Jiang Ling came to him at some point, smiled and looked at it for a while,

“Teacher Sun is really good at teaching, can you teach me too?”

Sun Haoyang was a little shocked, “Teacher Jiang can’t either?”

Jiang Ling smiled helplessly. ” No

, usually I just watch other people fight.”

Sun Haoyang pursed his lips, glanced at Ning Yue, Ning Yue was not unhappy, and said with a smile,

“I seem to have found the feeling, let me practice it myself, Sun Yingdi Go teach Teacher Jiang?”

Sun Haoyang paused, before nodding, Jiang Lingyi had already walked over.

“How do you hold the pole, is that so?”

She smoothly shifted Sun Haoyang’s attention from Ning Yue to herself.

Sun Haoyang had no choice but to go forward to help.

She held the pole to adjust her posture and talked to Sun Haoyang, making people forget Ning Yue’s existence for a moment.

next.

Every time Sun Haoyang planned to go to see Ning Yue, he was stopped by Jiang Ling.

No matter how dull Ning Yue was, she still noticed something.

When I first came here, in front of everyone, Jiang Lingyi was like a caring sister, no different from everyone.

But in private, I suddenly noticed another side.

Ning Yue felt that she should not be considered sensitive.

But as a woman, I have to think too much.

Did she fall in love with Sun Haoyang?

She is more than five years older than Best Actor Sun!

She put down her clubs, went to the lounge chair and sat down to drink water.

After drinking half a bottle of water, the director took Fu Yechuan and another boss to see Sun Haoyang.

As soon as Jiang Ling couldn't get in the conversation, although the netizens liked her, the capital looked down on her.

So no one responded, so I found a reason and sat down beside the rest chair.

She greeted Ning Yue with a smile, then sat there and sighed,

“Am I stupid, can't always learn?”

Ning Yue was taken aback, and smiled politely,

“Why, I'm stupid too Ah!”

At such an advanced age, he still looks like green tea.

But the best way to defeat Green Tea is to become greener than her.

really.

Jiang Lingyi's smile froze, and he turned to look at her.

Ning Yue innocently showed a bright smile, as bright as the sun.

Jiang Ling's chest sank.

This is the advantage of being young. No matter how you smile, there will be no wrinkles on your face, and your smile is so beautiful.

Unlike her, now she even has to pay attention to the curvature of her smile, for fear of leaving marks on her face.

She twitched the corners of her mouth with a half-smile.

With a clear and hoarse voice,

“Miss Ning is also a fan of Teacher Sun? He has a lot of fans. There is a little sister in my family who really likes Teacher Sun, but unfortunately I have no chance to meet her.” Ning

Yue was still a little surprised.

They are actors who film together every day, why can't they visit the set to meet?

It was also inexplicable to hear this.

But before she could ask, Jiang Ling chuckled

, “Let's not talk about her. If Ms. Sun's fans find out about Ms. Ning's guest appearance as a fan, I'm afraid the house will collapse. It's Ms. Ning's luck.” Ah!”

Ning Yue paused, startled.

soon.

She reacted and smiled, “That's the benefit of the fans, and I'm one of the lucky ones. After all, it's rare to see an idol who loves fans as much as Mr. Sun. Fans should be happy.” Jiang Ling smiled

slightly I was taken aback for a moment, and the smile deepened

, “It's great that Miss Ning thinks so, don't put too much pressure on yourself.

By the way, I have watched the movie you participated in last time. The protagonist of the mission is very plump, but it's a pity that it's messy. They were all robbed of the limelight by the supporting roles, and all the hot searches were fueled by the supporting roles, putting the cart before the horse.

But your acting skills are not bad, which is quite natural.”

Ning Yue frowned.

She understood that Jiang Lingyi was deliberately targeting her.

Said that she stole the limelight from others, and said that her acting skills were mediocre.

Where did I offend her?

Ning Yue didn't understand, it was obviously the first time they met!

But she wasn't that worried, and she didn't come here for Jiang Lingyi.

Listen to her criticism if it's good, and let it go if it's bad.

Ning Yue stood up, and was about to walk in the direction of Sun Haoyang,

“Ms. Sun...”

Before she could take a few steps, Jiang Lingyi, who was behind her, walked over first.

After changing her indifferent attitude just now, she smiled all over her face,

“Mr. Sun, are you finished? Shall we continue playing?”

Ning Yue “...”

The entertainment industry is really difficult!

It is much more difficult than managing a bar!

She was even more determined, and after this cameo was over, she would bid farewell to the entertainment circle!

The person who was talking over there looked over, Director Guo patted Sun Haoyang on the shoulder, then looked at Ning Yue who also came over, smiled and waved “Miss Ning, come here.”

Ning Yue smiled and walked over.

Director Guo should have had a good chat with Fu Yechuan, his whole face was radiant and radiant.

It's more exciting than picking up money.

Director Guo turned his head and continued to instruct,

“Although this drama is a sister-brother relationship, there is no need to speculate on C outside the show. You have also seen that these fans are picky about the choice of C's partner, so don't take risks.” Jiang Ling over

there Hearing this, he was slightly taken aback, then lowered his head and smiled lightly.

The implication is that she doesn't get along with Sun Haoyang, isn't it?

The most important thing is that there is no sense of c.

But fortunately, the characters of the male and female protagonists are exceptionally brilliant, even if they don't speculate on c, they can still get a lot of career fans.

Jiang Ling listened to the director with a smile, nodded from time to time, without any objection.

Director Guo was very satisfied with her reaction, and finally looked at Sun Haoyang,

"Okay, you guys continue to play."

He paused, "Isn't Miss Ning also good? Why don't I find someone to teach you?"

Ning Yue was stunned. , just about to refuse.

Then I heard Fu Yechuan who was next to me suddenly say

, "That's fine, let me teach you."

Ning Yue subconsciously refused, "Don't bother Mr. Fu."

She would rather not play.

Fu Yechuan smiled, "No trouble, let's go."

He said.

Without giving Ning Yue a chance to object, she left first.

Director Guo next to her was stunned, and sneaked up to her and asked her in a low voice,

"Are you familiar with Mr. Fu?"

Ning Yue immediately shook her head.

"I don't know him."

Director Guo nodded, "Okay, since you don't know him, let's get to know him. He is now our biggest investor, and you are also one of the crew members. You have to treat me well!

", just pushed her, smiled and said,

"Go, go."

Director Guo looked at her wrinkled face with a smile, and he was in a good mood.

Sun Haoyang looked at them, frowning slightly, his expression confused,

“Director, why don’t I teach Ning Yue, I brought her in the first place.”

Director Guo glared at him,

“What are you afraid of? , what else can he do?”

Besides, they are all on the same field, with a distance of less than 200 meters from each other, and he can hear everything he shouts, so is it necessary to make such a fuss to make the patron angry?”

Novel Divorce billionaire heiress chapter 2546-Sun Haoyang paused, and Ning Yue quickly said,

“It’s okay, Sun Yingdi, I’ll go say hello, and I’ll come back to you in a while.”

She said, and turned around in a hurry, not wanting to embarrass Sun Haoyang.

Director Guo said a few more words to him before turning around and following.

Jiang Ling next to her squinted her eyes, and finally looked at Sun Haoyang questioningly,

“Don’t Mr. Fu and Miss Ning know each other? They don’t look like they don’t know each other!”

From the beginning when Ning Yue dared to hate Fu Yechuan, to Now Fu Yechuan called on her to teach her.

It can only mean that he fell in love with her, either he knew her from the beginning, or he didn’t know her but wanted to know her.

Sun Haoyang remembered that at the banquet that day, Ning Yue left first, and Fu Yechuan chased after him.

At that time, there was no detailed research, but now that I think about it, there is indeed a problem.

But these are not the basis for him to discuss others behind his back.

He smiled, and his tone was relaxed,

“I don’t know, let’s continue?”

“Okay...”

Ning Yue stood there with her hands folded, her gaze a little light,

“Fu Yechuan, what do you want to do? After talking Just pretend not to know each other when you come out, why are you looking for me alone?”

Fu Yechuan waved his club with a standard posture and scored a hole-in-one.

He is straight and tall, lean and clean, and none of his daily exercise is in vain.

She was also deeply fascinated by this figure.

But it’s fast to get in, and it’s also fast to get out.

She is not addicted to anything.

I just want to take this opportunity to clarify with him.

Fu Yechuan paused, his brows were straight, his voice was careless and loose, “

I didn’t say I knew you, and I didn’t invite you alone. Look at the people here who doubt us?”

her heart.

But he smiled lightly, with a bit of coldness,

“Besides, what is our relationship, I thought you had forgotten it a long time ago, but I didn’t expect you to remember it so clearly?”

Ning Yue’s chest was slightly suffocated.

In Fu Yechuan’s light questioning, there seemed to be a bit of grievance.

He was wronged?

It’s ridiculous.

“You’re right, we have nothing to do with each other, then I’ll go.”

Ning Yue turned to leave.

Fu Yechuan suddenly reached out to grab her arm, and slammed into his arms.

He has a warm and cold smell, which smells good.

The sudden familiarity made her feel dazed for a moment.

Fu Yechuan's eyelashes trembled slightly, and he forcibly restrained her struggle,

"Don't move, or others will see that you can't explain clearly."

He seemed to be more afraid of not being able to explain clearly than she was.

Ning Yue paused.

Take it easy.

Fu Yechuan stuffed the club into her hand, and hugged her from behind.

From behind, he was really teaching him how to play.

But only he knew that his mind was swaying, and her delicate and familiar touch made his heart fall to the ground suddenly for more than three months.

It's like finding an oasis in a hungry desert.

As if she still belonged to her.

Ning Yue didn't dare to move around, lest others would find out that the two of them were arguing, and something would definitely spread.

So she gritted her teeth and endured.

His eyes stayed on her side face, which was delicate and moist, even more dazzling and bright than before.

She was originally a dazzling rose with thorns, which did not hinder people's pursuit of beauty.

Ning Yue aimed at the hole, and her posture was ready.

But Fu Yechuan didn't move at all, that is, there was no next move.

She paused eagerly,

“Hurry up, or if you let go, I’ll hit myself!”

He will only hold back here.

Fu Yechuan took a deep breath, clenched her hand, and swung his club violently.

The ball went into the hole as if it had eyes.

Ning Yue was shocked when she saw it.

Obviously when practicing with Sun Haoyang just now, both of them were very helpless, it was very difficult!

Fu Yechuan went in easily?

The man seemed to be unsurprised, and slightly let go of his hand.

Director Guo just rushed over and applauded.

“I just said that it needs a good teacher, Miss Ning, you’ve made a lot of money, Mr. Fu is a master of golf, we are all willing to bow down!”

Fu Yechuan chuckled, as if he was very satisfied with this compliment.

There is no exaggeration at all.

Ning Yue didn’t like to refute his face in front of others, so she just smiled faintly, “I ‘m too

embarrassed to beat my boss when playing mahjong!”

with his.

Director Guo smiled loudly

“You’re wrong, Miss Ning, Mr. Fu is really good, don’t give in, even if we put all our strength into it, we still have no chance of defeating him.”

Fu Yechuan gave her a cool look.

He seemed very dissatisfied with her looking down on him.

Ning Yue shook the club in her hand indifferently.

Over there, Sun Haoyang and Jiang Lingyi seem to be breaking up too.

Sun Haoyang handed over several times, but Jiang Lingyi never succeeded.

Sun Haoyang was also helpless, he could only shirk that he was not good at technology, and wanted to find her a professional teacher to teach her.

In order not to let him see anything, Jiang Ling agreed.

Sun Haoyang went to the other side to rest, while Jiang Lingyi was still standing there practicing.

But it could be seen that she was bored and boring, let alone interested.

another female MingXing was calling her, and Jiang Ling happily found an excuse to leave.

“Come on, Miss Ning, let’s continue.”

Fu Yechuan looked at her seriously.

Ning Yue’s eyes widened, isn’t this over yet?

Director Guo nodded at the side, “Mr. Fu’s patience is good. If it were me, I wouldn’t want to teach a newcomer until the church.” Fu Yechuan stood up helplessly, and chuckled, “There is no way,

since

everyone It’s started, let’s start well and finish well!”

Ning Yue pursed her lips.

If Director Guo wasn’t here, she would definitely walk away.

But if she leaves when Director Guo is around, they will definitely doubt their relationship with him.

Some of Fu Yechuan’s friends are also teaching others how to play.

So their group doesn’t look out of the ordinary.

“Miss Ning, seize the opportunity. Find a teacher outside and charge by the hour. You can’t find a teacher of Mr. Fu’s level!”

Ning Yue walked over and took the club with a smile on her face.

Just as Fu Yechuan was about to come up to shake her hand, Ning Yue took a step back,

“Boss Fu taught you very well just now, I want to try it myself.”

Fu Yechuan paused, then took a step back

, “Okay, try it.”

Ning Yuesong He took a deep breath, and then prepared according to the actions he and Sun Haoyang called just now.

Hands and eyes.

Then swung it out violently.

The ball misses.

Off to the side road.

Director Guo couldn't help laughing out loud, without saving any face.

Fu Yechuan couldn't help laughing, but he didn't laugh out loud, it was to save face for her.

For a moment, Ning Yue wished she could find a crack in the ground and sneak in.

The person next to him was Fu Yechuan's friend, and he said with a smile,

“Boss Fu, the kid you taught made a mistake, you have to come and pick up the ball yourself!”
