zhi opened his mouth.

Su Nan paused, the phone vibrated, and someone replied.

She curled the corner of her lower lip and looked back calmly.

About twenty minutes passed.

There was one more person in the banquet hall, and no one noticed. A slutty boy was not dressed up, so no one specifically asked.

Less than two minutes.

Suddenly I heard a commotion in the banquet hall.

It looks like someone dropped something.

Qin Yu also heard it, and immediately put down the cup in her hand and took Su Nan's hand:

"Go, watch the fun!"

Su Nan was pulled and ran forward. She probably already knew what happened.

A lot of people have gathered around to watch.

This time, it's a big look.

Cheng Yi stood there, as if it had nothing to do with him, and looked at the man and woman in the middle with cold eyes. Although his shirts were a little messy, it didn't affect his elegance at all.

On the sofa over there, a man with red eyes slapped the woman fiercely.

The woman was crying, crying for help at first, and looking at the crowd from time to time.

But Cheng Yi, who can help her the most, doesn't want to look at her at all, even if he does, it's just a joke.

Lin Yang, who started beating her, was only a little harder with the slap, and the rest was just angrily pressing her.

"Say, didn't you say that you are going to have dinner with your best friend tonight? Are you here to fish for Kaizi?"

"Damn, I said earlier that I would dump you, but you are not willing to cry for a long time, and you dare to do it for a long time. I'm a spare tire?"

"Bitch, Cheng Yi is my cousin, what about us brothers playing around with? Do you really think of yourself as a princess? It's not so immoral to do business, and you're a bastard. It's gone!"

...

There were still some poor little white flowers around, but after hearing him say this, they all lost their sympathy.

The person who had taken out his mobile phone and planned to take a picture before heard Cheng Yi's name and did not dare to expose it, so he put away his mobile phone.

It turned out that this woman stepped on two boats and was caught by the brothers!

After a while, the director came over and pushed Cheng Yi, and said in a low voice:

“Cheng Er Shao, it's almost done, let's go out and solve it. After all, there are so many people here, and they are all people in the circle, so it's not good to spread it out.”

Cheng Yi He didn't do it himself, but when he saw Lin Yang do it, he didn't stop it.

For the first time, he felt that Lin Yang had done a human affairs!

He snorted lightly, put down the wine glass, and walked over:

“Enough—”

Lin Yang paused, his eyes red with anger:

“Cheng Yi, are you willing to let our brothers play like this by her?”

” Woman, he has a way.

Cheng Yi glanced at him: “I wasn't tricked, he kept pestering me, I wasn't fooled, take your people away, deal with them yourself, don't be embarrassed here.”

Lin Yang got even more angry.

It's okay to lie to two people, but if he lied to one, wouldn't he be the only one left to be embarrassed?

He glanced at Xiaobaihua fiercely and kicked her leg:

“Get up!”

Xiaobaihua covered her head and cried,

“I really don't have two boats, I just came to the banquet. That's it, I'm not familiar with Cheng Ershao!”

She was still explaining weakly and palely, otherwise it would be worse in a while.

She knew Lin Yang, but he didn't have Cheng Yi's demeanor.
