Divorce billionaire heiress chapter 2500 –Fu Yechuan saw that she took the card, and couldn't help but breathe a sigh of relief, but was a little happy and relieved.

He had no other way to make up for her than this.

Fortunately, she also loves money.

Ning Yue smiled and looked up at him, "You really plan to pack and raise me, and you are so generous?"

Fu Yechuan wrinkled his eyebrows and corrected her very seriously,

"It's not a bag, raise you, don't say it so badly, you follow me, I naturally won't treat you badly."

He didn't like her using such derogatory terms to belittle his relationship with her.

They are not unseemly.

Even if he is known, he will admit it calmly, but there is no need to make a fuss known to the world.

Ning Yue blinked, although she didn't understand what was the difference between following and bags, maybe they had rich people's new civilized words for this relationship.

She paused and looked at him

"Since you said so, then let's make it clear, I hope that the fewer people who know, the better."

Fu Yechuan pursed his lips and nodded, "Yes."

After all, he didn't want his scandals to fly all over the place.

Ning Yue smiled: "Also, if there is ambiguity around you, if there is an ambiguous object, all relations between us will be automatically abolished, it is automatically abolished, and there is no need to discuss it."

Fu Yechuan wrinkled his eyebrows and watched her be silent for a few seconds before he spoke

“What is my side, you?”

“Me too!”

Ning Yue smiled, “I’m not a person who steps on two boats.

Fu Yechuan suddenly remembered the boy’s words just now.

He has always been confident in himself, but he can’t resist the boy’s ugly sarcasm, and Ning Yue also said that his conditions are not as good as hers!

He felt like he was blocked in his heart, very unhappy.

“I’m not one to pedal two boats either.”

Ning Yue smiled and was silent.

“Okay, is there anything else?”

He asked.

Ning Yue lowered her eyes, “Also, before we meet each time, it is best to make an appointment in advance.” Don’t

pop up again, what if you get bumped into?

After all, Fu Yechuan, a worthy person, stared at too many people.

She didn’t want to be the center of the conversation.

Fu Yechuan wrinkled his eyebrows, not very happy, but felt that this was not a strong man’s difficulty.

Isn’t it just a matter of saying hello?

OK.

He nodded.

Ning Yue smiled and stretched out her hand: “It’s okay, you come and hold me!”

Fu Yechuan couldn’t help but smile, walked over and picked her up easily, she was already very fragrant, nestled on her shoulder and sniffed.

The body’s reaction did not deceive itself at all.

As soon as he touched her, his body was like a fire, and he couldn't control it at all.

Of course, he did not want to control himself, and the two quickly entered the subject.

When her voice was hoarse and she weakly pushed him to keep him away, he let her go and let her rest for a while.

Such days are like dreams, and the window is a hazy moonlight.

Downstairs is a fireworks on earth.

He actually slept in such a place with a woman.

It's really something I couldn't have imagined in the past.

Ning Yue wanted to sleep very much, but the music downstairs came up from time to time, making her unable to sleep at all.

She finally understood now why Fu Yechuan felt that this place was inappropriate.

When she shouted just now, she was glad that the music was blocking out the noise, but not now.

The drawbacks are too serious.

Fu Yechuan was not impatient, and carried her to the bathroom to wash once.

The second time the two people were honest with each other, they naturally became familiar with each other.

Fu Yechuan was not particular about it, shoved her into the quilt, and lay down.

Ning Yue wanted to sleep and couldn't sleep, rolling around in the quilt very irritable.

Fu Yechuan had a smile in his eyes, and didn't say anything, just pressed her to come again.

The bar does not close until after the last person has left, and there is no specific point in time.

It usually ends at two or three o'clock in the morning.

But last night it was five o'clock in the morning.

Ning Yue didn't expect that even her own bar was going against her.

She couldn't get up early in the morning, and she still listened to the movements of the man next to her.

Although she had deliberately relaxed her movements, she did not sleep at all.

"Why didn't you leave yesterday?"

She muttered and rolled over, squinting at him.

Fu Yechuan paused, walked over and sat down, touched her hair, and relaxed his voice

"I'm not a person who puts on my pants and leaves, and now I know that I can't sleep well, do you want to move to me?"

Once again, he cajoled.

I felt that after the events of last night, she should re-examine her decision.

Ning Yue opened her eyes hazyly, and saw Fu Yechuan looking at her with a smug look on her face, especially close to her, and her hair was still a little messy.

She didn't hold back, reached out and rubbed his head, even more messy.

Fu Yechuan's face darkened, and he looked at her speechlessly.

Ning Yue smiled

heheily

, "It's really like a dog!"

She was not awake early in the morning, and directly said the words in her heart.

Fu Yechuan's gaze instantly looked at her helplessly, with a bit of speechlessness, gritting his teeth

"If I wasn't too late, I would definitely clean you up." !

Ning Yue pouted, "Just live in the past, there are still outsiders in your family!"

"That's the servants, they
