Chapter 21 Hug Left and Right Hug

Chapter 21 Hug left and right for a

moment, the meeting was stiff and silent, abruptly silent.

Lin Shuang's face was ugly and embarrassed, and she couldn't come down from the stage. She had been in the company for so many years, and she finally managed to get into this position, and she didn't want to leave.

And Su Jin actually slapped her face indifferently for a newcomer Su Nan?

There was silence in the conference room, and everyone looked at each other.

Su Nan frowned slightly, and she didn't want to be the target of public criticism when she first came. Just as she was about to open her mouth to give Lin Shuang a step down, she saw Lin Shuang stood up unsteadily, her face flushed red.

"Mr. Su, I'm sorry, I respect the company's decision and will cooperate with Miss Su's work well."

"That's good, the meeting is over."

Su Jin didn't say much, didn't waste a minute, and left the conference room with awe.

Seeing Lin Shuang let out a long sigh of relief.

Although the company's people have great opinions on Su Nan's arrival, due to Su Jin's majesty, no one dares to object, but Su Nan doesn't care, she will use her ability to prove herself.

Yu Lou arrived at Su Nan's office with a respectful attitude, "Miss Su, you can tell me what work you want to do in the future."

Su Nan knew that Yu Lou was Su Jin's confidant and asked him to come over to help him a lot, "Thank you, I listened before. President Su mentioned the project of Juli Group, I want all the information of Juli Group."

Yu Lou nodded, "Okay, I'll prepare now." As

soon as Yu Lou left, Qin Yu walked in, shaking the mobile phone rope in his hand. ,  
"Dear, my office is right next to you, and we will fight side by side in the future."

Su Nan smiled, in a very good mood, they could be the same as before.

“It will be a little harder at the beginning, but it will be fine in the future.”

Qin Yu brushed her hair with a sneer, “What am I afraid of? By the way, let me show you something.”

She smiled and handed over the phone. Su Nan didn't know, so she took it over to take a look, and she was stunned.

A new wave of online public opinion fermented, Qin Yu actually found a lot of big V-numbers on the Internet to forward the complete video clips from last night, from Qin Yu being taken advantage of by the thugs, to Su Nan's neat hands-on lesson, and finally with Qin Yu The calm departure has caused a lot of heated discussions.

“I'm going, this is too handsome, why do you want a boyfriend with such a girlfriend?”

“Cool and sassy young lady, I understand now that she has left a wealthy family...”

“Su Nan She 's my goddess!”

“Let her debut as C!”

“Miss Gao Leng Sashuang, I want her contact information in three minutes!!!”

..... The

number one hot search again, Su Nan is helpless Looking at her, “Did you deliberately find last night's video?”

Qin Yu raised her chin and said arrogantly, “No need to do anything, I don't allow anyone to hack you for a phone call! I hate you!”

Su Nan smiled, “It doesn't really matter, it's not a big deal anyway.”

“Then you know, who is behind all this?”

Su Nan shook his head, a conjecture flashed in his heart. The name, Qin Yu told her bluntly: “It's Fu Yechuan's good brother, Lu Qi!”

Sure enough, it was no different from her guess. Whether it was Fu Yingying or Lu Qi, they were both related to Fu Yechuan.

Su Nan snorted, her face was slightly cold, forget it if she didn't know, since she already knew, she couldn't reveal it so easily.

“Call Du Yan, I want Lu Qi’s black material!”

“This is the Su Nan I know. If you have revenge, you don’t need to bother. I’m ready to let them know what it means to be high!”

Qin Yu had already sorted out Lu Qi’s black material, and sent it all to Su Nan. Su Nan chose a photo from it. It was the moment when Lu Qi was hugging and hugging in a swimsuit at a party. He had just been married at the time.

Addendum: If you want to deal with me, let me go. At least I am more magnanimous than you, and I won’t ask the paparazzi to secretly take pictures and edit. I hope Mr. Lu can do it himself!

...

Chapter 22 Raise your hands to surrender

Chapter 22 Raise Your Hands to Surrender

Su Nan posted it on his newly registered account, and soon countless big Vs began to forward comments, the style of painting began to reverse, and countless people began to swarm online to eat melons.

Few people know about Su Nan’s new account, but in this way, the number of fans of the new account has skyrocketed, and Lu Qi’s details have also been revealed.

Fu Group.

Lu Qi ran to Fu Yechuan’s office with a lawsuit, “Brother, your ex-wife is going to kill me!”

Fu Yechuan raised his head from the document and glanced at him lightly.

Lu Qi found out the scolding of netizens on the Internet and showed him angrily, “Does she want to rape me online? It’s too much, this is her true face, this woman is really not a good thing, now my wife They are all getting divorced at home, you have to help me, brother!”

Fu Yechuan frowned, his eyebrows were slightly heavy, and he looked at the comments on his mobile phone, and after a long time, his voice became cold.

“So, it was you who planned to rape her online, but got countered?”

Lu Qi shivered and explained quickly, “I... I just wanted to teach her a lesson, besides, I don’t know. That video was edited, and the paparazzi really killed me for cheating my money!”

Fu Yechuan threw his phone on the table in front of him, his face turned cold, "I deserve it."

"Brother, you have to help me, I was also scammed by the paparazzi, but Yingying asked me to do this, if I hadn't been in front of me, people on the Internet would have scolded Yingying."

Fu Yechuan's face became even colder, thinking of what happened in the restaurant last time. Things, I didn't expect this sister to have a long memory?

Lu Qi asked for help with a bitter face, but Fu Yechuan was unmoved, "You can solve it yourself, this is what you asked for. With your ability, do you still need to worry about such trivial matters?"

"It was very easy to solve it, but this woman actually found Du Yan from Huaying Entertainment. You know that person is a smiling tiger, and he didn't even answer the phone. Now no one dares to help me. I'm going to be scolded to death. ."

Lu Qi never thought that not only did he not teach Su Nan a lesson, but he suffered such a big loss, how could the photo of that private party spread?

Originally, the wife at home had always been obedient and well-behaved, but when she saw this, she even filed for divorce?

He didn't care about this, but the old man wanted to kill him and kick him out of the house when he mentioned him. He really had no choice.

Fu Yechuan raised his eyes and glanced at him, "I advise you, go to anyone you offend."

"Su Nan?"

Lu Qi resisted subconsciously, why would he bow his head to such a hypocritical woman.

Fu Yechuan didn't want to say more, the secretary came in to ask for the meeting time, Fu Yechuan stood up and walked out.

Lu Qi was bored and left in despair. He didn't dare to read the comments of those netizens on the Internet. The phone at home was one after another, and he wanted to blow up the phone.

"It's none of your business for me to hug a few women!" Lu Qi, who was sitting in the car, was about to smoke.

He must resolve this matter as soon as possible, but asking Lu Qi to apologize to Su Nan himself is more uncomfortable than whipping him.

But there is no way, if he doesn't compromise, he will be kicked out of the house.

After thinking about it, Lu Qi still asked people from the company to post a message on the Internet using his account of 800,000 fans.

"I don't know about the video editing. I apologize for the trouble Miss Su caused."

He lost this game. Since Su Nan dared to call him by name, he must have evidence of him in his hand. Not good.

Anyway, I don't live by the entertainment industry and fans, and I don't care about their fans, but Lu Shao apologized, and I will be shameless in front of my brothers in the future.

Su Group.

Qin Yu walked into Su Nan's office with a smile, and shook her phone, "This young master Lu raised his hand and surrendered without even making it for two hours. He thought it was a hard bone. Dare to be so useless."

...

Chapter 23 Call Me Vice President Su

Chapter 23 Ask me, Vice President Su,

Su Nan took out his mobile phone and looked at the hot searches on the Internet, sneered and put it aside, not caring.

She knew the background of the Lu family. It must have been Lu Qi's parents who put pressure on him. Otherwise, with Lu Qi's character, why would he bow his head to her?

Lu Qi must hate Su Nan now.

There was a knock at the door, Lin Shuang pushed the door open and smiled, "Miss Su, is it convenient for you to come in and talk?"

Su Nan nodded, "Please come in."

Lin Shuang came in and glanced at Qin Yu, as if it was because of the first It's hard for the three of them to speak, but Qin Yu doesn't have the vision to go out and wait.

"Is something wrong?"

"I see that Assistant Yu is sorting out the projects about the Juli Group. Miss Su may not be clear when she first arrived. We have a general relationship with Juli, and there are few opportunities for cooperation. Miss Su wants to gain a foothold in the company. To cooperate with Fengheng, I know they have a suitable project."

Lin Shuang put the document in front of Su Nan, raised his eyebrows and smiled, as if giving Su Nan a big deal.

Su Nan paused, "Okay, I'll think about it."

"Miss Su must be settled. Feng Heng is an old friend, and this project is enough for you to gain a firm foothold."

Lin Shuang said at the meeting Aiming at Su Nan, he turned around and gave her a big gift, no wonder there were no ghosts in it.

Su Nan looked up at her with a meaningful smile, "Please call me Vice President Su."

Lin Shuang's face froze, and her voice suddenly pierced, "Don't think that President Su will be able to make a fortune here if you look at you, can you? It depends on your luck if you can't stay any longer, anyway, the chance is given to you, can you take it and see for yourself."

After Lin Shuang finished speaking, she turned around and left, closing the door heavily.

Qin Yu looked at this scene in shock, "Are you her boss, or is she your boss?"

Su Nan casually opened the document brought by Lin Shuang, "She thought that if I didn't come, this position would

belong to her."

Yu.

"I remember there was a suitor beside you, the vice president of Fengheng?" Qin

Yu was taken aback, and then smiled, "Don't worry, I will definitely find out what's going on here."

must support.

Su Nan's cell phone rang, and it seemed that Ning Zhi, an old friend whom he hadn't contacted for a long time, had founded an internationally renowned share brand, and holding a private show made it hard to get a ticket.

After picking up, Xu Zhiliu couldn't wait to speak, "Come out, in order to welcome you, let's get together, 'I heard' the bar will see you soon..."

Su Nan smiled, she also thought about this very much My friend, "Okay, I'll definitely go."

Just after hanging up, Qin Yu pulled Su Nan into the group. There were five people in the group, plus Ning Zhi, and Cheng Yi and Cheng Huai.

Ning Zhidao: Su Nan finally returned to the team, congratulations!

Cheng Yi: To celebrate Su Nan's divorce, I drank all night and finally left!

Cheng Huai: Congratulations on my divorce!

.....

Su Nan laughed angrily, "Are these people too gloating about misfortune?"

Qin Yu said helplessly, "No way, you don't know how happy everyone is for you, knowing that you have a bad life, Everyone was scolding Fu Yechuan in this group, not letting you in because you saw that you were sad, but you finally got the hang of it!"

Forget it, it was her own fault, so she had to thank them for their perseverance.

.....

Lu Qi was distressed and took Fu Yechuan out for a drink at night. When he arrived at the "I heard" bar, as soon as he got out of the car, Lu Qi rubbed his eyes, "Damn it, I can meet this woman wherever I go!"

...

Chapter 24 Her Lady Queen

Chapter 24 Her Majesty Queen

Fu Yechuan followed Lu Qi's gaze and looked over, his eyes froze for a moment.

Su Nan was wearing a long grey-silver skirt, the skirt was fluffy like a meteor, and her slender waist was outlined again.

Lu Qi scolded secretly, "The enemy's road is narrow, you can meet someone you don't want to meet with a glass of wine."

Qin Yu and his party naturally saw Fu Yechuan and Lu Qi, although they didn't want to see them, but since they met, they didn't. The reason to turn away.

"Have you finished cleaning up the fire in Lu Shao's backyard? You're still in the mood to go out for a drink. It seems that the impact of that photo is still too small."

Qin Yu said with a sneer, Lu Qi not to be outdone, staring at Su Nan, the initiator behind, He said sarcastically, "I underestimated Miss Su. I really didn't expect Miss Su to be completely different from before. It's really different with a backer."

"Yeah, I've been relying on my husband for three years, and when I get divorced, I naturally have to rely on my friends. Isn't Lu Shao looking for a friend when he has a problem?"

Ning Zhi followed, and when he saw Fu Yechuan, he became angry and greeted Qin Yu, "Don't talk nonsense with them, come in quickly."

Su Nan was there He followed indifferently. He didn't even look away from Fu Yechuan who was beside Lu Qi. He raised his legs and walked in, as if he didn't know him.

Behind her was a man who was handsome and evil-looking. He was carrying a bag for Su Nan in his hand. When he passed by Fu Yechuan, he gave Fu Yechuan a fierce look and snorted coldly before entering.

Lu Qi was really angry and anxious, why did she dare to treat him like this?

"Why didn't I find out before, your ex-wife is quite capable! It's okay to play with me on the Internet for a whole day today, and just pretended not to see us!"

Fu Yechuan's face sank slightly, "Enough is enough, I don't think so. Isn't it big enough? Otherwise, go back and stay there!"

Lu Qi took a deep breath, "If I don't go back, why should I go back? I want to go in, so I have to go in and see what else they can do!"

Fu Yechuan was very resistant, but he walked in with Lu Qi uncompromisingly. He knew the bag in the hand of the handsome and evil man. Su Jin took it for her at the banquet, and it belonged to Su Nan.

Ning Zhi took Su Nan to the second floor and was very excited, "I will arrange a grand finale show in a few days, and bring your third brother with me, and I will reserve a good seat for you."

Cheng Huai who followed behind dis protest, "I have an appointment for a long time, you did not let go, I do not care, I want to sit next to the Sunan."

“ya.” cicada dropped a word rather early to greet the process of meaning.

Su Nan smiled and couldn't help breaking his sweet dream, “Will your dad let you go when he sees that you don't do your job properly?”

Cheng Huai paused, and went up to grab Su Nan's arm aggrieved, “You are here. Can I stop him...”

“Cut...”

Cheng Yi waved his hand, saw Su Nan and walked over to hug her with a smile, “Welcome back, my lady queen. “

Cheng Yi and Cheng Huai, two brothers, look a bit similar, but the young master Cheng Huai looks a little more immature, handsome and evil-looking, if he enters the entertainment circle, he is simply a little fresh meat that is scrambled and killed.

Cheng Yi was a few years older, the second eldest in Cheng's family, and a group of little girls who were more mature and good-looking were chasing after them, but they were not very formal when they hung out with them all day.

Su Nan smiled and sat on the side. Cheng Yi was playing dice before, and his opponent was still waiting for Cheng Yi to do it.

Cheng Yi waved his hand, “Stop playing, I found your favorite crazy band, enjoy it.”

“Why don't you stop playing, everyone is excited...” The other party dissatisfied.

“Cheng Ershao, what a coincidence?”

As soon as Lu Qi and Fu Yechuan went upstairs, they saw Cheng Yi sitting there recklessly with a glass of red wine in his hand.

...

Chapter 25 She is different

Chapter 25 She's Different

Although the circles are different, there is some overlap with each other. Lu Qi and Cheng Yi also know each other.

When Cheng Yi saw Lu Qi, he naturally saw Fu Yechuan behind him, but Cheng Yi just raised his cup to signal, “It's a coincidence, Young Master Lu.”

Lu Qi saw Su Nan and Qin Yu sitting with Cheng Yi. When they were together, they knew that they came together. He turned his eyes and took Fu Yechuan to sit down, "Let's play a game together, don't mind, Cheng Ershao?"

Cheng Yi didn't answer, and turned his head to look at Su Nan, "My Lady Queen, do you mind?"

Su Nan stood up indifferently, "Let's go, I'm going down to watch the band."

Qin Yu stood up immediately, "Let's go, it's smoky, some people are really ghosts. Do n't leave."

Ning Zhiliao immediately took three bottles of good wine, "I'll go too!"

Fu Yechuan watched Su Nan's figure disappear, then looked back and glanced at Cheng Yi, "What is the relationship between Su Nan and Cheng Ershao?"

Cheng Yi tilted his head and sneered, "Friend." "

Can someone like her become friends with Cheng Ershao? Don't be fooled by her..." Before Lu Qi's words were finished, Fu Yechuan was asked by Fu Yechuan. interrupt.

"Lu Qi——" Cheng

Yi's eyes were a little cold, and he looked at Lu Qi, "What kind of person is she? Does Lu Shao understand?"

It's a bit depressing, I can't tell Cheng Yi about Su Nan's despicable deeds behind his back.

"Bang——" The roaring music from downstairs suddenly sounded, igniting the most intense atmosphere of the whole night.

Then the familiar melody sounded, and the "Mad Men" came out again after three years, which immediately ignited the enthusiasm and passion of the people in the venue. Everyone cheered, shook, and looked up at the people on the stage.

Lu Qi sighed in disbelief, "The madman band, isn't it Xiyong? Why are they here? I heard that there is a show in the circle asking them to come over to open the show, but the eight figures can't move. They actually came to this bar. ?"

There should be three people in the "Crazy Band", but only two were present, but these two were enough to make Peng Bai excited, their blood boiled, they controlled the pulse of the audience...

Qin Yu screamed in the audience , shouting loudly, not noticing that Ning Zhilao brought Su Nan to the backstage.

“There are still three minutes left for this song to end. The old devil’s appendicitis operation didn’t come. If you lose the violin, you will lose your soul. In the end, it’s the violin accompaniment bassist. There’s nothing else. Come on!”

Su Nan was shocked, “Me?”

“Only you have worked with them, of course you, or do you want them to fail? They came for you, don’t you want to get back the way you used to feel?” The

music was deafening, and those familiar memories boiled again. , Su Nan smiled, “Okay, I’ll go.”

Everyone screamed loudly on the stage, dancing with the rhythm, and even every pore had to participate in this warm carnival.

No one noticed, Su Nan walked onto the stage with a violin in his left hand and his flowing skirt in his right.

The lights dimmed for a moment, leaving only a beam of light on the stage.

The eyes of the old ghost and the old demon in the band lit up, and consciously handed the music rhythm to the old bass player. The most classic piece of music lies in the cooperation between the bass player and the violin. If it is not evenly matched, this song will lose its final soul.

The old ghost took over the rhythm with passion, and down a few major tunes, just in time to completely mobilize everyone’s emotions.

In the next second, the delicate and mellowness of the violin was seamlessly connected, the gongs and drums suddenly disappeared, but the violin suddenly became bold and rich, thick and bright. Everyone looked at the woman on the stage in shock, calm and indifferent, full of arrogance, and the violin was in her hand. She is superb, the tone is not bad at all, but it fits her own distinctive style.

Everyone was immersed in a better state, the gongs and drums suddenly sounded, and the cooperation with the violin was tacit.

“Ah ah ah – goddess!”

“Goddess!”

...

The shock flashed in Fu Yechuan's eyes on the second floor made no secret...
