Novel Divorce billionaire heiress chapter 2509—Ning Yue's calmness made people feel uneasy, unfamiliar, and even a little indifferent.

Fu Yechuan returned to the villa.

The servant looked at him with some anxiety, "Boss Fu is back."

"What about her?"

Fu Yechuan's tone was heavy, and the curvature of his facial features was sharp.

The servant paused for a moment, "Miss Ning just said that she had to go out after eating too much."

Fu Yechuan's complexion suddenly sank,

"Didn't I tell her not to go out?"

The servant was instantly nervous,

"But Miss Ning said Come back after strolling around."

The servants are also very embarrassed, Ning Yue is the future mistress, how can they stop them as servants?

Moreover, the legs were on her body, and Fu Yechuan didn't tie her up, so even if they wanted to stop them, they couldn't stop them!

Fu Yechuan's face darkened.

He picked up his cell phone to call her.

But I didn't know what to think of, so I put it back.

With a low laugh, he suddenly felt a little ridiculous.

Ever since he learned about the things on the Internet, his heart has also been raised.

It's obviously a trivial matter, even if he handles it, he won't make any statement himself.

Why does he care so much about Ning Yue's thoughts?

When they decided to be together, she should have been mentally prepared for this, right?

Fu Yechuan waved and told the driver to leave first.

The servant stood there awkwardly, not knowing what to do for a moment.

It wasn't until Fu Yechuan lifted his foot and returned to the study that they breathed a sigh of relief.

No one took the initiative to find Ning Yue and search for her whereabouts.

So it wasn't until the sky gradually darkened that Ning Yue came back slowly, holding an ice cream in her hand, and she seemed in a very good mood.

The servant looked at her and leaned forward, "Miss Ning, dinner is ready, is there anything else you want to eat?"

Ning Yue paused and rubbed her belly,

"I ate outside, you can eat."

She looked left and right, "Where's the young master?"

"Master has a training camp class tonight, so he might be back later."

Ning Yue nodded and walked upstairs while holding the ice cream.

Before reaching the top stairs, a shadow suddenly cast in front of him.

She looked up blankly.

Looking at Fu Yechuan looking at her with a gloomy expression, he was somewhat unhappy,

"It's so late, and you still know you're back? You forgot what I told you before? You don't take the Yao family seriously?"

Ning Yue frowned, with a somewhat indifferent attitude,

"I can't just go out and hide, I haven't done anything wrong, not to mention it's not a day or two, I have to go to the bar to watch later!"

Fu Yechuan's complexion was gloomy, and his eyes were dark.

It was clearly not what he wanted to say.

It's what happens during the day, what they care about most.

After Ning Yue finished speaking, she was about to turn sideways and go up.

As a result, Fu Yechuan moved in that direction, just blocking her way.

The two looked at each other again.

Ning Yue took a bite of the ice cream, feeling her teeth were sensitive from the cold, and gasped.

She waited for a few seconds before she breathed a sigh of relief,

"Is there anything else?"

"You have nothing to tell me?"

Fu Yechuan asked back.

Ning Yue frowned, "No."

Fu Yechuan hesitated, as if his heart was stuffed with cotton for no reason.

Congested.

"Why didn't you give me a single call about the day's affairs?"

Fu Yechuan's voice was hoarse, and he seemed to be having a bit of difficulty, and asked in one breath.

He felt that if he did not speak clearly, he would not be able to solve this problem.

It wasn't Ning Yue who felt uncomfortable, but himself.

Ning Yue glanced at him suddenly, and smiled meaningfully,

"Oh, are you waiting for me to call you for help?"

Fu Yechuan was taken aback

, "I just asked casually, after all, I have been involved in many scandals What's more, you are the calmest one."

He said simple words, hiding his panic.

Feeling flustered when asked by Ning Yue.

Are you waiting for her to call for help?

Ning Yue chuckled,

“A man is reliable, a sow can climb a tree, see, you can’t solve it at all.”

She said, took a big stride to the side, took advantage of the opportunity to stand on the steps, and stood next to him. on the same height.

“But I appreciate your vision and level of appreciation.”

Fu Yechuan was puzzled.

Ning Yue smiled, “Su Nan is really a kind-hearted little fairy. Although she didn’t show up, I know that she asked Ms. Ning to help me, and I appreciate her kindness. At a time like this, she is still reliable!

“

She After saying that, he turned his head with a smile and walked directly to the balcony.

Fu Yechuan choked, as if his heart had been hit by something, and he couldn’t speak a word.

His complexion became stinky.

This incident obviously didn’t hurt her, but it hurt him.

The servant cooked the meal, Fu Yechuan went down and waited for a while, but Ning Yue did not come down.

The servant said carefully,

“Miss Ning said she won’t eat.”

Fu Yechuan took a deep breath.

Immediately, he lost all thoughts of eating, so he put down his things and went upstairs.

Ning Yue didn’t go to the bedroom, but basked in the sunset on the small balcony on the second floor.

She looked very loose, limp on the sofa, and an old foreign movie was playing on the iad in front of her.

Looking very engrossed.

He didn't even notice Fu Yechuan approaching.

The movie entered the end credits.

Ning Yue was obviously a little invested, the corners of her eyes were soaked with tears, and she was still immersed in the plot just now.

A big hand picked up the iPad and glanced at the title of the play.

Les Miserables.

He looked at Ning Yue with a half-smile, "Are you still crying?"

"I was moved by the world famous book."

Fu Yechuan sat down next to him with a smile on his face, and his voice softened,

"It's really not because you're wronged by today's matter? Do you want me to coax you?"

It may be that the sky is getting dark, and all the emotions that cannot be revealed to the world seem to break out of the ground in this coming night.

Those words that could not be uttered during the day found an opportunity at this time.

When he said it, he felt warm in his heart.

If she could act like a baby, he might really be able to give him what he wants.

He hasn't seen her acting like a baby yet!

Ning Yue glanced at him lightly, stretched out her hand to wipe the moisture from the corner of her eyes, and said in a cold and soft voice, "

Go away, I thank you."

Fu Yechuan "..."

It's really not enough to pour a basin of cold water, I have to add some ice cubes Only happy.

Fu Yechuan was also a little unconvinced, and didn't want to really get out.

He directly bent over, hugged Ning Yue who was sitting there, and left.

Ning Yue struggled to no avail, and she couldn't make too much noise to be heard by the servants.

She slammed on Fu Yechuan fiercely,

"What are you doing?"

Fu Yechuan pursed his lips, and glanced at her,

"I don't know how to roll, teach me?" "Don't be shameless

."

Damn you!"

Ning Yue raised her toes with a smile,

"Who said I didn't eat? I came back from eating barbecue outside!"

Fu Yechuan "..."

Ganqing is he just pretending to be sentimental all day today?

Novel Divorce billionaire heiress chapter 2510-It's just that Ning Yue didn't feel complacent for long after eating the barbecue.

After the two entered the bedroom, Fu Yechuan was suddenly interrupted by an urgent call.

When he came back from the phone call, Ning Yue was already curled up on the bed with a stomachache, not daring to move.

Fu Yechuan's complexion changed, and he took a deep breath.

Ning Yue slowly stretched out her hand, and looked at him with resentment,

"Hurry up, save me quickly, what are you still doing?"

Fu Yechuan immediately called the hospital, and then bent down to pick her up and run outside.

As soon as he went out, he watched the driver send Fu Yunche back.

Fu Yunche watched in shock as the two hurried into the car.

“Aunt Ning, what’s wrong with you?”

Fu Yechuan was anxious and flustered, but he still didn’t forget to take the opportunity to teach his son a lesson,

“This is the consequence of eating junk food!”

Ning Yue “...”

This dog man is going to die!

But she is not in the mood or energy to scold him now.

She can be sure of herself, there is a high probability that she has eaten a bad stomach.

Fu Yechuan galloped all the way, and finally arrived at the hospital. The doctor had already prepared to bring him in.

Ning Yue went straight to gastric lavage.

Terribly embarrassed.

Even the nurse noticed that the two of them were the two main characters in the hot spots during the day.

He didn’t dare to easily show any shock beyond professional ethics.

The man had been sitting outside. Although he didn’t say a word, he could tell that his eyes were looking at the door of the emergency room from time to time. The anxiety couldn’t be concealed.

The eyes of everyone passing by are really envious and jealous.

It was almost an hour before she came out, her face pale and bloodless.

Pushed directly to the ward.

The attending physician breathed a sigh of relief

, “The food I ate was stale, and mild food poisoning is not a serious symptom. If you need to pursue responsibility, I will issue a pathology report to facilitate your evidence.”  
Fu Yechuan nodded, “Okay.

“  
He was already furious.

Who knows where she went to eat barbecue, he must make this black-hearted shop close down immediately!

“Okay, after a while, she can leave without any problems, but you have to wait until the patient wakes up. If you want to wake up forcibly, you need to take care of the patient’s mood.” The doctor said this simply and clearly

Fu Yechuan knew in his heart that if Ning Yue was woken up now, she would be able to take all the anger of her illness on him.

He just wasn’t fooled.

So the two of them stayed there that night.

Fu Yechuan took a nap on the sofa outside.

As soon as I opened my eyes, it was dawn.

Except for the pale lips, Ning Yue’s complexion is much better than last night.

She opened her eyes, looked at the strange environment around her, and was in a trance for a moment.

Thinking about what happened yesterday, I suddenly came back to my senses.

Get out of bed, go out, and see Fu Yechuan who is lying there, even sleeping meticulously.

It turned out that he waited here all night.

Not so heartless either.

What happened yesterday will be written off.

She went over and pushed his shoulder, Fu Yechuan woke up quickly.

“Are you awake? Are you still feeling sick? Do you need to call a doctor?”

Ning Yue shook her head, showing a pale smile,

“No, I’m just a little hungry, shall I go back?”

Fu Yechuan immediately sat up, nodded,

“Let’s go.”

He stood up, took her hand, and touched her “It’s a good thing to know that you’re hungry.”

He said, and walked out.

Ning Yue was taken aback, and frowned,

“You’re here all night? I’m so sorry to waste your time.”

Fu Yechuan paused, and his face suddenly became a little gloomy.

But he smiled with restraint and restraint, and didn’t lose his temper,

“It’s good to know, you have to learn to be grateful!”

He gave her a meaningful look, held her hand tightly, and then strode out.

Ning Yue didn’t react at first.

When there were too many people, she subconsciously wanted to pull her hand out.

In order not to be seen by others, yesterday’s incident was not big or small, and she had already seen what it meant to be almost socially dead.

But as soon as she exerted force, Fu Yechuan’s hand clenched even tighter.

He gave her a warning look,

“Don’t move around, I won’t look for you if I lose it for a while.”

Ning Yue curled her lips, and suddenly felt that his cold and hard expression didn’t seem so annoying anymore.

Maybe he’s never been a nuisance.

He just has a hard mouth, but his heart is more open and soft than anyone else.

The uncomfortable feeling in my heart yesterday didn’t seem so glaring.

The two of them got into the elevator and stood one on the left and the other on the right.

No one around.

Fu Yechuan suddenly remembered something, "Where did you go to eat the barbecue yesterday? The test report has come out, food poisoning caused by stale ingredients, do you need me to find a lawyer for you?" Ning Yue frowned and paused, "No

,

you Find a lawyer, do you still want to do the business? It's just a roadside stall, so I'm unlucky."

After all, when she ate at that roadside stall yesterday, it really made her feel better.

And that couple doesn't look like a devious villain.

Probably something went wrong when it was shipped.

Fu Yechuan glanced at her in disapproval.

But he didn't say anything, after all, his objection was useless, Ning Yue would not listen.

Back to the villa.

Fu Yunche was still at home.

Fu Yechuan looked at him dissatisfied, "Why didn't you go to school?"

Fu Yunche glanced at Ning Yue carefully,

"I was worried about Aunt Ning, so I asked the teacher for leave."

Ning Yue didn't bring a mobile phone, so he didn't dare to call Fu Yechuan went to ask about Ning Yue's situation.

So just stay at home and wait.

Seeing Ning Yue come back, Fu Yunche felt relieved.

Ning Yue touched Fu Yunche's little face, feeling very emotional,

"Our little Yunche is still the most obedient, and it's all because of your concern that Auntie got better so quickly!"

Fu Yunche's little face flushed, and he smiled happily.

Fu Yechuan sneered from the side, "Why, are you going to start discussing metaphysics with him now?"

He stayed there all night, but he didn't see her say anything nice.

Dare to attribute all the credit to a little kid?

Ridiculous!

However, Ning Yue recovered quickly.

Because Fu Yechuan was too busy, he didn't deal with official business all night, which caused the affairs abroad to escalate, so he had to go abroad to deal with it himself.

So Ning Yue stayed alone in the villa for two days, waiting to die.

The maid is very considerate and cooks according to her taste preference.

After getting along with each other, everyone no longer had the initial fear of Ning Yue.

As long as you don't offend her, she is easy to get along with, and she won't find fault on purpose, nor will she belittle others on purpose.

Things on the Internet subsided, and the decoration of the bar started as scheduled.

It was impossible for Ning Yue to let her go.

So I stayed in the bar all day long, discussing with Xiao Chen how to design the decoration style...
