Divorce billionaire heiress chapter 2560-

Although Jiang Lingyi's younger sister is from a major, but the performance is all skillful and emotionless, and the facial expressions and movements are very rigid when filmed. The most important thing is that it is really not beautiful.

The kind of person who would not give a second glance in the general population.

There is no spirituality.

Just such a person, still put on airs.

Relying on the fact that her sister is Jiang Lingyi, she doesn't have a good look at the assistant director.

After taking three shots in a row, the assistant director said in a good voice that there should be another one?

The eldest lady became angry all of a sudden, and cried aggrievedly in front of so many people, saying that the assistant director bullied the newcomers!

As a result, the assistant director was stunned.

I was so angry that I couldn't say a word.

Jiang Ling watched from the side, comforted his sister, and went over to look at the assistant director with a smile, "Isn't it suitable? It's just a shot, it's almost enough, after all, it can't be too good, stealing the lead role.!"

After she said that, what else could the assistant director say?

It can only be said that this shot is finished, it is simply a failure!

Originally, this shot was the memory of the dead Bai Yueguang in the hero's heart, so he just turned around gently.

Just such a scene is intended to surprise the audience.

As a result, this effect was shot, not to mention stunning, but almost frightening.

The audience may have to doubt the actor's aesthetics.

The assistant director sighed.

A temporary break was announced.

Jiang Lingyi took his sister to rest beside him.

Her younger sister also grew up arrogantly, her own is taller than others, and her older sister is Jiang Lingyi, so her temper is naturally stronger.

"Are you tired?"

"I'm not tired, sister, but my crew said that Ning Yue who was replaced seemed to come in the same car as Fu Yechuan? They don't have any relationship, right?" The young girl was still gossiping.

Jiang Lingyi smiled meaningfully, with a bit of pride, "Don't worry, how could Fu Yechuan like her? Even if she is working as a babysitter for him now, she is only worthy of being a co-pilot and sitting with the driver together. Look, when I said I would change her, that woman didn't even dare to mention it, so you were the one who took the picture in the end?"

The younger sister smiled, "Thank you, older sister."

"You're welcome."

The two Everyone was talking and laughing, and the atmosphere was very good.

not far away.

Guo Dao got angry and walked over angrily.

The assistant director quickly stood up, and just as he was about to say something, he watched Director Guo go directly to Jiang Lingyi.

"You snatched Ning Yue's role just because of your sister. Let me tell you, Fu Yechuan has withdrawn the capital now. I just received the notice two minutes ago that all scenes will not be filmed." Guo Daoqi blushed and his neck was thick.

He is also regretful enough.

This Fu Yechuan didn't leave any leeway.

It was less than three minutes from when he left to when he received the call.

It can be seen that Fu Yechuan is serious!

The duck in hand flew away.

He was not so polite to Jiang Lingyi anymore.

If it wasn't for Jiang Lingyi's face, how could he have offended Fu Yechuan?

What the hell!

Jiang Ling's face was stiff and pale in shock, and she stood there helplessly,

"Director Guo, I...how can Boss Fu vent my anger on Ning Yue? Aren't the two of them okay?

Is it for other reasons? "

Guo Dao was so angry that he wanted to jump up and scold her to vent his anger.

"Fu Yechuan said clearly that he only invested for Ning Yue's cameo appearance, but we changed his people, and now he wants to change the show and director. Ling Yi, you've been in the circle for so long, and you still haven't figured it out yet? You offended Fu Yechuan, Ning Yue is from Fu Yechuan, let me tell you, don't talk about you now, this drama is over, my efforts are over, and the entire crew is over! "

It's going to be disbanded on the first day of work.

It's a big joke to say it!

But it did happen.

Director Guo screamed out of control, and he didn't even know how to save it.

Jiang Ling stood with a pale face. There, there was a bit of disbelief.

The triumphant look just now has been swept away.

There is a shaky look in the look.

Things turned so fast that she didn't even have time to digest the reaction.

The younger sister next to her nervously said,

"What? ? Is that vixen really having an affair with Mr. Fu? Now there are too many examples of nanny hooking up with the master, sister, we have been fooled..."

"Shut up, you, what are you, dare to talk about Fu Yechuan's private affairs?"

Guo Daoqi's head was about to emit green smoke.

The younger sister stood there with an aggrieved face, aggrieved.

Jiang Lingyi was still calm, and she collected herself,

"Director, tell me, what should I do now? I also don't want our crew to have an accident. I am willing to do anything for everyone in our crew. "

She still had a fearless look on her face, as if she could make a sacrifice at any time.

Director Guo didn't have the heart to pay attention to other things now, so he gritted his teeth

"You go to Fu Yechuan, Ning Yue, and apologize now. No matter what method you use, I must make Fu Yechuan change his mind and let Ning Yue forgive you!" Jiang Ling paused, his expression very ugly.

"Okay, I'll talk about it, at worst, I'll let my sister quit and return the role toNing Yue."

"I bah! Don't daydream, let me tell you, even if you replace the heroine with Ning Yue, you have to promise that my crew can't stop because of your stupid things! "

Guo Dao pointed at her angrily and said.

In front of so many people, everyone was silent.

Jiang Ling was scolded bloody, but he didn't dare to say a rebuttal.

His face turned green and white, very exciting

At this time, Jiang Lingyi's agent hurried over with her mobile phone.

It seemed that something important had happened.

She ran to Jiang Lingyi and said nervously,

"What's going on, you Now the next drama you signed will be replaced, and all the brand advertisements on your body are now announcing the termination of the contract on the Internet, and now there are inexplicable things on the Internet waiting for you to overturn.

Netizens dug up all the debts owed by your ex-husband. He didn't pay back the debts outside, and even supported you to buy big-name bags. Do you know that there is a lot of guarrels on the Internet now? "

Jiang Ling felt dizzy for a while.

It may be that she is old, and she really can't stand any blows. Hearing this huge change, she couldn't accept it for a while. This is a good work, and many actresses of the same type as her in the circle are doing the same.

How come I am so unlucky?

The manager was in a hurry and didn't notice that there were so many people around.

Now that I have reacted, His face also turned pale.

Jiang Lingyi's younger sister couldn't help but cursed, "It's all because of that vixen Ning Yue, she bewitched Fu Yechuan to harm you, who else but her?

Isn't it just a cameo role, I still don't like it, do they need to kill them all like this? "
