Divorce billionaire heiress chapter 2571-Why is she lying beside her.

But it doesn't feel like it belongs to him?

Almost did not sleep all night.

the next day.

When the doctors from the expert team came to review him, Ning Yue hadn't gotten up yet.

He could feel the light source out of the corner of his eye last night.

This change needs to be understood by experts.

Two hours later, everyone in the expert group breathed a sigh of relief.

"Mr. Fu, your eyes have improved after only one month. This is a very good condition. The left eye can also be used properly, and the congestion in the right eye has begun to dissipate. It is estimated that it will return to normal in a few days.

It's just that the right eye socket still needs to be maintained, and it must not touch anything hard, otherwise the fracture will be more serious."

Fu Yechuan nodded slightly.

The expert smiled, "By the way, why didn't I see Ms. Ning? She must be very happy if she found out!"

Before every consultation, Ning Yue would worry about this and that.

Naturally, everyone has a deeper impression of her.

Fu Yechuan lowered his eyes, and said in a flat voice, "She's still resting."

Everyone looked at each other.

It's hard not to think otherwise.

soon.

Ning Yue woke up at ten thirty in the morning.

She almost fell asleep until now.

Fortunately, he slept soundly, and his spirit naturally recovered when he woke up.

She yawned, and there was no one around.

She has always known that Fu Yechuan's energy is endless.

She changed into a long suspender skirt. I don't know if Fu Yechuan fumbled for her to change it, but it's not surprising.

Went to the bathroom to wash my face.

When his fingers touched his face, he suddenly felt something cold.

looked down.

On her ring finger was a beautifully designed and sparkling diamond ring.

diamond ring?

Ning Yue frowned, she couldn't remember when she wore it on her hand.

She didn't drink much last night.

So the consciousness is still awake.

That's this morning?

Ning Yue's heart suddenly sank to the bottom.

The gifts he gave her included luxury bags, diamond necklaces, and other things. Although she didn't use them often, they were all kept in the cloakroom of the villa.

She admires those things, but doesn't use them.

There is no occasion for her to show up with jewelry that is millions of years old.

Ning Yue paused, took off the ring, put it on the table outside, and then went back to continue washing.

She has a clear and clear understanding of this feeling.

Don't talk about marriage, don't talk about marriage.

Don't expect too much, so you won't be disappointed.

This is her lesson.

Fu Yechuan's actions, whether it was because of a whim or because he wanted to make up for her.

She won't take it seriously.

When she finished packing, she changed her clothes and planned to go out.

The bar will close soon, and the placement of staff during this time still needs to be dealt with.

Although Xiao Chen would handle everything, she couldn't justify it without showing her face.

She was leaving with her bag when Fu Yechuan came in from outside.

The left eye has recovered very well, and taking off the special dark sunglasses has not affected his sight at all.

So experts replaced his sunglasses with a special lens.

On the surface, there is no difference between the lenses.

But the left eye can already see clearly, but the right eye can't.

So with a smile on his lips, he wanted to surprise her.

When he saw that she was about to go out, he was slightly taken aback.

Ning Yue walked over and took his arm casually, "Where do you have a cane?"

She thought he was forgetting again.

But Fu Yechuan grabbed her hand accurately, rubbed her fingers a few times, and his tone suddenly sank, "Where's the ring?"

He saw Ning Yue's expression was slightly stiff.

He wanted to withdraw his hand, but he didn't give her this chance.

He used some strength, and asked again,

"Where is the ring? The size is not suitable? Or do you not like the style? I'll get someone to order it for you?"

Ning Yue originally wanted to find a reason to expose it.

As a result, Fu Yechuan had reached this point, and there was no reason to use it.

She twitched the corner of her mouth, withdrew her hand from him, rubbed her wrist, went to the table and took the ring, then returned and stuffed it into his hand, "here is the ring, Mr. Fu, if you give it to me I would like other jewelry more."

She didn't say much, but her eyes were a little indifferent.

She thought that Fu Yechuan couldn't see it.

In fact, all her expressions fell into his eyes.

That kind of indifference made his heart seem to be tightly held by someone, making it difficult to breathe.

Fu Yechuan grasped the ring tightly, holding it tightly in his hand, wishing he could sink into the flesh.

He finally tasted the bitterness of the bitter fruit.

He said in a difficult voice, "Why, isn't the ring bad?"

Ning Yue glanced at him, then went to the side to pick up the mobile phone she left behind, "Well, it's not good, so don't give it away anymore, and I won't take it if I give it away. She

walked over and was about to reach him, her tone softened, "I'm going to the bar, I'll be back later, you can rest first, don't wait for me to eat."

She was about to walk out.

He grabbed her hand and insisted on getting to the bottom of this question, "Why not?"

Ning Yue couldn't help being annoyed, she was concerned that he was a patient, and she didn't forget the reason for their last breakup.

She saved him face, but why does he insist on making everyone unhappy again and again?

She took a deep breath and controlled her emotions, "Boss Fu, what is our relationship? Don't you understand what it means to send a ring?"

Her voice had already cooled down.

Fu Yechuan's heart was empty, and he vaguely felt a little panic and didn't know where it came from.

His voice was rough, "I know, I am..."

I want to marry you, and of course I want to give you a ring.

"Now that you know, I think it's better for everyone to avoid this issue. There's no need to whitewash the peace.

We don't mention marriage, we stay together when we're happy, and separate when we're not. Isn't that good?

You also agree. You taught me this concept. We should not test each other's bottom line.

You don't have to test me either.

I can swear that I have absolutely no intention of marrying you, you can rest assured.

Similarly, if you want to get married, you just need to tell me, and I won't pester you. "

Ning Yue's words made Fu Yechuan's face pale.

Even his lips were white.

Ning Yue saw it, but didn't say anything, just walked past him and left downstairs.

I believe they have made their words clear this time, and Fu Yechuan should not follow up. I'm getting nervous again.

The ring is too illusory, and she doesn't want it. It's better to be real.

When Ning Yue went downstairs, she greeted the servant, "Don't wait for me to eat, I'll go out to eat. "

Ning Yue's car was parked in the yard by Fu Yechuan's driver, so it was more convenient for her to drive.

Fu Yechuan asked many times to change her car, or choose a car from the garage.

Ning Yue refused.

Too You have to be careful when driving an expensive car, just like driving your ancestors. If you get bumped, you can't afford to pay for it. It's still your own car, so you can drive it with confidence and casually.
