Divorce billionaire heiress chapter 2573-But Fu Yechuan naturally wouldn't say it.

Passed the things to Fu Yunche, and said indifferently,

"Don't eat sweets at night, just look at the things, don't eat them." You can only watch, not eat!

Fu Yunche froze slightly.

The little face immediately felt uncomfortable.

Ning Yue twitched the corners of her mouth, this Fu Yechuan was really disappointing.

She coughed and walked over, "Just take a small bite, remember to brush your teeth, and put the rest downstairs."

Seeing that Fu Yechuan had no objection, Fu Yunche nodded happily.

Fu Yunche left, Ning Yue looked at him, opened the door for him, and walked in by pulling his arm, "Boss Fu, do you want to make up for all the leave you took?"

With a bit of helplessness and innocence, "There are too many things, there is really no way, I will try to come back as soon as possible in the future."

He thought it was because he came back too late, and Ning Yue was worried about him that he complained so much.

It's just that such complaints sound extra heartwarming.

Let his originally bitter heart taste a little bit of sweetness.

Ning Yue didn't know that his eyes were healed.

So when the two get along, she still takes care of him.

It's just that she felt that Fu Yechuan was a little strange these two days.

Extra effort in bed.

Of course, this is not a bad thing.

Ning Yue felt tired, so she fell asleep.

Get up the next day.

She looked at the fingers first.

Looking at the emptiness above the slender and clean fingers, he was relieved.

Fu Yechuan finally did not make any other troubles.

Finally passed.

Fu Yechuan went to work as usual.

Ning Yue had nothing to do, so she and Xiao Chen went to see other places suitable for opening bars.

After all, you can't just sit and eat in the past two years.

Turning around, the last time I fancy the best location.

Maybe it's because I can't get it, so the more I look at it, the more I like it.

Ning Yue went there with Xiao Chen in the end, planning to fight for it again, even if the rent was raised a little, it would still be acceptable.

Coincidentally, the owner of the house, who hadn't shown much before, just took the client to see it.

More than one person took a fancy to this location, and Ning Yue suddenly felt a sense of crisis.

He exchanged a glance with Xiao Chen, and walked in as if nothing had happened.

The agent who entertained them didn't come last time, but there were only a couple who came to see the house.

There is also a woman who looks young. Although she looks ordinary, she is very fashionable and exquisitely dressed.

The woman looked familiar, Ning Yue stood at the door and unconsciously took a few more glances.

I have been wondering in my heart, where have I seen it?

In fact, the woman's eyes revealed a bit of impatience towards a couple, but she still hid it well on the surface, “

I know you two are busy people, and the next time you come back, it might be an intermediary, but the intermediary can't give you an answer." My price, the one-hundred-and-a-half million I want is not much, you can go back and think about it."

The couple seemed hesitant, and the woman nodded,

"Okay, Miss Ning, we will discuss it carefully.

The couple nodded and left.

Miss Ning?

Ning Yue's heart skipped a beat, and a thought suddenly popped up in a flash.

The next second, the woman walked towards Ning Yue with a scrutiny and a smile on her face.

"Sister Ningyue, long time no see."

Seeing Ningyue's surprised and bewildered expression, the woman smiled, "Ning Zhenzhen, you may not remember, after all I was in school when you left, and when you came back to make trouble, I just graduated, we haven't met a few times, but every family gathering, someone will mention you."

Ning Zhenzhen chuckled lightly, with a bit of condescending contempt.

Ning Yue frowned slightly, she suddenly remembered.

When I lived with the old man, I met Ning Zhenzhen a few times. Because the old man preferred Ning Yue, Ning Zhenzhen hated her very much.

Not even in their presence very often.

But when the old man treated Ning Yue coldly, Ning Zhenzhen appeared more frequently.

The old man's preference has also been transferred to Ning Zhenzhen. Although it is not as good as Ning Yue's love for Ning Yue, it is enough to make people feel the gap.

Ning Yue's heart sank slightly, she turned her eyes away, her chest felt tight, and the energy she had at the beginning was gone.

She shouldn't have come, what bad luck.

The Ning family brought her all unpleasantness.

Needless to say, this Ning Zhenzhen in front of her also has malicious intentions.

She narrowed her eyes irritably, and looked back at Xiao Chen, "Shall we go?"

It was certain that she would return disappointed.

The Ning family was not so tolerant of her.

She also doesn't want to have any contact with them.

Xiao Chen nodded, but Ning Zhenzhen suddenly stopped her.

"Why, don't you want this house? Don't you want it now?"

Ning Zhenzhen laughed, "You don't know, this house is a graduation gift from the old man. Thanks to your marriage, the financial strain is relieved. At that time, the family was in such a difficult situation, but the old man still gave me this gift, why, didn't he tell you?"

Ning Yue's face suddenly became a little ugly.

Although Xiao Chen didn't understand anything, it was just that this woman had no good intentions.

He half hugged Ning Yue's shoulders and said calmly, "Let's go!", don't affect our good mood.

As soon as Ning Yue turned around, Ning Zhenzhen couldn't help laughing. "In a good mood?" Sister Ningyue, if you want it, it's easy to discuss, don't you want to rent it? Seven million a year, you can consider it.

Ning Yue turned around suddenly, her expression sank,

"Do you think I've been taken advantage of?" You sold that couple for 6.5 million, but rented it to me for 7 million? "

Ning Zhenzhen looked at her with a smile, Yes, you are different, I heard that you have been with Fu Yechuan for a long time, how could he care about such a small amount of money when he is so rich.

Heck, is it okay for me to say this in front of your boyfriend? Her expression changed, she covered her mouth and looked at Xiao Chen.

She thought Xiao Chen and Ning Yue were a couple.

Ning Yue gritted her teeth, Xiao Chen couldn't help chuckling, and said in a cool voice, "I know it's inappropriate, Also quite blind. "

Ning Zhenzhen was in the mood of watching the show, "You have come several times. I have read your profile from the agency. You have been with her for so long, and you don't know that you have been wearing a cuckold for so long? You guys are really able to endure and play, and I admire it too. Sister Ningyue, you are really skilled in dealing with men, I want to learn it. But Mr. Fu is reluctant to give you a store, is it because you have been divorced? Is it because you are afraid of having something to do with you, because you are shameful? "

Ning Yue has gradually calmed down in her humiliation.

She is really in the same line as her aunt, with a vicious mouth and a wicked heart.

Ning Zhenzhen looked at her innocently and smiled sympathetically.

"I really don't know what to say. Your status is so different from others that you can climb it. I thought you could climb a branch and become a phoenix. My mother also said that she would visit you. I said it can be saved." , don't look back, we are already at the door, Mr. Fu is running faster..."
