

Read Novel Divorce Billionaire Heiress Chapter 2504 [Chinese]

Divorce billionaire heiress chapter 2504 –Fu Yechuan watched motionlessly.

Still waiting for Ning Yue to consume a bigger amount, the result is gone.

Waited two minutes, gone.

Fu Yechuan's face darkened.

With his unlimited black card, it cost less than a hundred fast?

875 yuan to be exact.

Fu Yechuan exhaled heavily.

Chen Mian listened to the movement on the sidelines, not like a WeChat reminder, his mobile phone page stayed on the SMS notification.

“Mr. Fu, is the card stolen and swiped, do you want me to contact the bank to deal with it?”

Fu Yechuan pursed his lips, he really hoped that it was stolen.

Even if Ning Yue spent millions or tens of millions, he couldn't be so blocked.

This 875 success made him depressed.

Did she think the card was fake?

Fu Yechuan raised his hand and let Chen Mian go out, and then dialed Ning Yue's phone by himself.

The other party did not hang up, but picked up

“There is a fart to release quickly.”

“What are you doing?”

He had nothing to say.

“Shopping!”

Fu Yechuan was silent for a few seconds

“What good things did you buy, and you still have to swipe your card for a dozen yuan?”

The card was sent from the bank, and I probably didn't expect that I would have the opportunity to swipe out the two-piece five-dollar limit.

Ning Yue paused

“Grilled sausages, nails, milk tea, roasted sweet potatoes, why are you questioning me?”

I can't swipe your card for a dozen dollars?

I know that you are a small-bellied chicken intestine, and even dozens of dollars have to deal with me.

You wait, I'll give you the money back, miser.

She hung up the phone directly.

In less than ten seconds, 90 yuan was transferred to WeChat.

“Five cents extra is interest for you!”

Her words always had a thorn in them.

Fu Yechuan sighed speechlessly.

Angry again.

He could only start explaining in the dialog box again

: “I don't mean to ask for money, I just think you spend too little, it doesn't matter if you use that card to decorate the bar or buy another bar.”

“, fake!”

This time there are three more words.

Fu Yechuan: “...”

After a while, he called the phone back again.

Ning Yue didn't answer.

Hit again.

Just pick it up.

“Put...”

One word.

Fu Yechuan rubbed his eyebrows: “I want to tell you, let the driver pick you up at night, don’t run around.”

“Oh, I’m not going.”

Fu Yechuan: “There may be some danger recently, something happened to the Yao family, I’m afraid that Yao Xinrui will be mad and affect you, you better obedient.”

Ning Yue finally fell silent, paused for a moment, and then said

’
“Damn, why did you tell me that it was so dangerous!”

Forget about others.

Before, she helped Fu Yechuan act to deceive Yao Xinrui.

Now the fake drama is really done, if Yao Xinrui wants to find her trouble, then it is really a quasi-child!

Fu Yechuan had a bit of a smile in his eyes.

Naturally, it will not be said that someone has already been arranged to watch by her side.

“So don’t run around, follow the driver back after shopping, oh, pick up Fu Yunche by the way, if you want to buy something, let people send it directly to your home.”

Ning Yue was not in the mood to think about buying anything now.

She hung up the phone in panic and began to rush to the bar.

Pack up your things and run for your life!

Xiao Shen was quite relieved to see that she suddenly wanted to live with Fu Yechuan.

I feel that this boss has finally opened up.

“Go, feelings are cultivated, and when he is completely inseparable from you, the dominance is yours!”

Xiao Shen encouraged on the side.

Ning Yue took a card to him

“The money in it is for decoration, and everyone has paid vacation during this time, but it will be hard for you to keep an eye here.”

Xiao Shen smiled and patted himself

“No problem, the bar is my home, I love my home, and I love the bar even more!”

Ning Yue smiled, and as soon as the things were packed, the driver called.

Xiao Shen took her luggage downstairs and sent her to the car.

She hadn't said a few words yet.

Xiao Shen waved his hand vigorously: “Don't worry about coming back!” Ning

Yue “...” The

driver was still the driver who had something to do that night.

He looked at Ning Yue

with a smile, “Miss Ning, let's go pick up Young Master Fu first, okay?”

“Of course it's good, but doesn't Fu Yunche have a special driver?”

Ning Yue was curious.

The driver smiled: “President Fu has instructed, Young Master Fu will be happy to see you pick him up.”

Ning Yue pulled the corners of her mouth and smiled.

Dare to use her as a gift to make his son happy, and in the end he is a good person.

What a chicken thief!

Ning Yue still nodded, “By the way, is your son better?”

At the mention of this, the driver sighed

“Much better, thanks to President Fu for the operation performed by an internationally renowned expert, otherwise my son’s illness, bankruptcy and bankruptcy, has gradually improved.”

“That’s good.”

Ning Yue didn’t dare to ask what kind of illness, it sounded quite serious, and asking it would also cause the driver to be sad.

Arrived at the school gate, just in time.

Fu Yunche saw Ning Yue and ran over happily.

“Auntie, why did you pick me up today?”

“Auntie’s bar is flooded and has to be renovated, so I can only live in your house temporarily, will you dislike me?”

Fu Yunche quickly grabbed her arm and shook her head into a rattle

“Of course not, I hope you will always live at home, and we will always be together.”

Ning Yue couldn’t help but laugh, Fu Yunche was really much more likable than Fu Yechuan!

“Get in the car?”

Fu Yunche nodded and glanced back

“Su Lin, see you tomorrow, tell me about my sister, Xiao Yu’er again...”

Before he finished speaking, Xiao Yu’er didn’t go overboard.

Fu Yunche didn’t care, “Goodbye.”

Everyone waved goodbye to him.

Ning Yue glanced at them and looked at the person who came to pick them up, it turned out to be Shang Qian.

Shang Qian also saw her and nodded towards her very gently and modestly.

Ning Yue smiled, said hello and got into the car.

Shang Qian watched Ning Yue and Fu Yunche get in the car and leave.

Meaningful.

Tell me about the child walking over and taking his hand and coquettishly

,
“Daddy, why didn’t you bring me ice cream?”

Shang Qian smiled and patiently persuaded her

“In the future, you have to get Mommy’s consent to eat, last time I gave you two ice creams, Mommy punished me for eating four, I had diarrhea one night and you forgot?”

Talk about the child looking at him
aggrievedly

, “You don’t sacrifice a little bit for people.”

Shang Qian: “...”

He immediately changed the topic: “Qiqi, is Fu Yunche going to have a new mother?”
Su

Lin was originally still reading, and when he heard this, he raised his head and thought for a moment

“I haven’t heard that Yun Che still prefers Aunt Ning, but Uncle Fu doesn’t like Aunt Ning, he likes the right person.”

He relayed Fu Yunche’s words in a serious manner.

Shang Qian shook his head thoughtfully.

Something is wrong!

After a while, Su Nan called and urged

,
“Why haven’t you come back yet? Do you want to eat Western food tonight? ”
