Novel Divorce billionaire heiress chapter 2507–No surprises.

There is no one else in the house.

Fortunately, she had a change of clothes here, and when she packed up and went downstairs, the maid had just finished the meal.

“Miss Ning, it’s time to eat.”

Ning Yue glanced at it, it was quite light, just suitable for her appetite.

“President Fu said that it has been very chaotic outside recently, let you rest at home, if you really want to go out, send someone to follow you...”

The maid smiled and spoke.

Ning Yue thought of the Yao family.

She tugged at the corners of her mouth: “No, I won’t run around, I’m more desperate than him.”

She drank a bowl of porridge and was full.

But it’s so boring at home.

She took out her phone and wanted to check the Internet.

As a result, Xiao Shen’s phone called.

“Boss, you’re angry, you’re finished...”

Ning Yue wrinkled her eyebrows, “You’re just finished!”

Xiao Shen was incoherent, sounding very anxious

“Boss, the matter between you and Fu Yechuan was posted on the Internet, and now everyone is talking about you, anyway, it’s quite ugly...”

Ning Yue’s face changed slightly, and she immediately hung up the phone.

She was inexplicably a little flustered.

When I open the webpage, the headlines are all about the two of them.

The photo is that night, when Fu Yechuan came to find her, she was about to leave, but he grabbed her hand.

The photo is captured at first glance, and the background is a little blurry.

But it is not difficult to see that the two people shot quite clearly and beautifully.

Light and shadow mottled light and dark side.

Fu Yechuan sat there, his posture was tall, his face was grim, his sharp silhouette was a little cold, and his eyebrows were a little light.

His big hand grasped Ning Yue's delicate wrist, creating a strong contrast.

Ning Yue only turned his head slightly, his delicate side face was fixed, and his slender neck and bright facial features were enough to leave a strong impression.

This photo is even more dreamy than the previous clip of Ning Yue's popularity.

The comments below are also colorful

"Oh my God, there's a clear impurity between these two people!"

"The people who can't fight are actually together?"

"This look, I can't wait to eat her!"

"I thought how deeply President Fu loved our goddess Su, and now he is also looking for women!" Men don't have a good thing!

"Mr. Fu's little lover, the two have been hooking up for a long time, and sometimes you can see them going to the bar."

"It turned out to be Fu Yechuan's woman, if you want to debut and say it directly, you still hide it, how good is it to be a direct heroine!"

"Men have wallets and stars, they are all virtuous, this has not yet debuted, originally liked her quite much, and the result is also such a color."

"What is done in the bar, where can it be clean?"

"It turned out to be out to sit on the stage, presumably it suddenly caught fire some time ago, and it was also pushed by the capital behind it?"

“The bar is closed now, is it weak?”

.....

Statements online are mixed.

Probably all suspected that the relationship between the two of them was not clear, and imagined her as a sitting woman who sold herself for glory.

Xiao Shen’s text message followed

: “Fortunately, we closed our business and renovated, otherwise these people will rush in and curse, and now they all suspect that your relationship is not appropriate, it’s really strange, you are all single, why can’t you be together?”

“Forget it, don’t come back for the time being, don’t show up, quickly let Fu Yechuan remove the popularity, he must have a way.”

.....

Ning Yue turned off her mobile phone, and her face was a little ugly.

Just glanced at the time, this hot search was exposed at 7:50 in the morning, and now it’s almost eleven.

Public opinion on the Internet has been fermenting, but no one has paid attention to it.

In other words, Fu Yechuan could have done it a long time ago, but he didn’t.

The indescribable heaviness in her heart was like a thin thread strangling her heart, and the pain was dense.

How is their relationship defined?

In the eyes of outsiders, it is not suitable and inappropriate.

It was she who climbed high.

She is just a canary kept by Fu Yechuan, and she is the cheapest one.

The women around the big guy, in addition to being in charge, must also be knowledgeable.

She can’t touch anything.

What is the difference between her and those models who come out to accompany the wine and the eighteenth-line young actors?

If it wasn't for the love of vanity, how could you be with him?

So she is always alert and sane.

But when a mouthful of spit was spit on her, she didn't even have the strength to explain.

Fu Yechuan just pushed her out and let her face it herself.

She had just said before that she would not rely on him, and now she turned her head to beg him, wouldn't it contradict herself?

Ning Yue was panicked and uneasy in her heart.

Not because of a weak heart, but because of a hundred words.

She suddenly understood why those who were exposed on the Internet could not think about it.

Because no matter how they interpret it, they will only believe everything they understand.

It's like a giant thunderbolt on the head, and you can't hide from it.

She didn't want to be favored for anything, and she didn't even have the luxury of a normal relationship.

But Fu Yechuan, is it so difficult to protect her once?

She took a deep breath.

I really feel like there is no way.

She took the mobile phone and looked at Fu Yechuan's number, hesitated for a long time and could not call.

A few minutes later.

The phone rang.

Not him.

Novel Divorce billionaire heiress chapter 2508—Su Nan couldn't help but say on the other side,  
"If you have time to come out to eat together, don't close your bar for too long!"

Ning Yue smiled and said

'  
"Don't worry, it's just flooded, it's being renovated, and it can be opened in less than a month."

"Great!"

They hung up the phone, and Ning Yue took a deep breath.

The boulder that fell on his heart was moved away, and he instantly relaxed.

Ning Yue waited for a few minutes, and soon the hot search on the Internet came down.

In less than half an hour, it was completely evacuated.

In this world, it is women who can be relied upon.

girls hel girls。

Ning Yue saw that Ning Zhi forwarded this clip in the name of the movie, and postscripted

: "Thank you Ning Yue's little boss for helping us assist us for free, non-insiders, do not disturb."

Soon.

Everyone was originally immersed in the speed of the hot search being withdrawn.

Ning knew the news released by the company over there, and it almost blocked the mouths of those who suspected that Ning Yue wanted to take the opportunity to take the position.

Ning Yue immediately forwarded the postscript

: "Don't dare to climb high."

Everyone instantly changed the direction of the topic.

“Ning knows that he and Su Nan are good friends, they all helped Ning Yue explain, that is definitely not a messy person.”

“This sister is also quite strong, she must have been wronged.”

“I thought that Fu Zongli’s affectionate personality had fallen, but Fu Zongli didn’t say a word!”

“That photo may be borrowed a seat, besides, my sister is the owner of the bar, it’s normal to greet important guests!”

“Who can’t go to the bar after work to have fun?” I used to work nearby in that place, the boss sister is very gentle and very good, everyone likes to play there!

“I have to say that the bar is a very clean bar, there is not even a sales drink, or it would have been checked long ago.”

“My sister never refuses to take photos with us, and I am much better than the photo, this photo must be deliberately captured by someone who wants to rub the heat.”

.....

Seeing that everyone’s remarks were finally not so sharply worded, Ning Yue’s heart gradually sank.

What a double heaven of ice and fire!

She relaxed, feeling sick all over her body.

Ning Yue went to change her clothes, intending to go shopping nearby to breathe.

Fu Group.

Fu Yechuan had a forum meeting early in the morning, which was conducted in secret, so he couldn’t bring his mobile phone when he went in, and it was useless for Chen Mian to rush outside.

He didn’t come out until noon.

The organizers also invited him to a noon cocktail party.

Fu Yechuan saw Chen Mian giving him a hard look, so he politely refused.

Got to the car.

Chen Mian took out all the screenshots just now and showed them to him

“President Fu, something big happened this morning, and the matter between you and Miss Ning was photographed, and the comments below were all quarrelsome!”

Fu Yechuan glanced at it, his eyebrows tightened, and finally threw the tablet next to him

“Who am I with, do I have to explain it to the group of panicked netizens who have eaten and eaten?”

“That being said, after all, you are also half a public figure, and there are naturally many people who pay attention.

I also didn’t know for a long time longer than you knew, but fortunately, Miss Su asked Ning Zhi to help clarify, and Miss Ning explained it herself, and then withdrew this matter.

When Fu Yechuan heard Su Nan’s name, his expression fluctuated slightly.

It’s fleeting.

He picked up the tablet, “Let me see how Ning Yue explained it, where does she have experience in dealing with such things?” In the future, let the public relations department...”

When he saw Ning Yuefa’s four words, he immediately felt a stunt in his heart.

I held back everything.

There was an eerie silence in the car.

“Don’t dare to climb high...”

Chen Mian naturally knew what Ning Yuefa said.

No way, now except to clear their relationship, do you admit it?

But it shouldn’t be a woman who admits it.

That would be counterproductive.

But not to mention whether Fu Yechuan will admit it, if not, won’t it still make the woman lose face?

Even if I want to admit it, the best time has been missed now.

The public relations department did not know about Fu Yechuan's private affairs at all, so they did not dare to clarify rashly.

I can only let Ning Yue face it herself.

Fortunately, she survived.

The tablet was completely thrown aside.

Fu Yechuan's face was extremely dark and ugly.

He knew that their relationship should not be exposed in front of others, and he agreed that it would not be known.

This is not the best time to make an announcement.

Without full preparation, public opinion can easily get out of control.

But looking at Ning Yue's denial, his heart was indescribably awkward, and even a little angry.

The denial is so crisp and sharp.

He pursed his lips and glanced out the window darkly  
, "Find out who exposed it?"

"Yes, according to the address, it is a small fresh meat that has just returned to China and debuted without any splashes, and you have seen it."

Chen Mian will not fall behind in this regard.

The matter has long been investigated.

Fu Yechuan glanced at the photo, squinted his eyes, and his gaze was dark and deep

"Since you found out, then sue for defamation and let him get out of this circle."

He spoke with a bit of indifference.

The little fresh meat in the photo is not the person drinking and talking in the bar?

Want to drink the wine he spent money on for nothing, and say that he is old?

Hehe.....

“Yes.”

Chen Mian was not surprised.

Fu Yechuan has not been the object of discussion on the Internet for a long time, most of the reason is his thunder means, so that major media platforms dare not rub his popularity.

But this little fresh meat may be because he grew up abroad and went to a pheasant university and did not know the height of the sky.

He even dared to publish this photo on the platform where he registered his real name.

Originally, I just wanted to take advantage of Ning Yue’s heat, but I didn’t expect to kick the iron plate.

Offended Fu Yechuan.

He probably hadn’t investigated who this man was, otherwise how could he be unscrupulous?

Fu Yechuan rubbed his forehead and looked at his phone.

Quiet very.

No extra information and phone calls.

He looked up at Chen Mian

’  
“Did she call you?”

Chen Mian was stunned, and immediately reacted, “No, Miss Ning didn’t look for me.”

Fu Yechuan fell silent.

Chen Mian coughed, “Maybe Miss Su’s side helped solve it, and Miss Ning didn’t need to fight.”

Fu Yechuan’s voice was a little rough and dry

“She doesn’t look for me for such a big thing.”

It seems that his existence is very useless!

“Back to the villa.”

His voice was deep.

Chen Mian pursed his lips, feeling that the relationship between the two was really strange.

Miss Ming Ning lives with Fu Yechuan, but the two do not look like a couple in love at all.

On the contrary, there are some deliberately concealed meanings, and they do not want to be known.

If you change to another woman, you would have jumped up and down in a hurry, and maybe you would directly kill the Fu Group to make a fuss.

But Ning Yue didn't.
