Novel Divorce billionaire heiress chapter 2527-As soon as Fu Yechuan went upstairs, he was stunned when he saw the brand-new furniture.

Even a little silent.

It is more than a little bit stronger than before. Several bedrooms are designed to be spacious and bright, and even the outside decorations are unique.

Moreover, the ground upstairs has been treated with sound insulation. Once standing on it, it is almost divided into two floors from the space downstairs.

Fu Yechuan watched the master bedroom go in, the sound insulation effect was even better, and it didn't affect sleep at all.

He seemed disappointed and distressed.

Ning Yue stood on the top, "Look, go down after reading it."

Fu Yechuan was silent, and looked up at her,

"Will you consider what I said?"

Ning Yue wanted to dismiss him quickly, nodding her head perfunctorily.

Fu Yechuan went to the small balcony of the bedroom and sat there in the rocking chair.

Ning Yue "..."

The man said without changing his face, "Then you think about it, and follow me when you're done thinking about it, and I'll wait for you here if you don't think about it." "

Are you playing a scoundrel?"

Ning Yue looked at it in disbelief. with him.

Fu Yechuan raised his eyebrows and sat there fearlessly.

The sharp-edged face showed a bit of warmth, but it was also casual.

Ning Yue couldn't help laughing angrily.

She turned around and left, not wanting to continue entangled with him here.

Anyway, after a while he felt bored and should leave.

The night was getting darker, and there were more and more people. Some people began to order songs, and the musicians sang slow ballads to enter a new night.

Ning Yue sorted out her mood and went down to greet the guests.

It's almost nine o'clock.

It is estimated that Fu Yechuan should have left.

She was humming a song and sitting on the bar counter sorting out her drinks. A man who had drunk too much wobbled up to her, “

Boss, have another glass of brandy.”

Ning Yue took a look and smiled, “Next time, you Have you drunk enough, and I will ask your companion to take you back?” It

is very common for people to drink too much in bars.

Of course, there are quite a few people making trouble, but Xiao Chen has a bit of kung fu, so he is not afraid of making trouble.

What's more, the current monitoring is 360 degrees without dead ends.

The man put one hand on Ning Yue's shoulder, and said with some force,

“Don't worry, have a drink, and I'll leave after drinking.”

Ning Yue was helpless, and was about to pour him a glass with a slightly lower alcohol content, but suddenly heard Howl.

She turned her head sharply.

Looking at Fu Yechuan pinching that person's hand with cold eyes, there was a bit of fierce anger.

The man broke out in cold sweat from the pain.

Ning Yue quickly went up to stop him, “Fu Yechuan, let go.”

“He drank too much and played hooliganism, don't you feel it?”

Those dirty hands were placed on Ning Yue's shoulders, and it was an eyesore for him to look at.

His people can be touched by others?

“He didn’t do it on purpose.”

Ning Yue was helpless, the man just drank too much, so he touched him casually without touching him.

What’s more, it’s an old customer, how could it be possible to fall out because of this?

Fu Yechuan gritted his teeth and squeezed hard before letting go.

But that one was enough to wake up the man completely.

The man was dripping with cold sweat from the pain, Ning Yue calmed down,

“Okay, don’t make a fuss.”

Ning Yue frowned.

The man didn’t dare to care too much, and ran away in a hurry.

Fu Yechuan stared at him coldly for a few seconds before looking back.

“I’ve helped you get rid of the hooligans for the second time. There are quite a few people like this in the bar, and I don’t think it’s interesting.”

Ning Yue rolled her eyes speechlessly

, “You think it’s boring, but I think it’s interesting. You drove it, you have to worry too much.”

Fu Yechuan stared at her blankly for a few seconds, then said “no conscience” and turned to leave.

Ning Yue looked at his back and chuckled lightly.

The gas is quite big.

As soon as Fu Yechuan went out, he saw the man tremblingly calling his companion to come out.

He walked over, grabbed the man by the collar and walked forward without hesitation, turned into the alley in front, and threw it against the wall.

Before the other party had time to beg for mercy, the wildness in Fu Yechuan’s bones couldn’t bear it anymore.

He kicked over, and the opponent curled up on the ground in pain.

Fu Yechuan's gaze was fierce and indifferent.

"Take advantage of her, don't you think she can't see it, can't I see it too?"

He put one hand on Ning Yue's shoulder, while the other secretly touched her front.

If he hadn't appeared in time, I'm afraid this bastard would have pretended to meet "accidentally", and that idiot Ning Yue would not have discovered this man's dirty mind.

Before the other party could speak, Fu Yechuan pressed his head against the wall with one hand, his movements were fierce and merciless.

He approached the man, as if to let him see who he was.

"Remember, if you dare to touch my woman again, I'll kill you."

He gritted his teeth and punched his lower abdomen, the pain was in the dark, but there was absolutely no trace left.

The other party snorted, and looked at Fu Yechuan sadly, as if he recognized who this person was.

It's just more can't believe it.

Fu Yechuan shook his arms, stood up, walked out from the dark, and returned to the bar.

He just didn't want Ning Yue to see anything bad, he just didn't want to make her situation unpleasant.

He felt that he had become very caring.

Ning Yue did not expect Fu Yechuan to go back and forth.

She also sang a song with the musicians on stage.

Mainly for the atmosphere.

She was playing the guitar in her hand, and when she saw him, she almost played a wrong note.

In the end, Liao Liao hurriedly came down and looked at Fu Yechuan standing inside the bar, where the bartender was originally standing.

Bartending guests.

The guests in front of me are all young girls.

He stared obsessively at the man in front of him.

Fu Yechuan frowned calmly, finished mixing three glasses of wine, and pushed them in front of them.

Just as one of them was about to be picked up, Fu Yechuan paused, pointing his finger on the table.

“Wait a minute.”

They looked at him excitedly.

Fu Yechuan said lightly, “Pay the money first, since you are young and afraid of repaying your bills.”

The atmosphere of admiration just now was swept away in an instant.

The three girls sat there embarrassed and annoyed.

“Handsome guy, don’t you buy us a drink?”

One of the cute ones held his face in his hands and looked at him with fiery eyes.

Fu Yechuan glanced lightly, expressionless,

“I’m sorry, please pay first.”

The three of them looked at each other in embarrassment.

One of them scanned the QR code, rolled his eyes at Fu Yechuan speechlessly, then left with a drink.

The other two didn’t give up, and one of them asked coquettishly,

“Handsome guy, do you have a girlfriend?” Fu Yechuan said, “

My son almost has a girlfriend .” The words made the remaining two girls successfully dispel the idea of flirting with him. Money, money. Never leave money. The temperament of a domineering president in him is all pretending? What a disappointment!

Novel Divorce billionaire heiress chapter 2528-Ning Yue couldn't help laughing, and walked over, clutching her stomach.

"Boss Fu, when did you learn how to mix wine?"

Fu Yechuan sat there, very irritable, but he had to endure it.

Hearing what she said, he could only tell the truth,

"No, it's a mess, anyway, no one can taste what it is after random blending? Those people obviously don't understand wine."

Ganqing thinks that the little girl is easy to fool?

Fu Yechuan mixed another glass and handed it over,

"I'll buy you for free."

Ning Yue had a half-smile, "Didn't Mr. Fu forget whose site this is?"

"Your site, the wine I mixed, can't buy you a drink?"

He said it as a matter of course.

I really don't blush!

Ning Yue couldn't help being speechless.

"Boss Fu, it's fortunate that you have a good background."

"Otherwise?"

"I was beaten to death a long time ago."

Hearing what she said, Fu Yechuan couldn't help laughing.

It's rare for two people to be so peaceful.

This was the first time he spoke as if nothing had happened after the quarrel, which was much better than the diaphragm in the stiff atmosphere just now.

As Ning Yue said so, she still picked up the glass of wine, took a sip, and then spit it back in an instant.

“How much lemonade did you put in?”

Or from concentrate.

Fu Yechuan narrowed his eyes and looked at the bottle in front of him,

“It’s half a bottle.”

Ning Yue “...”

She got to know Fu Yechuan again, outside of his career, he accomplished nothing.

Ning Yue drove him out of the bar.

Fu Yechuan was quite reluctant.

After all, sitting in it can stay without spending money, which is justifiable.

“Why are you back?”

“Oh, I’m still waiting for you to think about it.”

“You really...” Ning Yue couldn’t laugh or cry.

Ning Yue didn’t pay much attention to him all night.

But in the end, he went back with him.

It’s not reconciliation, but forget it.

She also thought it through.

For the rest of your life, live in a daze.

As long as you don’t expect anything, you won’t be disappointed.

Wait until she meets true love, wait until he meets a suitable marriage partner.

Naturally, they also separated.

In the current state, she seems a little unwilling to let go like this.

Unwilling to let my feelings go to waste like this.

She should leave when she doesn't like him anymore.

You should wait until the relationship gradually wears off before breaking up.

Fu Yechuan was very happy, and there was a large bouquet of flowers in the back of the car, which was so charming.

Ning Yue saw it, and just smiled,

"Why, it's the old woman selling flowers again, so you bought it by chance?"

Fu Yechuan glanced at her, pinched her face,

"I bought it specially for you, okay?"

Originally, I wanted to find an excuse to get around, but judging from her tone, she didn't seem very happy.

Simply, don't take face.

Wouldn't it be more favorable to admit your intentions?

What's more, he found that she should hate hiding things.

Ning Yue smiled and said nothing, but she seemed very satisfied with the answer.

Fu Yechuan kept silent about the apartment prepared for her. After all, he had bad memories from the beginning, and he didn't even want to go there.

So they went straight to the villa.

When Ning Yue got out of the car, the lights in the villa were still on so late.

Fu Yechuan took her hand and went in,

"Are you hungry, can someone prepare something for you?"

Ning Yue said, "Forget it, don't bother, I'm not too hungry."

Fu Yechuan didn't even bother to eat anything at first.

Calmly go upstairs to deal with business.

Ning Yue came out of the shower, only to find that he had already washed it in the guest room, and now she was holding a mobile phone to make a call on the balcony, with a deep and pleasant voice.

As soon as she lay down, the people behind her came up.

He fumbled and kissed her face.

The two had an in-depth exchange, and when Ning Yue was half asleep, Fu Yechuan suddenly woke her up again.

“Yue’er, I want to ask you a question.”

“Say.”

“What do you like about me?”

His words were calm, with a little expectation.

He has to know what she likes about him, and continue to maintain and develop it in the future, so that the relationship can last longer.

Ning Yue closed her eyes and was sleepy, not knowing what illness he had again.

She didn’t want to answer at all, but he looked like he wouldn’t give up until he heard the answer.

She could only seriously think about it, and replied,

“Perhaps your melancholy soul has attracted me deeply?”

Fu Yechuan “...”

What the fuck is he talking about?

——The

two have just reconciled.

Fu Yechuan paid special attention to Ning Yue’s mood.

Put the prepared real estate certificate on the table early in the morning, and then go to work.

Didn’t dare to disturb her sleep.

When Ning Yue got up, she saw the certificate on the table and picked it up to have a look.

paused.

The name of the house was changed so quickly to her alone.

Fu Yechuan's move was really generous.

The geographical location is superior, so you don't have to think about what it will look like in a few years.

She found a drawer and put it away.

Not that lucky to live.

The last few days.

Her temper has completely subsided, and she will never blackmail Fu Yechuan with any marriage or relationship.

From time to time, she would prepare some small gifts for him.

Such a change made Fu Yechuan even a little flattered shock.

He was completely relieved.

Fu Group's recent tentative contact with ck is almost over.

The internal adjustment of the ck group is also roughly understood.

The old chairman wanted to train new people to succeed him, and the first candidate was naturally his precious daughter Chutian.

But Chu Tian studied art abroad, and was more interested in playing the piano and dancing.

Although she has entered the group now, there are still many doubts about her ability.

Therefore, she attaches great importance to cooperating with the Fu Group on this project.

In this way, Fu Yechuan naturally didn't worry that they would get in the way.

Chutian came several times, but Fu Yechuan didn't see him every time.

But it's not good to not show your side.

Fortunately, Chutian attaches great importance to cooperation so that everyone will not feel that they have ulterior motives.

Chen Mian also went to receive the reception in person, and the sincerity of the Fu Group is quite grand.

When the cooperation was finalized, Fu Yechuan also attended the related banquet.

Many details were also discussed at the banquet.

To his surprise, CK's old director placed great expectations on this daughter, so he gave her a lot of power, so he was able to discuss some details with a final decision without repeating.

It's just that his impression of Chutian was mediocre.

If you are too soft-tempered, you will be suppressed sooner or later.

Her abilities are mediocre, not even as good as Yao Xinrui's swiftness, shrewdness and ability.

However, this cooperation is beneficial to Fu's Group, and her character of not getting sidetracked really promoted the cooperation.

Everyone drank a lot of wine at the banquet.

When it was over, Fu Yechuan was waiting for the driver on the side of the road.

When the wind blows, most of the alcohol is gone.

Chu Tian didn't know when he arrived by his side, Shu Lang smiled,

"Boss Fu, I hope we have a happy cooperation this time."

Fu Yechuan turned his head and nodded lightly,

"Send you off?"

Novel Divorce billionaire heiress chapter 2529-"No, the driver will pick me up."

Chu Tian smiled.

It's not that she can't hear his politeness, and it's not sincere, so how could she rush forward?

Fu Yechuan nodded slightly.

The whole person gives people the impression of being cold, indifferent, and so gloomy that strangers should not enter.

But last time she clearly saw him smiling warmly at the woman beside him.

It's not an illusion.

Chu Tian remembered what his father said, she is not suitable for business, now that he is alive, he can support her for a while.

But in the future when he died, Chu Tian would not be able to completely control CK.

So she needs a confidant, to be precise, a husband who can help her in her career.

Supporting her ck, no one dares to covet her.

Fu Yechuan was the best choice.

She doesn't covet his feelings, and she doesn't care how many women are around him.

She just felt that this deal was a good deal.

It's just that her father told her to think carefully and be careful.

After all, the lessons learned by the Yao family are still vivid in my memory.

Of course she wouldn't be that stupid.

The two stood together without speaking, waiting for their respective drivers.

It was Chutian's driver who came first.

Out of being a gentleman and being polite, Fu Yechuan went over and opened the car door for her.

Chu Tianke thanked him gently, and bent down to get into the car.

It's just that the hem of the skirt was too long, and it got stuck in the crack of the door.

She was about to bend down, but Fu Yechuan lowered his head and dragged her out.

The profile of the man under the light was extraordinarily tough and silent, as wild and restrained as if carved out of it.

For some reason, Chu Tian's heart flickered, and he seemed to have a different feeling.

It seemed that he saw the way Fu Yechuan smiled at Ning Yue who was beside him that day.

She nodded lightly and thanked politely.

Fu Yechuan didn't say anything, just closed the door, and then took a step back.

Just when Fu Yechuan's driver arrived, he turned around and got into his car.

The moon and stars are rare.

In a calm night, something unsettling is brewing.

The photos of Fu Yechuan dating a beautiful woman at the entrance of the hotel and helping her to lift her skirt were exposed.

Even though no one dared to offend Fu Yechuan.

But no one wants to give up this eye-catching hot spot.

So the news headlines the next morning were almost all about Fu Yechuan's girlfriend.

Is the person who can let Fu Yechuan carry the bag, is this woman carrying the skirt?

Although the photos taken by passers-by did not fully capture the two people clearly.

But under the dim street lights, the luxury cars, beauties, exquisite dresses and perfect makeup seemed to have a special sense of atmosphere.

Fu Yechuan's aura was still cold and sharp.

The more cold he is, the more down-to-earth he is doing things, there is a completely opposite sense of screaming.

The photo is casual yet charming.

It's more like the infinite reverie after feasting and feasting, and the attraction behind that kind of luxury is even better.

So "Fu Yechuan's Best C" became popular on the Internet.

Later, it was revealed that this beautiful and mysterious woman was the daughter of a certain company, and she came to discuss cooperation.

The more understatement this kind of explanation is, the more it can arouse everyone's curiosity and misinterpretation.

The family is right, a man is a man and a woman is beautiful.

It just doesn't fit too well.

Fu Group.

Fu Yechuan watched silently as a group of trolls on the Internet speculated infinitely about his personal affairs.

It has already started to cool down the platform, but not so fast.

If it is an ordinary person, he can ask the company to issue a statement to clarify the relationship between the two people.

But Chutian is currently the person ck is cooperating with them.

Once it is cleared up, it will cause doubts about the cooperation between the two parties and distort the relationship, and people will make a big fuss, which will affect the cooperation between the two parties.

So tricky.

Chen Mian came in with coffee and looked at the ugly Fu Yechuan.

No surprise at all.

During this time, everyone paid extra attention to his personal feelings.

I'm afraid it's also an omen.

"Boss Fu, the heat has started to drop. After two hours, the related vocabulary will be blocked, and then it will be quiet."

Fu Yechuan helped his forehead, and threw the document in front of him on the table fiercely,

"What's going on, that's Who took the photo? Which media?"

Chen Mian paused, then glanced at him,

"It wasn't taken by a reporter, but by two college students passing by. They took pictures of you and posted them on the Internet after seeing your beauty. I didn't expect it to become popular. , was led by the relevant media.

We have already warned the media that forwarded it. These two students... We also warned the school, but it is really not good to be too serious. They wrote a letter of apology by hand, and this is the only way to go .”

If you are a social person, it's easy to deal with.

But the students didn't do it out of malice, and they didn't know that it would cause such a big disturbance.

After the incident happened, I regretted it and cried so much at school.

The school also interceded for the two children, and we couldn't pursue it seriously. We just reminded a few words to pay attention and left.

There is no need to deal with the rest.

Fu Yechuan took a deep breath and endured it forcefully.

There was a moment of silence.

He just asked, “It has nothing to do with ck, right ?

“

When I was born, Ms. Chu asked ck's public relations department to contact me and asked if I wanted to clarify it all at once, and she said that she would fully cooperate. Fu

Yechuan nodded, and his expression gradually calmed down.

Chen Mian, “We have discussed it here, and there are two plans. The first one is to wait for the heat to drop, and the two parties jointly issue a statement to clarify that it is just a gathering of friends.

The second plan...”

He paused.

Fu Yechuan raised his eyes, his gaze was serious, and

said with a bit of impatience. “

“The second plan is based on the premise of this cooperation. The public relations department found that the online evaluation of you and Miss Chu is very high, and they are very optimistic.

If we can take advantage of this small heat and make the cooperation public before the cooperation is announced, it may be a good opportunity to get more attention. “

Chen Mian didn't say the rest of the words.

Isn't it just to fire c?

It's just that they don't need to open business, don't need to explain, don't need to do anything.

Just keep silent.

This is the result of the discussion by the public relations department.

Chen Mian disagreed.

He felt that Fu Yechuan would not agree either.

After all, Fu Yechuan and Miss Ning are still together...

“Just the second option. “

Fu Yechuan spoke suddenly.

Chen Mian's eyes widened suddenly.

Some couldn't believe it.

Did he hear correctly?

Fu Yechuan's face was gloomy, and he seemed to be calculating and thinking,

“This cooperation can't be cold. In the future, we need to further develop with CK. If we get rid of it now, we will be passive. “

Chen Mian was silent, and was about to say “but...” “

Besides, do I need to issue a statement to clarify everyone who is in the same frame as me?”

Fu Yechuan's tone became cold.

He obviously took his anger out on the people watching the fun on the Internet.

Since he can't watch the excitement for nothing, he will start cutting leeks.

Chen Mian nodded, “Okay, Mr. Fu.”

Fu Yechuan's decision was based on the company's overall situation, and there was no criticism at all.

until the afternoon.

Hot searches gradually lost their popularity.

Everyone's interest in eating melons has gradually disappeared.

But when everyone calmed down.

Fushi Group and ck jointly launched the focus of this cooperation.

For a while, everyone fired up c again.

Not only that.

Everyone also made up a lot of romantic essays for them, and some returned wedding photos.

However, neither party responded to the relationship.

But online speculation is in full swing.

Not only that, but the stock prices of Fu Group and CK have risen very beautifully.

The final result of this matter is that the capitalists have a lot of money.

Everyone in the Fu Group was filled with joy and joy, wishing that Fu Yechuan would marry that Chutian immediately.

Fu Yechuan didn't have much emotion.

Although he won this battle, he felt a little awkward in his heart.

Even took a breath.

Unspeakably uneasy.

Look at the time.

It's half past five.

It's time to get off work.

Fu Yechuan took his things and left.

Chen Mian is not surprised by this.

on the car.

Fu Yechuan called the servant, intending to ask about Ning Yue's situation in advance.

I wonder if she is at home?

Or go to the bar to find her first?

He finally understood the source of his inner unease.

Isn't it Ning Yue?

There was only a quarrel a few days ago, and now he has chosen the second plan in a fit of anger, she will definitely misunderstand when she sees it.

He had to go back and explain it to her sooner.

The servant picked it up,

"Miss Ning? Oh, she left at noon, she didn't look unhappy, she was still humming, and she was in a good mood. She

said she was going to the bar first, oh, and told us not to cook steak at night, because You don't like food."

Fu Yechuan almost raised his eyebrows when he heard that.

This is Ning Yue?

It's just a servant's vivid description, not like a lie.

High probability is true.

Fu Yechuan's heart suddenly became less uneasy, and he smiled slowly.

She understands him.

Their feelings can withstand any test.

See, she won't be jealous at all because of this little gossip.

What a generous and considerate girl she is.

If Yao Xinrui hadn't provoked her last time, she probably wouldn't have quarreled with him.

It was Yao Xinrui who was wrong, not Ning Yue!

Fu Yechuan took a deep breath and immediately felt refreshed.

He felt that he could go back to the company and work overtime for a few hours.

But the driver already understood and drove in the direction of the bar.

And it was in a hurry.

It seems to be... anxious for him.

Fu Yechuan "..."

arrived at the bar.

There were not many people in the bar.

Slowly the cello music sounds smooth and low.

Very beautiful.

Today is different.

A mahjong table was placed on the side, and several people are playing mahjong right now.

One of them is Ning Yue.

Ning Yue's movements were agile, and her smile was simply pleasant.

One of the people next to him was Xiao Chen, the other was a bar musician, and the other was a regular customer.

Xiao Chen looked at Ning Yue with sympathy from time to time.

They were all glared back by Ning Yue.

But the regular customer and the musician were unaware.

The old customer is a well-known media person who often comes to the bar for entertainment, so he is also familiar with Ning Yue.

She touched the mahjong while answering the phone. She couldn't help laughing. After hanging up the phone, she shared today's events with them,

"Have you heard about today's hot search?

The matter of Fu Yechuan and that Miss Chu, tsk tsk, probably two people It's true."

Ning Yue directly shot out the nine barrels,

"That's great, the two look so good together, even idol dramas can't shoot this kind of atmosphere, it's so beautiful."

She couldn't help admiring, thinking about it That photo doesn't really look like the Fu dog she knew anymore.

People die like dogs.

Fu Yechuan, who was walking to the door, froze immediately when he heard this.

He didn't go in immediately, and couldn't tell what it was like in his heart.

The musician opposite Xiao Chen also smiled,

"That's right, I also think it's a good match, a man with a talent and a woman's appearance, a match made in heaven.

Speaking of which, Mr. Fu has been to the bar a few times before, why don't we ask him next time if it's real?" ?"

Ning Yue couldn't help laughing,

"Why, you still want to prepare red envelopes?"

“Boss, how can people value my little money, so I’ll ask, how did you manage to catch such a beautiful girl!”

The media person next to him said, “What do you need to say? Who is looking for someone? Maybe these two people have been in private contact for a long time. Even if they have already

registered and married abroad, I believe that it is not impossible.

Two people The marriage of a group, there are too many interests involved, it is impossible to announce it easily. If it is

handled well, it is a strong alliance. If it is not handled well, it can only be hidden.”

Ning Yue didn’t know if it was right, she looked like she was out of the matter . She curled her lips,

“Fu Yechuan is really discerning, Ms. Chu’sThe temperament is really better than all the women before him, even I think it is so beautiful. She

shook her head, as if she was really regretful.

Xiao Chen was stunned, and Ning Yue immediately hit him,

“It’s all the same, it’s muddled!” Hahahahaha..”

Xiao Chen “Can you still laugh?

Ning Yue glared at him, “Why can’t I laugh? ” “

Media person” Yes, why can’t she laugh? Mr. Fu doesn’t come here often? If you are really married, you have to tell me the gossip. “

” Don’t worry, does it need to be said? Isn’t this a logical thing?

If I were Fu Yechuan, I would also marry someone like Miss Chu! “

Ning Yue said as if nothing had happened, and collected the ten yuan she won by the way.

Everyone couldn’t help teasing her about this guessing game, and the money was collected too quickly.

It’s just that there are too many people, and it is inconvenient to continue playing.

Xiao Chen stood He got up and was about to put away his things.

But when he looked up, he saw Fu Yechuan standing at the door with a gloomy expression, wondering what he was thinking.

He was startled, and quickly said,

“Boss Fu, when did you come?”

Hearing the movement, Ning

Yue and the others also looked back.

The media people said in shock, “My God, Mr. Fu really likes to play in bars!” “

Ning Yue smiled perfunctorily.

Fu Yechuan glanced coldly at the media person.

Noticing his talkativeness, the media person immediately shut up.

Fu Yechuan glanced at Ning Yue, and immediately walked upstairs

“Box, I have an appointment. “

Ning Yue breathed a sigh of relief, for fear that he would appear to be familiar with him in front of everyone.

“Look, Boss Fu is still taking care of social affairs after work, he’s not here to play!”

The musician believed it, and nodded in agreement.

Ning Yue looked at Xiao Chen, “Send two fruit plates to Mr. Fu and his friends.”
