

Read Novel Divorce Billionaire Heiress Chapter 2574 [Chinese]

Divorce billionaire heiress chapter 2574-Ning Yue glanced at her speechlessly, with a bit of indifference.

Such words no longer have any effect on her.

The psychological discomfort at the beginning of the meeting was just because the haze of the Ning family suddenly approached, which aroused many unpleasant meetings.

Now, hasn't she heard what Ning Zhenzhen said?

Haven't you thought about it?

How could there be any anger and shock?

She knows better than anyone how unsuitable the two of them are.

Xiao Chen couldn't listen anymore, and couldn't help but said, "I said, why is your mouth so smelly? Did you come out without brushing your teeth? Are you envious that she can be with Fu Yechuan? Yes, at least she can With Fu Yechuan, and you, people don't even look down on you, no wonder you are so enthusiastic about making sarcastic remarks here! Ning Yue, let's go, we don't have any dealings with such people, this is hating and resenting others Pervert, let's ask Mr. Fu for help!"

Xiao Chen pulled Ning Yue and turned around to leave.

But before turning around, Ning Zhenzhen couldn't help poking their faces,

"I'm really used to acting, and I really think I'm an actor? Do you think I'll believe you if you say that? If Fu Yechuan is willing to help you, you Do you still need to come to my place?"

Ning Yue couldn't help looking back at her, her tone was lukewarm and without warmth, "I came here to look down on your house, not you, if you know that the owner is you, I won't come because I'm afraid I'll get my shoes dirty."

She took out her mobile phone, called for a ride, snorted coldly, and took Xiao Chen away.

Ning Zhenzhen sneered and rolled her eyes.

It's just a dying struggle.

She didn't believe the news on the Internet, but there was a friend who had access to people in the entertainment industry, and it was Jiang Lingyi who reported that Fu Yechuan had hired Ning Yue.

But so what?

Packed, itself is a derogatory term.

The two went out one after the other.

Xiao Chen looked up at the sky, let out a long sigh of relief, and stroked his chest, "I'm so mad, I thought you took out your phone to ask Fu Yechuan to pick you up, and slapped her in the face hard, just let it go." Have you passed her?"

Ning Yue raised her eyebrows, and said with a smile, "As soon as someone provokes me, I will take the bait? Mr. Xiao, do you underestimate me? I don't have that much energy in Fu Yechuan. Take the shame."

She said, and the taxi came.

Xiao Chen opened his mouth, wanting to say something, but swallowed again.

Ning Yue, the person involved, seemed to be more open-minded.

But he felt a little distressed.

This girl has always been miserable, but she is like an unbeatable Xiaoqiang, like a weed growing in the corner, tough and energetic.

Ning Yue and Xiao Chen returned to the original bar.

Since work is about to start, everything inside is almost packed.

Those memories and hustle and bustle of the past seemed to flood into my mind one after another, which made people feel a little sad when they were caught off guard.

Ning Yue took a deep breath.

They went upstairs and downstairs with Xiao Chen, and when they went downstairs, they saw an uninvited guest sitting there, with a bit of nervousness and shrewdness.

"Director Guo?"

Ning Yue was a little surprised. She guessed that Director Guo might not give up like that, but she didn't expect to come to her directly.

It was Fu Yechuan's problem that the crew was disbanded. Although he was the catalyst, why should he ask himself to repay his grievances with virtue?

Is she that good-natured?

When Director Guo saw her, he stood up and walked over to her kindly, smiling, "Ning Yue, I came here on purpose to apologize to you."

Seeing this, Xiao Chen consciously went to work on his own affairs.

Ning Yue managed to maintain her superficial politeness, she felt that it was better for her to stay away from this person who was enthusiastic at the beginning but actually very shrewd.

Maybe only Fu Yechuan could fight him a few tricks.

I am not an opponent at all!

"Director Guo was joking. I almost forgot what happened before, so I would like to trouble you to make a trip. I will be moving here soon, and I am quite busy. Next time, let Mr. Fu come forward and treat you to dinner?" Director Guo His face was slightly startled, and he paused, "Ning Yue, are you still angry? That Jiang Lingyi has already been punished, and she is almost hidden by half snow now, and the crew has terminated her contract with her recently. I have no other way out, and I came to plead with me before, although I looked at her pitifully, but I didn't agree to let her come back."

Ning Yue looked at him with a slight smile, and did not interrupt him.

Director Guo thought she was interested, and when he heard it, he continued to say,

"Actually, this Jiang Lingyi is also pitiful. Her development trend was actually quite good at the beginning, but she quit the circle to get married. She has been a rich man for more than ten years. Ma'am, I'm out of touch with the entertainment industry. I don't understand the current rules in the industry. I thought it was an old fashioned way.

Because she is the heroine, I didn't disgrace her.

Her husband is bankrupt, and her financial strength is not as good as before. I have found a lot of talents to join my drama.

Aren't they all optimistic about the re-employment of middle-aged actresses? I thought I could take advantage of this shareholder wind to push the drama forward, but who would have thought that this would happen? Things?

Ning Yue, in fact, this drama has gathered a lot of everyone's hard work. If it can't be filmed, The production team needs to pay a large amount of compensation, there are so many people in the production team, and they all have family members..."

Ning Yue smiled slightly, her face began to crack. Why did she start playing the bitterness card now?

Jiang Ling took the same route?

Attempt to kidnap morally?

She couldn't bear it anymore, smiled softly, and took out her mobile phone, "Director Guo, wait a moment, it's useless to say such things to me, I don't even I can't even keep my own bar, so I can't help you. Let me contact Fu Yechuan for you. "

Under Director Guo's shocked face, she directly called Fu Yechuan.

Fu Yechuan answered it with dignity.

"Yue'er..."

Ning Yue interrupted him immediately, "Boss Fu, Director Guo is at my bar right now." , He said that it was not easy for a series of production crews, as if the livelihood of hundreds of people depended on me? You did the thing, and you should be the one who suffers retribution. Come here and listen to him. "

Fu Yechuan was silent for a few seconds.

Director Guo's complexion changed, and he thought in his heart that it was not good, and it was counterproductive.

He could only bite the bullet and say, "Mr. Fu, I actually came to apologize to Miss Ning..."

Fu Yechuan didn't Give him this chance, with a cold and gloomy voice,

"Director Guo, from now on, I will give you one minute to get out of her bar. In two minutes, you don't have to film anymore. "

After finishing speaking, Fu Yechuan changed his voice, and his voice became softer, "Yue'er, I've started the timer. If he doesn't leave, just squeak." Ning Yue ignored the gentleness in his voice, and only felt that Fu Yechuan's methods were indeed formidable, and he acted resolutely, making it impossible for others to retreat.
