

Read Novel Divorce Billionaire Heiress Chapter 2511[Chinese]

Novel Divorce billionaire heiress chapter 2511—A day late in the month.

Ning Zhizhi called again.

“Miss Ning, I would like to invite you to the movie premiere. After all, this movie was originally created because of you. Everyone must be looking forward to it, but I also respect your opinion.” Ning Yue paused,

she Having never participated in such an occasion, it is naturally a little unnatural.

Just about to resign, Ning Zhile happily added,

“By the way, the male and female protagonists of the movie will also participate. Don’t you like the male protagonist Sun Haoyang very much?”

I can arrange for you to take a group photo. That is Huaying’s signed actor, you If you don’t want to walk on the red carpet, you can directly attend the banquet after the screening, we have invited a chef, and his cooking skills are superb.”

Ning Zhile introduced happily, and Ning Yue responded with a smile,

“Okay, I’ll go, I want to go just for Sun Haoyang.”

Anyway, idle is idle.

What’s more, with Ning Zhiknowing that she was with Su Nan, she felt that nothing unexpected would happen.

Ning Yue hung up the phone and happily prepared to go to the premiere.

At least dress appropriately, not so casually.

Seeing her excitement, Xiao Chen was speechless for a moment.

Even being pursued by Fu Yechuan, she had never been this excited.

Do you like Sun Haoyang that much?

that day.

Ning Zhizhi sent someone to pick her up.

Ning Yue was wearing a simple dark purple cheongsam, outlining her exquisite figure, with all kinds of charms in her eyebrows and eyes, so beautiful that people couldn't take their eyes off them.

When she became popular, she wore a dark green cheongsam, but today she chose dark purple, which is different from last time and has her own character characteristics.

So her choice is very appropriate.

Ning Zhi saw it and praised again and again, "Beautiful, you are really the most beautiful woman I have ever seen wearing a cheongsam!"

Ning Yue smiled, her heart bursting with joy,

"Thank you, the main purpose is to leave a good impression on Sun Haoyang."

Ning Zhi knew "..."

After a pause, Ning Yue suddenly remembered something, "Is Miss Su going? I haven't thanked her in person for the last incident

."

Qian Qian went to see the exhibition."

Ning Zhi looked at her meaningfully and smiled,

"I'm asking you a question, and you can choose not to answer it."

Ning Yue raised her eyebrows, "You want to ask what is my relationship with Fu Yechuan?"

Ning knew the accident, but smiled frankly.

Ning Yue didn't shy away from it, she had no reason to hide those who helped her.

Besides, she knew that Ning Zhi knew nothing malicious.

Simply just curious.

Ning Yue said bluntly, "Let's have an underground relationship, no one wants to make it public, I'm afraid it will be too troublesome to separate."

Ning Zhi patted her on the shoulder, and couldn't help giving her a thumbs up,

"I admire you for being a warrior!"

Ning Yue "... .."

Arrived at the premiere ceremony.

There was a media meeting in the early stage, which was similar to the rhythm of the red carpet, but there were not many media, only a few invited media.

Ning Zhi led Ning Yue in directly from the back, skipping this step.

Take her to the seat, and then go to other places to socialize.

Ning Yue looked around, this place is really intuitive, in the middle of the third row, there are very famous bosses in the circle on the left and right.

Sun Haoyang's name was pasted on the seat on his right.

It's really... close to the water, the first to get the moon.

Ning Yue excitedly waited for everyone to take their seats one by one.

A soft rustling sound gradually came from the position behind.

It is estimated that coming from the red carpet, I have to say a few words to the passers-by.

She didn't feel like sitting up straight.

As soon as the person next to him sat down, she looked over excitedly.

Sure enough, Sun Haoyang, who was wearing a mask, looked at her and they were stunned.

Then Sun Haoyang smiled, polite and polite

"Hello, you are Ning Yue, I saw your video on the Internet, your acting skills are very good, you don't look like a newcomer at all."

He stretched out his hand actively, and Ning Yue was excited Hold on to

"Thank you, you are my idol!"

Sun Haoyang didn't feel it and laughed loudly,

"Thank you for your liking too."

Good official communication.

Sun Haoyang's original contract with Huaying Entertainment is about to expire, and he is still debating whether to renew his contract online.

The opinions of fans are also divided.

But in the end he accepted Ning Zhile's drama, implying that he had already made some kind of biased giant.

The boss behind Huaying Entertainment is Su Qi, and Ning Zhi is Su Qi's wife.

He still intends to renew his contract with Huaying.

A person suddenly appeared on the left, and Ning Zhiliao leaned over and whispered, "How are you, are you excited?"

Hahahaha.

The premiere started, and everyone gradually became quiet.

After that, they followed the procedure and went up to take pictures one by one. When the group photo was finally taken, even Ning Yue went up.

And he was still standing next to Sun Haoyang.

A small segment during the premiere was still carried out according to the situation of the live broadcast.

Ning Yue was originally noticed because of a small incident before, but what made her shine even more was that her dark purple cheongsam was so charming.

Therefore, many hot searches on the Internet have posted photos of her and Sun Haoyang.

But Ning Zhi knew that the control and evaluation was in place, and there was no bad comment.

Fu Yechuan just got off the plane.

I can't get through to Ning Yue.

I was feeling restless in my heart, the Yao family's recent petty actions were not small, and they were still trying to die.

Of course he couldn't give them any respite.

So as soon as he came back from abroad, he immediately started the plan to buy the Yao family.

It's just that I was worried that Ning Yue's living target would be targeted, so I was a little distracted.

Chen Mian behind him saw the unanswered call on his phone page.

Can't help coughing, and handed over his mobile phone

, "Miss Ning is attending the premiere ceremony, and she said she was very excited to meet her idol..."

Fu Yechuan took the mobile phone, looked at the two people captured in the photo, and his eyes widened. Squinting, suddenly a little depressed.

A group of people left the airport.

Chen Mian directly ordered the driver to "go to the group."

This was their plan.

Fu Yechuan suddenly said, "Go to the premiere."

Chen Mian "..."

He felt that Fu Yechuan had really changed.

For a woman, you even have to put off work?

"But Mr. Fu, we don't have an invitation card..."

he said in embarrassment.

"Do you still want to ask me such a trivial matter?"

Fu Yechuan said indifferently.

Where is he going and does he need an invitation?

Chen Mian remained silent, and resigned himself to contacting the organizer of the premiere.

When they arrived, the premiere was over and the reception had already begun.

When Ning Yue met her idol, her heart felt like being soaked in sea water, she was up and down happy and excited.

The key is that there are no people who are deliberately looking for trouble at the reception.

Ning Zhile's venue is very clean, and the people he invites are also carefully selected, so everyone talks and laughs very casually.

The media could not enter this private reception, but many people were waiting outside.

Ning Yue has a cheerful temperament, so after a round, she basically knows everyone

Novel Divorce billionaire heiress chapter 2512—Ning Yue kept promoting her bar, and everyone nodded repeatedly.

Finally, he quietly went to tell Sun Haoyang

, "If the idol comes, I will give you a half discount!"

Sun Haoyang asked for his business card very face-saving, "Then I must go."

The two looked at each other and smiled.

I didn't notice some movement at the door.

Fu Yechuan unexpectedly came.

Can there be little movement?

The staff of the organizer and the crew went up to say hello.

Ning Zhi knew that he was on the phone with Su Qi, glanced here unexpectedly, and finally glanced at Ning Yue meaningfully before looking away.

She smiled and continued to speak with her head down,

"I know, I'll go back when it's over, but now there's a good show here, I have to finish it!"
As soon as

Fu Yechuan came in, his eyes fell on the two people who were talking.

His eyes seemed to be frozen.

Sun Haoyang saw Fu Yechuan while talking, and was hesitating whether to go over to say hello, when he suddenly remembered that Ning Yue and Fu Yechuan had been on the hot search before.

All of a sudden, my mind was confused

, “Why did Boss Fu come here suddenly? He won’t come here to find someone, right?”

Ning Yue subconsciously suppressed her smile, “Who knows?”

She moved away as if the two of them were unfamiliar. line of sight.

I thought it wasn’t surprising that Fu Yechuan could come here, but they are now the subject of rumors, if they were photographed by the media outside the door, wouldn’t they be able to explain clearly?

Ning Yue was trying to find a reason to leave first, but Fu Yechuan just walked over.

Sun Haoyang greeted with a smile, and Fu Yechuan nodded.

The attention was obviously not on Sun Haoyang.

He looked directly at Ning Yue, and the corners of his lips were tense.

Sun Haoyang saw something between the two of them.

Very sensible to find a reason to leave.

Ning Yue stood there and glanced at him,

“What are you here for?”

“I can’t come?”

“Don’t talk to me, let people think we know each other!”

Ning Yue whispered.

She was thinking of him.

Don’t look back and spread the scandal, isn’t the explanation last time just a joke?

Fu Yechuan glanced at her speechlessly, and looked around, everyone was looking at them.

Who else didn't know they knew each other?

Isn't this just cheating?

"What were you talking about just now?"

Fu Yechuan was straightforward.

"You said it so happily?"

Ning Yue pursed her lips, "Of course I'm inviting my idol to sit in my bar."

"Idol?"

Fu Yechuan gritted his teeth and chewed on these two words.

Inexplicably, there was a burst of sourness in my heart.

Ning Yue raised her eyebrows, feeling that she could no longer talk to him alone, so she ran to Ning Zhile's side while he was still in a daze.

"I remembered that I still have something to do, so I left first?"

Ning Zhi knew that this was an excuse she made, and nodded.

"Succeed, this time it was a complete success. If you want to come to such an occasion next time, please let me know."

Ning Yue gave her a grateful look, then straightened her clothes and walked out calmly.

Fortunately, that dog Fu Yechuan didn't chase him out.

Ning Yue still walked through the back door and left in a hurry, almost no one saw her.

But Fu Yechuan noticed that when Ning Yue left, she was surrounded by people.

Those directors would definitely not let go of such a generous investor.

Everyone took turns to toast, Fu Yechuan toasted everyone with a glass of wine, but in the end he still didn't drink at all.

Still, Ning Zhi knew that the banquet would not be over for a while, and couldn't help but look at a bag that was left behind, and walked over to make a rescue with a smile.

“I still have a project that I would like to discuss with Mr. Fu alone. Mr. Fu appreciates you?”

Fu Yechuan heaved a sigh of relief and followed.

Ning Zhizhi handed the bag over,

“Ms. Ning left it behind, please Mr. Fu take it back for her?”

Fu Yechuan recognized the bag, squinted his eyes, and took it.

I didn't know how to speak for a moment.

He didn't mind making his relationship with Ning Yue public.

It's just a hassle.

But Ning Zhi knew too much about what happened between him and Su Nan.

So when he was entangled with another woman, he suddenly felt a slight discomfort in his heart, as if she was a bit scumbag.

See, you can forget your true love completely by turning your head.

What else did you say that you like Su Nan all your life?

He himself felt ridiculous.

But he can be sure that he will always have an inch of Su Nan in his heart.

He was silent, and before he had time to say anything, Ning Zhi turned around and left.

He didn't stay too long, and walked out with the bag.

Ning Yue's habit of losing things and forgetting things can't be changed.

Fu Yechuan didn't go out through the back door. He thought that there were no reporters outside the door, so he went directly through the front door.

The media, who thought they had gotten nothing, captured this scene just as they were about to pack up and leave.

Fu Yechuan's body was full of battles, his aura was cold, and he ended up holding a woman's bag in his hand.

When had he ever given a bag to another woman?

of course not!

Of course, everyone would not let go of this good opportunity and joined in one after another.

“Mr. Fu, did you also attend the premiere? What do you think of this movie?” “

Excuse me, who is the hostess of the bag in your hand?”

“Mr. Fu...”

...

Fu Yechuan frowned in annoyance, and walked out with a dark expression.

Although his attitude is not good, the media really can't do anything to him.

He is not from the entertainment industry, so it is impossible for him to die socially.

It wasn't until we were in the car that the surroundings became quiet.

He threw the bag on the seat and

“Go to the company.”

Suddenly a text message came to the phone.

“Boss Fu, I know that you helped me bring out my bag, thank you!”

Fu Yechuan replied , “I don't talk to idiots.

” Fu Yechuan gave a low laugh and touched his forehead. He was so impulsive today that he came here as soon as he got off the plane. Did things that shouldn't be done. The matter of Fu Yechuan carrying the bag and the premiere ceremony were on the hot search at the same time. However, the Fu Group's response to this was “Personal feelings, no reply, no attention.” With twelve words, it is obvious that Fu Yechuan is not as careful and prudent as the actors in the circle. But the car just arrived at the door. Chen Mian's phone call came. “Boss Fu, why don't you come to the company first, people from the Yao family...” “ Why, is there someone from the Yao family again?” During this time, apart from Yao Xinrui, other members of the Yao family also came over one after another , begging for mercy, selling miserably, and some talking harshly. But no surprise, they were all kicked out.

“Mr. Fu, Yao Lichuan was carried to the first floor of our company, and he refused to leave. Now he has gathered many media reporters to surround him.”

Yao Lichuan is really a rascal.

The bankruptcy procedures could have been resolved within half a month, but he was so dazed that he procrastinated.

He thought he had a chance of survival!
