Novel Divorce billionaire heiress chapter 2519-“Okay, I’ll have someone pick you up then, but why don’t you drive?”

“What?”

“Your car stopped in the parking lot under the company, I thought you were nearby, what are you doing here, why didn’t you drive to the bar?”

He seemed to ask casually.

There are no words to find.

Ning Yue remembered the previous scene, and this moment seemed to be extremely silent.

It took more than a dozen seconds for her slow answer

“Ah, I went to see someone, and then I forgot to drive myself.”

Fu Yechuan couldn’t help but smile, his voice was a little soft

“What kind of person makes you lose your mind so much?”

“Yao Xinrui.”

There was silence on the phone for a moment.

Fu Yechuan smiled, and his voice sank

“What do you see her doing? She didn’t disadvantage you, did she?”

“Of course not, of course she I was a spy, stealing the original contract of the neighboring city project, saying that she would give me the shares of the Yao Group, take dividends every year, oh, and gave me a card of 500,000 yuan.”

Ning Yue said everything in her head, she didn’t have to keep secrets for Yao Xinrui.

Fu Yechuan was silent for a minute.

Listening to the breath, it is estimated that it is a little heavier, and with a bit of mockery.

“She is really generous, she is going bankrupt and repays her shares?”

“No, so I refused without hesitation.”

“You’re not stupid yet.” Fu Yechuan was satisfied with her “worthy of praise.” Ning

Yue tugged at the corners of her lips, “Then how do you praise me?”

Fu Yechuan: “Hey, this is asking me for a gift?”

“Yes, why not?”

“The evening will be the auction, if you fancy me, I will give it to you, right?”

Fu Yechuan’s voice had a gentle smile in it.

Ning Yue laughed loudly, “Fu Yechuan, you wait for the hemorrhage.”

With that, she hung up the phone.

Fu Yechuan looked at the blacked phone, and did not feel angry at all, but had a sense of accomplishment.

It’s like faintly looking forward to tonight’s event.

How can you not look forward to it?

Ning Yue hung up the phone, stood up, and walked in

“Old Xiao, I’m leaving, you’re busy.”

“Boss, you came to have a meal and left?”

Xiao Shen now did not think that she had been wronged by Fu Yechuan.

Just Fu Yechuan’s voice, that tone, don’t spoil too much, okay?

“How else, will I give you a hand?”

The decoration has reached the later stage, and it will be completed in a few days, and the first prototype is actually very amazing, but now she is not in the mood to appreciate it.

But she trusted Xiao Shen.

Ning Yue smiled, and then leisurely turned and left, seemingly with some kind of determination.

She went back to the villa and changed into a more expensive skirt, and then waited for Fu Yechuan's people to pick her up.

Just didn't expect that the person who came to pick her up was Chen Mian.

Chen Mian took the initiative to speak

“Miss Ning, but I took the initiative to pick you up, Fu is always afraid that you are nervous, let me tell you, don't be afraid, you will see something directly in a while, and you don't have to be afraid of saying the wrong thing at the cocktail party, just feel free.”

Although no one dared to offend the female companion that Fu Yechuan brought.

But Fu Yechuan was still worried that Ning Yue would be nervous when he first entered such an occasion.

So let Chen Mian put down the work at hand and go over to take her.

This shows that for Ning Yue, Fu Yechuan is more attentive than Chen Mian thought.

Ning Yue sat on the co-pilot and smiled
indifferently,

“Don't worry, I won't make money, won't I spend money?”

Chen Mian also smiled

“President Fu is just blindly worried, but he is also kind, it is rare that he is so meticulous, Miss Ning don't be polite with him and slaughter him fiercely.”

The corners of Ning Yue's mouth rose
slightly,

“Of course, I won't be polite.”

The two people talked and laughed, and Chen Mian said a lot of good things about Fu Yechuan.

Arrived at the door of the hotel.

Fu Yechuan was waiting at the door.

The people who came and went looked like they were going over to say hello, but his eyes only looked at the road from time to time, as if he was waiting for the car that picked up Ning Yue.

Chen Mian stopped the car and naturally saw the person at the door.

Chen Mian smiled, "Fu is always waiting for you, right?"

He still wanted to say and laugh, but Ning Yue suddenly froze, turned to look at Chen Mian, and asked

'
"Yesterday, did Yao Xinrui go to the Fu Group?"

Chen Mian was suddenly startled and nodded

'
"Yes, how do you know?"

Ning Yue: "I heard."

After her words were said lightly, she directly pushed the door and got out of the car, without dragging mud and water at all.

Chen Mian's heart shook slightly, and he suddenly thought of something, opened his mouth, and couldn't speak.

Because she had already looked at Ning Yue and raised a smile and walked towards Fu Yechuan.

He stretched out his hand, and Ning Yue took Fu Yechuan's arm, and the two tacitly understood like a husband and wife for many years.

Fu Yechuan even reached out to brush the ends of her hair that had been scattered by the wind.

Everything looks beautiful.

But Chen Mian's heart was always filled with apprehension and anxiety, and he always felt that something was wrong.

It was for Fu Yechuan who was uneasy.

He took a deep breath and hurried into the venue.

The

venue was resplendent, and all the celebrities came, and Ning Yue only needed to keep smiling and accept the praise of others.

Fu Yechuan's status naturally did not need to rush to greet others, he dealt with a few people, so he looked sideways at the woman next to him, reached out and squeezed her hand, and turned his head sideways to whisper

"Boring? If you want to eat something, the auction will start in a moment.

Ning Yue immediately let go of her hand, "Then I'll go eat and find me when I'm done."

She said as she headed to the opposite dining area.

But Fu Yechuan suddenly reached out and grabbed her arm, and was a little dissatisfied with her attitude of saying that she would leave, "Angry? It's not that I don't want to accompany you, why don't I accompany you to dinner?"

He thought that if she had exchanged pleasantries with others just now and snubbed Ning Yue, she would be unhappy.

He looked down to coax her with great interest.

Women, a little temper is a very sentimental character.

He feels so now.

Ning Yue glanced back at him, and a smile immediately appeared on her face "I don't need you to accompany me, I don't want to be the focus of others, I secretly eat what no one notices."

She said, reaching out and poking him in the chest, as if flirting, "Don't follow!"

She said and went to the dining area gracefully.

Fu Yechuan's eyes were soaked with a smile, and he watched her standing in the dining area and start choosing food, before he smiled slightly, and turned his head to talk to others.

After Chen Mian came over, he wanted to find an opportunity to talk to Fu Yechuan, but he was always surrounded by people, and he really couldn't find an opportunity.

Finally finding an opportunity to squeeze in, he just opened his mouth and said, "President Fu, Miss Ning knows about Miss Yao's trip to the group yesterday."

Fu Yechuan nodded, seemingly unimpressed, "Probably Yao Xinrui said, they met at noon."

Chen Mian's mouth grew in shock.

So he knew?

Can you still be so calm like this?

Novel Divorce billionaire heiress chapter 2520-Chen Mian was puzzled, and he wanted to say something, but someone next to him came again

“President Fu, I haven’t seen you for a long time...”

Ning Yue ate a few pieces of dessert, and she couldn’t eat it anymore.

With a glass of champagne in her hand, she slowly went to the window and drank it one by one, the more sober she felt.

The window is dark and gentle, and the lights of ten thousand homes are sparsely scattered.

Bland, but beautiful.

Unfortunately, there is no part of her.

Her relationship officially entered the countdown, which was only 24 hours before and after.

Nothing could be faster than her.

There was a sudden sound of high heels next to him.

On the side, is a strange woman, the woman is very beautiful, let people see the gentle beauty at a glance.

That kind of beauty, nobility and elegance is the aura in the bones.

“Hello, you are President Fu’s female companion?”

In a word, she introduced her intentions.

Ning Yue instantly understood, and smiled

“Yes, is there something wrong?”

“I am from the CK Group, my name is Chu Tian, there is a cooperation, I want to know President Fu, can you introduce me?”

The woman spoke extraordinarily, without the slightest mockery and ridicule.

When she looked at Ning Yue, her eyes were clear and serious, and she was drawing light makeup, but she was extremely decent and comfortable.

But it's the same, with that rusty feeling that no one should enter.

It's not too similar to Fu Yechuan.

Ning Yue glanced at Fu Yechuan, who was held by the stars in the distance, and smiled

“I'm not familiar with you, I'm afraid I can't introduce you, but Fu Yechuan has always been very concerned about making money, and if you go directly to him, he won't refuse you.”

The woman was obviously stunned by Ning Yue's straightforwardness, but there was no shock and discomfort, but just smiled faintly.

“Okay, I'm also meeting for the first time, I don't know what President Fu likes, since I heard you say so, I'll try it.”

She nodded politely, then turned around and walked in the direction of Fu Yechuan.

Ning Yue narrowed her eyes and saw from a distance that the two people were in the same frame.

It's a really, good match!

That woman has an excellent sense of distance that makes people unable to catch up.

It seems that only people like Fu Yechuan can be worthy and evenly matched.

Ning Yue drank all the champagne in the cup, and then walked slowly in his direction.

She tried to see the woman take the initiative to show favor, or show the woman's affection for the man.

But she didn't.

She was talking about her company and project in fluent English, and Fu Yechuan also listened solemnly, very solemnly.

The atmosphere of the two people did not seem to be casual pleasantries.

Ning Yue froze, hesitating whether to go over.

Fu Yechuan saw her out of the corner of his eye, subconsciously beckoned to her, stretched out his hand, and apologetically interrupted the woman

“Wait a minute.”

He looked up at Ning Yue and smiled gently
, “Full? Come here.

He took a brochure of promotional materials from a position next to him : “This is an auction item, you go and see what you like first, and we’ll shoot it later.”

Ning Yue took it stunnedly.

The beautiful woman’s gaze had also reached Ning Yue’s face.

That moment.

Ning Yue’s face faintly felt a little hot.

The kind that has no land for self-containment.

Maintaining a semblance of peace, she took the pamphlet and turned to sit down on a nearby sofa.

Fu Yechuan continued to talk to the people next to him.

She looked down at the booklet, the pictures on it were exquisite and gorgeous, but she couldn’t read any of them.

The sound of the conversation between the two people on her back came into her ears, and her thoughts that she couldn’t tell were chaotic.

After spending several years abroad, she understands English.

But she couldn’t understand their conversation, it involved the most professional knowledge in the industry, and the two answered each other like a stream, and the others couldn’t plug in at all.

The words “evenly matched” appeared in Ning Yue’s mind.

The marriage that Fu Yechuan wants should be like this, right?

She slowly breathed a sigh of relief, and in an unknown place, slowly put down something.

Soon.

The auction began.

Fu Yechuan didn't talk to the woman for too long, and took Ning Yue's hand to the auction hall.

The first thing to auction was a jade bracelet, which was in excellent condition, the jade quality was gentle and soft, and it was shining with a faint aura luster, which was a rare and superb product.

The things put out for auction are far more exquisite and shocking than the pictures, and the luxury and exquisiteness are amazing.

Fu Yechuan showed an inevitable look on the side.

"Like it? Photograph it if you like?"

His voice was warm, and his gaze looked at Ning Yue's side face, she was rarely so quiet tonight.

It may be that it is new to an unfamiliar occasion and some are not adaptable.

He should have taken her out for a walk more.

Ning Yue turned her head slightly, just in time to see the beautiful woman Chu Tianzheng sitting not far from Fu Yechuan.

It seems that he also heard Fu Yechuan's words, with some dark and complicated emotions.

She looked over, didn't stop, and smiled shallowly, "Okay."

Fu Yechuan suddenly came to an intense momentum, and he knew that Ning Yue would like this jade bracelet, so he had already made people stare.

But in fact, Ning Yue didn't take a few more looks.

This jade bracelet opensThe price was eight million, and it soon reached fifteen million.

Listening to the rising and falling bidding, Fu Yechuan began to compete.

Everyone looked at him without distress, and there were fewer and fewer bidders.

It was finally auctioned for 22 million.

Fu Yechuan went to see Ning Yue happily, her face was flat, without the slightest joy.

He reached out and took her hand, and said in a low voice

“Don’t be nervous, if you like anything later, I’ll buy it for you.”

His connivance and affection for her seemed to reach an incorrigible point.

Ning Yue smiled perfunctorily and was very cooperative.

If I hadn’t seen Yao Xinrui, if I hadn’t heard the recording.

Probably from today, she will look forward to Fu Yechuan’s future wholeheartedly.

Even stupidly invested in the relationship.

Then sane people will also be destroyed because of a man.

The second thing is a calligraphy and painting.

Of course, Ning Yue did not dare to be interested.

But then, there’s a diamond necklace.

She asked for it.

There is also a primeval forest carved from jade.

She asked for it.

There is also a wood-carved doll.

She asked for it.

One after another, Ning Yue wanted everything that was pleasing to the eye.

Fu Yechuan didn’t ask more, she said yes, he would shoot.

The whole venue was almost silent in the end, and it became their special session.

Everyone showed that the woman who appeared next to Fu Yechuan was even more indifferent to serious and solemn.

After all, Fu Yechuan threw thousands of dollars to please women to like such a thing, except for when he was crazy for love a few years ago, he had not done it.

But who is this woman next to him now?

They don't know the details.

Some people don't go online, let alone know that Ning Yue has been on the Internet for a while.

It's just that it quickly died down.
