

## Read Divorce Billionaire Heiress Chinese Language Chapter 211-215

Chapter 211 What is the big picture of her?

Chapter 211 What is the big picture of her?

Although Su Nan didn't want to receive Fu Yechuan.

But everyone came, and the politeness on the surface still had to be maintained.

Yu Lou pushed open the door of the office for her in front.

Su Nan walked in with great strides.

The temperament exuding from her body, self-confidence and elegance, and even with the superiority that others can't hold high, is admirable.

Look at the back of her pushing the door in.

Fu Yechuan paused in the back.

That scene suddenly felt very familiar.

In the back of my mind, that picture flashed across my mind.

The dark night, the red dress, the girl who can't see her face, and the light that pierces the night.

The light that seems to break through the sky is overwhelming!

He frowned slightly, it was the past in Europe.

Why do you suddenly remember these things?

"President Fu, please come in—

"

Yu Lou stretched out his hand and reminded him politely.

Fu Yechuan walked in and glanced at it.

The surrounding furnishings are minimalist.

But in the details, it has the temperament of a soft little girl.

The three-dimensional sculpture in front of the desk has a pink rose inserted on the head of the sculpture.

Playful and fresh.

It was like this when she was working.

Su Nan sat directly on the huge soft sofa, sinking all over.

Comfortable and cosy.

“President Fu came to see me, is there something?”

Su Nan looked at him seriously.

If there is no business, I will not accompany you!

Fu Yechuan’s eyes darkened.

“Have you figured out the cooperation on that land?”

Su Nan raised an eyebrow.

I see.

“Such a trivial matter is worth a visit by President Fu himself?” Is

he just so idle?

Fu Yechuan’s face was cold and his temperament was calm and cold.

He didn’t hesitate.

“It’s better to make a decision early, don’t delay.”

Su Nan tapped his fingers lightly to the side, and suddenly thought of the woman.

Kick her out of the Cheng family’s friendship.

Su Nan never believed that what happened just now had nothing to do with Song Chi?

She broke with the Cheng family, and the most beneficial thing was the popular candidate for her daughter-in-law, Song Chi.

Ha...

After thinking about it, she looked at Fu Yechuan.

"I'm willing to cooperate, but... I have one condition."

Fu Yechuan's eyes were deep, like the deep sea.

There was no gap in the handsome face.

What did she ask for.

It will be all right.

"I don't care what private cooperation agreement you have between Fu Shi and Song Chi, but this project has me without her."

Su Nan's attitude was firm and she asked for clarity.

Although it sounds a bit irrational.

Why did she ask Fu Yechuan to kick out another partner?

Sounds unreasonable no matter what.

But...

Fu Yechuan frowned slightly, with a puzzled expression on his face, the calm and calm temperament on his body rarely showed a trace of confusion.

Su Nan smiled, the coldness on his face unconcealed.

"Fu Yechuan, I know that you invited the Su Clan to join you this time, and it is somewhat of a compensation."

He didn't say anything.

silence.

Su Nan pursed her lips, took a sip of the coffee in front of her, and put it down gently.

"I accept your compensation."

He raised his head suddenly.

Startled for a moment.

Her calmness is somewhat unexpected!

“Have you made up your mind?”

His voice was deep.

“But I won’t cooperate with Song Chi, so she must be out.

Of course, this is your only chance to make up for it.”

As long as the cooperation is 10%, everyone will be even.

You don’t have to take out the unbearable past and chew it out again and again.

Painful, isn’t it Su Nan himself?

The atmosphere fell silent for a while.

He clearly wanted to beg someone, but he said the conditions so confidently.

Except for Su Nan, I am afraid there will be no other person who can speak like this in front of Fu Yechuan.

“Why?”

Fu Yechuan asked.

She and Song Chi have nothing to do with each other, right?

Su Nan sneered.

Of course.

“Nothing else, I just hate her as a person.”

So, let alone take care of the overall situation?

What is the overall situation of her Song Chi?

...

Chapter 212 The Lost Ring

Chapter 212 The Lost Ring

Fu Yechuan’s expression froze, but after a while, he nodded in agreement.

“Yes.”

She asked for compensation and agreed unconditionally.

Although it can be a little troublesome to deal with.

However, in Fu Yechuan’s heart, he rarely felt relieved.

She accepted his compensation, didn’t she, the relationship between them, and salvation?

Su Nan was not surprised by his agreement.

Immediately, she stood up and walked behind the desk.

“I’ll let someone contact Fu’s, and the cooperation matters should be kept private first...”

Fu Yechuan thought so too. After all, the project just started, so it shouldn’t be too high-profile.

Judging from Su Nan’s appearance, it should be time to talk about seeing off the guest in the next second.

Things just had a chance to ease.

Or avoid unpleasant disputes.

He thought about it and stood up.

“Then I’ll go back...”

Before he could finish his words, his eyes were fixed on an adult tall bronze tree sculpture behind her.

His complexion instantly condensed and stiffened.

If I remember correctly, this bronze tree was designed by a famous Swedish sculptor, combined with a modern interior sculpture in Central European style.

The unique design in the world is naturally expensive.

But what shocked him the most.

It is the branch that sticks out diagonally on the tree, the part of which is near the window.

The branches are dazzling by the refraction of the light from outside.

is a diamond.

Diamonds on the ring.

It was his lost wedding ring!

Breathing suddenly stopped.

His face was tense, and his face was shocked.

That thing he once regretted and lost, actually appeared here?

Seeing that he hadn't left, Su Nan casually raised his head.

"Mr. Fu... everything is finished..."

Seeing his face change greatly, Su Nan frowned slightly.

Fu Yechuan took a few steps forward, and when he was in front of her, the corners of his lips could not help but tremble slightly.

The pressure on his chest at that moment made him feel at a loss, as heavy as falling into an abyss.

His eyes were deep and deep, and Su Nan suddenly fell into his sight.

The subconscious reaction of resistance, puzzlement, and... disgust made his eyes darken.

stand in front of her.

When he stretched out his hand, he encountered a pair of rings on the bronze branches.

Su Nan noticed his actions, and his face instantly turned cold.

without hesitation.

She reached out and pushed him away, and Fu Yechuan took a few steps back.

The fingers were further away from the pair of rings.

The man's eyes were deep and deep, and the pain and complexity inside flashed by.

Su Nan's voice turned cold.

"Mr. Fu, everything is done, you can leave." If

she stayed any longer, she was afraid that she couldn't help but want to do it.

Those suffocating pasts and humble self are the pasts that Su Nan does not want to recall.

She can't suffer for the rest of her life just because she likes Fu Yechuan?

"Su Nan, why is my ring here?"

There was a hint of hoarseness in his mellow voice.

Ask her hard.

Isn't it lost?

How would it appear here?

The joy of lost and found has not yet reached his eyes.

Su Nan's cold resistance was already mocking his wishful thinking.

"Mr. Fu, this is my ring, not yours."

What else did he give besides the two certificates for their marriage?

She bought the ring.

The pain is hers too.

The hope she handed over with her own hands was abandoned by him.

What does it have to do with Fu Yechuan?

Fu Yechuan's lips tightly pursed into a straight line.

The deeply hidden pain and remorse in his eyes, repression and forbearance, poured out overwhelmingly.

"I'm sorry..."

It's too condescending and too solemn.

Besides this apology, Fu Yechuan didn't know how to let go of each other in the past.

Su Nan curled the corners of his lips indifferently, extremely disdainful.

"Oh, needless to say these are useless, Mr. Fu can agree to my terms, and I can see your sincerity."

That's it.

Everyone is an adult, don't say anything sensational, it's worthless.

It's better to compromise for the benefit...

Qin Yu is right, who would have a hard time with money?

Fu Yechuan's eyes flashed with complicated emotions.

Su Nan's indifference was too heart-wrenching.

Fu Yechuan looked away, staring at the ring that was both familiar and unfamiliar.

The rings were brand new, dangling in the sun.

Fu Yechuan asked.

"Why are you here?"

...

Chapter 213 She is lying

Chapter 213 She was lying

. Fu Yechuan wanted to know.

Why is the lost ring with her?

Su Nan's eyes flashed slightly, obviously unwilling to answer this annoying question.

But she was even more reluctant to entangle with Fu Yechuan.

Just, just tell him.

"I thought you knew..."

You should know.

“This ring was returned to me by Miss Qiao Wanrou one morning.

She said that you drank too much the night before and rested at her place, and then threw it aside.

So, she returned it to me in person.”

The confrontation in that scene , I am afraid that Su Nan will never forget it in this life.

For the first time, she felt hopeless about the marriage.

Sadness, depression, and anger made her lost in that world.

Fortunately, she got out of that dark time in time.

Seeing the confusion and pain flashing in his eyes, she sneered with contempt.

Maybe he was wrong.

Fu Yechuan is a cold-blooded animal without emotion.

Why do you feel pain because of her?

Even if he has feelings, it's not for himself.

So, what is this?

She glanced at him indifferently.

“I think that Mr. Fu must be very tired of me three years ago.

So what I gave you is also a burden.

There is no need to give the ring again...”

When she said it, she thought she was ridiculous.

“No.”

His voice was very low.

Then, in Fu Yechuan's eyes, his emotions shattered little by little.

He was tense all over, surrounded by a heavy depression.

It was terribly cold.

He couldn't even remember, when did he go to Qiao Wanrou's place for the night after drinking?

This is absolutely impossible.

Therefore, Qiao Wanrou is still in the middle of it!

Fu Yechuan's chest was covered with lingering anger.

This damn liar Qiao Wanrou!

He really shouldn't be too kind to her!

He frowned.

Fu Yechuan spoke quickly.

"She's lying, I definitely didn't spend the night with her, let alone go to her after drinking..." In

my heart, I panicked.

Su Nan smiled lightly.

I don't care.

"Oh, is it?"

She clearly didn't believe it.

But I don't want to ask too much.

Is it true or false, who can really dig a clear understanding?

What's more, she has no interest in what happened between them now...

Fu Yechuan's remaining words were suddenly blocked in his throat.

Saying it or not, she doesn't care.

"I know you hate me, Su Nan, if I can find a better way to remedy it, I can't ask for it."

Fu Yechuan had a deep voice and looked at her with deep eyes.

Hesitant to speak.

I want to say, not only this sentence.

But all that can be said is this.

Su Nan twitched the corners of his lips indifferently.

He didn't take his words to heart at all.

"It's already a good compensation for Mr. Fu to agree to my terms.

When this matter is settled, we will no longer owe each other."

Forever, we will not owe each other.

After Su Nan finished speaking, without waiting for Fu Yechuan to respond, he directly called Yu Lou on the internal line.

"Send Mr. Fu for me."

"Yes."

Yu Lou knocked on the door within a few seconds.

I felt that the atmosphere in the office was weird, and there was no unnecessary reaction.

Respectful and courteous.

"President Fu, please..."

After Fu Yechuan left.

Su Nan sat in the office for a long time, silently feeling the residual warmth he left in the air.

The past that had been so greedy finally completely drew a clear line in her life.

Wishful thinking, you have to be willing to admit defeat!

Even if she hit her head and bleed, what's the use?

If you don't like it, you don't like it.

Fu Yechuan never liked Su Nan.

She picked up the ring on the bronze branch and opened the window.

Without hesitation, he crossed an arc and threw the ring out.

.....

...

Chapter 214 is in the wrong team

Chapter 214 Standing in the wrong team

Cheng Yi and Old Master Cheng both felt a little strange about Su Nan's departure without saying goodbye.

She has never been so rude.

Under the eyes of Old Master Cheng, Guan Zhiling finally couldn't hold back and said everything.

That painting is fake.

And Song Chi's thoughts on Cheng Yi.

When Old Master Cheng heard this, he was furious.

This daughter-in-law has always been well-behaved and does not cause trouble, which is quite satisfactory.

If you don't want to make a move, things will get out of hand.

Can he not be angry?

Mr. Cheng asked experts in the industry to find out the photos of "Hot Sun" that were on the world tour and showed Guan Zhiling a look.

This painting is a creation of Mr. Wei at the peak of his spiritual energy.

Every inch is related to the overall beauty and golden distribution of the whole picture.

Therefore, after Mr. Wei weighed it, this "Scorching Sun" became the only painting without his iconic name.

As a result, the value has remained high.

Knowing this, Guan Zhiling's face suddenly turned pale.

Think about how she humiliated Su Nan.

How stupid!

“But Song Chi...”

Guan Zhiling hesitated, and everyone was kind...

Old Master Cheng snorted coldly.

“She took over the Song family before she was eighteen years old, and she’s better than you...”

Don’t say that Cheng Yi doesn’t mean that to her.

Even if there is, if she gets married, the Cheng family will follow her surname Song, or the Song family will follow our surname Cheng, maybe...”

As soon as these words came out, Guan Zhiling’s face instantly became extremely ugly

. A strong woman, will she look down on her as a mediocre rich and wealthy mother-in-law?

How sad will she be in the future, she almost ignored it!

“Dad, then...”

She was pale, she knew , why are you saying those words to Su Nan?

“In the future, stay away from Song Chi, and the cooperation in the company will naturally be handled by Cheng Yi and his father, what are you worried about? Mr.

Cheng couldn’t help but scolded him angrily.

“Look for an opportunity and go to Su’s house to apologize.”

Whether it’s Xicheng or City A, the Su family is the partner we can’t lose the most! “

...

Su Group. Su

Nan just finished a meeting when he received a call from Su Qi.

“The Cheng family gave you a lot of gifts, somehow? “

“Cheng Yi?” “

Su Nan asked in surprise.

Every time he delivered it directly to the company...

“No, it was delivered by Mrs. Cheng herself.” “

Guan Zhiling?

Su Nan questioned and frowned.

Could it be that she knew about “The Sun”? It’s  
too late.

She had already kept the painting in Su Yifeng’s study, and he liked it very much  
. She didn’t care much about it.

After all, it was Song Chi’s ghost trick, and he couldn’t really break with the Cheng  
family.

Did it really speak her mind?

Su Nan smiled, “I see, let the housekeeper watch the return gift.”

“Okay...”

Su Qi said lazily.

As soon as the voice fell, Yu Lou knocked on the door and entered.

“President Su, President Song Chi is here and wants to see you.”

Su Nan raised an eyebrow.

It came pretty fast.

Accident.

With Song Chi’s temper, even if she was angry, she couldn’t be as humiliating as Fu  
Yingying, crying and making trouble.

She was curious.

“Invite her to come in.”

“Yes.”

Song Chi walked in gracefully and aggressively.

With an indifference that cannot be ignored.

Su Nan smiled, “A rare guest, Mr. Song?”

Song Chi went in and sat directly opposite her.

The auras of the two women had a bursting feeling when they met.

“What to drink, coffee or tea?”

“No need.”

How can you still be in the mood to drink now?

Su Nan raised her eyebrows, gave Yu Lou a wink, and Yu Lou nodded.

Close the door and leave.

“Su Nan, I don’t like beating around the bush, so I’ll just say it straight, you asked Fu Yechuan to kick me out of the project on that land? It’s

also you who made Aunt Cheng never answer my call from that day onwards. Yes?”

Her eyes were sharp, and there was a faint anger on her face.

When she spoke, she put her hands on the table in front of Su Nan.

There was a faint oppressive gloom surrounding him.

She really deserves to be a strong woman who fought bloodily in the shopping mall.

If you change someone else, you will really be scared.

It’s a pity that she is Su Nan...

Su Nan was not moved at all.

...

Chapter 215 I am an immoral person

Chapter 215 I am an immoral person

Su Nan raised his eyes and smiled casually.

“I recognize the first one.

As for the latter, I’ve really been wronged...”

She smiled evilly, with a hint of schadenfreude in her eyes.

really.

Guan Zhiling should have known that he was being fooled.

Didn’t even answer Song Chi’s call?

This is really shameless...

Song Chi’s eyes are cold and stern, pressing step by step.

“Why did you ask Fu Yechuan to kick me out? Do you know how much effort I spent in order to open up the market in City A to get on this line?”

She was disdainful of finding some small company to cooperate with.

I found the Fu Group directly.

It really took a lot of effort to gain Fu Yechuan’s favor and trust.

It was solved by Su Nan in just a few words?

How could she not be angry?

Su Nan chuckled lightly.

Disdainful face.

“Your efforts?

Just tell Fu Yechuan that Cheng Yi can give up on me completely?”

Song Chi’s face froze fiercely, and the shock in his eyes flashed.

How could she know this?

The sneer on Su Nan’s lips gradually expanded.

“Mr. Song’s efforts are really incredible, isn’t it?”

“I’m rather curious, where does Song always get the confidence, think you can take the romantic and amorous Cheng Ershao into your pocket?”

Although Song Chi came prepared, she knew everyone’s preferences and personalities.

But she was too confident, didn’t she?

At first Cheng Yi didn’t like her, can she like her now?

She originally did n’t like her. I’m willing to meddle in my own business.

Who told Song Chi to drag himself into it?

“How would you know?”

With Fu Yechuan’s temperament and character, he would not tell a third person about such a conversation. I could

see her surprise and shock.

Su Nan took out his phone and shook it.

“Unfortunately, the day President Song came to Fu Yechuan to talk about the matter. , in the bar, I have a friend who sits next to you.

Exactly, I heard your conversation.”

The most coincidental, that person is Ning Zhi.

It was only a few days later that Ning Zhi remembered this and called Su Nan immediately.

Everything was clear and clear.

Song Chi’s expression gradually froze. , was silent, and finally looked at her with a cold gaze.

Even if it was exposed, the momentum was steady.

“I underestimated you, Su Nan.”

Song Chi thought that Su Nan was just a young lady who grew up under the protection of her father and brother.

Even if she held the power of the Su Group, she would not be familiar with the dangers of shopping malls and human nature.

Unexpectedly, she was tricked by her. One?

“Mr. Song, are you the one who thinks highly of yourself? “

Su Nan raised his eyebrows, and chuckled unconsciously.

“Do you think that by provoking my relationship with the Cheng family and saying a few bad words to Mrs. Cheng, you will be able to enter the house by yourself?”

Song Chi’s face was ugly because of her straightforward words.

I couldn’t help but let out all the past that I had held back.

“Su Nan, you didn’t love Fu Ye before, why can’t you understand my feelings?

I like Cheng Yi, it’s been ten years!

I look at the people around him one after another, and I won’t be sad, only You!”

She gritted her teeth, her face pale.

There is sadness and unwillingness in the expression!

“The way he looks at you is different from others.

If you don’t like him, just let him go. Why do you want to give him hope?

Why stop me from liking him?”

Su Nan looked at her Almost hysterical gaffe and forbearance.

Her expression narrowed slightly.

Under his calm eyes, he was cold and cold.

So, blame her?

Su Nan couldn’t help sneering.

Is this an inexplicable moral kidnapping?

what the hell?

She curled a finger on her left hand and tapped on the table.

Remind Song Chi.

“Mr. Song, don’t try to kidnap me with morality. I don’t want you to do it.”

“Because, I am a person who can have no morals.” When it comes to reasoning (quarrels), she Su Nan has never lost.

...

Chapter two hundred and sixteen has been pretending to be sick long enough

**Most of the readers are now reading this novels:-**

## **Read Divorce Billionaire Heiress Chinese Language Chapter 216-220**

Chapter 216 I’ve pretended to be sick for a long time,

but love for ten years?

No wonder Song Chi’s resentment came so aggressively.

She looked at Song Chi’s expression stiff and broken.

A little heavy inside.

Sympathy for this woman, but not sorry.

She stared at Song Chi seriously.

“Mr. Song, please don’t force your emotional failure on others.

Your secret love is fruitless, and Cheng Yi doesn’t like you. It’s not my fault.

I’m not a third party who destroys your relationship.

I have no obligation . Go and accept your condemnation.” It’s

not that whoever is pitiful has the upper hand.

She is different from Song Chi.

It's all love.

At least she fought for it and looked forward to Fu Yechuan's feelings openly.

But in those ten years, has Song Chi fought for it?

no.

"But he likes you..."

Song Chi glared at her!

Su Nan shook his head.

"Mr. Song, tell me something about being a human being!

He likes me, so I did something wrong? Then you like him unilaterally, why have n't you let him go?"

Looking for some shady reason?

Do you have to put all the responsibilities on others in order to live on your own?

What the hell is thinking?

Originally thought that Song Chi was all-powerful in the shopping mall, and he should be more magnanimous and decent.

Unexpectedly, there is so much ugliness in the back.

I really don't want to talk nonsense with her.

"Mr. Song, our conversation can be over. If you want, I can make an appointment with Cheng Yi for you. Everyone opened up and explained.

They are all adults. If you can do it, you can do it. If you can't, don't waste everyone's time.

You What do you think ?"

Su Nan thought that his proposal was the most appropriate.

Instead of working so unilaterally, Song Chi will never know if he has any hope.

Better to ask clearly.

A moment of hesitation flashed in Song Chi's eyes, but in just a moment, it disappeared.

"You deliberately wanted to embarrass me in front of him, didn't you?"

Su Nan had nothing to say as soon as those words came out.

She spread her hands, her eyes slightly cold.

Even if you don't appreciate it.

"Then you can do whatever you want. Anyway, I have done everything I should do. You can't get involved in the business here, and you have no part in the circle." There is no good result left.

As for this, the meaning of sending a guest is not too obvious.

In the entire Xicheng, she Song Chi was unable to settle down.

Song Chi glared at Su Nan with cold eyes.

The momentum of the whole person is strong, and the air pressure is low.

"Okay, Su Nan, then don't blame me for being rude."

Su Nan raised her eyebrows and met her gaze without fear.

Has she been polite from beginning to end?

"Yu Lou, see you off!"

next time.

Song Chi was inexplicably silent.

The news from Yu Lou was that she went back to the company headquarters in City C.

I was a little surprised.

Just went back like this?

It shouldn't be...

but it's okay, I can finally be quiet for a while.

A business reception.

Su Nan and Qin Yu participated together.

Coincidentally, he met Cheng Yi and his mother, Guan Zhiling.

When Guan Zhiling saw Su Nan, he was obviously taken aback.

But she quickly reacted, and warmly stepped forward and took her hand.

“Su Nan, my aunt has been missing you a lot these days. I asked Cheng Yi to invite you many times, why didn’t you come to sit at home?”

Su Nan murmured, she didn’t want to be unhappy.

However, on the surface, it is still elegant in manners and cool in temperament.

Neither unfamiliar nor familiar smiled.

“Aunt Cheng, the company has been busy recently, not to mention, Cheng Ershao is just sick, it’s better to rest well.”

Guan Zhiling saw that there was no grudge on Su Nan’s face.

I breathed a sigh of relief.

She wanted to mention that “Scorching Sun” again, but she was too embarrassed to mention it again.

Su Nan didn’t take the initiative to mention it.

Can only be heartbroken and regretful!

After a few greetings, I finally turned the previous unpleasantness over.

Cheng Yi came over, and Guan Zhiling made an excuse and left.

Su Nan finally let go of the disguised smile and rolled his eyes at him.

“Have you been pretending to be sick for long enough?”

Cheng Yi smiled charmingly, suave, and turned all beings upside down.

“Miss me?”

...

Chapter 217 The person she wants to date

Chapter 217 The person she wants to date,

Su Nan, gives him a cool smile.

Experience it yourself.

Originally wanted to tell him about Song Chi.

After thinking about it, forget it.

I can't handle it myself...

Qin Yu walked over quietly after greeting others and pulled La Su Nan's wrist.

"Su Nan, I saw Fu Yechuan!"

Su Nan frowned slightly, it was not surprising that Fu Yechuan could appear on this occasion.

Although I don't want to see this person.

But don't be surprised.

Qin Yu pursed her lips and stopped talking.

"The man standing next to Fu Yechuan is the one my mother asked me to have a blind date with!"

Su Nan almost choked to death without swallowing the sip of wine in his mouth.

Cheng Yi was also shocked.

The two did not return to their senses for a long time.

Qin Yu went on a blind date!

Qin Yu sighed.

"My mother forced me to go. I don't like it anyway, but the two parents are almost talking about it..."

Su Nan was worried for her.

Cheng Yi looked envious and looked at Su Nan.

"It would be great if our parents were so feudal and decadent?"

Su Nan: "...Go away?"

Qin Yu: "Go away!"

Are you still in the mood for schadenfreude?

Best Friend of the Year!

"Su Nan, you have to help me!"

Su Nan pursed her lips, "Of course I'm willing to help you, but..."

But she can't go to the elders of those two families and declare war, right?

Qin Yu's eyes lit up, she pulled her closer, and told her her plan.

Su Nan twitched the corners of his mouth.

This unreliable Qin Yu!

Want her to take the initiative to create a scandal with that blind date?

"Hey, your best friend is already in disrepute, but you still have the heart to add fuel to the fire?"

Qin Yu dragged her helplessly.

"But besides you, I can't think of a more suitable person.

If it was an ordinary woman, the family would definitely find a relationship to suppress the matter.

Only you have the ability to prevent them from acting rashly."

Cheng Yi watched the two chatter. , do not know what is plotting.

It happened that someone came to him for a drink, dragged him and left.

Su Nan looked embarrassed, "But, if this is known..."

"Don't worry, no one will take pictures secretly here, as long as someone sees it."

As long as it can be proved that this man has bad intentions, even Su Nan Dare to hook up!

Qin Yu groaned, Su Nan gritted his teeth.

Forget it, for the sake of my best friend, I worked hard!

She bravely carried her skirt and went to the direction Qin Yu pointed.

Fu Yechuan and Lu Qi were sitting there, and there was another person opposite.

WEI Cheng?

Su Nan paused slightly.

The one who hated her the most!

Is he Qin Yu's blind date?

Looking around, there was no fourth person around the three of them.

Sure enough, he was right!

After thinking about it, this kind of person can't harm her friends.

He doesn't deserve it!

She took a deep breath, holding the skirt in one hand and the wine glass in the other.

The footsteps walked over.

When Lu Qi noticed Su Nan coming, he pushed Fu Yechuan's arm excitedly and nervously.

It was he who made a wink.

"Old Master, Su Nan is really good at her words, and

she really evens out the past with you? She actually came to find you on her own initiative..."

Looking at the person walking over, she had a graceful figure and cold facial features. The beautiful woman couldn't help but light up.

Fu Yechuan's face was calm and calm, and he frowned slightly.

After listening to Lu Qi's words, I couldn't help but have some vague expectations in my heart.

The position of the chest is hot.

In the blink of an eye, Su Nan was already in front of him.

“Sister Su Nan, do you have anything to do with the old master?”

Then we won't bother you...”

Lu Qi said, he was about to stand up and took Wei Cheng aside.

Fu Yechuan sat there steadily.

Wait for her to speak.

Su Nan glanced at Fu Yechuan.

Indifferent.

He passed by as if he hadn't seen it.

His eyes were fixed on Wei Cheng.

“Mr. Wei, have a drink?” The

three were taken aback for a moment.

Lu Qi looked at Wei Cheng and Su Nan like a ghost.

On the side of Fu Yechuan, an overwhelming chill gradually enveloped him.

Staring at Su Nan.

Wei Cheng's eyes narrowed, although he was shocked for a moment after knowing her identity.

But he won't be as dog-legged as Lu Qi.

No handle falls into the hands of others.

Therefore, there is no need to worry about Su Nan's mood.

“What do I have to drink with you?”

Wei Cheng said coldly.

Lu Qi nodded dully.

“Yeah, what can you drink?”

Su Nan raised an eyebrow.

A meaningful smile.

“It didn’t exist before, maybe there will be in the future...”

...

Chapter 218 is not a good thing

Two hundred and 18 chapters not good stuff

Sunan word, so the atmosphere once again reached an impasse.

Fu Yechuan’s gloomy eyes swirled around the two of them.

Chilling.

“Su Nan, what do you want to do?”

he couldn’t help asking.

As she wished, he kicked Song Chi for that project, and decisively pulled Su to join the team.

She said it was compensation.

Once the compensation is over, they will not owe each other.

Then he is always qualified to re-enter her world, right?

Today’s out, he would like to know.

for what?

Su Nan squinted slightly.

glanced at him.

The sound is cool.

“Mr. Fu, although the past has passed, it doesn’t mean that you are qualified to point fingers at me, understand?”

They are not even friends now.

So, don't ask too much.

In a word, Fu Yechuan's face was icy cold.

He stared at her darkly.

Su Nan turned his head indifferently and stared at Wei Cheng.

She evoked a charming smile, directed at him.

Enchanting, charming and natural.

"Mr. Wei, shall we speak alone?"

Wei Cheng didn't want to pay attention to this woman at all, not knowing what was going on.

"Su Nan, what do you mean?"

His voice was cold and unfriendly.

Su Nan hooked his lips into a smile, which was meaningful.

"Don't you see it?

I'm interested in you..."

So direct, can't you see it?

The faces of the three people present were colorful.

Lu Qi's eyes widened in shock.

Su Nan actually fell in love with Wei Cheng?

The worthless Wei Cheng who belittled her in their married life?

So... Fu Yechuan?

When Fu Yechuan heard these words, the air pressure around his body dropped to zero degrees.

The chill is so cold that it cannot be ignored.

Even... a little scary!

Wei Cheng was also stiff, and the expression on his face was indescribable.

Just like seeing a demon, he stared at Su Nan in horror!

Did he...do something wrong?

Is this woman trying to kill him?

A few days ago, after Fu Yechuan knew that they treated her badly, he ignored these brothers for a long time.

It's hard to take this opportunity to rebuild it.

The result...

come this out?

There was a hint of brokenness and panic on his condensed expression, and he looked at Fu Yechuan.

Just as he was about to speak, Su Nan took his arm and left.

Wei Cheng reacted and immediately wanted to break free from her hand.

Seeing that it has reached a place with many people.

This move attracted the attention of many people.

The movements of the two people seem to be pulling and pulling...

Ruowu's eyes swept to this side.

With a strong gossip atmosphere.

"Su Nan, don't think you are the eldest lady of the Su Group, I'd be afraid of you, if it weren't for the old master..."

Wei Cheng hesitated.

With a cold expression, he dropped a word in disinterest.

"I'm not interested in you, you should still die..."

In his heart, his brother was the most important thing!

Su Nan couldn't help lowering his head and chuckled lightly.

With her back to the crowd, she couldn't see her expression.

It's just that the distance between these two people is very close, and it is inevitable that people will speculate.

She raised her eyes slightly, her eyes wandered, and met Wei Cheng's cold and hard gaze.

Eyebrows moved slightly.

She suddenly reached out and grabbed the tie on Wei Cheng's chest, tying it in her direction.

The distance between the two suddenly shortened.

Wei Cheng almost bumped into her face.

At that moment of shock, his heartbeat suddenly stopped.

The beautiful and glamorous face in front of him evoked a sinister sneer.

The heartbeat seemed to skip a beat.

He was stunned when he heard her speak in a low voice.

"Do you really think of yourself as a green onion?"

I'm not blind.

What kind of a good person would someone who follows Fu Yechuan get along?" The voice was extremely cold.

No temperature.

Wei Cheng's brows tensed, his face condensed.

This woman is really uneasy!

Just as he was about to push her away, a hand pushed him away forcefully.

Wei Cheng, who was born in the army, was pushed back several steps!

Look up.

Fu Yechuan with a cold face stood there.

He glanced at Wei Cheng coldly, and then fell on Su Nan.

His voice was cold and low.

“Why didn’t I know, you and Wei Cheng are so familiar?”

...

Chapter 219 Where are you from?

Chapter 219 Where are you?

This scene falls in everyone’s eyes.

That is the close relationship between Wei Cheng and Su Nan.

And Fu Yechuan became angry.

For a while, everyone’s gossip hearts were speculating in various ways.

The relationship between the rich and powerful is indeed complicated and changeable.

Su Nan felt amused by Fu Yechuan’s words.

Why did he go to ask her about it?

She remained silent and raised her eyebrows.

Guess what...

Wei Cheng explained nervously.

“Old Fu, I’m not familiar with her!”

Fu Yechuan didn’t look at him at all.

Not to listen to him.

Lu Qi on the side came over and looked at the deformed triangular relationship.

He couldn’t help but speak for Fu Yechuan.

“You’re not familiar? It looks familiar...”

Wei Cheng twitched the corners of his mouth, frowning.

“Which side are you from?”

This Lu Qi, the woman Su Nan, sent to the insider, right?

Lu Qi was overwhelmed by Wei Cheng’s momentum. After all, he was from the army, and he couldn’t beat him...

shrinking his neck and retreating behind Fu Yechuan.

Fu Yechuan was waiting for Su Nan’s answer.

If she didn’t say it, he didn’t plan to let her go so easily.

Su Nan also saw this.

She hooked her lips.

There was a hint of playfulness in his eyes.

“Anyway, I’ve known each other for three years, so why don’t I know each other?”

Wei Cheng, but the person who scolded her for three years...I’m impressed!

Absolutely cannot be forgotten.

Lu Qi nodded in agreement: “That’s it.”

Wei Cheng and Fu Yechuan glanced at him dangerously at the same time.

At this moment, Qin Yu came over with her mobile phone.

Pretend not to know what’s going on here.

He smiled and looked at Su Nan.

“Your phone is ringing, do you want to call back?”

Su Nan breathed a sigh of relief, and it was finally over!

She took it without saying a word and left.

Qin Yu quickly followed.

“How is it?” Su Nan asked.

Qin Yu couldn't help but laugh.

"The photo is perfect."

Especially the action of pulling the tie, it's so cool!

It was also in the same second that Fu Yechuan walked over with an ugly face...

Su Nan couldn't help but sighed in relief.

That's good, it's not in vain for her to betray her color against her will!

Just think about Fu Yechuan's reaction.

It's too extreme...

Su Nan and Qin Yu plan to go to a place where no one else is and enjoy the photos just now.

As a result, at the corner of the promenade, several ladies and daughters were chatting together and walking towards the bathroom.

"Su Nan drove Song Chi away? No way..."

"Song Chi is a famous person in City C, even more powerful than a man. How could Su Nan drive her away?"

Then, she heard Fu Yingying's voice answering her doubts.

"Su Nan is very careful. When she sees someone who is stronger than her, she is jealous of others. She

uses her family's power to make trouble for others in business.

Song Chi doesn't want to care about her, so she left.

"A clear "ah" sounded, with the original expression.

Fu Yingying was very satisfied with the effect and lowered her voice deliberately.

But it can still be heard clearly by everyone.

"She is such a face-saving person, do you want to see her embarrassing?"

Everyone looked at each other, and no one dared to speak.

The family has ordered it.

No one in the Su family can offend anyone.

Especially Su Nan.

Fu Yingying snorted coldly, "Forget it, you don't dare, I dare!"

"It's just that I need your cooperation."

...

Qin Yu and Su Nan looked at each other.

What a bad word I always hear on the way to the bathroom...

and it just so happens that I heard such a wonderful plan!

I turned back and found a prominent place to sit.

After a few minutes, I watched Fu Yingying walk over with a few little sisters.

Sweep the crowd.

I saw Su Nan.

Qin Yu approached her.

"Would you like to leave early?"

Su Nan hooked his lips.

"Let's play with her, I'm bored anyway."

Qin Yu spread out her hands, yes, this ancestor's interest came...

In a blink of an eye, Fu Yingying came over alone.

The arrogance that was usually arrogant and unyielding was put away.

On the contrary, he was sincere, humble and honest.

"Sister Su Nan..."

Qin Yu immediately vomited.

“I’m sorry, I’m sorry, I can’t help it...”

She raised her hand to explain.

...

Chapter 220 If you lie, let it go

Chapter 220 If you lie, let it go

. Su Nan also twitched the corners of his mouth.

In her lifetime, hearing this title was like a nightmare summoning.

If she hadn’t known Fu Yingying’s plan in advance.

Su Nan was about to doubt his own ears and whether this life was fake!

In front of her, Fu Yingying kept a polite smile, but she learned the etiquette well.

“Sister Su Nan, I have something to tell you, can I talk to you alone?”

Su Nan raised her eyebrows, turning a glass of grape juice in her hand.

With strange questions.

“Do we have anything to talk about?”

Fu Yingying paused and lowered her head.

“I’ve seriously reflected on it in the past few days. What I did to you in the past was indeed a bit too much. I think I sincerely apologize to you.”

Su Nan clearly said “oh”.

“Then you apologize here, wouldn’t it be more sincere in front of everyone?”

Fu Yingying’s face stiffened.

He twitched the corners of his mouth stiffly.

“This...isn’t appropriate, I have something to say, I want to tell you in private.”

Su Nan looked hesitantly at the huge glass lamps reflected by the water in the cup.

The brilliance in the cup is even more beautiful than the real thing.

Seeing her hesitation, Fu Yingying immediately added.

“It’s not good for others to hear about you and my brother?”

Su Nan raised her eyelids, and the corners of her lips curled up.

“Okay,”

she said, standing up.

Qin Yu took her arm and frowned.

She wants to stop.

Su Nan smiled reassuringly and patted her wrist.

Indicates that she has an idea.

Knowing that there are tigers in the mountains, why would you prefer to travel in the mountains?

A smug look flashed in Fu Yingying’s eyes.

On the balcony on the second floor.

A small wind rustled the surrounding leaves slowly.

The gloomy Milky Way hangs in the sky, like an undercurrent of night, reflecting the Milky Way.

Fu Yingying looked innocent, thinking that there is no taboo when it comes to Fu Yechuan?

Su Nan stood there, slightly pouted.

really.

childish.

Fu Yingying was standing not far away, behind her.

The sound is gentle and harmless. “Sister Su Nan

, actually think about it, you and my brother are still a good match. They have the same family background and the same family.

Even my grandfather has begun to recognize you. Do you really have no interest in my brother?"

With a hint of chill.

The corners of his mouth are still curved.

Indifferent and alienated.

"Have you misunderstood something? How can your brother and I be a good match?"

Fu Yingying paused and spoke immediately.

"You are already the president of the Su Group and the only heir to the Su Clan. With your current worth, how could you not be a good match?"

Su Nan snorted coldly, not hiding the contempt in his eyes.

"You misunderstood, I mean, is your family worthy of being compared with our Su family?"

Are you still delusional about discussing a good match with the heir of the Su family?

Where did the face come from saying this?

Fu Yingying's face froze, and a sternness flashed in those eyes.

She gritted her teeth and stood behind Su Nan, staring at her.

If it was before, she could scolded back without hesitation.

But now, both Mr. Fu and Fu Yechuan have warned her many times not to provoke Su Nan...

But if it wasn't for Su Nan, they wouldn't be so embarrassed in the circle.

Seeing her complacent look, how could Fu Yingying bear this breath?

Beforehand, she had observed the railing, the iron nails on the railing were loose, and she deliberately went over to twist the nails.

The railing above has no supporting point.

With just a light touch, it will fall off completely.

However, the surrounding green plants blocked it, and the sky was dark, so no one noticed this at all.

She bit her lower lip, looked at Su Nan, and suddenly spoke loudly.

“Sister Su Nan, what’s on your back?” After

saying that, she jumped up without hesitation!

She wants to push Su Nan down to the second floor, and she will be lame if she doesn’t die.

At least give her a pain!

Lame is better.

Can a lame Su Nan still be so radiant?

If you fall, then you will only lose face!

As long as it can make Su Nan lose face.

Even if she went back and was scolded, it was worth it! She

tried

her best – but just as her hand touched Su Nan’s back, she watched her suddenly turn sideways.

There was no support in front of her, and she rushed forward inertially—the

railing fell in response to the situation, and there was no resistance at all, and it was too late for her to regret it.

The body is already hanging in the air...

The cold wind blows on the face, it hurts!

Panic and shock took over her sanity in an instant.

She screamed, and just as she was about to fall off the second floor, someone grabbed her clothes.

Hold the neck.

She almost forgot that Su Nan’s movements were always fast.

She breathed a sigh of relief that she didn't fall and was crippled.

But isn't this situation scary enough?

Looking back, Su Nan looked at her with a faint smile in her eyes.

"Miss Fu, did you just want to push me?"

Fu Yingying raised her eyebrows meaningfully just as she was about to deny it.

"If you lie, I'll let go..."
