Divorce billionaire heiress chapter 2563-The tiny lights inside are like the Milky Way falling into the sea, and even the chandeliers are extremely delicate and complicated.

Gorgeous.

As soon as Fu Yechuan showed up, many people came to greet him.

The way the two of them clasped their hands fell into the eyes of others, and they just smiled meaningfully and did not speak.

“Mr. Fu, I heard that you had an accident some time ago. I’ve always wanted to visit, but unfortunately I didn’t see you. I’m so lucky to see you standing here properly!”

” Hit on purpose? Let me tell you, such a woman should be taught a lesson, and she will do anything to attract a man’s attention!” “That’s right, Mr.

Fu, don’t be soft-hearted just because he is a woman!”

“Mr. Fu is never soft-hearted! “

...

Everyone, you said what you said.

Standing aside, Ning Yue was a little stiff.

They may not know that they are the woman who does not compromise?

Secretly stunned in my heart, this group of dog men are quite good at making up their minds?

But she naturally wouldn’t stand up and admit it foolishly.

After Fu Yechuan said a few words, he shifted to the real business, and the topic was exposed.

Leading him to the round table beside him, many bosses sat down as well, as if they were going to talk about business.

Ning Yue knew that she could go out temporarily and breathe a sigh of relief.

Fu Yechuan tilted his head slightly, and pulled Ning Yue's palm, "Go eat something, or go to the deck to breathe, remember to come back later."

Ning Yue nodded.

Others don't know the importance of Ning Yue in Fu Yechuan's heart, so it's not easy to joke in front of everyone.

As soon as she left, some people couldn't help it.

"When did I hear that there is such a confidante beside Mr. Fu? I thought it was some big star in the entertainment industry?"

But I couldn't figure it out just now, and I didn't remember it!"

"Yes, Mr. Fu intends to support her?"

All of them are big bosses in the mall.

At this time, he was more curious about the woman beside Fu Yechuan than the paparazzi.

He was really about to be annoyed.

But the person wearing sunglasses can't see the emotion, and the tone can't hear the joy or anger, "My girlfriend is not from the entertainment industry."

Everyone is a genius.

If you know you're not from the entertainment industry, you can't mess with him casually.

They quickly changed the subject.

After a while.

A group of people walked over, surrounded by a gentle and good-looking woman with outstanding temperament.

Someone stood up with a chair,

"Miss Chu is here..."

Fu Yechuan sat there motionless, without even raising his eyelids.

soon.

When Chu Tian came to the front, he greeted everyone generously.

And standing next to her was an old man with white beard and hair, Bai Ying.

Bai Ying was able to cope with such a situation with ease.

“Everyone, welcome to today’s banquet. We, Mr. Fu, are unable to show up for the time being due to physical reasons. Please go ahead and come out when the time is right.” Everyone’s awe of Fu Yechuan came from his wrist.

But the host of this banquet is Fu Qingcheng, so the meaning is different.

Everyone knew that Fu Qingcheng returned home suddenly, holding a trump card in his hand, but he didn’t give the trump card directly to Fu Yechuan, but called everyone together, indicating that everyone had a chance.

Bai Yingke politely moved the chair for Chu Tian, “Miss Chu, please sit down, Mr. Fu said, today you are the hostess here, don’t be polite and restrained, do whatever you want.”

Everyone was slightly startled after hearing this.

Apart from his own wife, who can be called the hostess by Mr. Fu, isn’t it Fu Yechuan’s wife?

But the eldest lady of the ck group can never wrong herself to marry a bad old man.

So the implication is that she is the one who will marry Fu Yechuan soon?

Her previous engagement might have changed.

The girl Fu Yechuan introduced just now was his girlfriend, and she was completely different from Chu Tian’s.

The atmosphere at the round table added a bit of ambiguity, with unexplainable romantic anecdotes.

But in the next second, Fu Yechuan curled his lips indifferently, with an undetectable smile on the corner of his mouth.

His thin knuckles lightly clasped on the table, with a somewhat cynical smile, “Mistress? What, my father and my mother divorced? Or is he widowed? Can’t wait to marry a new wife?”

Fu Yechuan As soon as the words fell, there was a lifeless silence on the table.

Chu Tian's gentle and generous expression changed again and again, with a bit of embarrassment and shame.

I almost couldn't bear it anymore.

The others did not expect Fu Yechuan to be so shameless.

The previous cooperation between the two went very smoothly, which made many people jealous.

Why is the relationship so rigid now?

Bai Ying's words were very directional, and they also tacitly believed that Chu Tian was from Fu Yechuan.

But he picked himself out without hesitation, preferring to let a woman rush ahead.

Bai Ying took a deep breath, calmed down, and lightly pressed Chu Tian's shoulder to express comfort, "President Fu is joking, Miss Chu is our important partner and important guest, in order to make her feel more comfortable here, is there anything wrong with me saying that?"

Fu Yechuan sneered lightly, "Miss Chu is about to get married, and it is not good for Miss Chu to spread such a word, so don't say it lightly."

Bai Ying twitched the corners of her mouth, straightened again for a moment.

...

Ning Yue stood on the deck, with the sweet sea breeze blowing towards her face, even though it was a little cold, she still felt refreshed.

She was wearing Fu Yechuan's suit jacket, so it wasn't that cold.

After a while.

A person who looked like a waiter came over and said politely, "Miss Ning?"

Dayton smiled. Thanks to him still remembering himself, he felt a little better. She took a sip from a glass of sweet wine, and walked up in the direction of the waiter. Viewing the scenery from above, the sight is more open to the wilderness. Not long after Ning Yue stood on it, she heard footsteps. "Miss Ning?"

Ning Yue turned her head, her smile disappearing in an instant. Damn it for disturbing her good mood of admiring the scenery. At first glance, the other party was a rich and handsome man, who looked a little familiar.

Oh, that actor Chu Yiming who spent money to buy the best actor and was criticized by netizens for not being able to act.

Don't look at the other party's poor acting skills, but he has money and resources, and he wants to make a lot of scenes, dominating the screen every day.

For a period of time, all the scenes he filmed were broadcast on different platforms at the same time, causing everyone to turn on the TV and it was him.

That period of time was affectionately called "the dark hour of TV dramas" by netizens.

He also went from loathing Chu Yiming to being calm, to joking, and now everyone calls him "The King of the Screen", which means that he is rich and self-willed, regardless of the life or death of the audience.

Although Ning Yue wanted to laugh, she still held back.

Divorce billionaire heiress chapter 2564-Ning Yue still nodded.

I didn't laugh, after all, it's better to be restrained in this situation.

Chu Yiming stretched out his hand and narrowed his eyes slightly,

"Miss Ning is really beautiful, even more beautiful than in front of the camera. I have seen that movie, and you are the most outstanding person in it. Miss Ning is born to be obvious. I recently If you want to start a film and television company by yourself, how about I sign you and let you be the heroine in every movie?"

Ning Yue smiled, and the smile in her eyes was even stronger.

She shook it politely, and immediately let go.

If I go to his company, I am afraid that I will be dragged to death by him.

She smiled and declined, "No, I'm not interested in acting."

Chu Yiming made no secret of her surprise, his eyes were bright, and he stood beside him unwilling to give up, and continued to say,

“How good acting is, earning money.” You are so glamorous, don’t you like this kind of life? After you perform a few works, you will be able to win awards, and then you will be an artist!” Ning Yue’s eyes were bright, and she couldn’t help but bow her head and smile. He smiled,

“I don’t dare, I’m really not interested, thank you.”

It turned out that the reason why Chu Yiming bought the award was because of his positioning as an artist?

She was a little dumbfounded.

While talking, the sound of high-heeled shoes gradually approached.

“Yiming.”

Chu Yiming turned his head, smiled, and patted Ning Yue’s shoulder very familiarly, “Miss Ning, let me introduce you, this is mine. My friend, Jiang Lingyi.”

Ning Yue turned her head lazily, took a look, and looked away again.

No greeting at all.

It’s a bit strange to see Chu Yiming and Jiang Lingyi on this cruise ship.

Isn’t this a business party?

But looking back, maybe who came with the boss?

After all, he came in with Fu Yechuan.

It is not difficult to come here.

Chu Yiming paused, and said with a smile,

“I know you guys have misunderstood a little, Jiang Lingyi deliberately came to find a chance to reconcile with you, the enemy should be resolved rather than knotted, and it’s not a big deal, why don’t you take this opportunity to talk about it?” It’s fine.”

Ning Yue couldn’t help but yawned, covering her mouth with her slender fingers, her movements were sleepy and beautiful.

Her resistance was already evident.

Even Chu Yiming pursed his lips in dissatisfaction.

I have said so much, and I am about to wear down my patience.

This Ning Yue actually doesn't eat oil and salt?

Jiang Ling couldn't help but took a step forward, smiling gently, trying to make this matter smaller and smaller.

"Miss Ning, I was wrong last time. My sister left the crew that day. Director Guo was very angry and thought I had hurt everyone in the crew. If you are angry with me, you should, but don't hurt the crew. It's for the sake of eating, and it's all innocent."

Ning Yue brushed her hair, turned around, the corners of her lips curled up, and her tone was very light, "Ms. Jiang, why can't I understand what you are talking about? What happened to the crew? Why are you looking for me? You kicked me out of the crew, what do you mean by looking for me now?"

She stood there innocently, tilting her head.

The bright moonlight shone on her body, like a layer of silver dust, with a light and dull luster, very much like the moonlight floating up and down in the sea.

She looked at Jiang Lingyi blankly, deliberately pretending not to understand.

I thought I would find a half-baked actor to strike up a conversation with, and get to know her first, and then act as a middleman to intercede.

This thing just passed away so lightly?

This routine is really low-level and naive.

Is she not a little girl who has never seen the world, and when a handsome man comes to praise her, she doesn't know where to go?

Jiang Lingyi's face froze slightly.

She quickly lowered her eyes to hide all kinds of impatience and forbearance in her eyes.

No matter how hard Ning Yue made things difficult for her, she had to hold back.

Otherwise, his career would really be ruined.

"I know that Ms. Ning is still angry with me. I didn't mean to play the role you played on purpose. I wanted to make it up to you later, but unfortunately... you didn't give me this chance." Ning Yue sneered

, Turned around to face the sea, without speaking.

In the dark night, the sea is also dark.

The lights on the cruise ship are bright, like a diamond floating on the sea, shining extremely.

Ning Yue smiled purely and beautifully, with exquisite facial features, smooth lines, slightly raised eyebrows and eyes, clear and natural, the collagen on her face didn't seem to be lost at all, her smile was beautiful and sweet.

Talking to Jiang Lingyi was the worst thing that happened tonight.

It really affects my mood.

The atmosphere became awkwardly silent again.

Chu Yiming couldn't see his friend being wronged like this, so he couldn't help saying, "Well, tell me, what are the conditions to let her go?"

Jiang Ling glanced at him gratefully.

Ning Yue tilted her head slightly, she didn't have the slightest impression of Cheng Yaojin who appeared suddenly.

"What did I do, didn't let her go?"

Chu Yiming was anxious for Jiang Lingyi, and said indiscriminately,

"Didn't you encourage Fu Yechuan to take away all of Jiang Lingyi's resources, hold down her pending drama, and want her heroine?"

She is at this age It's not easy to be in the circle, so you can't be a little sympathetic, don't bully others and think that everything will be fine if you rely on a benefactor? Fu Yechuan blocked Jiang Lingyi just to make you happy, if one day you break up, Fu Yechuan won't take care of you anymore, aren't you afraid that someone will retaliate against you?

Miss Ning, I advise you to stay on top of everything and see each other in the future!"

Chu Yiming's words sound plausible.

Ning Yue almost felt that it made sense.

However, she quickly found the source of her thoughts, and she couldn't help lowering her head and smirking

, “You can put it another way, Feng Shui has turned around in turn, I don’t understand so many reasons to persuade me, who did the wrong thing? Who is it?”

Jiang Ling paused, “Don’t get me wrong, Chu Yiming is also worried for me, if he said that you are unhappy, I will apologize for him.”

Chu Yiming was not happy when he heard it,

“Yes There’s nothing to apologize for, am I right? Isn’t she just the woman Fu Yechuan raised outside, coaxed when she was happy, and thrown aside when she was unhappy.

Such a woman can play around, how can a person like Fu Yechuan be possible ? Marry you?

We are giving you a chance this time. As long as you tell Fu Yechuan, this matter will be over. Even if you separate from him later, we will definitely not settle accounts. Otherwise...” Ning Yue tilted her head, With an innocent expression like a little white flower, “Otherwise, what about? Are you going to kill me?”

Chu Yiming paused, turning into anger from embarrassment.

“Don’t be reckless! You really treat yourself like a green onion. When Fu Yechuan gets married, he will naturally not want you again. You will fall into our hands...” Chu Yiming said to Ning, who was not interested in oil and salt. Yue, it’s really tricky and impatient, so even threatening and intimidating, he hopes this woman knows how to behave.

Don’t be ignorant of good and evil.
