Novel Divorce billionaire heiress chapter 2516-Since it is an unfamiliar number.

hang up.

Then call again, persevere.

She picked it up dissatisfied, "Who is it?"

"It's me, shall we meet?"

The other party was arrogant, and it was a female voice.

Ning Yue paused and recognized who it was, but she didn't say anything.

"Oh, who are you? My value is different now. Not everyone can see it, and I don't even know my family?" The other

party was silent for more than ten seconds before reluctantly opening his mouth.

"It's me, Yao Xinrui, Miss Ning, let's meet. I have something I want to ask for your help."

Ning Yue got up from the bed, stood on the balcony with a smile, and looked at the lush green scenery outside the door, feeling overwhelmed excellent.

"I don't think it's necessary. I've heard from Fu Yechuan that your family is a dangerous person now. Maybe it's not good for me to jump over the wall in a hurry. He told me to stay away from you." Yao Xinrui's breath was a little rough,

everyone The probability is to be angry.

"He's not a good guy, why didn't he... Don't worry, I won't do anything to you. The Yao family's affairs are his work and have nothing to do with you.

"Isn't it sweet talk?"

Ning Yue said contemptuously.

"Okay, then tell me, why are you willing to come out to meet, you decide the time and place."

After Yao Xinrui finished speaking, she was afraid that she would not agree, and added,

“I don’t know if Fu Yechuan really likes you, but I do. Yes, it’s about whether you can marry into a wealthy family.”

Ning Yue’s eyes gradually darkened, and she breathed quietly.

Both of them are secretly competing.

If it was before last night, Ning Yue would have ridiculed Yao Xinrui’s words, and then hung up the phone.

But after last night and this morning, her heart seemed to be different.

She is not interested in marrying into a wealthy family, but she feels that there can be countless such warm mornings.

She took a deep breath slowly,

“Okay, see you in the coffee shop downstairs of Fu’s Group.”

After finishing speaking, she hung up the phone.

I’m afraid that shrewd woman Yao Xinrui will see something from it.

She is also afraid of revealing her thoughts.

It’s okay to be greedy for vanity, but not true love.

Ning Yue went to take a shower to relieve her fatigue before going to the cloakroom to pick out some clothes.

She didn’t choose her own clothes, but the big names that Fu Yechuan sent to her.

Picking out any one at random is enough to double her worth and aura.

She casually wore a top and a satin skirt, her whole body was neat and charming without losing her charm.

Before leaving, I even put on light makeup. It’s been a long time since I put in so much effort.

She planned to go to Fu’s Group after talking to Yao Xinrui, and tell Fu Yechuan what she said.

That old fox must have guessed what Yao Xinrui was looking for.

She was firmly on the same front as Fu Yechuan.

Ning Yue casually took a car key from the drawer in the cloakroom. Fu Yechuan's car keys were basically put here, very casually.

By the way, I sent a message to Fu Yechuan

, "I will borrow your car to drive, do you agree?"

This time, Fu Yechuan replied quickly, "Yes."

Ning Yue couldn't help but curl her lips.

"Dese."

She walked slowly to the garage, and with a light touch, one of the most inconspicuous Mercedes-Benz lights up.

It's dazzling.

She shook her head, life in capitalism is really extravagant.

Ning Yue didn't think too much, and got into the car directly.

Twenty minutes later.

Downstairs of the Fu Group.

Yao Xinrui was already waiting there, and she chose the most eye-catching place inside the glass window.

Ning Yue stopped the car and walked in slowly.

The waiter also warmly greeted her, "Miss, what do you need?"

Ning Yue said, "Iced latte, thank you."

She glanced at Yao Xinrui, and then walked over.

Yao Xinrui looked at her face carefully, her complexion was ruddy and flamboyant.

She sneered involuntarily.

How could he actually lose to such a woman?

"It seems that you are really living like a fish in water with Fu Yechuan. He treats you well?"

Ning Yue sat opposite her and smiled,

“Thank you for your concern, of course you are not bad.”

“Fu Yechuan is really good. ” It’s hard not to like it, if it’s a woman, it will fall.”

Yao Xinrui said in a daze.

Afterwards, she quickly came to her senses, looked up at Ning Yue, and smiled meaningfully,

“But Miss Ning, his liking comes and goes quickly, how long do you think you can last, and will you really become a regular one day?”

” Yue glanced at her speechlessly,

“Miss Yao, don’t say that grapes are sour. If you care about our love life, I really don’t mean to share it.

You and him almost got together back then, but I didn’t do anything to disturb you, are you so unmannered now? “

Yao Xinrui’s complexion changed slightly.

Look, even Ning Yue could tell that Fu Yechuan had the intention of marrying her at the beginning.

But he gave up halfway.

As for the reason for giving up, Yao Xinrui knew it himself. A large part of the reason is because of Ning Yue’s appearance.

It’s just that Ning Yue really didn’t do anything at that time, but her appearance really got in the way of her. That’s all.

She should hate Ning Yue, but Yao Xinrui knows that it is useless to hate her.

She took a deep breath and watched the cars coming and going outside the window.

“Miss Ning, I don’t want to say anything else, I’ll just ask you something, please answer me, are you in love with Fu Yechuan?”

Ning Yue’s eyes were dark but bright, the corners of her mouth froze, and she didn’t answer.

But at this time, no answer is an answer.

Yao Xinrui chuckled lightly, as if she had a certain chance of winning

, “I may disappoint you with what I brought today, and you also know that my family is about to go bankrupt because of Fu Yechuan’s interference, and I have nowhere to go.”

“What exactly do you want to say?”

Ning Yue interrupted her impatiently.

Even though her feelings for Fu Yechuan had changed.

But now is not the best time to expose.

And he didn’t want Yao Xinrui to see through this secret.

Yao Xinrui took out a recording pen, put it on the table, and turned it on.

There were two voices from inside.

Yao Xinrui “Fu Yechuan, you deny that we have ever dated because you only have Su Nan in your heart?”

Fu Yechuan “Of course.”

...

Yao Xinrui did not pause, and the recording pen kept playing these two sentences in a loop.

It was cruel like a blunt knife cutting flesh, cutting Ning Yue’s newly built self-esteem to the point of bleeding.

Ning Yue stared at the table, but felt her temples twitching suddenly, as if she had stepped into the gray smoke, looked around, at a loss.

Dead and cold.

She tensed her body and sat there stiffly, her expression uncontrollably silent.

Years of lessons didn’t seem to give her a clear understanding of her life.

A little bit of sweet talk from others has mesmerized her.

Novel Divorce billionaire heiress chapter 2517-Even sitting here, showing off their relationship with Fu Yechuan's original marriage partner.

Ridiculous?

It's ridiculous.

In the scorching midsummer, she was covered in cold sweat.

Her emotions fluctuated up and down, more violently than before when she was raped by a rich young man.

The heart was also throbbing with difficulty.

She couldn't tell what it felt like, but she felt pain and twitching, which made her face pale.

Yao Xinrui gave her enough time to relax, or torture.

Seeing her reaction, Yao Xinrui showed a confident smile on her face.

She finally couldn't help but said,

"This was recorded yesterday, and everyone present heard it. Originally, I wanted to post it online, but because of your feelings, I was afraid of hurting innocent people, so I went to you alone. "

Ning Yue's black eyes finally moved slightly, turning to Yao Xinrui's face.

She remained silent, waiting for Yao Xinrui to speak up.

Yao Xinrui smiled friendlyly,

"I know you have deep affection for him, who wouldn't like such a person?

I liked him at the beginning because of his family background, and because of Mu Qiang's psychology, I only loved him Never forget it, otherwise would I be so low-key?

But you have also seen that he is a person who is not sympathetic, not his, and he handles it casually.

He is not worthy of your feelings." "

What are you going to do? What?"

Ning Yue raised her chin slightly, and regained her sanity.

She didn't believe that Yao Xinrui told her this matter out of kindness.

The truth that the world knows.

Yao Xinrui must have her own purpose.

Yao Xinrui's smile deepened when she heard this.

"You are a smart person. Your last marriage was not very good, so you should be very sober and understand that things like feelings are just an accessory to the icing on the cake. Men are unreliable after all. Fu Yechuan, you like him very much, so

he I will give you a little bit of charity.

He will only bow his head to his first wife. In fact, if you want to say how much he likes Su Nan? You

can't, after all, if you really like it, there will be no failed marriage. It ended in divorce.

He was more, just unwilling. He was unwilling to be willing to like the person who liked him so much, and suddenly he didn't like him.

It was like a chess piece in his hand. He ran into the opponent's camp disobediently and became The other person.

He didn't get Su Nan because Su Nan's family background made him dare not force him, so he kept thinking about it.

Otherwise, how could we have a chance?"

Yao Xinrui called "we" for the first time, But it made Ning Yue suddenly realize.

It was as if a basin of cold water had been poured down, completely waking up.

What is the difference between her and Yao Xinrui?

It's nothing more than she climbed into Fu Yechuan's bed, but Yao Xinrui didn't.

But they, in front of Fu Yechuan, can only be chosen.

Ning Yue suddenly remembered Fu Yechuan's tough attitude in the bar, her room.

His condescending attitude at that time, and his mentality of winning, broke down her psychological defense for a moment.

Because of the pressure from the top of the pyramid, she had to feel intimidated.

He said something similar to Yao Xinrui, Su Nan could withstand all his pressure.

But she can't.

She doesn't have Su Nan's family background, so she can't compete with Fu Yechuan.

If she doesn't take the initiative to agree, she can only be agreed.

She is self-righteous with ease, maybe she is just deceiving herself?

Ning Yue clenched her fists to calm herself down.

"So? It's well known that he likes Su Nan. I'm a stand-in. You've already told me about me. Do you still need to call me over with such a big fanfare and announce it again?"

"Your psychological quality is much better, Miss Ning, my purpose is not to say that you are not as good as Su Nan.

Few people in this world have her good life, I just want to ask you to do me a favor."

Ning Yue paused, hung down Eyes, drank a cup of iced coffee.

The coffee swallowed, bitter and cold.

In an instant, the restlessness in my heart was suppressed.

"Help? You want me to help you deal with Fu Yechuan?"

"Miss Ning is really smart."

Yao Xinrui gave her an appreciative glance.

Ning Yue twitched the corner of her mouth.

She felt as if she had fallen into a world of ice and snow, and the cold wind poured into her body, but at this moment she had to sit there as if nothing had happened, dealing with Yao Xinrui.

Yao Xinrui said in a soft voice,

“Fu Yechuan set a trap for Yao to jump in, and he will definitely leave evidence. I want to ask Ms. Ning to help me find out the original contract of the project in the neighboring city, that’s all.” Ning

Yue Raising her eyes slightly, she looked deeply at her,

“Stealing is illegal, Miss Yao, why don’t you go by yourself?”

Yao Xinrui smiled, took out a bank card from her bag, and handed it over

“Now the only person who can come and go freely by Fu Yechuan’s side without being guarded by him is Miss Ning. If you have this opportunity, just take it out for me. There are half a million in it.

Isn’t money more fragrant than men? If I can tide over the difficulties this time, I will never betray you. I will secretly set up a stock fund in Yao’s for you. No one will ever know about it. You just wait to get dividends every year. “

Ning Yue was startled, she didn’t expect Yao Xinrui to be quite generous in her offer, as soon as she sold it, it was a share.

Indeed, very attractive.

Seeing her being silent, Yao Xinrui was secretly relieved.

I feel that my plan has succeeded.

Hit the snake to hit three inches, and she found Ning Yue’s weakness.

“Sooner or later, Fu Yechuan will get tired of you, and he will just kick you away. He won’t marry you. Marrying

someone who is not in the right family, unless it is true love.

If he marries you, it means declaring He has forgotten Su Nan, how could he allow himself to forget his true love?

He will get married only because of the marriage, and will only find a reason for himself to get married. It’s fine

if a few years of youth are in vain, you still I gave my feelings unilaterally.

Is it really worth it?

Miss Ning, cooperate with me, I can give you more than he can give.”

Yao Xinrui's words seemed to open a gap in front of her . A huge invisible net.

Waiting for her to step in, she can no longer break free.

Ning Yue's gaze became cold and silent.

Slowly, she showed a very subtle smile.

Yao Xinrui's heart skipped a beat.

It was like being pinched in the heart.

Thinking about what I said wrong.

Listening to Ning Yue's warm voice,

"Miss Yao, it's impossible to use me. I didn't plan to have a future with him.

It's just that your appearance today cut off a little bit of my affection for him in time." It's just that I like it.

It's really not about love.

You're right, money is more reliable than men, but I stay by Fu Yechuan's side to make money, isn't it better than you?

The Yao family has been cornered, so why are they talking about shares?

I'm afraid you can't make it come true if you paint a big cake for me? "

Novel Divorce billionaire heiress chapter 2518-Yao Xinrui's complexion gradually became stiff,

"Ning Yue!"

Ning Yue smiled slowly, her eyebrows slightly stretched,

"Do you dare to spread this recording? You are not afraid of hurting me, but you are afraid of revenge from Fu Yechuan and Su Nan." You?"

Yao Xinrui's expression changed suddenly.

He stared at her fiercely.

Ning Yue is much smarter than she thought.

“If I help you, what benefit can I get? Fu Yechuan will kill me, and you are not the kind of person who will repay you. I pushed myself to a corner. Miss Yao, you are right, I have experienced it once

. Marriage should be more sensible than others.

A wise man doesn't fall in love. Since I'm with Fu Yechuan, what's the point of talking about relationships? It's best to only talk about money.

I'll go spend with his card now, and don't spend anything in vain.”

Ning After Yue finished speaking, he let out a long sigh of relief and stood up.

Looking down at the pale-faced Yao Xinrui, she smiled,

“Miss Yao, let me teach you a way, maybe he can make him show mercy.”

Yao Xinrui raised her eyes, tears were evident in her eyes.

But still don't give in.

Ning Yue: “Go and surrender yourself. With this price in exchange for Yao's safety, I think he will forgive me. He is not a bad person.”

Yao Xinrui was shocked “Why should I...”

She didn't say a word After finishing, he suddenly thought of something, and looked at her in disbelief.

“You...he...”

You know it all.

Fu Yechuan must have known it too.

It turned out that he already knew that she did the man-made car accident!

Yao Xinrui suddenly felt chills running down her back.

The body trembled involuntarily.

Ning Yue walked out without saying a word.

She stood at the door, and the sun shone warmly on her body, wrapping her like a gentle embrace.

But now she didn't have the good mood when she came in, her whole body seemed to escape from the ice cellar, it was so cold that the scorching sun couldn't melt her frozen body.

On the opposite side is the building of the Fu Group, a high-rise building that towers into the sky.

At this moment, the steel forest enveloped her in it, making it suffocatingly cold.

She wanted to turn around and leave, to go back to the bar, to go back to the room that really belonged to her.

She is not qualified to ask Fu Yechuan why he could say that, let alone ask him if he likes her a little bit.

It's so disrespectful.

She can't do it.

Ning Yue took a deep breath, the heavy burden on her chest could really kill her.

Without hesitation, she turned around, took a taxi and left.

In the current state, I can't drive by myself, and I don't want to.

Back at the bar, it was probably time for dinner, Xiao Chen took them to eat boxed lunches.

Everyone wore hard hats on their heads, and they talked and laughed while eating.

Xiao Chen was not as delicate as usual, he was sitting down on the steps with an old newspaper under him, devouring it hungrily.

He didn't raise his head until Ning Yue came to him.

He grinned excitedly,

"Oh my God, Mr. Fu is really willing to spend money on you. You can buy a six-figure dress as soon as you say it. Boss, don't forget the rich and the rich!"

Ning Yue couldn't help chuckling. one sound

“I should really give you a salary increase, let you sit here as a manager and eat lunch, it’s so pitiful.”

Xiao Chen said excitedly,

“It must be raised, I can’t eat this lunch for free.”

Ning Yue sighed

“It’s not going to go up anymore, just tighten your belt and live. My wallet will be empty after the renovation is finished.” “

Why, you still have Mr. Fu, did you quarrel?”

“No.” Ning Yue pursed her lips. , I can’t tell what it feels like in my heart.

Loss and disappointment lingered in my heart, and gradually gave birth to a kind of bitterness.

From the beginning to the end, there was nothing around her, only this bar.

What else did Xiao Chen want to ask, the workers over there have already started construction.

He hurried over to look at her, and looked back at her before leaving, “If you want to go in, wear a hard hat, but don’t worry

, I have remodeled your room perfectly!”

No small surprise.

Ning Yue smiled, sat in her original seat, looked at an unopened lunch box in the corner next to her, and took it over.

If you eat too much good food, you will get tired of it. She should have eaten these ordinary things.

Ning Yue picked up the disposable chopsticks next to her and began to eat most of them.

He doesn’t care about his image at all.

He didn’t even care about whether the expensive skirt on his body would get dirty.

What does it matter?

Fu Yechuan has a lot of money.

Seeing the scene at the door, the workers inside were stunned,

“What’s wrong with your boss? Didn’t you eat?”

Xiao Chen turned his head to look over, his expression changed slightly, but he quickly realized

“Leave her alone, she occasionally has convulsions.”

The workers smiled, they were used to Xiao Chen complaining about his beautiful boss, but they also protected her.

after awhile.

Xiao Chen went out, sat beside her, and sighed.

“Is there really a quarrel? Or something happened? If you are really unhappy around Fu Yechuan, then come back. We don’t owe him anything. Gas! Ning

Yue glanced at him sideways, her heart was soft and fuzzy,

“Shouldn’t you let me bear it?” “

“Hold up, it’s not that you are desperate and can’t eat. You are my boss, and the most important thing is that you are happy.” “

Xiao Chen looked at her and smiled, “I just hope that you can come out of your last marriage. Fu Yechuan happens to be the most suitable person, and I didn’t say that you should sell it to him with humiliation.” Ning

Yue lowered her head and ate all the boxed lunch, put the things aside, and sighed,

“It’s not really a matter of making excuses, but I just feel that I need to be more sober.” After finishing speaking ,

the phone rang, and she saw that it was Fu Yechuan’s number, she picked it up in front of Xiao Chen, with a lazy voice, “put—”

Fu

Yechuan was silent for a few seconds, feeling a little helpless,

“Can you be more civilized. “

“I didn’t say fart, who made you think too much?” “

Ning Yue rolled her eyes, and replied without any scruples.

Fu Yechuan laughed lowly on the phone, and he was very tolerant of her, and it sounded like a pampering to outsiders,

“I heard from the servant that you didn’t even have food. Go out after eating? Do you want to come over and I treat you to eat?”

Ning Yue calmly refused, “

No, I just finished eating.” “

“Just finished eating, who are you with? “

Ning Yue looked at the people beside him, “Handsome guys, there are more than a dozen handsome guys. ” “

Fu Yechuan was silent for a few seconds, and immediately noticed her flaw, laughing in a hoarse voice,

“Go to the bar?” There is a reception in the evening, do you want to accompany me to treat it as a relaxation? “

He invited her to his circle for the first time.

Ning Yue paused with her mobile phone, Xiao Chen who was next to her didn’t say what she was trying to persuade her, but she ate a lot of dog food, and now she couldn’t listen anymore, so she patted her butt and left.

She smiled, “Let’s talk again, see if I have time.”
