Divorce billionaire heiress chapter 2561

“What, Fu Yechuan? Jiang Lingyi, what have you done?” the manager asked her angrily.

After offending Fu Yechuan, is this circle still going to hang around?

Everyone knows Fu Yechuan’s character, if he offends him, there is no room for maneuver.

Jiang Lingyi’s face was extremely gloomy, and she was also flustered.

Seeing this, Director Guo couldn’t help but sneered, “Okay, I can tell, Jiang Lingyi, it’s impossible for you to act in this drama anyway, you’d better clean up your own mess!”

He walked out angrily, and the people next to him looked at each other in blank dismay.

The assistant director greeted him, “Director Guo, what should we do now ?

” Everyone is packing up. Guo Dao huddled in a corner to think of a way. He himself was extremely annoyed, and kicked the iron plate, which was a huge Waterloo for his career! Sun Haoyang probably heard the news, and asked his assistant to come out with his belongings, ready to leave. Director Guo saw him all of a sudden, ran over, and smiled cautiously, “Mr. Sun, don’t worry, our crew depends entirely on you!”

Sun Haoyang stood there politely and smiled, his voice was cold and slightly hoarse, “Director Guo, I’ve heard all about it, and there’s nothing we can do about it.” Director Guo became anxious all of a sudden, “Don’t worry, Ning Yue was recommended by you, and you didn’t tell me about her relationship with Fu Yechuan. After all, you are also responsible!”

Sun Haoyang’s expression was slightly startled, and he still explained with a good temper, “Sorry, I just found out about their relationship just now, a little later than you. I have only met Ms. Ning a few times. I recommended her to come as a cameo because I appreciate her outstanding performance in the film produced by Ning Zhi. Performance, nothing else, I have already explained this.”

He nodded politely, and was about to lift his foot to leave.

Of course, Director Guo refused to let go of this last straw,

"Ms. Sun, we have offended her now, but you are Miss Ning's idol, please help me make a phone call to intercede.

Maybe Mr. Fu will let go, I agree to any conditions, let alone a guest role, even if I give the heroine to Ms. Ning, I am willing!"

Director Guo is not stupid, and now it is the lowest cost to exchange a heroine for Fu Yechuan's forgiveness choose.

And Ning Yue's own conditions are not bad, much better than Jiang Lingyi, but her reputation is too small.

But for Fu Yechuan's woman, wouldn't it be a trivial matter to increase her reputation?

Sun Haoyang's expression was clear, his figure was tall and thin, and there was already a bit of impatience on his face.

The little assistant next to him couldn't help but stepped forward and said, "Director Guo, the person was recommended by us, but you made the decision to replace him. In order to please that Jiang Lingyi, you didn't even give our Teacher Sun face. How dare you let him go?" Teacher Sun is going to clean up the mess for you? Miss Ning is a fan of Teacher Sun, but she can't let Teacher Sun come forward to persuade Miss Ning to swallow her anger, how can I let fans suffer this kind of grievance?"

Sun Haoyang raised his eyebrows in satisfaction.

Director Guo's thoughts were in a mess, and he really had nowhere to go, "...Mr. Sun, I know it's not good to get you involved, but look, if our crew really breaks up, so many people will be together every day."

The cost will be six figures, how can it be delayed?

What's more, you were also optimistic about this drama at the beginning. Once shelved, there will be no chance to restart it. Do you really have the heart?

Sun Haoyang pursed his lips calmly.

Director Guo stepped forward, pleading, "Just call Miss Ning, please, so I won't make things difficult for you. Let me tell her, I apologize to her! "

Sun Haoyang's face was cold, but he couldn't bear Director Guo's pleading again and again, so he took out his mobile phone.

"I'll just call once. If she answers, she says, if she doesn't answer, I won't call again. Seeing that he let go, Director Guo thanked him a thousand times.

“Okay, okay, let’s fight!” “

He is really a black thread. The male and female protagonists in the crew are all scourges!

Sun Haoyang hoped that Ning Yue would never answer the phone.

But after three rings, he was picked up.

Director Guo quickly stretched out his hand, With quick eyesight and quick hands, she pressed the speakerphone, and she just cleared her throat to speak.

A cold voice came from Ning Yue’s mobile phone, “Sun Yingdi, if you have anything to do with her, you can tell me. You don’t have to say anything if you ask for mercy. I ordered it to go down, and it is impossible to change it for you. Heh, when she was replaced, I didn’t see you begging her for mercy. Are you really able to say it now? “

Fu Yechuan’s words were extremely cold, like a glacier and a cold river, which made people feel the chill that penetrated into the bone marrow.

Just when Director Guo was about to speak, Fu Yechuan hung up the phone quickly.

Even the other party said a word No chance was given.

Director Guo’s complexion changed.

But Sun Haoyang’s complexion was even more ugly.

Fu Yechuan’s words were enough to destroy a man’s self-esteem.

Seeing this, the little assistant next to him hesitated to speak, and even felt sorry for Sun Haoyang.

Not to mention that Fu Yechuan hung up the phone, even if he didn’t hang up, what could he do?What about?

But Sun Haoyang quickly adjusted, turned off his mobile phone, and left directly.

I didn’t care about Director Guo’s sighs behind me.

Get into the nanny van.

Seeing that there was no one else, the little assistant boldly asked,

“Mr. Sun, you don’t really have a different feeling for Miss Ning, do you?”

He asked very tactfully.

He worked with so many artists as assistants, and Sun Haoyang was the cleanest one.

Although his divorce was so loud and ugly, it even affected his career.

But since he made a comeback, he has almost been successful in the circle.

Generally, the private life of this kind of coffee is quite chaotic.

It looks glamorous on the surface, but in fact it doesn't look at all.

But Sun Haoyang is not like this. He works almost all year round, and even in private, he doesn't have much contact with people. He doesn't have many friends, just a few, but they have a good relationship.

But there is no woman by his side.

A lot of people want to throw themselves on him, the actors all admire his looks, and even fans get his contact information through other channels.

But they were all rejected by him decisively.

His own private life was as clean as hell.

He is not interested in men or women.

The sun shines through the car window, and he looks at the blue sky in the distance, cloudless.

Sun Haoyang was slightly silent.

Different feelings?

maybe?

At the first glance at the banquet, her bright smile immediately reached his heart.

That feeling of heart throbbing was his reaction when he was in his teens.

He remembered.

But she never belonged to him.
