Chapter 221 Going out without a brain

Chapter 221 Going out without thinking for a

moment, Fu Yingying was so frightened that she could only nod her head to admit it.

“Yes, I’m sorry, Sister Su Nan, I know I’m wrong...” The

next second, Su Nan exerted a little force on his hand, and suddenly heard the sound of the fabric cracking.

Su Nan suddenly let go.

Fu Yingying screamed in horror, and her body sank for a moment.

But in the end, Su Nan didn’t let go, admiring her fear with a half-smile.

“That’s what you admitted... You deserve it!”

Fu Yingying couldn’t hold back any longer, and panicked and shouted, “Help—”

Su Nan didn’t stop her.

Soon, the surrounding people gathered around.

Lu Qi watched this scene in shock, and then quickly went to Fu Yechuan.

My God, it’s scaring people to death!

Su Nan sneered, looking at her broken skirt and couldn’t help reminding her.

“Your skirt is torn, do you just want to be watched?” I

felt the skirt being pulled from behind and the fabric shattered.

This skirt can’t bear the weight of her whole body.

Fu Yingying’s face was pale, and she was silent for a moment, struggling desperately with both hands to cling to the railing, but it was useless.

I thought I almost fell to my death just now.

She glared at Su Nan angrily and ashamed.

“You...you dare to let go? You said that I won't let go if I admit it!” In

the blink of an eye, what happened in an instant.

The reversal of the situation made Fu Yingying not understand why the person who fell off the railing was herself?

Shouldn't it be Su Nan?

Su Nan's smile was cold, and his eyes were cold.

“You admit that you want to hurt me, so why should I help you? It's you, Fu Yingying, who has come here again and again to seek death. Where did you get the courage? Did you go out without thinking?”

She warned Fu Yingying, but she forgot so quickly already?

That Su Nan didn't mind, she helped her to remember.

Fu Yingying gritted her teeth and shivered with anger.

Stared at her sternly.

Fu Yechuan came over quickly, looking at this scene with a condensed expression.

Shock!

Su Nan saw enough of her embarrassment and withdrew her gaze.

He frowned slightly.

“Brother, come and save me, Su Nan is going to kill me!”

Fu Yingying couldn't help crying.

seeing is believing.

Everyone present can testify.

Now, Su Nan can't even deny it!

Fu Yechuan glanced at Su Nan meaningfully, and was about to step forward and pull Fu Yingying up.

Su Nan suddenly stopped.

She sneered and hooked her lips, and took out her phone slowly.

“Wait a minute, in front of so many people, I can’t be wronged...”

After speaking, he clicked on the phone page to pause the recording.

Replay.

It was Su Nan’s voice.

“Miss Fu, did you just want to push me?”

“If you lie, I’ll let go...”

Next, it was Fu Yingying’s anxious voice.

“Yes, I’m sorry, Sister Su Nan, I know I’m wrong...”

All

of a sudden, the surroundings were quiet for a moment, then lowered their heads and whispered.

“Miss Fu is so brave, is this still about murder?”

“Yeah, why does Miss Fu hate so much? It’s killing people?”

“It’s scary, Miss Fu looks like a simple person, I didn’t expect to be so ruthless behind the scenes?”

“Oh my god, luckily there is evidence, otherwise Mr. Su would not be able to wash himself off when he jumped into the Yellow River!”

“Mr. Su is really kind, and he hasn’t let go.”

“Yeah, if it was me, who would it be? The murderer’s life or death?”

Everyone’s impression of Fu Yingying was extremely bad in an instant.

What this young girl did was too sinister and vicious, right?

Want to push Su Nan downstairs?

As a result, he jumped off, and still want to falsely accuse others?

It's unbelievable!

The recordings are continuously reaching everyone's ears.

Fu Yechuan's face was as deep as water, with a chill.

His deep eyes were ice-quenched, and the cold was shocking.

Fu Yingying was so frightened that her face turned pale, and she couldn't say a word.

Who would have thought that Su Nan would still have this trick?

I saw Fu Yechuan take a step forward, surrounded by icy coldness, and lifted her up from Su Nan's hand.

directly to the ground.

Before Fu Yingying could rejoice that she had survived the disaster, she saw darkness in front of her.

Immediately afterwards, Fu Yechuan bent down and slapped her face fiercely—

...

Chapter 222 The brain is a good thing

Chapter 222 The brain is a good thing in

an instant.

The banquet hall was so quiet.

Those who watched the good drama did not expect to see such a scene.

Fu Yechuan's slap was merciless and he tried his best.

Righteous annihilation.

Fu Yingying touched her hot face and lay on the ground, dazed by the beating.

She was shivering with cold and trembling all over.

She didn't respond for a while.

Embarrassed, vicious, ugly...

All derogatory words can be used to describe Fu Yingying at this moment.

Tears fell instantly, and she looked up in horror and looked at Fu Yechuan.

There was a monstrous anger in those sullen eyes.

She had never seen such emotions in her brother's eyes.

It's because of her, Fu Yingying!

At this moment, she suddenly remembered the warnings Fu Yechuan and Mr. Fu gave her.

Don't provoke Su Nan!

There was a bang in her head –

she would be abandoned by the Fu family...

or even kicked out of the Fu family!

The ridicule, contempt, and angry eyes of the people around them all focused on this eldest Miss Fu's former beauty.

She has no way to retreat...

The huge banquet hall is brightly lit and dazzling.

Fu Yechuan's slap was quite cruel...

Su Nan slightly curled his lips, too lazy to continue watching the show.

Anyway, she's done what she has to do.

"Since the truth is revealed, I can leave. This hustle and bustle is not very good-looking."

She waved her hand lightly.

There was a hint of mockery at the corner of his mouth.

"The brain is a good thing, but unfortunately you don't have it. Goodbye, Miss Fu."

Su Nan didn't let go immediately.

Already very kind.

If it wasn't for her quick reaction, it would be Su Nan who fell.

Not disabled or injured.

Fu Yingying will attract all the guests present to watch Su Nan's embarrassment together.

Perhaps, it will also become Su Nan's lifelong criticism and joke.

She's not that bad-hearted.

To retaliate with Germany?

Hehe...

She will only have revenge!

Fu Yingying's status in the celebrity circle is definitely not as good as before.

Future marriages may be affected.

These are what she deserves!

Su Nan clicked his tongue and sneered.

Really self-inflicted!

"Let's go back, tonight is a good night."

Su Nan looked at Qin Yu and said.

The two went to the bathroom to touch up their makeup before walking to the entrance of the banquet hall and standing under the landscape lights at the entrance.

Someone called her name.

"Su Nan."

Su Nan looked up subconsciously.

Looking at the tall and slender figure of the man getting closer and closer.

The whole body is immersed in the shadows, and it is deeply integrated with the night.

He came towards her.

Fu Yechuan held a cigarette in his hand.

Clearly extinguished, the action is gentle.

“Su Nan, I have something to tell you.”

Su Nan looked at Fu Yechuan with deep eyebrows in front of him.

Such sights are both charming and dangerous.

Su Nan was reluctant to think about how she was so infatuated with her back then.

What just happened was like a farce.

Ridiculous!

Qin Yu looked at her.

“Should I avoid it first?”

She only looked at what Su Nan meant.

Fu Yechuan is a fart?

Su Nan raised

his eyebrows , “No need, there is nothing shameful.” Fu Yechuan frowned.

But soon returned to normal.

His voice was mellow and low.

“I’m sorry about what happened just now, but I’ll let her remember it.”

“Also, thank you for not letting go.”

He knew that in that case, if Su Nan really let go, Fu Yingying deserved it.

Su Nan, who has taken care of herself, can completely give up Fu Yingying.

But she didn’t...

How many times did Fu Yingying hurt her, this kind of result was something Fu Yechuan never expected.

Su Nan smiled gracefully, and the light flashed in his eyes.

“No thanks, I’m different from your Fu family, I want face.”

She always likes to use the brightest smile.

Say the coldest things.

...

Chapter 223 Be a person

Chapter Two Hundred and Twenty-Three Be a person the
next day.

Fu Yingying was taken back to Fu’s house by Fu Yechuan, and then sent out of City A overnight, where her whereabouts are unknown.

When Su Nan knew about this, he played with Su Ming on the golf course.

Surrounded by greenery, the golf course is a private VIP club.

Quiet environment.

Su Ming’s favorite sport is golf.

Since Su Ming went to the National Research Institute, Su Nan has not seen Su Ming for a long time.

When I finally had time, I called him out to relax.

When playing, Su Nan couldn’t find his position, so he simply gave up and entertained himself.

After playing with her phone for a while, she saw Qin Yu calling her.

“I can hear a lot of rumors today. Besides the Fu Yingying incident, there are also scandals between you and Wei Cheng.”

She also laughed twice.

Su Nan rolled his eyes angrily.

“That’s also called a scandal?”

“Don’t worry, it didn’t spread out at all. Before the banquet was over, someone warned you.”

Qin Yu smiled meaningfully.

Su Nan didn't ask who it was.

There are only two people around.

Feelings and minds.

Besides Fu Yechuan, it was Wei Cheng himself.

That's fine, it saves her trouble.

Qin Yu changed her voice and talked about Fu Yingying.

Kind of weird.

There is no information on Fu Yingying's whereabouts.

Qin Yu was worried about Su Nan: "The Fu family is silent now. I don't know whether I hate you or thank you."

"Although you saved her, the reputation of the eldest Miss Fu's family may not be preserved.

" To avenge her and trouble you?"

Su Nan replied with a sneer: "They should be worried that I will trouble them..."

After replying, she put it aside.

Dismissive.

Who troubles whom?

Keep playing the ball.

But never got into the hole.

It was as if the club in his hand was deliberately going against her.

Su Ming couldn't stand it any longer, so she took the initiative to help her.

But in the eyes of others, the action was too close.

Until a tall and slender figure stood in front of him.

Even the surrounding temperature dropped a bit.

The two had to look up.

The person in front of him is noble and noble, and his face is cold and indifferent.

He looked at the two people with cold eyes.

Su Ming let go of his hand and frowned slightly.

“Fu Yechuan?”

Su Nan naturally saw him as well.

Squinted.

Think of Qin Yu’s words.

He won’t come to find out for himself, will he?

Looking back, there were two or three people behind him.

Taking a glance, the boss in the mall must be a business event.

Probably came to play together.

I just didn’t expect it, so coincidentally?

“Why didn’t you answer the call?”

He looked at Su Nan and asked in a deep voice.

Su Nan paused, and suddenly remembered that after paying off his repair fee, she blocked him again.

It seems that he doesn’t know yet.

She pursed her lips slowly.

“I don’t want to hear your voice...”

Straightforward and unabashed.

A trace of panic flashed across Fu Yechuan’s steady eyebrows.

“I apologize for her, Su Nan.”

Su Nan smiled, her eyes cold.

“Your Fu family’s apology, I’ve listened to it so many times that my ears are getting calluses...”

“If you have nothing to do with each other, don’t disturb us.”

Really disappointing.

Deep in Fu Yechuan’s eyes, his gaze swept over Su Ming, and the chill was a bit strong.

But facing Su Nan, he tried his best to hold back.

Maintain the greatest demeanor.

“Su Nan, this is because the Fu family can’t help you. If you have any requirements, you can mention...”

Su Nan brushed the broken hair in her ear.

He casually opened his lips.

“Mr. Fu is so generous?”

“Why don’t I let my Su family have a big stake in the project in Yunjing?”

Although it is the cooperation between the Fu family and the Su family.

But the Fu family bought the land for 50 billion. As a matter of course, the major stock is the Fu Group.

The right to speak is naturally the Fu Group.

If the Su family owns a large stake, it is equivalent to not having the right to speak, and taking tens of billions or even hundreds of billions of profits for nothing.

Fu Yechuan’s dark eyes narrowed slightly.

Less than two seconds.

He said.

“Okay.”

Su Nan was taken aback.

so happy?

It's unexpectedly generous...

she is not, is she missing...

it seems that Fu Yingying is quite valuable.

She smiled, smiling officially and politely.

"Then I'll go back and ask the lawyer to sign the contract again, and the story of Miss Fu will be turned over."

Fu Yechuan looked at her with deep eyes.

I was a little dissatisfied with her attitude.

"Is there anything else I want to say?"

"Then there's nothing to say, Mr. Fu has time, so I'd better teach Miss Fu how to be a person?"

...

Chapter 224 Who is acting for?

Chapter 224 Who to show when acting?

Su Nan turned his head to look for Su Ming.

Su Ming was on the phone.

Watching Su Nan rely on warm eyes to look at Su Ming.

Fu Yechuan's body pressure dropped instantly.

The people behind him didn't know Su Ming very well, but Fu Yechuan knew Su Ming's true identity.

Those who won the Similan Gold Medal at a young age, this record has not been broken so far.

Su Ming, who goes by the pseudonym Sunner, easily solved the big problem of the Ringo project.

I haven't seen him for a while, but I didn't expect to appear next to Su Nan again.

Still, so dazzling.

He stared at her with a heavy gaze, awe-inspiring and cold, with a noble temperament. Standing there, he looked unattainable.

However, Su Nan didn't seem to care.

If the conditions are negotiated, can we not owe each other?

Su Ming hung up the phone and walked forward with a frown and a noble and noble manner.

He looked down at Su Nan, his voice was gentle, with a negotiating tone.

"There is something wrong with the research room. I have to go back and can't play with you anymore."

Su Nan frowned instantly, and his temper suddenly came up.

Like charming and resentful.

"You said you've been with me all day, so why don't you talk?"

Su Ming was not angry at all, nor was he impatient.

He explained patiently, soothing her dissatisfaction.

"The research over there has reached a critical stage, and we can't delay it. Why don't I send you back first?"

"Going home or the company?"

Su Nan glared at him helplessly, not wanting to say too much because Fu Yechuan was beside him.

You can only throw down the club in your hand, lift your legs and walk away.

Su Ming picked it up calmly and gently, hurried to catch up, and coaxed patiently.

From behind, it looks like an emotional couple... The

two of them could feel the icy, dazzling gaze staring at them, but neither of them looked back.

The people behind Fu Yechuan stepped forward.

They clearly recognized that the woman was the famous Su Nan.

Fu Yechuan's ex-wife.

But watching her joking with another man.

But not a single joke.

Can't afford it.

Everyone present was in a cold sweat.

After finally getting Fu Yechuan out, he came across such a scene.

Why did you choose such a place, I really regret it!

Just about to make a joke, he turned his eyes away.

Fu Yechuan turned around suddenly.

With a heavy face, he spoke in a non-negotiable tone.

"I'm busy today, everyone, go back and make an appointment another day."

After speaking, he strode away.

The ghosts and gods sent them in the direction that Su Nan left.

The figures of the two people were right in front of them, just about to stop her.

Suddenly, a woman appeared in front of her eyes. She was covered in famous brands and jewels. Her feet were stunned, and she was about to fall on him.

"Oops..."

Coincidentally, Fu Yechuan was able to catch her just in time.

But he didn't.

Fu Yechuan took a step back and ducked.

The disgusted look was undisguised.

How dare such a woman without long eyes run to him?

The woman in front of her fell to the ground.

Painfully grinned.

Still smiling.

“What a coincidence, Mr. Fu?”

The pretentiousness of the voice can be boring.

Seeing that he can't catch up with Su Nan.

Fu Yechuan's brows tightened, and he lowered his head with a cold expression.

He glanced at the woman in awe.

Look at the woman's face.

His face was slightly startled.

The next second, I felt extremely disgusting

. At first glance, this woman's facial features were three-pointed like Su Nan.

But upon closer inspection, the facial features were all moved by a scalpel, and they didn't have any similarities when put together.

Instead, his face was stiff.

Even Su Nan's charm was not up to the mark.

And the pieced together facial features look a bit disgusting and deliberate, like a low-quality imitation.

How dare such a woman approach him?

Fu Yechuan's whole body was cold and his eyes were cold.

“Go away.”

His thin lips parted lightly.

The sound has no warmth.

The woman was stunned for a moment, biting her head, smiling both ingratiatingly and cautiously.

“President Fu, I'm Shen Li, and I'm Su Nan's cousin.”

Shen Li was ecstatic when he saw Fu Yechuan.

Online reports of their relationship go viral.

Su Nan really let go of Fu Yechuan and dismissed it.

So with such a face, she can always replace Su Nan and become Fu Yechuan's woman, right?

If she becomes Mrs. Fu, then she will not have to worry in her life!

heard.

Fu Yechuan's brows furrowed, and his cold brows and brows were slightly moved.

Who is she?

Don't want nonsense.

"I don't want to say it for the third time, get away from me."

His voice was extremely cold, like nine cold days.

As he said that, he directly raised his leg and walked over.

Fu Yechuan's attitude was indifferent. He didn't look coldly, and looked at Su Nan and got into the car.

Her eyes seemed to be swept over here.

He quickly looked away.

Su Ming in the car frowned slightly.

"Isn't that Shen Li? What is she acting in?"

The posture of falling down...that's called hypocritical!

...

Chapter 225 is really disgusting

Chapter 225

Su Nan, who was really disgusting, snorted softly.

“What about her...”

Shen Li counted as her cousin.

But not a cousin.

Su Yinian is the younger brother of Su Yifeng and the second uncle of Su Nan.

Shen Li's mother, Shen Jie, took Shen Li to follow Su Yinian.

Their mother and daughter lived in the second room of the Su family for many years. Although there was no wedding, Su Yinian acquiesced that she was the hostess of the second room of the Su family.

But these have nothing to do with the Su Nan family.

So they don't care about their second room.

The Su Group is an industry founded by Su Yifeng, and has nothing to do with Su Yinian.

But out of affection, and to avoid a lot of trouble.

At the beginning, Su Yifeng still handed over the business of J City to Su Yinian.

Despite two years of losses, nothing was pursued.

The right is to spend money to buy a quiet.

Su Yinian brought Shen Li to the Su Company in J City, and made her a young senior manager, the daughter of the Su family in the eyes of outsiders.

Under the banner of the daughter of the Su family, Shen Li made a lot of appearances in the circle.

But this daughter of the Su family, compared to Su Nan, is a world apart in status.

Shen Li always wanted to please Su Nan, but Su Nan didn't want to talk to him at all.

She tried her best to imitate Su Nan's temperament, outfit, and even facial features, desperately trying to regard herself as the daughter of the Su family.

But the rest of the Su family knew that she was not.

Who knows how she would suddenly appear here today?

Send Su Ming back to the research institute.

As soon as Su Nan went to the company to take a look, he received a message from Su Qi.

“Go home, there is a good show to watch.”

Just a few words.

baffling.

Su Nan thought for a while, but turned around and went back.

After all, a scene that can make Su Qi feel that it is a good show must be very interesting.

Without further ado, Su Nan hurried back to Su’s house.

Su Yifeng and Uncle Steward were studying flowers and plants in the garden. Uncle Steward saw Su Nan and immediately stood up.

“Miss is back...”

Su Nan smiled and turned the car key in his hand.

joking.

“Dad doesn’t fish now, so he planted flowers instead?”

Su Yifeng rolled her eyes at her, raised her chin, and gestured inside.

Su Nan raised an eyebrow.

Who is Chairman Su deliberately avoiding?

Who is so great?

As soon as I lifted my foot to go in and have a look, the people inside came out.

“Su Nan, you are finally back. Your sister and I have been waiting for you for a long time...”

A woman who pretended to be kind stood at the door.

Smile flattering.

Su Nan paused and saw Shen Li's mother, Shen Jie standing there.

Her smile suddenly sank.

To be honest, she was not interested in knowing what the mother and daughter looked like in Su Yinian's place.

However, I always like to take myself too seriously.

Came here to brush up on the presence.

It turned out that Su Yifeng didn't want to pay attention to them at all, so he ran out to see the flowers and plants.

Su Nan thought about it, this is her own home, what are you afraid of?

Just approached, she smiled faintly, showing courtesy.

"Is something wrong in the second uncle's company?"

"There is nothing wrong in the company. We are all family. I specially brought your sister to see you."

Shen Jie said, and then called Shen Li over.

Shen Li pretended to be delicate and stepped forward, and stood there obediently.

"Sister Su Nan."

Su Nan didn't answer, and suddenly remembered the scene where she deliberately fell in front of Fu Yechuan at the gate of the golf course.

Tsk tsk, that hypocritical ghost look.

It's disgusting enough... it's

not the same as it is now.

She passed the two of them directly and walked in.

The waiting servant immediately stepped forward, respectfully went over to take her bag, and squatted down to change her shoes.

Su Nan calmly glanced at Su Qi who was sitting in the living room drinking coffee.

“Why didn’t the third brother visit the company recently? I heard that Du Yan is going to support a newcomer...”

Su Qi glanced at her casually.

“I just want to retire early, can’t I?”

Su Nan sneered, just about to say a few words, when she heard Shen Jie’s words inappropriate.

“Su Nan, I heard that you took over the company, congratulations to you.”

Su Nan twitched the corners of his mouth.

“Thank you.”

“Sister Su Nan, you are really amazing. My father said that I must learn more from you so that I can be as good as you.”

Shen Li said flatteringly, with a hint of envy and jealousy in his eyes.

Su Nan stopped and paused for two seconds before speaking.

“Really? The second uncle is really over the top.”

His second uncle is not someone who can praise her...

Shen Jie said quickly with a smile.

“Yeah, Su Nan, I brought Li Li this time because I wanted her to come to the company to help you, so I can learn a little bit by the way.”

Su Nan stood there frowning.

Erfang’s hand is too long to stretch, right?

Most of the readers are now reading this novels:-

to watch Su Nan hesitate.

Shen Jie immediately spoke anxiously.

“It doesn’t need to be an important position, you can just arrange any general manager, the supervisor can also, it’s all your own family, you can’t treat your sister badly...”

Su Nan frowned.

This Shen Jie is really shameless.

Where did the face come to ask for a job?

An executive at first?

Before she spoke, Su Qi couldn’t help but sneered.

A lazy voice sounded.

“It’s not enough to harm the second uncle’s company, and you want to harm our family? The Su Group doesn’t support free-spirited waste!”

Su Nan raised his eyebrows, the third brother!

When did you speak so nicely?

Shen Jie’s face stiffened slightly.

Su Qi’s words were too blunt, it really didn’t give any face.

On weekdays, under the banner of the second wife of the Su family, she often showed off her power.

Everyone knows that she is from the Su family, so why doesn’t it work when she speaks?

“Aqi, how can you say that?”

Everyone is a family, and Shen Li is also your sister...”

Shen Jie said in dissatisfaction.

Su Qi pointed to Su Nan.

“This is my sister, you should save it...”

Shen Jie's face was a little angry.

She turned her face to look at Su Nan.

"Su Nan, I know that you have the final say in the company now. It shouldn't be difficult to arrange a position for your sister, right?"

Su Nan was named.

She paused slightly.

Meaningful smile.

"If Shen Li wants to join the Su Group, it's not impossible..."

Shen Jie smiled comfortably, and before she was complacent, she heard Su Nan speak.

"The Su Group will let HR focus on hiring senior management talents every year. If Shen Li is really capable, he can submit his resume." The

atmosphere was stagnant for a while.

Shen Jie frowned in dissatisfaction, and said yin and yang strangely.

"Why is it so troublesome, isn't that what you said? She's not an outsider, why is she so stingy?"

Shen Li nodded in agreement, and echoed repeatedly.

Pretend to be cute.

"Yeah, Sister Su Nan, I'm just going to study the business."

Su Nan sneered in his heart and spoke calmly.

"Learning should be learned in school. Every position in the company is not fake, and with your ability, it is difficult to be a big responsibility."

Shen Li's face instantly turned ugly.

She bit her lower lip and looked at Shen Jie aggrieved.

Shen Jie was stunned for a moment, her face was also very exciting, and her voice suddenly sharp and mean when she was in a hurry.

“Heh...you look down on our second room, don't you? Don't forget our surnames are Su!”

Shen Jie looked at Su Nan.

“Do you think it's honorable to be talked about on the Internet all day long?”

Shen Jie's unbridled cynicism echoed in the living room.

The surrounding temperature instantly condensed to below zero.

The sound of Su Qi playing the game disappeared.

Coincidentally, Su Yifeng was walking in.

I don't know how long I have been listening outside, but my face is cold and pressing.

Seeing Su Yifeng coming, Shen Jie would not let this opportunity go easily.

Take the time to report.

“Brother, your children are too ignorant!

Instead, let Shen Li go to work in the company, who is such an easy thing to show?”

Su Yifeng was already in a bad mood after hearing those words. downright.

Didn't expect Shen Jie to be so skinless and faceless?

Immediately, he glanced at her with a gloomy face and gave an unceremonious warning.

“What kind of shit do you think this is? You have to be careful when you speak!”

Shen Jie was obviously a little scared when he said it.

From the arrogant tone just now, the tone of the voice was instantly reduced by half.

“It's all from my own family, what's the score...”

Seeing this, Shen Li hurriedly stepped forward to smooth things out.

“Uncle, that's not what my mother meant, don't get me wrong.”

Shen Jie frowned, but was interrupted just as she was about to speak.

Su Yifeng's voice was extremely cold.

"My own family? Are you? You're just a shameless little 3rd. If you want to point fingers at us, are you worthy?"

One sentence sent Shen Jie's heart into hell.

right.

At the beginning, Su Yinian's original wife was sickened by this little three, and she never got better after her illness. She died within a few days.

Since then, Su Yifeng has never been involved in Erfang's business.

Su Yinian has been doing nothing for a long time, and Su Yifeng asked him to take care of the company's business in J City, but for the sake of his brotherhood.

But it was also clear at the time.

If Su Yinian marries Shen Jie, she will lose all rights and interests in the J city company.

Therefore, Shen Jie followed Su Yinian for more than ten years, but followed without a name.

However, in the past few years, she has come in and out in the name of the second wife of the Su family, and no one has stopped her.

She thought that the Su family accepted her.

But the Su Yifeng family are so merciless!

She never took her seriously!

Shen Li bit his lower lip, his eyes were scarlet and forbearance.

Shen Li's surname is not Shen, and that alone is a world apart from Su Nan.

That's the difference between real and fake.

She spoke reluctantly.

"Uncle, how can you say that?"

"Although my father and my mother haven't obtained the certificate yet, they have been together for more than ten years, and they are already from the Su family. You refused to allow him to marry my mother. , why are you saying that we are outsiders?"

Su Yifeng glanced at her with cold eyes.

scolded coldly.

“I’m talking, what are you talking about?”

...

Chapter 227 How could Su Nan be wrong?

Chapter 227 How could Su Nan be wrong?

Both Su Nan and Su Qi knew about it.

It’s just that he cares about his second uncle and doesn’t want to take it out to ridicule their mother and daughter.

Su Yifeng has always been protective of his shortcomings, so he dares to splash around in their house?

Shen Jie really deserved it!

At this time, her face was stiff and ugly, and she looked unhappy.

Originally tried to play the family card, but lost a crushing defeat!

The net was seen as a joke by the servant!

She was unbearable and furious.

The attitudes of Su Yifeng and Su Nan made her face red with anger!

Thoroughly stimulated her.

“Bah! If it weren’t for you, Yi Nian would have married me a long time ago. I’m all thanks to you for what I’m doing now!

Why are you insulting people so much?”

Su Nan gave their mother and daughter a cold look, and sneered. Voice.

dismissive.

“Little San is always a junior. You should learn to survive in the stinky ditch.

It’s not like any cat or dog can come in the Su family.

If you get the license, the media will report it and dig deeper into the background. At that time, everyone will know, You are the junior third, do we still need the face of our Su family?"

She smiled, which was meaningful.

"I can coax my second uncle honestly, and I can still have a good life. If I really don't understand my identity, I don't even know how I died when I look back."

Seeing Shen Jie's pale face, she finally felt in her heart. is happy.

This is her own humiliation!

Shen Jie's face was embarrassed, and she immediately gritted her teeth, her voice sharp and mean.

"Su Nan, you actually threatened me?"

"You married Fu Yechuan with all your heart, and you lost all face, why didn't you tell the Su family to be ashamed?"

"Do you think you can be defiant when you are in this position?"

She thought that Su Nan couldn't help but step forward.

She was ready to teach her a lesson.

But only for that moment.

Shen Jie felt the condensed malice in the atmosphere.

Even the onlookers were staring at her with resentful and tough eyes.

Su Nan's eyes froze for a moment, then became cold and dark.

Terribly quiet.

Su Nan's eyes coldly approached step by step.

In terms of momentum, Shen Jie was turned into scum in seconds.

Shen Li swallowed her saliva, looked at Su Yifeng and Su Qi's eyes, and wanted to peel off her skin!

And Su Nan's eyes are so deep that you can't see through!

The opposite Su Nan's voice was calm and understatement.

"Ms. Shen, don't you naively think that it is a very proud thing to come and scold me?"

Just what you said just now, you will never want to have anything to do with the Su family in your life.

"

Su Nan's words successfully frightened them.

She was the heir announced by Su Yifeng himself, and she was fully qualified to announce their fate.

Shen Li looked flustered for a moment.

His hands were hanging on his sides, his fingers clenched tightly.

Even the nails were about to be embedded in the palm of his hand.

"Sister Su Nan, my mother just spoke without intention, not intentional. You have a lot, don't take it to heart..."

Su Nan is so rude and arrogant, she can humiliate them at will!

But she still didn't dare to offend Su Nan openly and aboveboard!

Because Su Nan is qualified to say so!

She is the daughter of the Su Group.

Su Nan's face was stern and cold, and he didn't want to say a word to these two women.

What a drop in price!

"Housekeeper, see off the guests."

As soon as she spoke, the housekeeper stepped forward to greet someone to send the two away.

Shen Jie was still afraid of Su Nan, and even if she was unwilling, she didn't dare to do anything.

Just shivering with anger!

“Okay, do you really think I’m rare when you bully people like this? I won’t even come if you invite me in the future!”

After speaking, he pulled Shen Li away, and the sound of the high heels rang loudly!

Sharp and piercing!

As soon as he left Su’s house, Shen Li took out his mobile phone to make a call.

The voice is indifferent.

“Su Nan won’t let me join the company.”

...

Su Yifeng was very angry.

Both Su Qi and Su Nan could feel it.

He went to the study upstairs, and the closed door slammed into the sky.

The servants downstairs did not dare to come out.

Su Nan glanced at Su Qi.

“Is this the liveliness you’re talking about?”

“How lively...”

Su Qi spread his hands innocently.

Su Nan snorted coldly, “Next time you come again, just drive out.”

She directly instructed the housekeeper.

Anyway, he has already torn his face, so he doesn’t have to worry about other people.

Two vain women, she still doesn’t care.

...

Chapter 228 How to warn

Chapter 228 How to warn the

housekeeper uncle nodded in agreement.

“By the way, Miss’s birthday is coming, what are you going to do?”

If the housekeeper hadn’t mentioned it, Su Nan would have almost forgotten.

Her birthday is here.

Su Nan smiled and looked at Su Qi.

“It doesn’t matter what you do, the important thing is that the gift must arrive, third brother!”

Su Qi was horrified.

Considering that I have spent 2.8 billion yuan, it is not bad.

The housekeeper uncle laughed jokingly...

Originally, Su Nan suggested that this birthday party was not going to be a big deal.

But after Shen Jie’s mother and daughter made such a fuss, Su Yifeng made up his mind to make a big splash.

Su Group.

Su Nan came out of the conference room just after the meeting.

Seeing that Su Jin’s face was cold, he was walking towards the door.

Su Nan frowned, rarely seeing Su Jin angry.

She thought about catching up.

“Brother, why are you so angry?”

Su Jin’s face softened, and his voice was almost untraceable cold.

“It’s nothing, the second uncle is not very safe there, so I warned him.”

“Ah?”

Su Nan was shocked.

warn?

“How did you warn me? Does the second uncle want to put someone in?”

Su Jin curled the corners of his lips with a sneer.

“It’s not that simple, he wants to enter the shareholders’ meeting.

He intends to buy the shares of the Su Group, and has already found a lot of shareholders in private. It seems that he is starting to miss our Su Group.

Su Nan’s face sank slightly. “

Shen Jie and Shen Li went to the house before, and asked Shen Li to come here as a senior executive, but we refused. Could it be that they want to cooperate with each other?” “

Su Jin snorted disdainfully, with a look of indifference and alienation in his eyes.

“Idiot talk. “

Then how did you warn?” “

Su Nan is curious about this after all.

Su Jin hooked his lips.

“He is about to buy shares. It seems that he has made a lot of money. I will let the inspection team enter the J city company tomorrow and start checking accounts. “

Su Nan is dumbfounded.

This move... is too high...

Su Jin stretched out his finger and tapped her forehead.

“Prepare your birthday party well, and take this opportunity, It is a good opportunity to make cooperation. “

...

Fu Group.

Lu Qi rushed to Fu Yechuan’s office.

Chen Mian didn’t stop him.

Fu Yechuan frowned and looked at him with a cold face.

“You have come here more often than you have .” Are there many homes? Lu Qi raised his eyebrows ,

stepped forward, and waved the light yellow invitation card in his hand calmly.

Elegant and noble style. It

fits the status of the Su family very well.

“Su Nan’s birthday is coming . Guess you didn’t receive the invitation, and grabbed one from a buddy of mine. “

Fu Yechuan’s brows instantly became gloomy.

He glanced coldly at Chen Mian, and Chen Mian lowered his head subconsciously and lowered his eyes without saying a word.

The Su Group did not send invitations!

He does not speak, he is not embarrassed!

Afterwards, Fu Yechuan’s face became inexplicably dark.

Su Nan’s birthday?

He still doesn’t know when is Su Nan’s birthday?

His husband is really unqualified.

Thinking of this, my chest felt stagnant.

Dull breathless.

Lu Qi went over and patted him on the shoulder.

“It’s interesting, buddy, hey, why are you unhappy, don’t you want to go?”

“Forget it if you don’t want to go, it’s a pity...”

Chen Mian regretted standing here.

Lu Shao has eaten the gall of a bear’s heart and a leopard?

Dare to make fun of Mr. Fu?

Suddenly, he could feel the temperature in the office drop to freezing point.

Scalp tingling!

Fu Yechuan looked at Lu Qi with a faint gaze, and he didn't dare to smile until he saw his smile.

The atmosphere was silent for a moment.

Lu Qi coughed and put the invitation in front of him.

“Go, old man, how lonely I would be without you to cheer me up...”

he pleaded.

Steps and excuses are given.

What a great job this brother has done!

Fu Yechuan picked up the invitation and looked at it. The date was tomorrow night.

It was tomorrow.

My heart is as calm as water.

He was silent thoughtfully, and he didn't pay attention to what Lu Qi said.

When he came back to his senses, Lu Qi watched him in a daze.

Fu Yechuan's slightly cold eyes narrowed.

Eyes are sharp.

He spoke calmly.

“Didn't your father always want that project in the eastern suburbs?”

Lu Qi frowned, then lit up.

“Old Master, you mean...this is too expensive...”

Just one invitation, for billions?

Fu Yechuan calmly restrained his emotions.

“Don't forget it.”

“Yes!”

Chapter 229 A gift from Fu Yechuan

Chapter 229 Fu Yechuan's gift to

Hilton Hotel.

Su Nan's birthday party invited many celebrities and dignitaries.

As Su Jin said, this is also a good opportunity to connect emotionally.

Su Yifeng was even more generous for his daughter.

The whole hotel was directly contracted, and the bodyguards of the whole street protected the passing guests one by one.

Bright lights, luxurious and noble.

On the huge electronic screen outside, there are exquisite photos of Su Nan, which are beautiful and sassy.

"Happy birthday to Su Nan!"

This sentence occupied the hot search headlines on the Internet and advertising spaces worth tens of millions of dollars within a few seconds of opening the screen.

The scale of this time is even more grand and luxurious than the previous company's annual meeting.

The Su family doted on Su Nan openly.

Let her be the brightest light.

Hotel lounge.

Su Nan, Qin Yu and Ning Zhi were touching up their makeup.

There are no outsiders, so feel free to do so.

Su Nan looked at a table of gold, silver and diamond jewelry.

The brilliant light shining under the lights is the smell of money.

delicious!

Su Nan was wearing a simple but extremely noble black dress, which perfectly outlined her graceful and elegant figure, making her skin fairer than snow, bright and indifferent.

It was a kind of unattainable extravagance. Although she didn't have many accessories, she stood there with a luxurious and extraordinary temperament.

Qin Yu and Ning Zhijiao looked at the diamond jewels Su Yifeng sent in amazement.

I can't wait to move everything people have...

I have never seen such arrogance!

Su Nan tried the ring next to him there.

White diamonds are crystal clear, pink diamonds are cute and cute, and black diamonds are precious and rare...

She put diamond rings on all ten fingers.

Sadly sighed.

Looking at the other two, he shook his jeweled fingers.

"It's a pity that I can't wear all of them, I like each one..."

Qin Yu: "..."

Ningzhi: "..."

Rich people have to do this Exaggerated?

Su Nan looked at herself in the mirror, it was perfect.

In the end, on the slender hand, I randomly chose two fingers and wore two or three rings respectively.

But in her hands, it didn't look ugly and contrived at all.

Out of the sky!

Hard and simple, not her style!

On the contrary, I feel that the design is rich and noble.

Temperament wins!

Qin Yu and Ning Zhiliao gave her a thumbs up.

“Let’s go.”

Seeing that it was almost time, Su Nan went out with them.

The specially-assigned bodyguards outside surrounded the room tightly, and no one could enter.

A group of bodyguards followed Su Nan on both sides, protecting her in the middle with awe.

The footsteps were heavy and neat, as expected of a well-trained person.

A staircase connects the two ends.

The banquet hall was brightly lit, and Su Nan caught everyone’s attention as soon as he appeared.

The stunning beauty, combined with the cool temperament, is really hard to take your eyes off.

She smiled faintly, and the calm and noble spirit in her eyes seemed to be innate.

With a proud look, Su Yifeng stepped forward and took her down the stairs.

Su Ming didn’t come, but Su Nan received his bank card.

Su Jin and Su Qi stood on both sides, and their handsome and tall images attracted too much attention.

Why are the genes of this family so good?

It’s so enviable and jealous.

Su Yifeng smiled, picked up the wine from the waiter next to him, and started.

“Welcome to my daughter Su Nan’s birthday party.

In my lifetime, the thing I am most proud of is not the creation of the Su Group, but the fact that I have a baby girl.”

So he gave all his favors to Su Nan.

Boys, harsh or free-ranging, did not use all their strength to care for them.

For Su Nan, it is a justifiable preference.

In the three years that Su Nan left home, he hadn't had a good night's sleep.

Afraid that she will not live well and be bullied.

Afraid that she had a good time and was reluctant to go home.

After his voice stopped, Su Nan knew what Su Yifeng was thinking, but he didn't feel that his eyes were a little red.

With a clear line of sight, I saw Fu Yechuan standing in the crowd...

...

Chapter 230 Fu Yechuan's Gift

Chapter 230 Fu Yechuan's gift

Fu Yechuan stood there with a noble temperament and extraordinary capacity.

It's hard to ignore.

He is a born king, and he is the home court wherever he stands.

The man's gaze also fell on Su Nan. She was astonished, and it was not the first time she had experienced it.

But each time, it made him have a different mood.

This time, under his calm and calm aura, there was a hint of nervousness.

As soon as the eyes of the two met, everything around them seemed to stand still.

silence.

Can't hear any outside sound.

In just a few seconds, Su Nan looked away.

He even came?

After Su Yifeng finished speaking, everyone stepped forward to congratulate Su Nan on a happy birthday.

Su Nan responded generously and gracefully.

Qin Yu and Ning Zhi came over to look for her, and before they could breathe a sigh of relief, when they turned around, they saw Fu Yechuan walking over with agility.

She was slightly startled.

Fu Yechuan came to her, and without waiting for her to speak, he went straight to the point.

“I have prepared three gifts, Miss Su would like to see it?”

Fu Yechuan was originally one of the focuses, and his existence naturally attracted the attention of many people.

What's more, behind him, followed by three bodyguards, each holding a delicate and expensive gift box.

Su Nan frowned.

The mood suddenly became cold, and the relaxed and happy just disappeared.

Three gifts?

The people around couldn't help but say, “President Fu is so generous, one shot is three copies?”

Su Nan curled the corners of his mouth, slightly disdainful.

She didn't expect Fu Yechuan's gift.

She'd rather throw it in his face, okay?

Sending her in public, are you afraid that she will refuse?

Su Nan looked at the box in front of him and gritted his teeth.

Seeing that the atmosphere was stiff, Ning Zhi stepped forward and said with a smile.

“Open it first and see what it is!

If you don't like it, Su Nan doesn't want it...”

Qin Yu responded, “That's it.”

She quietly leaned into Su Nan's ear and said softly,

“It's valuable. Let's sell it, don't let the money go!”

Su Nan lowered her eyes slightly and hooked her lips.

“Okay, let’s open it up and take a look..”

The people around came around interested.

Everyone wanted to see Fu Yechuan’s handwriting.

After all, just thinking about the gift from President Fu is enough to make people look forward to it.

Fu Yechuan stood there with a calm expression, under the ravages of the lights, the figure of the whole person was three-dimensional and slender, independent of the world, and indifferent.

Su Nan casually walked over and opened one.

It turned out to be a diamond necklace, with a classical and magnificent shape, a sense of ancient Roman design, and exquisite workmanship. The bright blue diamonds are set under the silver package, sparkling, delicate and mysterious.

It seemed that she had traveled through hundreds of years of history in an instant, experienced eternity, and arrived in front of her eyes.

The sense of historical precipitation when entering the eye, the heavy feeling of design and material.

In an instant, the value of this diamond necklace rose to an incredible height.

Su Nan’s eyes narrowed fiercely.

Although she has seen a lot of diamonds, there are very few diamonds in the world that can be ranked.

Compared with the necklace in front of me, all of them still look a lot inferior.

Ning Zhi came forward in shock and took a deep breath.

“Isn’t this the classic jewelry collected by the royal family of country Y, the Eye of Baoyue?”

Su Nan was shocked, and suddenly remembered that he had seen photos in magazines before.

She also seemed to say “beautiful”.

The royal family of country Y regarded this jewel as a treasure, and it has been kept in the museum and never appeared in the world.

Simply priceless.

But a few years ago, it was bought by a private collector for a sky-high price.

That person is Fu Yechuan?

And now, Fu Yechuan gave it to Su Nan?

“Su Nan, does Fu Yechuan still need an ex-wife?”

Qin Yu leaned forward and asked quietly, a voice that only the two of them could hear.

Qin Yu looked at it with admiration, if someone gave her this, she could give it to her ex-wife!

Su Nan retracted his shocked gaze, and glanced coldly at Qin Yu, his best friend who had no position next to her!

She whispered back.

“Hehe, his ex-wife is the kind that has to be drained of blood to get out of the sea of misery?”

Qin Yu shrank her neck.

“Forget it.”

The small movements of the two fell into Fu Yechuan’s eyes.

He narrowed his eyes and remained silent.

People around are still amazed by the stunning appearance of “Eye of Baoyue”.

Such a precious thing can no longer be measured by money.

It’s really lucky for Sansheng to see it with my own eyes!

One of the gifts that President Fu gave to Su Nan was already shocking!

What an awesome gift!

Su Nan twitched the corners of his mouth.

“The gift from President Fu is too expensive, isn’t it?”

Unexpectedly.

Fu Yechuan’s eyes were dark and deep.

Soft voice.

“It suits you very well.”

Su Nan was stunned for a moment, what does this mean?

Ning Zhi smiled and urged her:

“Next.”
