Novel Divorce billionaire heiress chapter 2539-But it is also comfortable to be able to take this opportunity to vent your breath.

Ning Yue never dreamed that the two of them would have a day when they could poke each other's backs.

I don't even know who to blame.

Fu Yechuan's whole body was tense, the veins on his forehead were bulging, his fists were clenched tightly, and he tried his best to restrain his emotions.

Her words were like sparks one by one, igniting the explosive points in his heart.

Perhaps he has long been aware of this dark side, but unfortunately no one dared to expose his ugliness in front of him.

But Ning Yue has no scruples.

Ning Yue crossed her hands and looked at him with a sarcasm,

"I hit it right, Fu Yechuan, admit it, you have no heart, so I don't care who you fall in love with at all, I only care about what I have. There is no 'being mistress'!"

Her tone was cold, so clear that no one could feel any room for it.

"Have you said enough? You didn't ask me what happened today, just because of a piece of information, you said these words to provoke me?"

You yourself are not qualified to be a girlfriend!"

Fu Yechuan's chest Furious and angry, he suddenly stretched out his hand, wanting to touch her, but suddenly stopped in mid-air, and shook his fist.

But at that moment, Ning Yue's face suddenly darkened.

This action looked more like he was trying to slap her with his hands.

She opened his hand suddenly, and stared at him with a cold face,

"You still want to do it?"

Ning Yue sneered, she couldn't be suppressed by a man's power.

She had already formed a stereotype in her heart about the domestic violence of Dafu back then.

Now, there is no need to bear it any longer.

Her tone was questionable, anger welled up, and she slapped Fu Yechuan's cold face.

“Pa—”

the movement was very loud.

Crisp and heavy.

Fu Yechuan tilted his head slightly after being beaten, and looked at her in disbelief.

The tone also became a little serious,

“Ning Yue, are you crazy? I think I'm so used to you, you really don't have any sense now.

Even if we don't talk about our relationship, I will help you everywhere, what do you think? Didn't I do anything for you?

How did the lawsuit between you and that rich young man end, and who dealt with your subsequent attempted murder, have you forgotten?” His eyes were cold

and indifferent, unfamiliar And indifferent.

He was reminding her that there was more than just a romantic relationship between them.

She had always owed him their encounter.

Ning Yue looked at him calmly, and now her heart was almost ashamed.

From the perspective of a bystander, she looked at the matter of two people being together, and felt that it was indeed absurd.

“I didn't forget, of course I didn't forget, otherwise we wouldn't have started, just because I know you are a good person, so I will give the two of us a chance. But you despise me,

you look down on me, why should I surrender The identity caters to your preferences, just because you helped me?

So I should tolerate you everywhere and please you?

Let me tell you, even if you don't help me, even if I kill Nian Dafu and do it for a lifetime I have a clear conscience.

You can say that I have no conscience, and my likes are based on principles.

You can also say that I am selfish. If I were selfless in this world, there would be no bones left that have been gnawed by you long ago. It's gone!"

Ning Yue's voice was clear, like ice picks hitting Fu Yechuan's heart fiercely.

Fu Yechuan stood there, his face was severely beaten, and the corner of his mouth was broken.

His hair hung down in front of his forehead, looking a little embarrassed.

It's just that the eyes are scarlet, I don't know if they were stimulated by Ning Yue's words.

He clenched his fists tightly, the veins on the back of his hands were bulging, and his expression was awe-inspiring.

"So?"

He was so angry that he didn't know how to refute her.

He said a word, and she waited here with ten or twenty sentences.

Do you have to scold him bloody to be happy?

His voice was low and hoarse, as if it had been roughly ground by sand.

"So? So please get out of my place now, Fu Yechuan. Now that you've talked to this point, there's no need to whitewash the peace, right? I

declare that I'm going to dump you, and you don't want to appear in my place again. In front of you, if you can't get rid of like a dog's skin plaster, I will look down on you, and I will let everyone know that you have turned your back on your promise. At that time, not only will you not be able to keep your shares in

Fu's Group, but maybe even Ms. Chu will not be able to keep it."

She had a deep meaning looked at him.

Once her heart is hardened, she can risk her own life, and she can even die.

If she had been greedy for life and afraid of death, she would have been tortured to death by Nian Dafu.

Didn't he focus on the interests of the Fu Group wholeheartedly?

Now that you know this weakness, why not take advantage of it?

really.

Hearing Ning Yue's threat, Fu Yechuan's eyes trembled slightly, with a bit of sharpness.

Silently.

He nodded with a sneer, took a step back, and said in an awe-inspiring manner,

"Okay, Ning Yue, you really have the backbone and ability, don't come to me again in the future!"

He put down the harsh words, turned around and left with his mobile phone.

Ning Yue said calmly behind him,

"Fu Yechuan, my bones are hard, don't do little tricks that make me look down on you."

The implication is.

It directly dispelled the possibility of him taking the opportunity to make trouble.

Fu Yechuan's back paused, and he left without turning his head.

On such an occasion, if you can still sit down and talk with a good temper, that would be really amazing.

It's a pity that Fu Yechuan couldn't let others challenge his dignity and interests.

From the moment he left this room, the relationship between the two became very different.

Standing there, Ning Yue breathed a sigh of relief.

The whole person seemed to have let go of all the strength, sluggish and limp on the ground.

The soreness and dull pain in the chest came up belatedly.

My palms also felt slightly numb.

In desperation, she just used the sharpest armor to protect herself and hurt Fu Yechuan.

It wasn't intentional, but it was intentional.

Let her endure this grievance, she can't do it.

Since you can't pretend to be innocent for a lifetime, then don't start.

Otherwise, in the end, no one will be able to end.

indeed.

The online comments about Fu Yechuan and Chutian being together are almost all consistent.

The family is right, the power is evenly matched, and the talented and beautiful people are together, how can they not be blessed?

It's just a matter of course.

After all, she is a speck of dust under the spittle of everyone.

Can't afford the slightest splash.

There was no light on in the room.

The light also dimmed a little bit.

The street lights outside projected in, bright and cold.

I don't know how long it took before I heard a knock on the door.

Ning Yue didn't move.

Xiao Chen couldn't help pushing the door, and it opened.

Looking at the woman sitting on the ground, he was slightly taken aback,

"You are inside, why didn't you turn on the light? Why are you sitting on the ground?"

He turned on the light directly, walked over, and squatted there.

Ning Yue's expression was calm, and she didn't even shed a tear.

It seems that nothing is wrong, but she is sitting here in a state of desperation, which makes people have to think about it.

She paused, then slowly moved her gaze away, looking at him,

"We broke up."

Xiao Chen was silent for a moment, and then smiled,

"It's fine, it's a good deal, I support you."

"You support me? Didn't you always want me to catch him?"

Xiao Chen raised his eyebrows and smiled,

"That's on the premise that you both like each other, and I want you to come out of the previous marriage.

But look now, There are so many comments on the Internet about Fu Yechuan and that woman, and he didn't avoid suspicion at all. It can be seen that he has allowed the spread of this scandal. If this is the case, there is nothing to say. If this kind of

indulgence

hurts you, then there is something wrong , keep it for the New Year regardless?"

Ning Yue's eyes flickered slightly, and she smiled suddenly.

"Xiao Chen, you really look like a relationship expert. If you like women, how many people will you be fascinated by?"

Xiao Chen looked at her seriously,

"No, my orientation has always been very clear. I am loyal to my lover. Yu."

Ning Yue nodded, then stood up,

“Let’s go, go down and help.”

Xiao Chen pressed her shoulders and sighed,

“Forget it, I’ll give you a day off today, you can rest on the top, below I’m watching.”

“So good?”

“I’m different from our boss. I’m a capitalist with a conscience.”

Xiao Chen thought to her, then stood up and ran.

After being disturbed like this, Ning Yue’s mood improved a lot.

It was very quiet outside the window.

The shadows of the branches just fell on the window, mottled and messy.

She hadn’t realized it before, but it turned out that it is also beautiful to be quiet at night.

Because of the sound insulation, it hardly disturbs her.

...

a few days passed.

Yao Xinrui’s incident was directly escalated into a criminal case and was directly investigated.

Perhaps because the evidence was sufficient, he was directly sentenced to 25 years.

After Yao’s father heard the news, he probably knew that the Yao family’s last hope was gone.

Into the ICU ward again.

In less than half a month, bad news came.

Father Yao passed away.

Yao’s mother returned from abroad to take care of Yao’s father’s funeral.

Yao’s mother left the country with a large amount of secret funds, and this account happened to be found by the bank.

Within a few days of her return, the funds in the bank were frozen.

When the bank found out the money, Yao's mother didn't want to stay any longer, she didn't even take a look at it, and went abroad directly.

This incident was even made public on the Internet, and there was an uproar, but it was only spread for a day.

Because within a few days, it was replaced by another thing.

That was the engagement of CK's eldest lady, Chu Tian.

Some time ago, her and Fu Yechuan's names were juxtaposed together, which was very popular.

She suddenly wanted to get engaged, and everyone would naturally think of Fu Yechuan.

But in the statement of ck group, it was another person.

He is also a well-matched person, but compared to Fu Yechuan, he is a little shorter.

Everyone's attention immediately shifted to Chu Tian and his fiancé, and they also wished their marriage endlessly.

Everyone gradually forgot the existence of Fu Yechuan.

Ning Yue is not self-righteous and thinks that they are not engaged because of herself.

At most, it was because of the entanglement with Fu Yechuan's interests and there was no agreement.

Fu Yechuan would only bow his head to his interests.

She stayed in the bar as usual, went to and from get off work, and occasionally took the staff out for team building.

It seems to have completely come out of that relationship.

And it is true.

She no longer has to worry about gains and losses, no longer has to think about whether her feelings have been responded to, and no longer has to think about who is the best match for her boyfriend?

It feels so clean and refreshing.

Fu Yechuan had never contacted her, but Ning Yue no longer knew about it, because she had blocked all his contact methods.

Speaking of which, if it can still be regarded as nothing, then Ning Yue feels that Fu Yechuan is not Fu Yechuan.

And Fu Yunche should have been reminded too, and he never dared to contact Ning Yue.

fair enough.

...

Fu Group.

Fu Yechuan working overtime has become the norm.

The employees of the group didn't know that from that day on, they discovered that Fu Yechuan, who had been off work on time before, suddenly started the devil mode in the past.

The lights in the office were always on, and everyone gradually entered that tense state again.

Even Chen Mian felt something was wrong.

Ever since he was sent to the bar that day, Fu Yechuan's phone could not be reached.

He didn't show up until he went to work the next day.

It seems that nothing has changed, but Chen Mianneng is sensitive to the fact that something is wrong.

He became more and more silent and fierce, as if he had returned to the time when he was dumped by Su Nan.

And seeing that he didn't get off work when he was off work, and he never looked at it with his mobile phone all day long.

Chen Mian realized that there must be a big problem between Fu Yechuan and Ning Yue.

He dared not ask such a big question.

Can't solve it, let's seeThe boss is suspected of playing tricks.

So he chose to keep silent.

Until CK's partner Chu Tian came, and the two talked for fifteen minutes in the office.

Chen Mian didn't know what to say.

But he could vaguely sense that it wasn't all business.

Because of business, Fu Yechuan would not avoid himself.

When Chu Tian left, his expression was still gentle and generous, and there was no hint of disappointment or anger in his eyes, as light as that.

In the next few days, news of her engagement to another rich man spread.

Fu Yechuan remained indifferent to this.

Tanabata.

Time passed in the blink of an eye, and Chen Mian never mentioned Ning Yue's name in front of Fu Yechuan.

For fear of violating some taboo.

On the same day, several female secretaries of the Fu Group Secretariat asked Chen Mian for leave while chatting and laughing.

Say you want to go on a date.

Naturally, Chen Mian would not be ignorant of humor in this kind of thing, just about to agree, watching Fu Yechuan standing in the tea room at some point, just in time to hear their conversation.

He paused, his eyes flashed, and he said seriously,

"Of course not. What's so great about the Qixi Festival? It's not important to make money. Our President Fu is doing everything for the long-term development of the group. You guys are still thinking about going out on a date, that's too bad It's time to count!"

The young lady on the other side responded angrily when she heard this.

Just about to refute, when Chen Mian's voice changed, she said with a smile,

"Yes, Mr. Fu, you can't let them go out, the most important thing is to work hard."

When the young lady heard it, she immediately understood, and looked at Mr. Fu carefully.

“Mr. Fu, I’m going to get married soon, and I’ve pushed back several dates. If I don’t go this time, my boyfriend will be angry. What should I do if I can’t get married by then?” Fu Yechuan pursed his lips, his expression

indifferent

“Go.”

Novel Divorce billionaire heiress chapter 2541-Fu Yechuan’s voice was low and indifferent, with coffee in his hand, he turned around and went back to the office.

The young lady looked at Chen Mian excitedly. Chen Mian waved his hand with a smile, and then followed Fu Yechuan into the office.

He also held a document in his hand that needed to be signed.

Handed it over,

“Boss Fu, the planning project meeting in the afternoon will be held as scheduled, and there will be an owner meeting. Do you want to attend in person?”

Fu Yechuan raised his eyes, very indifferent,

“Do you think I don’t have to celebrate this festival?”

“Of course not. “Chen Mian was a little shocked, he hesitated to speak.

“If you have private arrangements, I’ll postpone the meeting.”

Chen Mian tentatively said.

Fu Yechuan fell silent.

a long time.

Only then did he speak again, his voice hoarse and rough,

“She didn’t come to see me, not once?”

Chen Mian suddenly understood, and nodded cautiously.

Did you forget Miss Ning?

Fu Yechuan pressed the center of his brows, his expression was cold, and the shadows from his eyelashes cast shadows in his eyes.

Sharp and dangerous.

Like a bottomless cold pool, falling into the water and freezing.

really over?

She was really decisive in letting go.

Chen Mian pursed her lips, and asked tentatively, "If you regret it, you can go to her first!" "

Regret? What regrets?"

Fu Yechuan's tone suddenly became sharp, hoarse and low, revealing indifference.

Chen Mian was silent.

There was silence for several minutes.

Fu Yechuan threw out the document in his hand with astonishing force.

He has always been a moody person.

How could he have remained indifferent after forbearing his emotions for so many days?

But she was too much.

Doesn't she know how hurtful it is to say such irrational words to him?

He tolerates and pleases her everywhere, but she will only make more progress, so he has no bottomless connivance.

But during this time, she never came to him once.

Even though news of Chutian's engagement was flying all over the sky, she remained indifferent.

She clearly saw it, clearly knew that it was the step he gave her.

As long as she took the initiative to come, he could pretend that nothing happened.

Can't let him compromise and bow his head every time?

But she never did.

The black card was mailed from the same city the next day.

Represents a clean break.

Fu Yechuan couldn't even find a place to vent his anger, so he could only paralyze himself with work.

Chen Mian bent down to pick up the documents on the ground.

He looked at the name of the project on the document, and paused slightly,

"Boss Fu, isn't this a good opportunity now? Your planning project involves the street of the bar, and you will definitely have to discuss the issue of demolition later, why don't you go there in person?" Fu

Yechuan His face was extremely dark, and he sat on a chair with deep and cold eyes.

Letting him go in person is tantamount to letting him bow his head.

But how could he still take the initiative to bow his head?

The clothes on him were expensive and meticulous, but he stumbled in hers.

miserable.

Fu Yechuan's tone sank

"Let's arrange a meeting, it will be held as usual."

"Yes."

The project has been obtained, but it will take time to discuss the demolition and relocation, and there are opportunities to contact Ning Yue.

The meeting is finalized.

Of course, it is necessary to use the most economical cost to earn the greatest profit.

Therefore, the Fu Group only made partial adjustments to the minimum demolition compensation standard given by the department.

For a fairly good storefront in a certain location, an extra 30% compensation will be given.

Because that street is close to the school, it goes without saying that the surrounding traffic and other infrastructure will naturally have a larger proportion of investment in the later stage.

A few days.

When the demolition office went to notify the owners one by one of the demolition news, everyone was surprised.

Because I didn't expect the above to cover up this news so tightly, and no news of it was revealed.

They didn't even have time to prepare.

Of course there are objections.

However, the relevant departmental documents have been issued, and temporary opposition is nothing to fear.

There are a total of 20 owners who came today.

Chen Mian, as the representative of the management, has not spoken, and others are speaking.

He glanced over, but didn't see Ning Yue.

The person who came was Xiao Chen.

The manager above explained the compensation standard clearly, and many people were dissatisfied with this figure.

"Is it reasonable to pay such a small amount of money for such a big project of yours?" "

Yes, we are not satisfied with the money, and we will never sign."

Chen

Mian sat quietly by the side, no one knew He is the one with the most power.

Soon, he raised his eyes and saw someone walking in from the outside.

Isn't Fu Yechuan not coming?

Didn't he say that everything was left to Chen Mian, and he didn't want to get involved in such a small project?

Now, the person with the most power comes, and he sits among a group of owners.

The aura is strong, and the brows and eyes are indifferent and cold.

He glanced at it, and the moment he saw Xiao Chen, his brows became a little colder, and he quickly stood up and left.

What do you do when you see someone you don't want to see?

Chen Mian pursed his lips, sighed, and immediately chased him out.

before getting in the car.

Fu Yechuan, who had been silent all this time, finally said, “

Since it is the owner's meeting, let the owners come in person. The meeting is important and cannot be replaced.” Entrust others...” “Then I have to come back, buy them air tickets, and we will pay for it.” Fu Yechuan's simple words were enough to make Chen Mian feel helpless. Indeed there are almost no way the owners can come back.

But the person Fu Yechuan wanted to attend should be Ning Yue.

For a Miss Ning, you have to spend so much money on air tickets?

He nodded and responded.

This time the owners meeting is just a warm-up.

Chen Mian set up the next owner's meeting in a conference center not far from here.

The conditions here are at least much stronger than in the last meeting room, and everyone will not lose control again.

The person who came this time was finally Ning Yue.

When Chen Mian saw her, he felt like a stone fell to the ground.

She didn't seem to care about this, neither agreed nor opposed.

As long as the demolition compensation is enough, where is the bar opened?

Chen Mian hurried out to report the news to Fu Yechuan.

Ning Yue went out to the bathroom halfway, it was very noisy inside, she didn't sleep enough, so she looked a little weak.

As soon as he went out, he accidentally knocked down a person.

I'm sorry I haven't said it yet, but the other party has already apologized first and even helped her up.

"Sun Haoyang?"

Ning Yue asked in surprise.

The other party was wearing a mask and a hat, but those red phoenix eyes were so familiar.

Sun Haoyang also recognized her, and took off the mask with a smile,

"It's you, Miss Ning?" Ning Yue smiled,

"Why are you here?"

Oh, it's my male friend, don't get me wrong!"

Sun Haoyang smiled and blinked, and Ning Yue felt that her fatigue disappeared instantly.

"What a coincidence, don't worry, I won't tell it."

Sun Haoyang nodded, "Then next time we play together, I'll go first."

Ning Yue nodded immediately, and waved goodbye with a nympho face.

When Sun Haoyang got to the elevator, Ning Yue suddenly thought of something.

It's a pity that I finally met an idol and didn't let him sign his autograph!

Ning Yue hurried to catch up, excited and polite,

“Can you sign me first?”

Sun Haoyang was taken aback, narrowed his eyes with a smile, and nodded.

He took out the pen he carried with him and gestured.

Ning Yue paused, and suddenly realized that she had no paper. Looking at her white skirt, she endured the pain and stepped forward,

“Sign this, I’ll go back and collect it!”

Sun Haoyang nodded politely, and signed his name with his head down. on her white dress.

Ning Yue smiled in satisfaction.

The elevator has arrived.

The elevator door opened slowly.

Sun Haoyang put the cap on his pen, stood up straight with a smile,

“I’ll make an appointment next time, I have your phone number, Ning Zhi gave it to me, I have a play, I would like to ask you to make a guest appearance.” “

Me? You are too sweet You’re welcome, that’s my honor!”

Ning Yue said excitedly, to be able to appear in the same screen as her idol, it was like smoking from the ancestral grave.

Sun Haoyang waved his hand and walked into the elevator with a smile.

Ning Yue followed him to look over, and saw that in the elevator, the man who was standing there was holding eyes that were cold enough to ooze ice.

Fu Yechuan looked at her with dark eyes, his figure was tall and straight, and his aura was naturally indifferent and noble.

He just stood there, making people feel a strong sense of oppression with his gestures.

He always carried a lofty seriousness about him.

It makes people feel unfamiliar and distant.

When we were together, Ning Yue was patient, but now there is no need.

separated for three months.

She is doing better than she imagined.

To be free means to lose affection.

But such a price is worthwhile.

Four bodyguards stood behind Fu Yechuan.

After Sun Haoyang got on the elevator, two of the bodyguards pushed him aside.

Make way for Fu Yechuan.

Fu Yechuan walked out from inside without changing his expression, withdrew his cold gaze from Ning Yue, and then walked towards the large conference hall.

Ning Yue collected her expression and looked towards Sun Haoyang.

Sun Haoyang waved his hand, saying that he has nothing to do, let alone take it to heart.

He just went up without seeing who was inside.

Later, I vaguely felt that the figure from the back looked familiar.

The elevator doors slowly closed.

Ning Yue turned around and left.

Back to the big conference hall.

Unexpectedly, Fu Yechuan stood at the door and made a phone call before entering.

The smoke at the fingertips drifted upwards in wisps.

He responded to the person on the phone with a low voice, but his eyes fell directly on Ning Yue.

Unexpectedly, Ning Yue walked in without raising her head.

It was as if he hadn't seen this person at all.

Just inadvertently, she subconsciously rolled her eyes.

But it was turned away from him, so I'm sure he didn't see it.

But this door is reflective.

The way she rolled her eyes completely fell into the man's eyes.

Fu Yechuan's chest was choked with anger, "..."

He stopped in his tracks, and did not follow her in.

The cigarette was fully smoked before he lifted his foot in.

This time, a new group of people negotiated, and their temper and attitude were much better than last time.

Professional negotiators have sufficient experience in dealing with such situations.

It was Ning Yue's turn. She stayed in the reception room and was negotiated at the same time as a store opposite.

There is also a young lady in the store opposite, she doesn't know how to negotiate, so when faced with other people's easy questions, she can only shake her head and feel embarrassed.

Others have also seen this, so they want to break through her first.

Ning Yue couldn't stand it any longer, and tapped the table,

"Say it straight, you don't need to fool us with all this nonsense, I just disagree with this price, and if it doesn't work out, don't talk about it." The

young lady on the opposite side looked like He found the backbone and nodded again and again.

The negotiators paused, and finally focused on Ning Yue,

"Miss Ning, in fact, we have learned that your house has just been renovated, and it is a loss for you to agree to the demolition at this price

. The superior has applied, and can compensate you for the original price of the decoration, do you think it is okay?"

Ning Yue paused, remained silent for a few seconds, and said calmly,

"You should pay me back, I can't let myself pay, It's just that I'm still not satisfied with the unit price."

"Miss Ning, this price..."

Ning Yue stretched out her hand and interrupted him, "On top of this, add another six million, or we won't talk about it."

The other party was obviously stunned for a moment.

Finally, with a wry smile, "Miss Ning..."

The shop lady couldn't help but look at Ning Yue,

"I agree too."

The lion opened his mouth, who wouldn't.

Ning Yue's face was firm and her attitude was cold

"You can talk to the above. I have heard about the recent demolition. The highest value of shops in the same area is this price. If I sell it, I will naturally sell it at the highest price. Otherwise, mine will still make money." Her words made the other party

feel To the embarrassment, and vigilance.

"Miss Ning, we need to think about it."

Ning Yue twitched the corners of her mouth, and nodded indifferently, "Of course."

As long as they think about it, they will be half successful.

As soon as the person left, the young lady in the store couldn't help but sigh,

"Yue'er, you are really amazing, you can still be so tough, my store But my parents left me the only thing. If such a cheap one agrees, where can I find such a good location and open another one? "

Ning Yue glanced at her knowingly, and smiled,

"Don't worry, this kind of negotiation is actually not that scary, it's about your own interests, so why bother with being thin-skinned?" Even if you want me to scold the street like a shrew, I can do it. The

lady in the store couldn't help but nodded in appreciation.

Five minutes later,

the group came back again. The one

walking at the back was Fu Yechuan.

The people in front were still sitting in the main seat, looking at Ning Yue with a smile,

“Miss Ning , we have discussed your request, and since you have just finished the renovation and paid a relatively high cost, we are willing to pay an extra three million. “

Ning Yue twitched her lips. She

was obviously dissatisfied.

The person spoke again,

“But now we have discussed two plans. The first plan is to pay an extra three million yuan, and there will be no other compensation matters in the future.

The second plan is that we will not pay the three million yuan. We can re-plan the bar for you on the new planning drawings. The reconstruction and decoration of the bar will be undertaken by our Fu Group.

Of course, we can also guarantee that there are no competing merchants, what do you think? “

Ning Yue glanced at Fu Yechuan casually, just a casual glance, and saw that he had been looking at her.

The emotion in his eyes was obscure.

Naturally, Ning Yue would not pretend to be sentimental and think that this was for her benefit.

She did not hesitate “All I want is money, don’t mention anything else. “

The other party was obviously taken aback, and wanted to continue persuading her

“Miss Ning, your bar has a regular source of customers, and the business is also very good. If it is rebuilt by our designer, it will definitely be improved. It is not a loss for you to stay here.”

Ning Yue Yue’s eyes were cold, “I said, I want money.”
