Divorce billionaire heiress chapter 2579-“Oh, Miss Ning asked us to clean up the guest room just now.” The servant said honestly, and didn’t dare to ask if they had a quarrel.

Fu Yechuan took a deep breath and nodded.

The servant goes downstairs.

He just went to the door of the guest room.

Several guest rooms in the house are vacant, but Ning Yue said that the guest room at the end of the corridor has the best view. She wanted to move here, but Fu Yechuan stopped her.

really.

The door of this room is tightly locked.

He walked over and reached out to knock on the door, but didn’t know what to say.

He should have calmed each other down.

But he vaguely felt that if he really calmed down, if he really didn’t do anything, this matter would be left alone, and he would never have a chance to bring it up again.

Fu Yechuan took a deep breath and knocked on the door anyway.

Ning Yue quickly came over to open the door, and was not surprised to see it was him.

“Is there anything else?”

“Let’s talk about it.”

“I thought it was over just now.”

Fu Yechuan choked up for a moment, “Did that just talk? You were telling me.”

Ning Yue couldn’t help laughing.

“I’m sorry, okay, what do you want to talk about?”

She looked indifferent, which made Fu Yechuan a little at a loss.

“Go back to the room, don’t stay here, do you still want to separate from me?”

Fu Yechuan turned around and went back to the bedroom.

Ning Yue raised her eyebrows, but still followed.

The two of them sat down on the sofa just now.

Ning Yue looked at him calmly, “Boss Fu, is there anything else you want to say?”

“You think so? Ning Yue, are you trying to make things difficult between me and Chutian?”

I admit that it was wrong to let gossip grow. My selfishness, but that is beneficial to the company, I can’t turn a blind eye to it.”

Fu Yechuan planned to explain this matter from a business-like perspective.

She cares, which is a good sign.

Ning Yue became a little irritable. After all, he was right, and it was all her fault?

She stood up and said with a smile, “Then you just think I don’t know how to flatter you? Fu Yechuan, I don’t want to quarrel with you, but I hope you can understand that if you don’t wave my hand, I have to lick my face. You don’t want to Now that I’m married, I’ll be happy to be grateful to Dade.”

She almost couldn’t suppress her emotions.

“Who you marry is your business, but don’t get involved with me. I don’t mean it at all. We agreed when we were together. Why do you go back on your word? Do you think being Mrs. Fu is a great thing?”

Fu Yechuan, you think too highly of yourself. You are rich and powerful. Do you have half a dime relationship with me? Could it be that if I marry you, I can take it for granted that everything you have achieved through hard work will be taken for granted? Be mine?

I don’t have such a thick skin.

You should continue to earn your money and die for your company. Why are you getting married? Do you want me to be as tired as you? I have to treat

you The group is really not interested at all, and I will never get married.”

Everyone is selfish, so why put on a show just for a paper marriage.

Just maintain yourself without interfering with each other.

Further, everyone is uncomfortable.

Fu Yechuan's heart seemed to have opened countless gaps, and he said all the emotions that he had borne all night, "In the end, you are blaming me for not agreeing to marry you at the beginning, and for being entangled with other women but not Clarification?"

But Ning Yue, you can't just blame me. We didn't get married for a long time when we talked about getting married. Even ordinary couples have time to adapt. Why didn't we? Now I'm willing to marry you, But you said you didn't want to.

Aren't you happy when we're together during this time?

I took you to the cruise ship just to announce our relationship to everyone. I've corrected it a little bit. You can't just take it away completely. My chance."

There was a faint fire in his heart, as if it was going to burn him to ashes.

It was a kind of looming pain, but it was tenacious, burning hot for a long time, and it was roasted on the fire.

"You want to get married because you think I took good care of you when your eyes were sick? Or because you have adapted. Indeed, my original intention is a little more pure than those ladies and ladies who can get close to you. Maybe you think it's harmless It's acceptable to pick the poorest one with the least influence. In your opinion, this is a kind of sacrifice? But in my opinion, this is my sacrifice. I am not a person who can wrong myself, Fu Yechuan, you also Clearly, we shouldn't talk about this."

After Ning Yue finished speaking, Fu Yechuan couldn't help it, "Then what are you going to talk about, Ning Yue, marriage is a matter of letting nature take its course, we are almost done, we can get married!"

" We are all marriage failures, so don't expect more, I don't have the confidence to manage a new marriage well. Similarly, I don't want to become a third marriage!"

Fu Yechuan's face turned pale, and his chest heaved up and down in anger .

There was a sudden pain in his heart, but he couldn't find a reason to refute.

Ning Yue suddenly smiled, "You have been married twice, and you still want to get married. The country should issue you a certificate to contribute to increasing the marriage rate. But don't look for me, I have already said, I have already I have become a staunch non-marriage advocate!"

She smiled, a little perfunctorily, "Is the talk over? I'm leaving!"

Fu Ye Chuan's teeth itch in anger, "Where are you going? Why, you can't even sleep if you don't get married." Don't sleep here anymore?"

Ning Yue glanced at him, and said calmly, "I'm afraid you won't be able to think about it when you get agitated, I can sleep anywhere!"

She said, she didn't go to the guest room, and went directly to the bed and lay down .

The original location, such a large custom-made bed, is really comfortable.

It would be nice to have one in the guest room too.

It's a pity...

Her thoughts spread to the custom-made bed here.

Over there, Fu Yechuan's face turned pale from anger, and he was speechless.

The moisture from the corners of the eyes was wiped away.

His shoulders trembled slightly.

There was a snap.

Lights went out.

She was afraid that it would affect her sleep, so she turned off the lights!

Fu Yechuan "..."

became even more angry, but he was so wronged!

This whole night, Ning Yue slept soundly.

But Fu Yechuan didn't fall asleep at all.

I thought about refuting her words countless times in my mind, but in the end I held them all in my stomach.

the next day.

Ning Yue got up to clean up her new bar, but Fu Yechuan didn't get up until nine o'clock.

Come together, the people around are gone.

With a serious look on his face, he hurried down, seeing that all her things were in the cloakroom, he was slightly relieved.

Don't know what you are afraid of?

Scared her away with a proposal?

Dejected, Fu Yechuan went to the bathroom to wash up.

When going downstairs.

Fu Yunche has already gone to school.

The servant put his breakfast on the dining table, "Boss Fu..."

"Where's Miss Ning?"
