

Read Novel Divorce Billionaire Heiress Chapter 2567 [Chinese]

Divorce billionaire heiress chapter 2567-“Mr. Fu, you can't listen to her one-sided words, right? The little girl now will make people happy with sweet words. Her goal is all for your money. Just now Miss Ning said that even if you kneel here and propose to her, she doesn't care, she is not someone who is after you, she is after your money!”

Jiang Ling wished that Fu Yechuan could wake up a little bit.

He also didn't care whether her words were deliberately provocative in the ears of others.

But her voice fell.

The atmosphere was suddenly dead silent.

Fu Yechuan's face also darkened.

It's just that he was wearing sunglasses, and the expression on his face was not clear because it was too dark.

The smooth and sharp outline of the face appeared a little rigid, and the body was slightly tense.

Ning Yue was so close to him, she could feel the aura around him turn cold, and he suddenly clenched her hand tightly.

Clenched very tight.

Ning Yue felt pain.

The laughter and laughter below came up, completely opposite to the dead silence on the second floor.

soon.

The waiter led Father Chu and Chu Tian to come.

Chu Tian wanted to follow him.

I heard that it was Chu Yiming who offended Fu Yechuan, and for some reason, he asked Chu's father to apologize.

“Boss Fu, why don't you go down to play? What happened?”

As soon as Father Chu came up, he approached. First, he saw Fu Yechuan and the woman who was snuggling beside him. holding hands.

On the other hand, Chu Yiming stood on the opposite side with an ugly face, and there was an older woman standing beside him.

This situation made Father Chu feel a little embarrassed.

Especially I don't want my daughter to see it.

But it was too late, Chu Tian saw everything, saw their tightly holding hands.

I also saw Ning Yue looking at the man with some reproach, as if she disliked him too much and hurt her.

That kind of intimate atmosphere, as if no third person can intervene.

Just like that day at the door after the banquet, Fu Yechuan looked down at Ning Yue with the stars in his eyes.

There is countless tenderness and sweetness in it.

It was also that scene that remained deeply in Chu Tian's heart.

The relationship between Chu's father and Chu's mother has always been very good.

Even if Chu's mother couldn't reproduce, Chu's father didn't go to find another woman, but chose an orphan from the countryside, and took him for a paternity test, saying that this was not his illegitimate child raised outside.

Let Mother Chu accept this foreign child with peace of mind.

Chu Tian has always longed for this kind of feeling.

So she felt that Fu Yechuan was a very suitable person. He would love, be responsible, and have great abilities. He was a good choice.

But in the scene before them, he was with another woman without any shyness, how embarrassing they were!

Father Chu was still well-informed, and walked forward with a smile, "Did Yiming offend Mr. Fu? I apologize to you on his behalf. He is still young..."

Fu Yechuan interrupted impatiently, with a deep voice,

“Your age is too old.” It’s not too young, you should know how to speak properly. He and Ms. Jiang teamed up to bully my girlfriend, intimidating and luring, I don’t think I need to repeat them one by one. You have to take your child home and teach it well. If you don’t teach it well, don’t take it. It’s embarrassing to come out, but before that, I hope that Chairman Chu can apologize for your son and my girlfriend.”

Fu Yechuan’s words were extremely cold, and his tone seemed to be tinged with ice, and the coldness penetrated into the bone marrow.

His words are enough to offend people, but who is Fu Yechuan, who is he afraid of offending?

Even if the other party is the chairman of ck, he doesn’t care at all.

Although ck’s strength should not be underestimated, but compared with the Fu Group, one is yesterday’s yellow flower, and the other is today’s sunrise, which is not the same.

“Fu Yechuan, don’t go too far!”

Chu Tian stepped forward and said excitedly and angrily.

For today’s attendance, she specially selected today’s collocation, every detail is carefully selected, expensive, exquisite, and flawless.

But she forgot that Fu Yechuan’s eyes were blind.

Don’t appreciate her effort at all.

The meaning of others hanging around her made her feel sick.

She worked so hard for him.

How could Fu Yechuan humiliate his father so much?

Fu Yechuan didn’t even look at her, and stood there without changing his expression.

Chutian’s tears were about to overflow, she went to help Chu’s father, “No, Dad, let’s go back, we don’t need to apologize, I believe Yiming’s character, he will not be the same as some people said, he must be Someone intentionally framed Yiming.”

“Sister...”

Chu Yiming felt extremely regretful.

He never thought that his impulsiveness could put Father Chu and Chu Tian in such a situation.

“Father, let me apologize. If Mr. Fu blames me, he can blame me. One person does the other thing!” The father and son were arguing.

Suddenly.

Hearing their dispute, Fu Yechuan not only did not have the slightest sympathy, but was somewhat indifferent and mocking.

“Master Chu, if your apology is useful, I won’t let President Chu come. You are not qualified to apologize to my girlfriend.”

Fu Yechuan said coldly.

ChuFather froze slightly, with a calm look on his face. After all, he was a man who had seen a lot and knew what Fu Yechuan meant.

Chu Yiming looked panicked, “No...”

Father Chu grabbed his arm suddenly, and glanced at the woman beside Fu Yechuan.

She is indeed beautiful, with no flaws to be found. Compared with Chutian, she is a bit more wild and reckless, with a free and easy energy on her body, which is not comparable to Chutian’s gentleness.

Some people like women like this.

Father Chu knew that tonight was a waste of time.

It goes without saying what the consequences of this apology will be.

He looked at Ning Yue without changing his face and smiled, his smile was calm, very amiable,

“Miss Ning, I’m sorry, it was my poor teaching that made him offend you, I will go back and teach him well, in the future I will never run into you again.”

Father Chu even bent over slightly, giving Ning Yue enough face.

To be precise, it was to give Fu Yechuan face.

But Chu Tian beside him burst into tears.

This is simply a shame.

She stepped forward suddenly, grabbed Father Chu’s arm, and looked at Fu Yechuan stubbornly,

“Are you satisfied? Mr. Fu, why didn't I realize that you are such a shameless and domineering person?”

From today onwards, our Chu family is no different from you.” There will be no relationship anymore, and this cooperation is over, we don't need to cooperate anymore, we don't even bother to work with you like you!”

Chu Tian held back his tears, but he didn't want to cry out in public.

But Fu Yechuan's lethality was too great.

It is also very painful to endure.

Chu Yiming also stepped forward to support Chu's father, his expression full of distress and anger.

But even Father Chu didn't say anything, and he didn't dare to offend Fu Yechuan further, otherwise he would only bully Father Chu even more.
