Novel Divorce billionaire heiress chapter 2525-Yao Xinrui glanced at the child next to her in shock, she thought it was someone else's child.

Because according to the investigation, Shang Qian has no son, but only one daughter who is loved as the apple of his eye.

Shang Qian patted Xiao Yu'er's head, and gently told him,

"It's ready, the ice cream is about to melt."

He didn't seem to care, and turned his eyes to look at Yao Xinrui again.

The voice is faint, like light smoke,

"What does Miss Yao want to do, I know Mr. Fu's affection for my wife.

But as far as I know, Mr. Fu already has other women by his side, and a new start is just around the corner. "

Yao Xinrui slowly pursed her lips, with a bit of vicious calculation

"This is what he said a few days ago, even if there are other women around him, it doesn't prevent him from thinking about Su Nan, Mr. Shang is also a man, You should know that the heart and body of most men can be separated, right?"

Shang Qian fell silent with a calm expression.

Yao Xinrui thought that what she said was useful, and continued to strike while the iron was hot,

"If Fu Yechuan doesn't give up completely, who knows what will happen, if he gets tired of playing with other women again, he turns to Su Nan and ruins your relationship How disgusting is it?"

Shang Qian looked at her calmly, with a faint smile on his lips, "

So? Is Miss Yao going to give me some good advice?"

Yao Xinrui raised her eyebrows, His eyes flicked around,

"Yes, killing Fu Yechuan will be the end of it all?"

Shang Qian's eyes shrank slightly, as if he was a little surprised by Yao Xinrui's viciousness.

He smiled slowly.

"Kill it? Miss Yao is really joking. In public, I pretend I haven't heard of it.

I'm a legal citizen, and I'm about to get a permanent ID card from country Z, so I don't do anything outrageous.

My father-in-law is going to introduce me to join the party. Don't scare our children by saying these words. "

He slowly touched the head of Xiao Yu'er next to him.

Xiao Yu'er was eating ice cream, he was slightly taken aback, and nodded solemnly.

"Yes, grandpa said not to do bad things, but to be an upright and good person!" Yao

Xinrui rolled her eyes speechlessly.

She took a deep breath, ignored the child's words, and watched Shang Qian continue to say,

"Of course you don't need Mr. Shang to do it. I will do it for you. Anyway, he has a deep hatred for him." It's me, I just need a chance. "

Her gaze was heavy and sharp.

"Opportunity?" what chance? "

Shang Qian seemed to understand but didn't understand, smiling but not smiling.

Yao Xinrui took a step forward and revealed his plan.

Shang Qian listened calmly, without the slightest surprise or shock.

It seemed that he just heard a gossip so lightly Such

a reaction caught Yao Xinrui off guard.

After a long time,

Shang Qian smiled slowly.

“Miss Yao wants to artificially create a car accident, and then use my channel to escape? “

“Yes, among the people I know, only Mr. Shang has this ability. You don't need to be modest, I understand.

If it wasn't for the Yao family's desperation, I wouldn't have asked Mr. Shang here. I wanted to kill him, but I didn't want to drag myself in. I needed a way out for me to leave safely.

It's good for you too, isn't it? “

Yao Xinrui's words were in his ears, full of temptation.

Shang Qian squinted his eyes and looked into the distance.

The shouts of the roller coaster in the distance came one after another.

He still didn't understand that Su Nan and Shuo Shuo Xiaoyou were so in love with each other.

Especially when it comes to children, don't get too excited.

Excited, Shang Qian felt that Yao Xinrui's words fell on deaf ears.

Seeing his absent-minded appearance, Yao Xinrui became anxious immediately.

“Mr. Shang!”

Shang Qian looked over slowly and smiled,

“Okay, I agree to help you, and I will send someone to pick you up at that time, but I hope you can guarantee that you will not reveal your identity, otherwise don't expect me to give you an answer.” You clean up the mess.”

Yao Xinrui looked at him excitedly, and suddenly there was a little excitement in his expression,

“Don't worry, I will never implicate you.”

Shang Qian nodded slightly, and then waved towards the distance .

Two little girls, one big and one small, ran towards here.

His mood suddenly eased.

Yao Xinrui glanced behind, "Then I'll take my leave first."

She left in a hurry.

Fear of being noticed.

She knew that Fu Yechuan's people had been looking for her whereabouts.

Fu Yechuan knew that she was the one who ordered him to be killed, so he would not let himself go.

Yao Xinrui would not be careless enough to bet her life on his kindness.

Was that man merciful?

After walking more than ten meters, she turned her head subconsciously.

Watching Shang Qian stand up and take a handkerchief to wipe Su Nan's sweat in his arms, his brows and eyes are full of gentleness and doting.

Yao Xinrui's eyes were full of envy.

Really envious.

It's so exciting to like it openly.

Yao Xinrui suppressed the restlessness in her heart and quickly got into the crowd.

Su Nan watched the black figure leave, and frowned puzzledly,

"Who is that?"

Xiao Yu'er swung his short legs aside,

"It's a villain."

Su Nan frowned.

Shang Qian smiled, "Yao Xinrui."

Su Nan's eyes widened, "Why is she here?"

Still in the mood to come to the amusement park?

Shang Qian directly told Su Nan what happened just now, without hiding anything.

“You agreed?”

Shang Qian nodded, “If I don’t agree, she will definitely think of other methods, and she will not be able to control it at that time, and there may be real problems.

I will contact Mr. Fu in a while and let him do it in advance. Get ready.

In this way, we can help him.”

Su Nan looked at him with a half-smile, his eyes shifted, his eyebrows and eyes were amazed,

“You help him? Isn’t this the style of our Shang Zong?”

Shang Qian put his arms around her “What’s my

style? I just want to repay him for saving me before. I’m not the one who makes trouble. I wish him happiness more than anyone else!”

Su Nan couldn’t help it . laughed out loud.

Looking at what Shang Qian said with a serious look, it was hard for people to believe it, but he was so sincere that he had to believe it.

The one next to him said that the child was anxiously walking around the two people’s legs, and stretched out his hand towards Shang Qian.

“Daddy, it’s time to hug me!”

Shang Qian smiled, and looked down at the little boy’s face,

“Mommy is tired, hug Mommy first.”

The little fish next to him happily opened his hands,

“I hug you.” You!”

Shang Qian paused, carried Xiao Yuer and moved back,

“You just finished eating ice cream and haven’t washed your hands.”

Xiao Yuer “...”

He remembered to wash it!

---

Fu Group.

Fu Yechuan hung up the phone, his eyes flashed a bit sharp and indifferent.

He didn't expect that Yao Xinrui was so courageous, she didn't give up, she wanted to kill him and run away?

Hehe...

It's just that he owed Shanghu a favor for no reason.

Really annoying!

Novel Divorce billionaire heiress chapter 2526-spare time.

I thought of Ning Yue who hadn't shown up for several days.

She never contacted him once.

Really hard wings.

Fu Yechuan took a deep breath, and threw the phone on the table viciously, his chest hurt from anger.

I wanted to hang her out for a few days, but it didn't work at all?

Look at the time.

It's half past five in the afternoon.

He went out with his phone and coat.

Chen Mian was holding the document and ran into

"Mr. Fu, there will be a video conference in a while, where are you going?"

Fu Yechuan paused, looked at his watch, his eyes were condensed,

"It's half past five, of course I'm off work, Why do you always arrange overtime work for me?"

Chen Mian "..."

Listen, is this what people say?

When do the senior management of the group get off work on time?

Chen Mian almost lived here.

Fu Yechuan turned around without hesitation, "Let's postpone the meeting until tomorrow."

He left directly.

Gone...

Chen Mian stood there with his eyes wide open.

Is this Fu Yechuan?

Although it was not yet seven o'clock in the evening, many people came one after another.

Those who should go to the box all went to the box, and those below all sat in the quiet area and talked.

It doesn't look like a bar anymore.

It's not noisy, it's just that everyone is chatting and drinking, or listening to songs.

Perhaps it was not the time for the bustle, so everyone sat idle.

Xiao Chen and several waiters were busy up and down.

With her back to the door, Ning Yue sat on a chair at the bar, looking at the drink bill after the opening.

I have to say, the more I look at it, the more satisfied I am.

Although the price of drinks has generally increased, but because of the strength of the discount, the price has actually been reduced.

But the bar didn't lose money at all.

She was wearing a dark blue cheongsam, with a graceful and beautiful figure, her hair was loosely pulled up, her eyebrows and eyes were misty, the corners of her mouth were slightly raised, and her demeanor was soft and gentle.

When Fu Yechuan walked in, he immediately saw the prettiest Ning Yue.

His originally calm and somewhat angry heart was suddenly torn by something.

The anger suddenly dissipated.

He came to apologize, yes, say a few nice words to make her come back to him, why not do it?

He'd better apologize, head-to-head is not a problem after all.

Ning Yue is a person who takes soft things but not tough ones.

Fu Yechuan took a deep breath, feeling a little nervous for no reason.

He walked in and approached her slowly.

Ning Yue didn't notice the people behind at all.

Until Fu Yechuan sat on the chair next to him, he said in a deep voice,

“cough cough...”

The original words of apology came to his lips, but for some reason it turned into a cough.

He sat there awkwardly.

But it also managed to attract Ning Yue's attention.

Ning Yue frowned slightly when she saw him, but she was not surprised, as if seeing a stranger.

He was a little annoyed, “Is this how Boss Ning treats customers?”

“This is the price for ordinary customers, please recharge, starting from 300,000...”

Ning Yue said casually that she wanted to send him away.

After all, Fu Yechuan is not a person who can be slaughtered by others.

The result is a few seconds later.

Hearing the notification tone of the WeChat account “300,000 yuan...”

Ning Yue turned her head and said, “Are you crazy?”

Fu Yechuan stretched out a hand to press the back of her chair, and shook it lightly.

The chair turns accordingly.

She turned from facing away from him to facing him.

Movement is smooth and steady.

Fu Yechuan looked at her with a half-smile, and his voice was low and hoarse,

“Now, can you let Boss Ning talk to me properly?”

His eyes were deep, as boundless as the ocean.

Ning Yue paused, crossed her arms with her hands, and looked at him indifferently,

“Say what you have to say, but don’t do anything to drop the price.”

Fu Yechuan smiled, “Are you still angry? The things you bought at the auction are still worthless.” I didn’t take a look at it, I asked Chen Mian to bring it to you? Where should it be placed in your bar? Treat it as an opening gift from me.” He acted nonchalantly, as if nothing had happened between

them That quarrel.

Ning Yue glanced at him carefully,

“Boss Fu, did you take the wrong medicine?”

She didn’t want to quarrel here and affect her business.

But I really don’t understand the brain circuit of this man.

Fu Yechuan’s smile froze, and he reached out to pat her head.

In the end, she still hid.

Fu Yechuan felt like a big rock was hanging in his heart, precariously,

“Yue’er, don’t be angry with me, can’t we have a good time together?”

I have settled the Yao family, and Yao Xinrui will never appear in front of you again.

If you want to disclose our relationship, I have no objection, I’m just afraid that you will be hurt. “

After all, disclosing their relationship will have far less impact on Fu’s group than on Ning Yue. It’s

perfectly normal for a person like Fu Yechuan to have a few confidante around him.

But if it's Ning Yue, everyone's Conflicts will always be aimed at her.

This is the first time that Fu Yechuan coaxed people in such a humble way.

There was no threat or temptation.

Ning Yue was indeed in a daze, and was silent for a while.

Is marriage important?

She doesn't care, but is a little afraid.

But she does care It's her feelings that deserve it Feelings are not equal.

She raised her head lightly, her eyes full of lustre,

"Fu Yechuan, do you like me?"

Fu Yechuan was taken aback for a moment, and smiled calmly,

"I don't like you, why do you keep looking for you again and again?"

It's someone else, but Without your temper, I don't have the patience.

Yue'er, don't be angry, go back with me?"

Ning Yue lowered her eyes, and her heart softened somewhere.

It seemed that a voice was telling her, forget it, it is not easy for him to do this step, why should he be too demanding?

In fact, the game of life is also a good experience.

He still likes her.

It's just that her feelings were not wasted.

Ning Yue pondered for a moment, "You go back first, I have to think about it carefully."

Fu Yechuan paused for a moment, his goal was not achieved, so he naturally refused to leave so easily.

He smiled, touched her face with one hand, squeezed it lightly, and said with a bit of sarcasm,

“Will you take me upstairs to visit your new bedroom?”

Ning Yue raised her eyes and glared at him.

“No time.”

Fu Yechuan had already sorted out a picture and stood up.

“No time, then I’ll go up and visit by myself.”

He said, and walked up the stairs.

When I reached the second floor, I heard the sound of high heels coming from behind.

Fu Yechuan couldn’t help laughing.

Ning Yue took a deep breath, and whispered from behind,

“Go to the second floor first, and go upstairs from the back of the second floor, so that no one can see you.”

If you go directly to the top floor like this, wouldn’t it be easy to be noticed?

A man and a woman went up, which inevitably made people guess.

Fu Yechuan obediently went to the second floor, walked through the corridor on the second floor, and there was a staircase on the right to go up.

In the eyes of outsiders, they just went to the box.
