**Divorce billionaire heiress chapter 2568–**

“Let’s go...”

Father Chu nodded, looked up at Fu Yechuan, smiled calmly, and finally shifted his gaze to Ning Yue.

“Then let’s take our leave, Mr. Fu, Ms. Ning, I wish you happiness.”

This is Fu Yechuan’s ultimate goal.

Bring Ning Yue in front of everyone and let everyone know their relationship.

Making Chu’s father bow his head and apologize, which was almost humiliating, made the Chu family stop wanting to get married.

Look, he saw it from the very beginning, his silly daughter really uttered cruel words and stopped cooperating.

All of this was Fu Yechuan’s purpose.

Father Chu is willing to cooperate.

Because he knew that as long as Fu Yechuan didn’t let go, Chu Tian didn’t want to marry him even if he wanted to.

He came today just to try it out.

The results are out.

There is nothing more to say.

Ning Yue also felt that it was a little too much, after all, this father of Chu looked different from Chu Yiming.

He is a kind and reasonable man.

Ning Yue felt a little sorry for his apology.

Seeing that he was about to leave after finishing speaking, Ning Yue couldn’t help but said, “Young Master Chu is outspoken. I don’t really care about his words, but Mr. Chu had better remind him not to let people use him as a weapon.

Me and Young Master Chu had no grievances or enmities and had never even met face to face, so he stood up for others without asking why, and finally got into trouble and asked his family to clean up the mess, but the people behind him remained silent. If you don't see anything, then I can only say that he deserves it."

Ning Yue's words stopped short.

Director Chu gave Chu Yiming a meaningful look.

Chu Yiming was anxious, and immediately looked at Jiang Lingyi. Jiang Ling shook his head in a panic and wanted to explain, "No, it's not me..."

Director Chu didn't say much, nodded slightly at Ning Yue, and then took his children leave.

Jiang Ling was so nervous that she didn't know what to do, and she didn't know how things happened like this.

How could Fu Yechuan do such a biased thing for Ning Yue's insignificant nurse?

"Boss Fu, what Ms. Ning said is not true, I do apologize sincerely!"

Fu Yechuan chuckled, "Sincerely?"

He said these four words playfully, not wanting to say more to her.

He pinched Ning Yue, "Are you hungry? Have you eaten something? It's disturbing your good mood."

Ning Yue smiled, feeling that the haze just now had finally dissipated.

What was wrong with him also disappeared.

This is normal!

"Well, let's go eat something?"

"Okay."

Fu Yechuan smiled, but the smile didn't reach his eyes, and his heart was heavy, with some weight in it.

The waiter came over and led in another direction,

"Boss Fu, Miss Ning, there is an elevator over there."

It was also specially arranged for Fu Yechuan.

Ning Yue thanked her, and then walked over with Fu Yechuan.

After entering the elevator, the lights finally brightened.

His handsome face under the sunglasses, his straight nose bridge, and his thin and restrained eyelids cast a small shadow.

As soon as the two got on the elevator, Ning Yue relaxed and wanted to let go of his hand, but he didn't move.

Ning Yue smiled, "There's no one else, let go, Mr. Fu, you were so handsome just now!"

Fu Yechuan turned his head slightly, not knowing whether to look at her or not, his eyes swept past her, his tone was calm and Frankly,

"Are you handsome? Ning Yue, do you still want to marry me?"

His deep voice sounded in the elevator.

He thought about it, maybe he was too impulsive and shouldn't ask.

The series of things that followed were enough to make him feel overwhelmed.

But Jiang Lingyi's words were still in my ears, she didn't mean him at all.

He believes she doesn't love his money.

But what he was afraid of was, now she doesn't even love him anymore?

Back then, he was most afraid of other people talking about marriage.

He is willing to fall in love with her for the rest of his life.

But after breaking up with Ning Yue once, he was reflecting on himself.

It is important to be well-matched, but that is on the premise that he will never meet Ning Yue in his life.

Now that we have met, do you still care about those who are well-matched?

Chu Tian and Ning Yue, which one he wants in his heart, has never wavered.

Since he wanted Ning Yue so much, why did he push her away again and again and let her stand and wait for him in an awkward position.

Is the position of Mrs. Fu really that important?

So important that he wouldn't even give the woman he loves a title?

He regrets it.

Since their reconciliation, he has carried out this relationship with a serious attitude.

Bringing her here today is to let Fu Qingcheng and everyone know her existence.

In the future, they will be together forever.

In this way, she will not leave willfully and casually.

It's just marriage, if that person is not Ning Yue, what's the point?

He stretched out his hand and pinched her face accurately.

His knuckles were clean and slightly cool, with some outside chill, they touched her face unexpectedly, causing waves of shivering.

Ning Yue didn't even dare to look up at him.

He obviously couldn't see her, but she always felt that there was a fiery gaze behind the sunglasses.

Burning hot.

She swallowed, put her arms around his neck with a smile, and rubbed the tip of her nose, "Boss Fu, isn't it good that we are together? What do you say about marrying or not? It makes me reconcile with you as if I have other plans."

Don't worry, we are still the same as before, only talking about feelings, not marriage.

Please keep the position of Mrs. Fu, I will only be your girlfriend. "

Ning Yue's coquettish words shocked Fu Yechuan's chest.

He should be happy, shouldn't he?

If Ning Yue had said these words to him three months ago, he would probably have praised her for being sensible and generous.

But Now?

There seems to be a piece missing in his heart, and a piece is missing unconsciously.

There is no reason, no trace.

Although she is by his side now, her heart is covered with a shadow. Even he couldn't see through the shadows what it was like.

He didn't even dare to find the real answer.

Because he was afraid that the answer would not be what he thought.

He didn't give it when she wanted it.

Now that he gave it, she But he didn't want it anymore.

Fu Yechuan thought it was a bit ridiculous that he had today?

He turned his head to look at Ning Yue's clever smile, and his heart trembled slightly, "You don't want to marry me? "

His voice was as soft as a gust of wind, without confidence.

Ning Yue pursed her lips, feeling a little irritable in her heart, but she didn't show it on her face.

Why did she insist on entangled in this topic?

She still smiled gently and intimately on the surface, relieved " Boss Fu, do you really want to dwell on this topic? "

Fu Yechuan's black sunglasses were facing her.

It was dark in front of him, and even the light was a little blurry.

But now he is eager to see the appearance of the person in front of him, and get the answer he wants.

Fu Yechuan grabbed her hand and placed it on his chest, "What if I insist on the answer to this question?"
