Divorce billionaire heiress chapter 2501-Fu Yechuan also saw Xiao Shen, he had investigated before, and this person liked men.

So I didn't have any defenses against him, walked over and smiled, and patted him on the shoulder

"Don't go up and disturb her rest, just fell asleep, she got up and remembered to remind her to eat."

"Okay, okay, Mr. Fu go slowly."

Xiao Shen watched stiffly as he left the bar.

Looking at it like this, Fu Yechuan is obviously immersed in the world of love!

Is the boss also in love?

Is he serious?

Xiao Shen looked up, and even the pace of walking was lighter.

Don't disturb her rest!

This is Mr. Fu's instructions!

Ning Yue's sleep suddenly reached noon.

But she didn't wake up by herself, she was woken up by Xiao Shen's knock on the door.

She sat up blankly and went to open the door.

"What for?"

Xiao Shen looked at her
angrily

"The downstairs is flooded, you are still sleeping, did you go to the bathroom in the morning and didn't turn off the faucet?"

He couldn't care about anything, ran straight in and turned off the water in the sink.

Sure enough, the water stopped.

He stood there with a sigh of relief.

Ning Yue just reacted, and looked at the water on the ground in shock, spreading out from the bathroom, the area of spread was not large, but the traces of some floors were already very deep, and the water was seeping down.

That's why Xiao Shen noticed that something was wrong and came up and knocked on the door.

Her face changed slightly: "Is it serious downstairs?"

Xiao Shen sighed: "The two boxes can't be used, the wall skin has fallen off, I think it will take two days to rest again."

He also thought that Ning Yue was careless, and he was embarrassed to point to his nose and scold her.

But after thinking about it for a while, Ning Yue remembered that besides Fu Yechuan in the morning, who else could use the sink here.

This dog man wouldn't do it on purpose, would he?

Her face was ugly, and she took a deep breath

"Forget it, it's time to repair it, it's not good to do waterproofing, this time it's simply repaired thoroughly."

Xiao Shen looked at her, "That's a lot of money!"

Ning Yue waved her hand: "Don't worry about the money thing. Opening a bar is still quite profitable, and she has saved a small amount.

But Xiao Shen misunderstood, and smiled and spoke

"That's right, this is a drop in the bucket for President Fu, and he can spend it while he is happy!"

Ning Yue twitched the corner of her mouth and did not explain anything.

She looked at the scene and couldn't live any longer.

It's really annoying!

After Xiao sank, Ning Yue took out his mobile phone, found Fu Yechuan's number, and called it directly.

Is this Fu dog doing what people do?

Golf course.

Early in the morning, this entertainment cannot be put off.

A few of Fu Yechuan's friends also came to make a scene, and he was afraid of missing any calls, so he took the mobile phone from time to time to take a look.

The people next to him are all single except for Lu Qi.

So for Fu Yechuan, who is also single, I feel that there is something to say.

"President Fu, why do you always look at your mobile phone, brothers are here, look at the brothers we haven't seen for many days!"

An old friend returned from abroad and planned to develop at home.

Fu Yechuan sneered lightly: "Look at you?"

He shook his head.

The phone rang suddenly.

He immediately picked it up, and when he saw it, it was indeed Ning Yue.

Suddenly, his eyebrows opened and smiled.

The people next to them didn't believe it was a woman at all, and they all knew Fu Yechuan's experience.

To die for a woman has to live several times, deep and pitiful.

Everyone didn't dare to mention women easily, but they were still quipping

,
"It's all outside, don't talk about business."

Fu Yechuan wrinkled his eyebrows, did not hurry to pick up, but looked at them seriously and explained

,
"It's not a business matter, it's a private matter."

Everyone was stunned.

"Private matters? Could it be a woman?"

A person next to him laughed and said, "Impossible.

"Yes, how could it be a woman?"

"How can he have the heart and time to make love?"

None of them believed that.

The more Fu Yechuan listened, the less he felt in his heart.

Do you deserve to be single for the rest of your life?

He somewhat regretted what he had promised Ning Yue not to disclose last night.

Thereupon.

In full view, he directly swiped the phone.

But at that second, the other party hung up.

Everyone "..."

Huh...

Fu Yechuan pursed his lips, and just about to call back, Ning Yue called again.

No more than three seconds before and after.

It is estimated that there is a feeling of anger and corruption.

He exhaled softly, did not leave to avoid people, and directly picked up under everyone's gaze.

Before he could speak, he heard Ning Yue's hysterical scolding

"Damn Fu Yechuan, calling you a dog is really insulting a human friend, you are not good at being a person, do you have to make a living?"

If you dare to deny that you didn't intentionally turn on my faucet before leaving, and wanted to flood my expensive wooden floor, I will cut your head off and kick you as a ball.

Wang Ba calf, you are really crazy, do you know how much it costs me to delay business for a day, your black heart simply take it out and feed the dog!

You're quite old and young, I really regret sleeping with you, you go and die!
After she finished speaking, she didn't give Fu Yechuan room to explain at all, and hung up the phone directly.

As soon as she turned around, she saw Xiao Shen come in with a mop, intending to get the extra water for her first.

Not careful
