**Divorce billionaire heiress chapter 2565**-After Chu Yiming found out about Jiang Lingyi, he was obliged to help.

Because when he was in the entertainment industry, he didn't go well, and he wanted to take the money to play the male lead, but the original female lead resigned decisively when he heard that it was him.

This incident made him very hurt.

But as soon as Jiang Ling found out, he took the initiative to ask for the role of the female lead, which solved his embarrassing situation.

The two have also become good siblings and good friends.

As soon as Jiang Ling was bullied, of course he came forward to help.

Therefore, Ning Yue, who bullied Jiang Lingyi, didn't have a good face.

Just now I wanted to get closer, so I took the initiative to talk to her and praised her, why are you arrogant?

Jiang Ling couldn't help but stepped forward and grabbed Chu Yiming's arm:

"Yiming, calm down, you will scare Miss Ning."

"What are you afraid of? Does she dare to treat me like you are?"

Even if Fu Yechuan is here, she won't tear herself apart with our Chu family, she only dares to bully you who have no background.

Sister Ling, don't be afraid, if she doesn't let go this time, I will start my own company and let you As the heroine, I will make up for all the resources Fu Yechuan has taken from you."

Jiang Ling looked at Chu Yiming gratefully, and choked up slightly: "Thank you, Yiming."

Chu Yiming didn't wait to comfort her , Ning Yue couldn't help laughing out loud: "If I knew this is your purpose, I would have cooperated with you. Didn't I just want to find a bad guy to take over? I also played a play for the big guy. Ms. Jiang didn't It's a pity to win the Best Actress, and your purpose is not to apologize, but to find a successor?"

Maybe Ning Yue said it too bluntly.

It stabbed Jiang Lingyi's heart accurately.

So her face turned pale, with a bit of embarrassment and grievance on the verge of crying.

Chu Yiming understood, but he didn't believe Ning Yue's nonsense.

"You don't want to sow discord here. I can see that Fu Yechuan was confused by your mouth. I didn't want to tell you at first. I was afraid of hurting you. Don't you know why he is here today?" Chu Yiming With a smug look on his face.

The sneer in his eyes was undisguised.

He wished he could peel off Ning Yue's skin little by little, seeing her panic and fear, seeing how stubborn she was?

Jiang Ling beside him couldn't help but stepped forward, frowning: "Don't say it, it will hurt Miss Ning."

Her hypocrisy is really dazzling and ridiculous.

I don't know how such a middle-aged actress can be greener than a little girl.

Is this the originator of green tea?

When two people sing together, it's like playing a double reed.

The more she said that, the more unconvinced Chu Yiming became, and the more he wanted to see Ning Yue's appearance after being hit.

"Hurt? She should also know what the sky is high and the earth is thick!

Don't take men's jokes as sincerity, don't you know when you come out to play?

Let me tell you, the purpose of today's banquet is to let my sister and Fu Yechuan go on a blind date."

Looking at Ning Yue Chu Yiming was even more proud of the slightly frozen corner of his mouth.

"By the way, you don't know who my sister is? You should know. It's Chutian, the eldest lady of CK Group. Her net worth is at the top of the Forbes list. It's not like you who ask for money as soon as you sleep. The slut can be compared. I advise you to recognize your identity and don't use chicken feathers as arrows.

Fu Yechuan is not a fool. He regretted Su Nan's departure so much. Was that love? That's because he couldn't bear the power of the Su family.

Do you see that he has been with you for so long and talked about marriage? It's impossible to think about it. The one he will marry in the end is a woman of the right family, my sister Chutian. "

The arrogance and pride in Chu Yiming's eyes almost overflowed.

Even though Ning Yue had already made enough mental preparations, when she heard these words, she couldn't help but feel shocked in her heart.

The pain rose from the soles of her feet and spread to her limbs. She seemed calm, but her heart still tensed up involuntarily.

Ning Yue's breathing sank slightly, not wanting to be fooled.

She curled her lips into a smile, slightly raised the corners of her eyes, and her gaze shifted with a thin icy coldness.

" Ms. Chu, I remember being engaged, why are you looking at Fu Yechuan again now? Since Young Master Chu is so confident in the marriage of the two families, why are you looking for me? Wouldn't it be enough to let Ms. Chu go blow the wind beside the pillow? Such a simple matter, isn't it just a matter of Fu Yechuan's words, it's so boring to threaten and lure me here, I want to see me do a little trick to you, I am grateful, I advise you to look in the mirror. Even Fu Yechuan is not worthy of making me compromise, what are you two jumping around in front of my eyes? "

Chu Yiming's face suddenly changed.

"Don't be ignorant!" When my sister comes in, a woman like you will be crushed to death if she wants to! "

"Why wait to enter the door?" Can't you do it now? Is the fiancée not as famous as Mrs. Fu? So I still have to bear the humiliation and wait after entering the door? But I think you are ridiculous. Even if he is married, will he be devoted to Miss Chu? If Ms. Chu had such great charm and ability, she wouldn't get engaged so quickly, would she? "

Ning Yue couldn't help but chuckled, the sharpness in her eyes didn't show at all.

She has calmed down about it.

The turmoil in my heart just now was just a small episode.

Now, she can completely restrain her mood.

She won't be confused by a few words from others.

Chu Yiming turned pale with anger.

Of course he knew the reason why Chutian got engaged so quickly. Originally, Chutian wanted to find someone for his daughter.

She also fell in love with Fu Yechuan at the beginning.

But for some unknown reason, Fu Yechuan suddenly sent a message to Father Chu, and introduced them to a young man who was well-matched.

The implication is self-evident.

At that time, the family was in chaos, and Chu Tian was so sad that he didn't eat for several days.

In the end, I couldn't help but went to look for Fu Yechuan once, and came back soon.

From then on, Chu Tian obediently got engaged, as if he really accepted his fate.

But Chu Yiming knew that his sister shouldn't do this.

He went to find someone to inquire, and it was the woman next to Fu Yechuan who was jealous.

The words that praised Fu Yechuan and Chu Tianlang's beauty on the Internet made the woman Fu Yechuan raised very unhappy.

So in order to please that woman, Fu Yechuan chose to sacrifice others.

But Chu Yiming was very dissatisfied with Fu Yechuan.

He is not Chu Tian's younger brother, he is an orphan sponsored by the Chu family.

The reason why Chu Yiming came to Chu's house was because Chutian's mother was unable to give birth. In order to comfort her, Chu's father brought back the orphan who had been sponsoring in the countryside.

Chu Yiming knew his identity, everything in the Chu family belonged to Chutian, and he would not fight for it.

But the Chu family did not treat him badly.

He took care of Chu's father and Chu's mother sweetly, and the two of them were also very generous to him.

If he wants to enter the entertainment industry, they will pave the way for him, and they will never be soft when spending money.

He had long regarded himself as a member of the Chu family.

No one can bully Chutian!
