Novel Divorce billionaire heiress chapter 2521-It's just that the mystery of this woman has aroused more people's interest.

The auction is over.

Fu Yechuan asked Chen Mian to go over and take the things to the car, and he and Ning Yue went outside first to wait.

He was holding her hand all the way, interlocking his fingers with her.

Such an intimate gesture is more difficult to explain than holding an arm.

But he didn't care about the eyes of others, and he was so indifferent that he didn't care.

"Get in the car first?"

He looked sideways at her, after all, he didn't want her to blow the wind here.

Ning Yue smiled, the people around her tasted light and warm, her voice was low, she smiled and said

"Wait a minute, maybe someone is looking for you?"

Fu Yechuan was stunned, and just as he was about to say something, he heard a woman's voice behind him, gentle and soft.

"President Fu..."

He glanced at Ning Yue meaningfully, and the corners of his mouth unconsciously rose upward, "It's really sour."

His heart seemed to be opened by something, countless fresh air poured in, his emotions were easily fluctuated, but he was unconscious.

I just feel full of joy.

For Chu Tian of the CK Group who caught up, he didn't have much patience.

But the Fu Group's next plan did have the intention to cooperate with CK, so he did not drive people away, and the gentleman calmly watched the woman come over.

Chu Tian looked at him and Ning Yue beside him, and smiled gently and generously,

“Fortunately, there is still time, Mr. Fu, I want you to have a phone call to facilitate contact, and the next business cooperation will be answered by me.”

Fu Yechuan’s performance when he looked at her was as calm as water.

“I’ll let Chen Mian contact you.”

Chu Tian heard his avoidance, glanced at Ning Yue next to him lightly, and smiled slightly,

“It seems that my level is not enough to cooperate directly with President Fu, then I can only ask my father to contact you.”

Fu Yechuan’s eyebrows froze slightly, and when he looked at Chu Tian again, he realized her identity.

It’s just that the thousands of gold of CK Group, personally docking this business cooperation, is somewhat unexpected.

It seems that the adjustment within the CK Group has begun to move.

This was a question that Fu Yechuan thought of instantly.

However, facing Chu Tian, he didn’t ask anything more, just took out a business card from his arms and handed it over

, “It’s not a matter of level, my phone is often busy, and it will be faster to find me through Chen Mian.”

Chu Tian took it with both hands, “Okay, I’ll try.”

She nodded, and then politely bowed her head to Ning Yue, and then walked down the stairs, and got into a luxury car with a clean back.

Fu Yechuan thought for a few seconds and followed her car.

CK’s internal adjustment means that the situation is unstable, and whether this cooperation should continue seems to be debatable.

Ning Yue looked at his side face, angular, the suit was quite clean, he stood in the crowd, always the focus.

“Look what, just catch up with it?”

Her voice was soft, with a bit of mockery.

Fu Yechuan was stunned, and a faint smile appeared in his eyes when he looked down at her.

“Who am I looking at? Haven’t I been watching you all the time?”

He put his hand on her shoulder and tried to get closer to kiss her side of the cheek, but she pushed him away and went straight down.

The driver just arrived at the door.

Ning Yue directly opened the door and got into the car and closed the door.

Fu Yechuan smiled helplessly, this vinegar was really fragrant, he felt that this occasion would be better to come a few more times.

He had to go around the other side and get in the car himself.

Chen Mian happened to have people take out the auctioned things and move them to another car, which was escorted by the auction organizers.

The driver drove in front, raising the baffle.

Ning Yue looked sideways at the traffic outside, the lights flickered, but it was like being in an empty clearing, and there was dead silence around it, and there was no one around.

Fu Yechuan answered the phone and talked about business affairs, but did not notice her changes for a while.

Even if she noticed, she just felt that she was still jealous.

Jealous is good, which shows that she cares more and more about him.

Isn’t that something he’s happy to see?

Jealousy, in the relationship between two people, should be the catalyst for honey and oil.

At least that’s what he thinks.

Hung up.

Just downstairs in a new building.

Ning Yue recognized this place, did a lot of advertising before, the geographical location is superior, the environment is elegant, of course, the price is also high.

Fu Yechuan touched her neck

and “Get off.”

She got out of the car and stood there watching blankly.

Somewhat puzzled.

Fu Yechuan looked at her darkly, took her hand and walked in,

“I didn’t give you any serious gifts yesterday, you used to live in a bar, which will affect sleep, this is what I left for you a long time ago, but it was only delivered recently.”

However, it is naturally convenient for you to live in a villa, but it is not conducive to our two-person world.

Fu Yunche’s little thing is too eye-catching, just look back at him from time to time.

We can stay here alone in the future and go in to see if the decoration inside likes it or not.

He specially looked for famous foreign designers to design, and the drawings alone were changed countless times.

Fu Yechuan’s voice was mellow and rippled in his ears.

People are reluctant to hit him.

Ning Yue was pulled by him

Novel Divorce billionaire heiress chapter 2522-Ning Yue turned around and suddenly hugged his thin waist, with a bit of lazy coquettishness

’,  
“Of course satisfied, there are really more and more advantages that can be discovered in you.”

As soon as Fu Yechuan was about to laugh, Ning Yue let go of his hand, raised his head, and asked seriously

’, “But is this house written in my name?”

Fu Yechuan paused: "My subordinates do it, if you want to write your name, just go through the formalities tomorrow."

He hadn't thought about it that much.

What does it matter whose name it is?

Ning Yue: "Forget it, you don't dare to ask for me for nothing, don't send this kind of movable real estate in the future, it's not easy to discount, just send money directly."

Fu Yechuan was stunned, looked down at her, and chuckled out loud,

"Are you really..., not enough money to spend? Didn't give you a card anymore? Ning

Yue walked into the bedroom indifferently and sat on the bed

"I don't feel at ease with the card you give, and I will still regularly send money to my card in the future, so that the relationship will be simple and burdenless."

Fu Yechuan was originally smiling, but looking at her gaze, his smile gradually froze.

The room was silent for a moment.

He looked at her darkly and deeply, and suddenly smiled again

, "Still because you're not happy tonight? That Chu Tian is just a partner, I didn't say a word to her, you know, why is it so strong? Ning

Yue raised her eyes to look at him, her gaze gentle and calm

"The bar will be decorated in a few days, and it is most suitable for me to live there."

Fu Yechuan's eyes were heavy: "You don't rest well."

"I rest well, sleep on my own turf, and I will sleep well."

Fu Yechuan took a deep breath: "Okay, I'll let people change their name to you tomorrow, and this will be your territory in the future." It

was rare for him to coax a woman in such a gentle tone.

He walked over, sat next to her, put one hand around her waist, kissed her side face gently, his eyes were dark and solemn

"Stop saying anything simple, is our relationship simple?"

He didn't want her to think of their relationship as one of money and transactions.

He put so much energy into it, and it is not something that money transactions can erase.

He will give whatever she wants.

His card was also given to her.

Instead of such a vulgar and powerful relationship as regularly calling money every month.

Ning Yue leaned meekly on his body and sighed softly.

Fu Yechuan was overjoyed in his heart, sensing her change, and just about to breathe a sigh of relief, he heard her say

“Fu Yechuan, have you ever thought about marrying me?”

The voice fell.

Silence reigned back in the room.

Fu Yechuan's body stiffened and did not answer.

Silence is the answer.

Ning Yue smiled, got up from him, stood up and walked out.

Fu Yechuan's heart was empty, and he suddenly walked over and grabbed her

, “Where are you going?”

He noticed that his tone was a little too extreme, and immediately softened

“Yue'er, why did you suddenly think of getting married? Aren't we in a good relationship now?”

Getting married is a big deal, it takes time to think about it, and the procedures are complicated.

I've been divorced twice, and the fact that the marriage was a failure for me doesn't mean anything, and coming this far doesn't mean walking.

Ning Yue sighed, and suddenly felt that her breathing was unbearable.

She couldn't help but sneer, her heart twitched, but she could only act as if she didn't do anything

"Are you painting me a flatbread? I ate Yao Xinrui's today, and I have to eat yours?"

What about you two fooling me like fools?

Fu Yechuan, you are the most capable person, I have seen it.

Fu Yechuan looked at her attitude, his expression slowly condensed and cooled, and his eyes were cold and deep

"Yue'er, what's wrong with you? We weren't together to get married, why did we suddenly bring up this topic?"

What did Yao Xinrui tell you? She's instigating you. The

atmosphere hardened.

He was very keen to see Ning Yue's emotions, which was related to the mention of the name Yao Xinrui.

So intuitively when she mentioned this topic, it was naturally related to Yao Xinrui.

Since it is instigation, then there is no need to worry.

Ning Yue's heartstrings trembled slightly, and he suddenly felt that if Fu Yechuan was gentle, it would really be powerless to resist.

"Instigation or anything else, I was just with you because I didn't have a temporary place to live, and I was a little interested in you."

Now that the bar is about to reopen, our relationship should come to an end.

Since you haven't thought about getting married, I don't have to invest too much, everyone is an adult, so you still have to be sensible.

Her voice was cold, and when she spoke, she looked at him without blinking, without the slightest dodge.

Fu Yechuan's face gradually became

cold "Ning Yue, I'll give you a chance, just as if I haven't heard these words, take these words back."

"Fu Yechuan, don't deceive yourself, how can I take back what I said?"

The two are on par.

One moment ago, I was happy because of the relationship that was gradually getting closer, but at this moment, only alienation and self-preservation remained.

Ning Yue took a deep breath and interrupted their silence.

“That’s it

Novel Divorce billionaire heiress chapter 2523-Because of the one-sided affection, I am insatiable and want more.

She knew it wasn’t fair to him.

But once the vine man in his heart breeds, he can no longer control it.

Even if you draw a knife to cut off the water, you have to interrupt your thoughts.

She can’t hide her mind for the rest of her life.

It is even more impossible to hide his heart and stay by his side.

A living person, a fiery heart, she had to hold on.

Ning Yue took a deep breath and looked at Fu Yechuan’s slightly changed face.

Perhaps he realized how awful and hurtful the words he blurted out were.

A flash of regret flashed in his eyes, staring at her, hoping that she would stop there.

He could feel the oppressive aura that was coming from him, pulling the nerves of his entire body.

Tense, like a prisoner who is unwilling to be sentenced to death.

Her smile was very light, and her tone was indeed as sharp as ever

“

You are right, there is really no need for this, the purpose of my marriage is not to really marry you, but I am unwilling that I am gradually giving affection, and you are still sitting on the fishing platform.”

Fu Yechuan, I will say it for the last time, the end is the end, don't come to me again, if you dare to use means to force me, I will expose you to the media and support me.

Fu Yechuan's face froze fiercely, and his pupils contracted unconsciously.

Stared at her extremely beautiful face in shock, with a bit of jumpiness and wildness.

Ning Yue was not afraid to say such ugly words without the slightest fear,

"I'm not afraid, it doesn't matter if I am scolded for being dishonest.

But for you, for the Fu Group, this is a scandal, a scandal that is more ugly than you marrying a second marriage, it doesn't matter if the net is broken, anyway, I can afford to lose better than you.

After she finished speaking, she turned around and walked out.

Fu Yechuan stood there, his eyes gradually becoming cold and gloomy, and there was a wave of anger flowing in his chest, which seemed to be able to burn his whole person to ashes.

Ning Yue's gentleness and fried hair swept all emotions in an instant.

This woman is never in control.

When he let her come to his side, he thought it was his own wrist, but it was actually her initiative.

Right now, a hollow collapsed in his heart, unable to dominate himself at all.

The house that had been prepared for surprise became a fright.

Fu Yechuan was not in the mood to stay.

Downstairs.

The driver was still waiting there.

Some cramped.

"President Fu, Miss Ning left just now and didn't let me send her."

Fu Yechuan's gaze sank

,"  
"I know, go and see where she goes."

The bar wasn't renovated yet, and it was impossible for her to go back.

Now that I just finished arguing with him, I don't expect to go back to the villa.

Where would that go?

He wrinkled his eyebrows and got into the car, and the driver drove forward in the direction he had just remembered.

Fu Yechuan's mood was very chaotic, because of his gaffe, and also because of Ning Yue's attitude.

Chen Mian's phone called, and he was not in the mood to answer it.

The phone rang twice before he picked it up.

"President Fu, will I send the auctioned things to the villa?"

"Whatever."

Fu Yechuan's voice was rough and he rubbed his forehead.

Listening to his tone, Chen Mian was silent for a moment.

"Did something happen?"

Fu Yechuan did not speak.

Chen Mian seemed to have anticipated this result.

Ever since he received Ning Yue, listening to her ask that question, he had always felt that something was not quite right in his heart.

Now finally a stone has fallen to the ground.

Chen Mian: "At the cocktail party, I want to say that Miss Ning asked me if Miss Yao went to the company yesterday, and I think it was probably what Miss Yao said to Miss Ning that made her something wrong."

Fu Yechuan was in a irritable mood, and his blood surged

"Their words, Ning Yue told me, tell the bank to step up the bankruptcy progress, since they can still take out 500,000 to buy Ning Yue, it means that they still have a lot of money in private, and the accounts are all checked, and the sooner they are prevented from transferring property during this time, the sooner the better."

Chen Mian responded, "Yes, but I don't think you should tell Miss Ning about this."

"Say what?"

Chen Mian: "You forgot, how did you answer the question asked by Miss Yao before leaving?" In case Yao Xinrui left a hand and told Miss Ning about this, where would this put Miss Ning?

Chen Mian's reminder, Fu Yechuan remembered.

His chest shook slightly, as if he had been hit by something.

Then I recalled that Ning Yue suddenly mentioned the matter of marriage for no reason.

Everything seems to be connected by an invisible rope.

The feeling of seeing the clouds.

Fu Yechuan hung up the phone and listened to the driver in front of him excitedly speak

, "I see Miss Ning."

Ning Yue came out from that side and walked out along the road, just walking out of this community.

The security guards around the community naturally have nothing to say.

Walking out along the streetlight, her back was lonely.

The shadow on the ground was pulled by the elder, but the steps were calm and leisurely, without the slightest sadness and heaviness.

It seems that the footsteps are still a little brisk.

The driver drove slowly to Ning Yue's parallel position.

Fu Yechuan knocked on the window, and the car stopped.

Ning Yue raised her head and naturally saw Fu Yechuan's car.

Her gaze glanced out, and then she took it back.

Fu Yechuan took a deep breath, suppressed the emotions in his chest, and spoke in a slow voice,

"Ning Yue, get in the car, it's too dangerous outside, send you first."

Novel Divorce billionaire heiress chapter 2524-When Xiao Chen asked, Ning Yue clicked his tongue,

“Who the hell are

you ?

“

A glimpse of the pitch-black night, without even a single star, is empty like a huge net, making people breathless.

Xiao Chen: “Then I’m damned, living in a place where the air is still leaking? Forget it, go to my place. My boyfriend is away on a business trip and he’s not at home recently.”  
Ning Yue: “Thank you.” That’s what she was

waiting

for After all, Xiao Chen is much more reliable than other men.

After Fu Yechuan calmed down.

I deeply felt that I might have sunk too deep, so I was led by the nose by a woman.

They shouldn’t be like this, although he also enjoys it, but what can strengthen the relationship is marriage.

Can they get to the point of marriage?

cannot.

Fu Yechuan took a deep breath, he never thought that he would marry Ning Yue.

Regardless of the conditions in all aspects, they did not meet his mate selection criteria.

But he couldn’t help but like it in his heart.

Like is the least worth mentioning emotional value, like can not influence his decision.

He has to start with the big picture.

So Fu Yechuan decided to hang her out for a few days.

a week later.

Bars are reopening.

With a new signboard and new decoration, everything is new.

Inside are exquisite and expensive petty bourgeoisie-style furnishings, and everyone who comes here is full of praise.

Xiao Chen combined all the advantages of those famous bars at home and abroad, and transformed this brand new bar with the lowest cost.

Ning Yue was really happy, because her bedroom almost occupied the uppermost floor, and the site of more than 200 square meters was hers alone.

Although it is not as exquisite and expensive as the house Fu Yechuan sent.

But for Ning Yue, it was already a very pleasant surprise.

The study bedroom also has a guest room and lounge, and the private space upstairs is very complete.

There is a “no entry for idlers” sign at the top of the stairs, which is huge and eye-catching.

Xiao Chen also shared excitedly,

“I have seen all the boxes on the second floor with my own eyes. Each box has a different style. The youth style that college students like, the business style that elites like, and the rock fans like. Wait, wait, Boss Ning, we’re going to post it!”

Ning Yue stood downstairs with her mouth closed from ear to ear, looking up.

She nodded approvingly.

That’s right.

She’s going to send it.

The first day the bar opened, they didn’t hype it up, but twice as many people came.

Probably it has been closed for too long, and everyone is suffocated, so everyone waits eagerly for the renovation to be completed.

Ning Yue resumed the previous biological clock pattern.

Sleeping during the day and working at night, everything is slowly on the right track.

Old customers and new customers spread word of mouth, coupled with the chance that Ning Yue became popular on the Internet some time ago, the bar has become a check-in spot for Internet celebrities in the city.

Naturally, she left Fu Yechuan behind.

I just heard that the Yao family was very unlucky. It seemed that from the day after she left Fu Yechuan, the Yao family declared bankruptcy. The bank transferred all the properties in the Yao family's account and it was not enough to fill the loophole, and they owed a whole lot of debt.

Only the Yao family's fixed assets and related interests in the company can be auctioned.

Everyone thought that Fu Yechuan would take the opportunity to take down the Yao family.

After all, Yao's family collapsed, and everyone thought it was Fu Yechuan's handwriting if they didn't say it publicly.

But no one expected that the bank offered a low price during the auction, and no one bid, so the auction was passed.

So I can only wait for a lower price in the next auction.

But Fu Yechuan was not interested in taking over this hot potato.

So the matter of the Yao Group waited for half a month before it was completely dealt with.

From then on, Yao shi completely faded out of everyone's sight.

However, not all members of the Yao family were law-abiding. Yao Lichuan's condition became more serious, and he almost always lived in the intensive care unit of the hospital.

Yao Xinrui disappeared inexplicably, no one could be found, and no one knew where she had gone.

playground.

Su Nan and Shuo Shuo played the roller coaster a few times, and the two screamed excitedly.

With lingering fear in his heart, Xiao Yu'er held an ice cream and raised his head to look at it, then ran up to Shang Qian and sat down in front of Shang Qian, swinging his short legs leisurely.

Shang Qian put a crutch by his hand, although he can now get rid of the crutch, he is no different from an ordinary person.

But because there are so many people in the playground, I am afraid that I will lose my center of gravity when I meet too many people. I feel that it will be safer to hold crutches. At least everyone will stay away from people holding crutches.

With a smile on the corner of his mouth, Shang Qian raised his head and looked in the direction of the distance, seeing people coming and going.

He was wearing a black shirt and black trousers, which made him look elegant and dignified. He was out of place in the noisy crowd, but he exuded a worldly gentleness.

soon.

A woman sneaked up to him, and repeatedly looked at Shang Qian in front of him.

Finally, he mustered up the courage to step forward and ask,

“Excuse me, are you Mr. Shang?”

Shang Qian's eyes turned gentle in an instant, and he scanned the woman in front of him sharply.

He stared at it for a few seconds, then twitched the corner of his mouth,

“You are...”

The other party breathed a sigh of relief, “My surname is Yao.”

Shang Qian nodded, pondering for a moment

“Oh, the eldest lady of the Yao Group that went bankrupt recently, right?”

Mentioning this, Yao Xinrui's expression froze, showing a bit of sternness.

“Mr. Shang, I want to make a deal with you.”

Her eyes were full of calculation and cunning.

If you are desperate, then don't blame her for being rude.

Shang Qian smiled slowly, with a warm and soft voice, but also with a strange indifference that repulsed people thousands of miles away,

"Miss Yao, the Yao family is bankrupt, I'm afraid we have no chance to cooperate." "

Of course not a business cooperation. "

Shang Qian, "In private, I don't have any contact with women, and my wife is very strict."

As he said this, there was a bit of joy in the corners of his brows and eyes, it seemed that once this excuse was used, it would never fail.

Recently, even at the banquet, as long as he wanted to leave, he would use this excuse to ensure that no one would stop him.

Yao Xinrui was stunned for a moment, then took a deep breath,

"It's about Ms. Su, I think the Chamber of Commerce is interested."

She took out a recording pen as she spoke.

"Fu Yechuan, do you deny that we have ever dated because you only have Su Nan in your heart?"

Fu Yechuan "Of course."

A recording ended.

Yao Xinrui watched Shang Qian's reaction with full confidence.

But how could a man be so calm about a woman who misses her so much?

But Shang Qian's face remained motionless, showing no emotion.

Just raising his eyes slightly, his dark eyes were like bottomless cold pools, one glance into them could make people feel that danger was approaching.

Yao Xinrui's heart suddenly skipped a beat.

It's like falling into a bottomless pit, and suddenly there is no bottom.

The little boy next to him widened his eyes, and went over to grab Shang Qian's arm,

“Daddy, there was Mommy’s name just now!”
