**Divorce billionaire heiress chapter 2556**– Bai Ying looked at her unblinkingly.

Although there was an amiable smile on the corner of his mouth, his eyes were full of indifference and calculation.

Two completely opposite emotions are reflected in the same person.

The sense of incongruity reached ten.

When Ning Yue heard this, not only did she not panic and be careful, but she suddenly smiled,

“What age is this? I am with Fu Yechuan, and I still have to please his father? I don’t have the awareness to be a slave. Do you believe Fu Yechuan said, I immediately turned around and left?”

Bai Ying’s face froze slightly.

It seems that he is not even willing to maintain the superficial politeness.

He walked right past her.

Seeing this, Ning Yue smiled, but didn’t follow, and said later,

“Let Mr. Fu’s bodyguards bring the things up. After all, I’m not a nanny, and I’m not in charge of bringing tea and water for him.” She

said He turned around with a smile and continued upstairs.

She is not afraid of offending this old Fu’s housekeeper.

Because she never thought of marrying Fu Yechuan at all.

This idea has long been dispelled.

Even if it is to restart this relationship, it is nothing more than because I can’t let go and still like it.

But getting her married is impossible.

Even if Fu Yechuan proposed to her, she might not agree now.

When you're in love, you have to look like you're in love.

They are happy when they are together, and they can separate when they are not happy.

You must never consume yourself because of your feelings.

This is also the bottom line she gave herself.

When Bai Ying heard this, she paused slightly, and turned her head to look up at her.

But Ning Yue had already turned around and left, not even being polite.

What a disrespect.

His face was serious and cold, he gritted his teeth, then turned and went downstairs.

Ning Yue thought about it, and there was no discomfort in her eyes.

Just as he walked out of the stairs, he saw Fu Yechuan standing at the door holding a civilized stick. He was cold and solemn, with a tall and straight figure, and his neckline was slightly open.

Wearing sunglasses, he doesn't look like a blind person, but looks like a cool model.

Ning Yue raised her eyebrows, "Why are you here? Did you hear that?"

Fu Yechuan hummed with a confused expression.

It was belatedly that he realized that Ning Yue had gone out with the old man.

He knew who the old man was.

Over the years, Fu Qingcheng would not have gone so smoothly without the old man's help in handling business abroad.

That's why Fu Qingcheng had extra trust in him.

Of course, it also gave him a lot of power.

Fu Yechuan didn't like to say anything about his father's behavior, but he didn't like Baiying.

Naturally, there will not be much respect.

He stretched out his hand, Ning Yue paused, and took advantage of the situation to entangle him.

Fu Yechuan's hand was slightly cold, but he held Ning Yue's hand tightly,

"You're right, don't worry about him, what is he, even if my dad comes in person, I won't give him this face." He

told Fu Qingcheng didn't have such a deep father-son relationship, so it can only be said that he was passable.

Because both parties don't want to tear each other's faces, but it is impossible to dictate each other's life.

He is the successor that Mr. Fu valued. Fu Qingcheng didn't have this ability, so he was naturally exiled.

The two returned to the ward, and the bodyguard at the door returned.

Ning Yue's eyes flickered, "Where did they go just now? When the butler came, you even paid for the bodyguards?"

Fu Yechuan's expression was gloomy, and he just responded, as if he didn't want to say more.

Ning Yue didn't follow the trend to get to the bottom of it.

There are some things she still doesn't know.

Back in the room.

Fu Yechuan sat down again.

In the afternoon, the experts came to check. Ning Yue asked him to change into the clothes she had brought, and then started to open a foreign movie. Fu Yechuan listened and she watched.

Fu Yechuan's recovery is much better than expected.

soon.

It's time for the crew to start.

Sun Haoyang also specially called to remind her.

Ning Yue didn't go out for a long time, and she was quite looking forward to it.

So I got up early in the morning to choose clothes.

When Fu Yechuan heard the movement, he clearly woke up, but he didn't have a good face.

"You can just wear whatever you want, that sportswear is good."

Ning Yue paused, "You can't see it, how can I wear sportswear when I go to the set? Even if I can't overwhelm the audience, I can't lose! "

Especially that Jiang Lingyi.

Fu Yechuan laughed softly, "Then just wear that white dress."

Ning Yue looked at the white dress in the closet, she didn't bring many clothes.

But today the weather is cloudy and cold.

She is hesitating.

Hearing Fu Yechuan continue to speak, "It just so happens that your idol can sign your skirt, how convenient it is!"

Ning Yue couldn't help turning her head to look at him.

Fu Yechuan sat there, raising his head slightly.

Although he was wearing sunglasses, he did not hide his handsome features and smooth outline.

Ning Yue stared at it for a few seconds, thinking he could see it!

She smiled, "It's so sour, Mr. Fu, do you smell vinegar?"

"No."

Fu Yechuan immediately denied it.

But the roots of his ears turned red involuntarily.

On the day of the owners' meeting, he had to see the scene clearly in the elevator by himself.

It's really dazzling.

So he didn't look good towards Sun Haoyang afterwards.

“It’s good if I don’t have one, no one can be jealous of my idol, Sun Yingdi is so good!”

Ning Yue turned her head and continued to pick out clothes.

Fu Yechuan “...”

He ranks at the top of the Forbes list every year.

I didn’t see her praise him for being excellent.

Is this woman blind?

He opened his mouth and didn’t continue speaking.

Otherwise, it is easy to lose the game.

Ning Yue finally finished packing, and looked at Fu Yechuan and stood up too.

As if to follow out.

She was a little surprised.

“Wait for me, I’ll be back in the afternoon.”

Fu Yechuan pursed his lips, his expression slightly tense,

“I’ll go with you, and visit the class by the way.”

Ning Yue, “Who are you visiting?”

“You.”

Fu Yechuan said it as a matter of course .

Ning Yue “...”

So she only works for one day, does she still need to visit the class?

Fortunately, Fu Yechuan couldn’t see it, so she rolled her eyes blatantly.

“I said Mr. Fu, if you go, how can I still shoot?”

Fu Yechuan pursed his lips, “Don’t worry, I can’t see it. After all, it’s a drama I invested in. It’s right that I care about it, right? I’ll go check it out, by the way Carrying on with you.”

Ning Yue “..”

Seeing that he had made up his mind, she felt very helpless.

But he had a point.

He is still an investor, if Director Guo knew that he was going, wouldn't he be happy?

She sighed, walked over to hold his arm,

“That's fine, we'll pretend we don't know each other when we get to the set.”

Fu Yechuan frowned slightly, but still responded.

Is it still necessary for them to pretend to be unfamiliar?

However, he would not refuse her request.

The two packed up and went out.

Fu Yechuan's black Bentley stopped at the door.

Fu Yechuan bent down to get on the car, waiting for Ning Yue to come up.

As a result, Ning Yue closed the door for him, and ran to sit in the co-pilot by herself.

She turned her head and explained to him, “I can't help it. I'm afraid people will see me when I get out of the car. Let's hold hands again on the way back!”

Ning Yue's coquettish words slightly eased Fu Yechuan's original dissatisfaction.

The car drove to the set.

When Ning Yue got out of the car, no one answered her, only Sun Haoyang's assistant came to pick her up.

When Fu Yechuan got out of the car, even Director Guo came running over in person.

Ning Yue got off the co-pilot, and at first glance she had nothing to do with Fu Yechuan.

The distance has been maintained like this, and no one will speculate on other aspects.

Fu Yechuan was taken to other places by Director Guo.

Ning Yue also went to the filming location with Sun Haoyang's assistant.

There was obviously something wrong with the assistant's expression.

He hesitated to speak.

"Miss Ning, Teacher Sun is putting on makeup inside. Would you like to say hello later?"

Ning Yue nodded, "...and the other directors are here too."

The assistant pursed her lips, as if she had something to say, but she didn't know how to say it.

Ning Yue saw it, and smiled, "I'll go over to say hello to Mr. Sun, are you busy?"

Okay, he's in the innermost dressing room."

The assistant nodded, and then left.

Ning Yue paused for a moment, then raised a smile to look for Sun Haoyang.

After all, I am about to meet my idol, how can I not be excited?

Ning Yue hummed and walked forward.

Hearing that the door was half closed, Jiang Lingyi's voice spoke slowly, "Mr. Sun, this is the first time I've asked you for such a thing, I'm really sorry. My younger sister graduated from the Academy of Film and Television, and needs an internship this year. Our crew couldn't be more suitable. I don't want to move the other characters either. I've been there too, and I know the feeling of being robbed. But only this cameo role is insignificant. I want my sister to try it. Ning Yue suddenly stopped in her tracks."

Sun Haoyang's voice sounded softly, "I'm sorry, this role has already been given to Ning Yue, didn't you know that? The director has already agreed that she will come today, I think it's not right, why not wait for the next opportunity?"

Jiang Ling smiled, and said calmly, "I know, but Ning Yue is an outsider after all, and her acting skills are not as good as my sister's professional background. What's more, my younger sister will hang out in the circle sooner or later. She is also your fan. She

has already come, and she is waiting outside, saying that she wants to say hello to you. You can't favor one person over another.

I know this matter is embarrassing for you. I have already told Director Guo in advance. He said that Ning Yue was introduced by you. If you want to change someone, you have to say hello.

This is how I think, I have a character in my next film, although the role is not heavy, but he can go abroad dozens of times, which is much better than this cameo.

In order to make up for Ning Yue, I can recommend her to appear in my next drama, so she is not considered a loss. “

Sun Haoyang frowned, his face a little dignified.

He didn't want to, but how could he reject Jiang Lingyi?

She even brought her own sister. Isn't this determined to replace Ning Yue?

Jiang Ling One is inevitable, and she smiled meaningfully.

Ning Yue stood outside and took a deep breath.

She was really speechless about Jiang Lingyi.

I don't know why I offended her, but she actually targeted me like this?

Now even this cameo role is going to be taken away?

Although she doesn't care much about this role, Sun Haoyang won this role for her.

She came here for an idol, why did Jiang Ling snatch her away as soon as she said she would?

She gritted her teeth and pushed the door straight in.

She stood at the door with her hands folded, looking at Jiang Lingyi lightly.

Right now, there is no need to hide the other party's ill intentions.

She said bluntly,

“Ms. Jiang, I am here for Sun Haoyang, not for you. If I lose this opportunity to act in your drama, it will be a big loss. I don't agree.” Jiang Ling was slightly taken aback, Neither angry nor embarrassed.

She smiled slightly, looked at Ning Yue, brushed her hair, and said calmly,

“Miss Ning, you misunderstood, since you heard it, then I won’t hide it from you, I didn’t want to snatch this cameo Opportunity, didn’t you say before that you don’t plan to enter the industry? This must be dispensable to you.

But my sister has been looking forward to this opportunity for a long time. She will start filming as soon as she graduates this summer, and she just wants to find someone  
Take the opportunity to exercise first.

I think you should understand, right?”

Ning Yue began to admire Jiang Lingyi’s face.

She can still say these words in front of her face without changing her face, and she can also set up her own person as a gentle and intellectual independent woman.

But isn’t her behavior another form of workplace bullying?

What’s the difference between this and the old employees of the company who bullied the interns in order to squeeze their relatives in?

To say so grandly?

Ning Yue twitched the corners of her mouth, and glanced at Sun Haoyang, who was embarrassed and dignified.

She believes that Sun Haoyang is unwilling, but the two of them will have to spend several months of filming together in the crew. If they tear their faces, it will not be good for the entire crew. Naturally, Ning Yue would not make Sun Haoyang so difficult. If you want to piss people off, let her do it! “I understand.” Ning Yue smiled. “But I don’t accept it. I’m afraid Ms. Jiang has done things like harming others and benefiting herself? I’m not in the circle, but I also know what it means to come first, and what it means to be shameless. Ms. Jiang can rely on her status in the circle. Bullying a little Xiami like me who doesn’t even have a name, why don’t you think about it, I don’t hang out in the circle, I’m not afraid of offending you!”

Ning Yue smiled unscrupulously, bright and generous, with lively eyebrows and eyes, with a bit of Light coldness. Jiang Lingyi’s breathing was slightly suffocated, and the smile on the corner of his mouth froze. She took a step forward and smiled politely, “Miss Ning, I’m not discussing with you, and I don’t want to ask for your opinion. You don’t have the final say on the production team. I said hello to Mr. Sun to save Mr. Sun’s face. Not for you. In fact, this matter is very simple, and the director has already agreed. As for Miss Ning, you can leave.”

After she finished speaking, she curled her lips into a sneer and turned away from Ning Yue. Sun Haoyang's eyelashes drooped slightly, and his pupils sank a little. He took a deep breath and stood up immediately, "Ning Yue, don't worry, I won't let anyone take this opportunity away, not for anything else, the most suitable person for this role is you, I'll go find the director right away." Ning Yue stopped him, with a smile on her face.

"Actor Sun, there is no need for this. The role is indeed irrelevant, but even the director nodded in agreement, so there is no need to argue anymore. You and Ms. Jiang still have to cooperate in acting, so it is not good to make the relationship too tense. "

For a cameo role, it's not worth the trouble.

"What's more, I scolded everything I should have scolded just now, and it's not considered swallowing my anger. Didn't her face turn green? I'm not at a disadvantage, so let's do it. After all, I still have my own business to run, so there's no need Waste your energy here."

Sun Haoyang frowned slightly, "But this matter has indeed wronged you, if you can tell it a day in advance, it won't make you go for nothing."

Ning Yue twitched the corners of her mouth, coolly He said,

"This is Ms. Jiang's brilliance!"

It was to make people make a trip for nothing.

Just to make people happy.

This woman, despite her age, is still such a green tea, so it can be seen that when she was young, she was not a good thing!

No wonder it was tepid when I was young, not as hot as it is now!

Netizens will not eat for a lifetime if they pay for nostalgia.

The two smiled helplessly.

It's not that Sun Haoyang doesn't understand the little tricks between actresses, he never intervenes, but this time it really made him sick.

"Sorry, Ning Yue, it's my fault this time."

"Don't say that, Sun Yingdi, you can think of me as my honor!"

Ning Yue said, his assistant trotted over, "Ms. Sun, makeup artist Here we come..."

Ning Yue paused, "Then I'll go first."

Sun Haoyang nodded, "I'll treat you to dinner later."

"Don't go back on your word!"

Ning Yue smiled happily, waved her hand and turned to leave up.

Sun Haoyang's assistant caught up after a while, hesitating to say

"Miss Ning, do you know?"

Ning Yue's eyes flickered slightly, and she immediately realized that this little assistant might have known about this for a long time.

Even earlier than Sun Haoyang knew.

Ning Yue tilted her head and tilted her head, "So you already knew?"

The little assistant blushed and lowered her head, "I accidentally heard it some time ago, but I actually heard from Jiang Lingyi's little assistant that she had been staring at her for a long time. I took the role of you.

Although it was only one scene, it was brilliant.

But before I had time to say it, I was told by Teacher Sun in advance, and it was replaced by you.

Today Jiang Ling brought his sister and went to I went to the director and said that I want your cameo role.

The director means not to make Sun Yingdi unhappy, and other things...she can figure it out."

Ning Yue understood that Jiang Ling had already watched it before going to the club. I'm in that role.

That's why she targeted her eccentrically at the club.

Until now, Jiang Ling has been targeting him like this because Sun Haoyang took the lead.

It's ridiculous.

Sneaky tricks.

"I'm sorry, Ms. Ning, I didn't tell Mr. Sun. I was afraid that he would go to Jiang Lingyi to trouble him when he got agitated. The manager sister told me to take care of Mr. Sun so that nothing could go wrong. But I think you are good friends with Mr. Sun and his fans, so don't dislike him because of this matter."

Ning Yue couldn't help but smile because of the little assistant's sincere look.

"Don't worry, I'm a die-hard fan, and I will never lose my fan."

She waved her hand, "Go back to Teacher Sun, I'll go first."

The little assistant nodded, heaved a sigh of relief, and walked back up.

Ning Yue sighed and walked out casually.

Looking at a gazebo not far away, Director Guo was serving Fu Yechuan to drink tea.

When she walked over, Director Guo was slightly taken aback, and smiled at her with a slightly embarrassed expression.

Probably because of the change of roles, I feel embarrassed.

But what is he embarrassed about?

If he hadn't agreed, would Jiang Ling have the courage?

Ning Yue sneered in her heart, because she thought Director Guo was cute before!

It's all bullshit!

The sound of her high heels happened to pass by the gazebo.

In the end, Fu Yechuan heard about it.

"Ning Yue?"

He stopped calling her with a deep voice.

Like actually seeing it.

Director Guo froze slightly and looked at him in surprise.

The corners of Fu Yechuan's lips tightened,

"Ning Yue, is that you?"

Ning Yue sighed, and originally wanted to walk by herself, but now that she has been discovered, there is no need.

She turned around and walked to the gazebo,

"It's me. Director Guo, what a coincidence?"

Director Guo twitched the corners of his mouth in embarrassment, "It's a coincidence."

He also likes Ning Yue. Although she doesn't have professional acting skills, But natural expression is more touching.

But Jiang Lingyi is the heroine of this drama after all, so many investors and male and female protagonists would stuff people into the drama before, this is already an unwritten rule.

He didn't want to offend the heroine just because of such a trivial matter.

After weighing each other, he agreed to Jiang Lingyi's request.

This is also a usual thing.

I didn't expect Ning Yue to come to the set.

Although they came with Fu Yechuan, the people watching said that Ning Yue was sitting in the co-pilot and had no intimate actions with Fu Yechuan.

Even Fu Yechuan didn't let Ning Yue help him with his civilized stick.

It shows that the relationship between the two people is not familiar.

Ning Yue sat directly in one of the four chairs.

Director Guo was a little upset, after all, they didn't invite Ning Yue to sit down.

And Fu Yechuan just asked a casual question.

He coughed, "If Miss Ning has something to do, why don't you go first?"

Ning Yue paused, then suddenly remembered something, and said with a teasing smile, “Why is Director Guo in such a hurry to let me go? I don’t have many chances to come, and I still want to see and see!”

Fu Yechuan frowned slightly, and his voice was as thin as ice.

“Didn’t Director Guo ask Ning Yue to come over to film? Why are you still here?”

Director Guo was taken aback for a moment, then said in a tangled voice,

“Haha, I don’t need to go there myself.”

He even winked at Ning Yue desperately.

Ning Yue pretended not to understand and turned her head, resting her chin with one hand and sighing,

“There’s no need to shoot, I can go now, my cameo role has been snatched away, it’s just such a small cameo role, and there is still someone else!” Missing, I thought it was simple.”

Director Guo froze, swallowing his saliva, he didn’t expect Ning Yue to say it so directly.

Fu Yechuan sneered, “Really?”

Director Guo coughed

, “It’s not a robbery, the heroine Jiang Lingyi’s younger sister just happens to be coming for an internship, and there is no other suitable role, only this cameo role can act, so...”

” So this isn’t grabbing what is it? “

Fu Yechuan’s voice suddenly became cold, “Jiang Lingyi is so capable, even the director can handle it? As an investor, I didn’t arrange anyone to come in, but she is lucky, she can squeeze people away casually?”

The director heard that his tone was not right, and quickly said, “Boss Fu, it’s like this in the circle. Jiang Lingyi’s request is not too much, and it’s just a matter of a scene, so I can’t disagree. “

Fu Yechuan’s expression was cold and gloomy, extremely ugly.

His whole body was also shrouded in a layer of indifferent chill.

“Director Guo is in such a difficult situation. I misjudged the person. You can’t even be the master of your crew. It seems that there is no need to invest in this drama.”

He stood up and raised a hand.

“Moon Son, go home.”
