Novel Divorce billionaire heiress chapter 2551-Ning Yue went to get his notebook and needed to enter the password.

Fu Yechuan told her without hesitation. When she turned on the phone, he paused, and added,

“My safe password is also this, you have to remember.”

Ning Yue “...”

“You will tell you the safe password Nurse or assistant?”

She was clearly not interested.

Fu Yechuan remembered that she had mailed back his black card.

Why are you interested in these things?

He paused with a lonely expression on his face. Fortunately, his eyes were covered with gauze, so he couldn't see the emotions he inadvertently revealed.

“Of course not, I only tell people I trust.”

The man's voice was deep and powerful.

Ning Yue smiled and opened the mailbox.

It does have a few unread emails.

Chinese, English and French.

Fortunately, she has been abroad before, so these are not problems.

It's just the content inside...

Ning Yue sighed.

She knows every word.

But some of them together don't know what they mean.

So she can only read, which is not at the level of translation.

Although he stumbled while reading, Fu Yechuan's face was serious and dignified, and he didn't show any dislike at all.

He didn't ask Ning Yue to reply to his email, but called Chen Mian directly, and Chen Mian understood what he meant.

Some commercial confidential relationships were also directly stated without hesitation.

Ning Yue felt a little awkward.

She didn't want to know.

And also clearly remember the immediate reason for their breakup.

Isn't it just that she looked at his mobile phone, and there are commercial secrets in his mobile phone?

It seems that there are more secrets in his computer mailbox now.

Isn't he afraid that she will see it?

But she didn't want to ask.

It's like I don't want to bring up that incident again and embarrass everyone.

They were all trying their best to forget about it.

It took less than two hours for Fu Yechuan to finish the phone call and deal with the matter.

The silence in the room seemed a little too obvious.

He also suddenly noticed behind the silence.

Remembered the most severe dispute.

He wasn't actually afraid that Ning Yue would see the business secrets in his phone.

He just felt that her behavior of peeking at the phone made him feel very uncomfortable.

He didn't want the two of them to become people with no personal space.

Even two people who are very close.

A sense of proportion is also required.

This sense of proportion is based on mutual trust.

Ning Yue obviously didn't trust him, and she didn't have such a tacit understanding with him at the time.

Ning Yue laughed suddenly and turned off the computer.

Fu Yechuan walked over slowly, Ning Yue was afraid that he would bump into him, so she got up and helped her up,

"The sofa is behind."

Fu Yechuan sat down obediently.

I feel the need to clarify what happened earlier.

He took a deep breath,

"Yue'er, I shouldn't have said that during the last quarrel. It's normal for a girlfriend to check her phone."

Ning Yue paused slightly.

I didn't expect him to take the initiative to bring up this matter.

"Have you seen what happened to Chutian?"

It was he who put pressure on the CK Group that allowed Chutian's father to find a marriage partner for her so quickly.

Because of this, Chu Tian made a special trip to Fu's Group and asked him why?

At that time, his mood was very stable, and he just said lightly,

"You contact me too often, which makes my girlfriend unhappy."

In order to clear up the relationship, he had no choice but to ask Chu Tian to get married as soon as possible.

In this way, the scandal between himself and Chutian will naturally be broken without attack.

Chu Tian is also a person who has been cultivated since childhood and is good at controlling his emotions.

But even though she has always been gentle and calm, she will suddenly lose control when the storm comes.

She just cursed “shameless” restrainedly, then she turned and left.

Even if this move will make his follow-up cooperation with CK less smooth, it is better than continuing to whitewash the peace.

If someone had to make a sacrifice, he couldn't, and he wouldn't let Ning Yue do it.

Then we can only let the third party.

He knew that he had always been an egoist, let alone think about outsiders.

The biggest concession he can make is to give up a few points in the cooperation, which is to express his apology to Miss Chu.

Ning Yue lowered her expression, her eyes didn't know where they fell.

Falling back into that struggling relationship is a risk.

But she was an adventurer.

She has been on adventures all her life, hasn't she?

“I really have nothing to do with her. I admit to indulging the news that I have a close relationship with her for the benefit of the company. But I never thought that when I was with you, I would be with her.” He

lightly With a smile, with a bit of helplessness and coldness,

“Yue'er, I'm not that bad.”

He is selfish, but he has a bottom line.

Ning Yue was his, so he wouldn't put her in an awkward situation.

Fu Yechuan breathed a sigh of relief, rubbing his hands nervously, as if waiting for Ning Yue's reaction.

The atmosphere was quiet and a little weird.

a few minutes.

It seems like a long century has passed.

Ning Yue laughed softly, and sat there,

“I see, then I will also reflect on it, I shouldn’t be suspicious, but Fu Yechuan, you have to admit that in this ridiculous relationship, you have never given me a sense of security, That’s why I think too much.

I really want to ignore the rumors outside, but it’s all based on the fact that we broke off the relationship.

I still have the same sentence, once there are other people around us, there is no need to explain, and the relationship will automatically end.

She approached him slowly, keeping her eyes on his face

“Can you understand?” “

The corners of Fu Yechuan’s lips curled into a straight line in an instant.

There was a few seconds of silence.

His voice was clear and clear,

“Understood. “

It’s like the acquittal of a person who was declared a death row prisoner.

The sense of restraint disappeared instantly.

She can say this, which means that she gave them another chance.

Whether it is out of sympathy or guilt.

He doesn’t care anymore.

The person who can stay by his side is always her.

That’s enough.

Ning Yue raised her eyes and smiled,

her smile was clear and comfortable. She looked outside, the light flickered, she sat with her back straight There, it looks like a white swan.

This is her happy appearance.

It’s a pity that Fu Yechuan can’t see it.

Don't live too tired with a relationship.

But if you only fall in love, just enjoy the happiness in it.

In the past, she She thought too much and wanted too much.

But one day and one night, she suddenly figured out that she had a problem from the beginning.

So now she has to continue in another way.

Fu Yechuan rarely showed a smile, stretched She made a move and said a request she couldn't refuse

"Although I can't see you now, can I hug you? Ning Yue, I am very happy. "

Ning Yue walked over, hugged him, and felt his warm chest and violent heartbeat,

"I'm also very happy."

Fu Yechuan felt that his eyes were injured, and it was worth it!

The experts arrived in the afternoon.

As soon as the experts arrived, a comprehensive inspection began immediately.

Ning Yue went out to wait, standing at the door and walking back and forth a little nervously.

Novel Divorce billionaire heiress chapter 2552-Chen Mian sat there, looking at the phone from time to time, feeling a little nervous.

"Miss Ning, don't worry, this is the most authoritative expert in the world."

Ning Yue twitched the corners of her lips and nodded,

"I know, but when the most authoritative experts are unable to recover from certain matters, I really don't know. I am worried, what if the eye cannot be saved?"

Chen Mian pursed her lips, "I asked the experts in advance, the eyeball of the left eye is likely to be saved, but if the retina is damaged, it will be serious, and we must go abroad for treatment.

Domestic The resources for retinal transplantation are a bit tight, and the donors can only be the deceased.

Mr. Fu can't be blind all his life, at least he has to have one eye that can see."

The proud son of heaven, if he really becomes blind, he is afraid of Fu Yechuan's heart Can not bear.

Ning Yue trembled slightly.

a long time.

She took a deep breath,

"It's okay, I can give him one of my eyes."

As soon as she finished speaking, Chen Mian looked up at her in shock.

There was no response for a long time.

"I thought you would stay away because Mr. Fu was injured. If he knows what you said, he will be very happy." Ning Yue took a deep breath, leaned against the wall

lazily, and said with a smile

"We made up again."

Chen Mian paused.

He expected this possibility, but because Ning Yue's emotions were too uncontrollable, this possibility was very small.

Unexpectedly, it actually happened.

"Congratulations."

Chen Mian said with a smile.

Fu Yechuan and Ning Yue reconciled, and he was happy to see it succeed.

After all, he could deeply feel that during the time they broke up, Fu Yechuan's mood became irritable and ruthless, and changed too much.

They could finally breathe a sigh of relief.

“There’s nothing to congratulate, it’s normal to separate and reunite.”

Ning Yue said indifferently.

Chen Mian raised his eyebrows, “During the time you broke up, the whole company was uncomfortable. Mr. Fu found an opportunity to fire three executives at one time, and the project department was exhausted to the point of death. You know, since I talked to you After falling in love, he has a much higher tolerance for our subordinates.

So you reunited, it is a great joy for the whole Fu Group!”

Ning Yue “...”

Fu Yechuan spent an afternoon with the examination and surgery .

The expert group made a plan that night.

Need to recuperate in the hospital for a month, and then go home to recuperate for half a year.

If the left eye recovers well and can see things clearly, it means that the recovery is going well.

Although the right eye received a severe impact, most of the force was dissipated on his eye socket, which was more severely damaged and slightly fractured.

If the area is larger, it may face the risk of disfigurement and plastic surgery.

Fu Yechuan doesn’t rely on his face for food, so his focus of rescue is on his eyes.

Therefore, the expert team specially configured special glasses for him.

Under the condition of being free from gauze, it will not affect the recovery of his eyes.

As soon as Ning Yue heard that there was no need to remove her eyeballs, she wished she could jump up and thank God.

This shows that his eyes are likely to be saved.

Chen Mian also heaved a sigh of relief,

“Then you have to take good care of Mr. Fu for the rest of the time!”

“I will!”

Ning Yue smiled, and the haze of the past few days was swept away.

Fu Yechuan woke up from the anesthesia.

News of his hospitalization spread like wildfire.

Many people lined up to come and visit him.

Fu Yechuan was never seen.

However, some important customers and friends came in to say a few words.

But not for long.

They don't need to say much about Ning Yue's existence, everyone may be clear about it.

Until Sun Haoyang called her, when she answered, it was Director Guo's voice,

“Miss Ning, it's me!”

“Director Guo? What can you do?”

“I don't have your number, I'm afraid I'll call you I didn't answer, so I borrowed Mr. Sun's cell phone.

Last time you went to the hospital with Mr. Fu. How is he doing now?

Mr. Fu is okay? Our new drama is about to start, he If the investors don't come forward, we will be very sorry!”

Although Director Guo said this, he was just worried that the funds would not be in place.

Ning Yue smiled, “It's okay, but Mr. Fu is recuperating, I'm afraid I won't be able to take care of it for a while.”

Director Guo paused, “We want to visit, is it convenient for him?”

When he asked, he felt a little regretful up.

How could Ning Yue know that it was inconvenient for him to let go?

They didn't know each other well, and she just sent Fu Yechuan to the hospital. Before taking back these words, Ning Yue turned

her head and asked,

"Director Guo wants to visit you, is it convenient?"

"

The phone feeds him fruit.

I wish I could have such a good day every day, so I don't want others to disturb it!

Director Guo was taken aback when he heard it, and immediately

said, "Ning Yue, tell Mr. Fu that we will not only disturb him, but just take a look at him at the door. The main reason is that he was injured. I am really worried about it. Eat and sleep. It's not fragrant anymore!"

Ning Yue glanced at Fu Yechuan, and he waved his hand impatiently,

"Whatever you want."

Before Ning Yue could convey it, Director Guo heard

"Okay, I'm going to past. "

The phone hung up.

Ning Yue said with a smile

, "Director Guo really cares about you. In fact, I am not an actor in their crew. He can completely distance himself from me, but not only does he not blame me, but he is also so worried about you." . Fu

Yechuan raised his head slightly, as if he wanted to look at her, but later he realized that he couldn't see her.

He chuckled lightly, with a clear voice,

"This old man is so concerned about me because he is afraid that I won't give her money.

As for you, it is probably because you are the only one who left with me, and if you want to know the news, you can only go through you.

So there is no need to miss him so much. “

Ning Yue paused, smiled, and didn't say much.

Director Guo's action was unexpectedly fast.

He carried a lot of things in large and small bags, and Sun Haoyang and Jiang Lingyi came with the crew.

The three of them It represents a crew.

Because this floor is full of people from Fu Yechuan, they can't get in.

So Ning Yue went out to pick up people.

When she saw Director Guo, she couldn't help laughing.

Sun Haoyang and Jiang Ling were empty-handed. Everything is in Director Guo's hands.

It's not in the same style at all.

“Ning Yue, these things are all for Mr. Fu, we've all come here, can I see him? “

Ning Yue paused. She asked Fu Yechuan before she came out. Although he was very reluctant, he was not so tough.

“Then I'll ask again?”

“Okay, okay, you ask. ” Director Guo

smiled.

Sun Haoyang opened his mouth and couldn't help asking

“Miss Ning, are you here to take care of him? He didn't make things difficult for you, did he?”

Although he generally knew that their relationship was not simple.

But they pretended not to know each other, which still made him a little uncertain.
