

Read Novel Divorce Billionaire Heiress Chapter 2577 [Chinese]

Divorce billionaire heiress chapter 2577-Ning Yue interrupted him with a smile, "I think you are too impulsive."

Fu Yechuan knelt down on one knee in front of her, and solemnly took out a ring from his pocket.

That ring was the one that appeared on her ring finger inexplicably and was returned by her.

Ning Yue's expression was almost unbearably ugly.

Even if it is a barely maintained smile, it is almost impossible to maintain it.

The temperature in my heart cooled down a little bit.

But Fu Yechuan's blood was boiling from head to toe.

His emotions were a little turbulent, his expression fluctuated greatly, and he looked up at her with bright eyes.

At this moment, she is on top and he is on the bottom.

The position was suddenly reversed, but Ning Yue was in a trance for a moment.

Does he seem to be serious?

But isn't his seriousness a bit too lonely?

Ning Yue felt as if she had fallen into a deep pool, bottomless without any ripples.

She should be excited, even cover her mouth and cry in excitement, just to meet the occasion.

But she didn't.

She was so calm that even she was surprised.

She was incomparably calm and composed, calm and unwavering, without any ups and downs or hesitation in her heart.

Just continue to use what method to decline, so that everyone can look good?

Bang – bang.

Fireworks suddenly rose from behind.

The fireworks were bright, and everyone immediately shouted with joy, covering up the entanglement and anxiety in her heart at this moment.

Slightly relieved.

The fireworks are beautiful, but she is not in the mood to appreciate them.

It turned out that this was also part of his arrangement.

It is appropriate to the time and the occasion.

Fu Yechuan gently took her hand, with a gentle smile, and wanted to put the ring on her.

But the moment Ning Yue touched the cold ring, she instantly curled up her fist.

She pulled out a smile as gentle as possible,

“Fu Yechuan, let’s go back and talk, shall we? There are too many people here.”

Fu Yechuan’s smile froze, he restrained himself slightly, looked up at her, his eyes reflected the sparkle of fireworks.

“It’s because there are so many people that I want them to witness our critical moment together. Ning Yue, didn’t you always want to get married?”

I’ve thought about it, and I can do it. I was hesitant because of various things before, which hurt you Heart, I am also very sad, but I don’t want to see you suffer again. If I have to have a wife, then I must hope to be yours. We haven’t known each other for a long time, but I think...”

The manuscript was written by him in advance Ready, although he can completely avoid doing this, but he is afraid that he will forget his words because he is too excited.

How can a dignified president of the Fu Group lose his temper at this moment?

So he memorized the words by heart.

But Ning Yue suddenly grasped his ring-holding hand with the other hand, her eyes darkened,

“Fu Yechuan, get up first.”

Ning Yue's fingers were slightly cool, holding onto his wrist, Fu Yechuan was throbbing violently. Her heart finally calmed down slowly in her light smile.

His brows and eyes gradually lowered, and the light reflected in his eyes disappeared.

The smile on the corner of the mouth was gradually restrained, and finally the corners of the lips became a straight line.

She should be happy, shouldn't she?

No matter what you think, it shouldn't be this reaction!

Colleagues around were all looking up to enjoy the fireworks, and no one paid attention to this subtle scene.

But Chen Mian noticed it, and he intuitively felt that it was over!

"Ning Yue..."

Fu Yechuan's voice suddenly became dry and hoarse.

do not know what to say.

But he had a lot to say.

I really want to express my love.

But looking at Ning Yue's dark and calm eyes, he couldn't say anything.

Fireworks are fleeting.

It's over soon.

Everyone focused their attention on Fu Yechuan and Ning Yue again.

Fu Yechuan stood up stiffly under Ning Yue's force.

Everyone thought they had completed the marriage proposal, and applauded happily.

Fu Yechuan didn't even have a trace of a smile on his face.

Gloomy and ugly, as if placed in a barren place.

My heart seemed to be kneaded and flattened by a hand, and the pain seemed to be almost unconscious.

Surrounded by cold wind rustling.

He deliberately chose it outdoors because of the large space and good atmosphere.

But he inexplicably felt a chill.

And Ning Yue is still gentle and calm.

He even politely handed the bouquet in his hand to Chen Mian next to him.

Then turned and left.

Everyone was shocked for a moment.

But Fu Yechuan didn't stop, and directly chased after her, holding her hand and walking forward.

In the eyes of outsiders, this is two people who need a two-person world.

So they let out another round of cheers from behind.

"Cheer up, Mr. Fu!"

"The next step is to get engaged and get married? It's too soon!"

"Yes, it's hidden too deep!"

"But have you noticed that this future Mrs. Fu seems a little It looks familiar!"

"I've never seen it before, but it's so pretty!"

"Mr. Chen, you must know more than us, what's it all about..."

...

Chen Mian just smiled dryly.

Nothing can be said.

What about getting engaged?

Marriage proposals have failed!

Mr. Fu doesn't know how many bloody storms he will have to go back to!

Finally, he coughed and said cautiously to his colleagues,

“Colleagues, don’t spread this matter for the time being. When we really need an official announcement, we will let the company’s official media release it to prevent gossip spreading.” It makes people think about things.”

“Don’t worry, Mr. Chen, we know that Mr. Fu is finally getting married, and we all cooperate!”

said the vice president with the wig and bangs.

Others started to chime in.

Chen Mian smiled, and then greeted everyone, “You can take care of the rest of the activities. It seems that Mr. Fu will not come back.” “The world is gone.”

Chen Mian “...”

I am afraid it is the dawn on the eve of darkness.

The driver is gone.

Because Fu Yechuan had instructed them in advance, they were likely to spend the night in this villa and prepare to have a good night.

Therefore, if Fu Yechuan and Ning Yue wanted to leave, they could only drive the only car Fu Yechuan left here.

When Fu Yechuan chased after him in the car, he saw Ning Yue holding Fu Yunche’s hand and talking to him gently with his head down, smiling unabashedly happy.

This is how she looks happy with you, and her light smile on the field just now was indifferent and stiff.

Fu Yechuan’s heart suddenly tightened.

It was as if seeing the true face behind some kind of hazy fog, and there was a bit of pain that was caught off guard.

He thought she would be happy, but she wasn’t.

She even resisted to turn around and leave.

The ring was still on his finger.

Disassociate completely.

It wasn't until this moment that he suddenly realized that what she said that it didn't matter who he married was true.

It is also true that she is ready to withdraw and leave anytime and anywhere.

He couldn't say it, a dull and slow dull pain spread deep in his heart, as if it wanted to tear his whole body apart completely.

A sense of suffocation enveloped him, like a drowning person who couldn't find a piece of driftwood to survive.

He suddenly remembered the back view of her turning and leaving in the new apartment he gave her.

Determined and lonely.
