Novel Divorce billionaire heiress chapter 2543-The other party fell silent, and glanced anxiously at Fu Yechuan who was on the side.

Fu Yechuan's eyes were cold and sharp.

Not seeing each other for more than three months, she really let go.

For a moment, Fu Yechuan's heart seemed to be clenched tightly.

Dull and painful.

There was a moment of silence.

The young lady in the store couldn't help asking,

"Then can I choose from the three million and the new address? I want to choose the new address."

The negotiator smiled and shook his head,

"Although the location of you and I is Face to face, but the area and style are different.

Your store is not within our planning scope, but we can give you an additional compensation of 500,000 yuan as appropriate, which is enough for you to choose again." The young

lady in the store clicked regretfully nod.

She also understands these differentiating factors, which is understandable.

Five hundred thousand more is better than nothing.

He just looked at the person who had been silent on the opposite side, as if he had been staring at Ning Yue.

Seeing this, the negotiator immediately took out her contract and handed it over,

"If you are satisfied with the result, please sign here. But it needs to be kept secret. You must know that not everyone can be like you. An additional 500,000 yuan in compensation.

We feel that it is not easy for you alone, and you can speak frankly, which is not the case for others.”

The young lady’s eyes flashed, and she nodded in a daze.

Then he took a pen and signed his name.

Everyone went out to go through the formalities one after another.

Until Ning Yue and Fu Yechuan were left in the reception room.

He stayed here on purpose.

His face was cold and unfriendly.

He has always been like this, when the sharpness and sternness around him are not deliberately concealed, there is a coldness in his whole body that should not be entered by strangers.

Deep and restrained.

Ning Yue waited for a few minutes.

No negotiator came back to make a contract.

She was almost impatient.

So he stood up with his phone.

Just as he was about to go out, he heard the man behind him say in a lazy and deep voice,

“It’s impossible for you to buy a bar with the same location and the same conditions for three million yuan. You can choose another one!” This

was his concession.

It is impossible for him to cheat his own woman.

Even in the past.

Ning Yue looked sideways slightly, “Everyone is an adult, Mr. Fu. I will make the choice, and I must keep my word when I say it.”

For example, if he said it himself, don’t regret it.

Yes, she has no regrets.

But he regretted it.

Fu Yechuan's expression tensed instantly, and the corners of his lips were pursed into a straight line.

In the end, Ning Yue chose the option of 4 million.

Because she was really dissatisfied with three million, and they also didn't agree with six million.

This is what Fu Yechuan cares about when talking about business.

The biggest concession he can make is to tell you the answer to the best option.

But it is impossible for him to take the initiative to lose to you.

As soon as the two sides made a concession, four million was finally finalized.

It will take a week for the money to arrive in the account, but Ning Yue went through all the procedures very cooperatively.

Xiao Chen reluctantly began to end everything in this bar.

Pack your stuff, pack your bags.

Ning Yue, on the other hand, acted like a normal person, even tidying up her things in a leisurely manner.

In the end Xiao Chen became a little anxious, "Boss, you don't even have a home, where will you put your things in the end?"

Ning Yue glanced at him lightly, "What's the rush, there is still a month before the relocation."

You have to be prepared for danger in times of peace. By the way, what about the employee's severance pay, and whether these things should be packaged and sold to recover some of the cost." Ning Yue couldn't help laughing seeing

him busy Laughing,

"Mr. Xiao, I have already taken a fancy to a new address. The contract can be signed when their boss comes back from abroad. It will be about half a month later, so you don't have to be busy." Xiao Chen was surprised and ran over

happily “Really? Am I still Mr. Xiao?”

“Of course.”

Ning Yue lifted her chin proudly.

Xiao Chen happily announced the good news to others.

Ning Yue sighed.

She didn't like it very much, because it was very close to Ning's house.

If you set up shop there, it's easy to bump into people you don't want to meet.

But right now, there is no better place than there.

Fu Group.

Fu Yechuan returned to the company, and the project progressed smoothly.

Although everyone disagreed at the beginning, the negotiators were very professional and had done research on different people.

Breakthroughs one by one, the results are still very objective.

Chen Mian watched him come back with a blank expression on his face, knowing that there was no progress.

It's amazing to see progress!

Ning Yue kept the dress signed by Sun Haoyang.

Just don't be too precious.

A few days.

A strange phone call came, and Ning Yue hung up without thinking.

Then call in again.

Seeing this perseverance, Ning Yue reluctantly picked up,

“Who is it?”

“Miss Ning, I'm Sun Haoyang, I promised to take you out to play, remember?”

The voice on the phone was clear and clean.

Ning Yue was both surprised and happy, "I remember, I am really flattered that you even called me as an idol!"

Sun Haoyang smiled, "If we have time this afternoon, let's go play together? There are also a few actors and directors from the crew, I really want to cooperate with you."

Ning Yue was excited, but a little apprehensive,

"But I am not a member of your circle, and I don't want to join the circle. Will it be embarrassing and abrupt if I go?" "

Why? I know you don't want to, but I would like to ask you to play a cameo role, a two-minute role, you can take a look first, if you don't want to, I'll send you back, okay?" Sun Haoyang's voice was gentle and slow

, Slowly and with patience.

Ning Yue couldn't refuse, so she agreed.

Of course she couldn't let someone pick her up, so she drove to the club by herself.

Because of the greeting in advance, Ning Yue arrived near Sun Haoyang and his group very smoothly.

Sun Haoyang saw her, waved happily, then dropped the things in his hands, and walked over,

"Miss Ning, thank you for your kindness!"

Ning Yue was a little embarrassed, "You're welcome, Sun Yingdi."

Sun Haoyang pulled her hand smoothly. Walking into the crowd with her arm, she introduced loudly

"Our big beauty is here."

Everyone came over to greet her happily, with brisk and happy expressions on their faces.

Probably because I met a good script and cast, so I am full of hope for the new drama.

Therefore, for what Sun Haoyang said, let a person come to play a role, everyone knows in advance.

The heroine is an actress who has recently become popular because of a drama. She follows the route of a strong woman and establishes a personality with an open-minded life.

Now the female stars who are over forty years old have not lost the market, and everyone has suddenly turned the tide, and they like this kind of self-reliant and self-reliant people.

Moreover, their acting skills pass the test, and they won't have the idiot feeling of being a little white flower praised by capital.

So this drama still takes the route of the leading heroine, but the male protagonist chosen is not a little fresh meat, but Sun Haoyang who has been honed in the circle for more than ten years.

Novel Divorce billionaire heiress chapter 2544-Sun Haoyang has experienced the lowest experience, and has also been an actor.

Now that he has turned against the wind, he can get what he wants. It should be said that he has enough experience and experience to play such a role.

The whole crew seemed very friendly.

Ning Yue had no intention of entering the circle, she came here entirely for the sake of her idol.

During the chat, everyone also talked about the crew by the way.

Ning Yue hadn't read the complete script, so she couldn't get in, so she just looked around.

This golf course has a large area and the air is good. There are waiters driving the shuttle bus to deliver food and water back and forth, for fear of wronging the big customers who come here.

I raised my head.

Suddenly, he saw a group of people walking towards them.

Ning Yue narrowed her eyes.

Isn't the person walking in the front who is admired by all the stars the same as that dog Fu Yechuan?

She looks like a dog, and she looks decent from the outside, but unfortunately...

she hasn't finished complaining in her heart.

The director behind him stood up excitedly, and accidentally bumped Ning Yue's arm when he ran towards Fu Yechuan.

"Boss Fu, it's really you. I'm planning to start a drama. If you're interested, let me explain to you in detail?"

He went up to shake hands with Fu Yechuan enthusiastically.

The people behind Fu Yechuan couldn't help laughing,

"Director Guo, you really can't meet the day, but today we managed to get Mr. Fu out, so you want to cut him off?"

Director Guo smiled embarrassedly, "No Way, I don't see it at all on weekdays!"

This is the truth.

Although Fu Yechuan has a small amount of capital invested in the entertainment industry, he has always disliked the atmosphere of the entertainment industry.

Therefore, compared with other big money owners, his investment is not very strong.

But the little bit of capital exposed between the fingers is enough for them to catch up.

So everyone yearns for Fu Yechuan's investment.

If he can get his favor, will this drama still be popular?

Fu Yechuan smiled aloofly and did not show much enthusiasm.

But with a glance, he saw one of the group of people over there, and his eyes flickered slightly.

"Is this someone from Director Guo's new crew?"

"Of course, Sun Haoyang Sun Yingdi can guarantee the acting skills and quality, Jiang Lingyi can guarantee the audience's various age groups, and the other supporting roles are very exciting. All the actors here have online acting skills and clean backgrounds!"

Director Guo strongly recommended his crew.

Fu Yechuan pondered for a few seconds, then said in a warm voice,

“Since that’s the case, why don’t you play together?”

He glanced back, and of course the others agreed and had no opinion.

One of them couldn’t help laughing and said,

“Director Guo, Mr. Fu is really in a good mood, why don’t you introduce your actors to us?” “

Of course.”

Director Guo followed the group to the center of the crowd .

More than 20 people are actors who play a relatively important role in the play, except for Ning Yue.

Other cameos and extras were absent.

“Come on, Mr. Fu, let me introduce you. This is Jiang Lingyi. She debuted at the age of sixteen and became popular all over the country. I have always wanted to cooperate with her.” Although

Jiang Lingyi’s actual age is in her forties, but On the surface, it looks like he is in his early thirties.

Although the actress has passed away, her ex-husband is still rich and powerful, and he was able to provide for her back then.

So her eyebrows and eyes are exquisite, her gestures are a bit charming, and her skin is well maintained without even a trace of wrinkles, which makes people enviable.

Fu Yechuan nodded politely.

Originally, Jiang Ling had quit the circle, because recently her ex-husband had a problem with raising a mistress, and netizens picked up a lot of scandals.

Everyone is sympathizing with the general, hoping that my sister can stand up on her own again.

The ex-husband’s career is not as good as before, and now his face has been torn apart, Jiang Lingyi doesn’t want to bear it any longer, so he just doesn’t do anything about it and divorces endlessly.

After the divorce, everyone paid more attention to her.

Director Guo said it nicely.

He said he wanted to cooperate, but he didn't actually want to take advantage of the recent shareholder wind and the enthusiasm of Jiang Lingyi to make another hit.

After the general introduction, it was the turn of the most unremarkable Ning Yue.

Fortunately, for the sake of face, the director introduced her as an important guest actor, and praised her well.

Everyone didn't know about the relationship between Ning Yue and Fu Yechuan, but the director would save Sun Hao's face.

People are brought by him, so naturally he won't say it lightly.

Fu Yechuan nodded, and looked at Ning Yue with a half-smile,

"Miss Ning is planning to change careers now? Is this planning to enter the circle?"

The director paused.

After introducing so many people, even Jiang Lingyi just nodded.

But it's rare for Fu Yechuan to talk to Ning Yue.

Ning Yue pursed her lips, not wanting to be noticed that the relationship between herself and him was delicate, so she smiled politely, "

It's nothing, I just thought it was fun." "

Is it fun?" Fu Yechuan's eyes darkened, and his voice was deep.

Ning Yue's mood changed subtly, she glanced at Fu Yechuan, and regained her composure, "Boss Fu

doesn't seem to be busy?" He wasted energy on himself. Everyone was slightly surprised. Unexpectedly, Fu Yechuan wasn't angry either, the way he looked at her was like looking at a mischievous child who lost his temper. With some tolerance and calm. He raised his eyebrows, "It's true that you're not busy, Director Guo, why don't you play together?" Director Guo couldn't wish more. He immediately changed his voice, "Miss Ning, let's come together, Sun Yingdi, and greet the new kid." He didn't mind Ning Yue's petty temper, and a woman with a petty temper is more cute than being submissive. It seems that Fu Yechuan is also well aware of this. That's why he didn't care about Ning Yue's confrontation. Sun Haoyang nodded, and walked over with

a smile, "Miss Ning, shall we go play golf too?" Ning Yue smiled, "I don't know how to play, I'll watch. " Won't. Sun Haoyang didn't have the slightest dislike, and said with a smile, "It's just right, I'm not good at it, but it's okay to teach you how to get started. If Miss Ning doesn't dislike..." " No." Ning Yue said with a smile. Sun Haoyang, who has no airs at all, is more approachable than idols in film and television dramas. The two went one after the other to a route not far away. Everyone saw that Director Guo followed Fu Yechuan, and everyone was free, each finding their own way to play.

Sun Haoyang is a good teacher. From his movements and eyes, he is very dedicated and polite.

Ning Yue missed several shots. Instead of getting angry and anxious, he smiled and comforted her,

"It's okay, you played well, at least you can feel the speed of the wind."

Ning Yue also gradually relaxed from her original nervous mood.

Talking and laughing with Sun Haoyang, I almost forgot that there is another person nearby.
