**Divorce billionaire heiress chapter 2581**-It was Chen Mian who looked at the situation and coughed, "You yourself are an unmarried, and if you envy other people's marriage, you should hurry up and find someone to marry!"

"I have a boyfriend, but I don't want to get married!"

The beautiful assistant smiled happily "It's only a fool who gets married. I want to be free for the rest of my life! If you get tired, change someone else!"

Chen Mian "..."

Ning Yue couldn't help giving a thumbs up, "That's right!"

Fu Yechuan's face turned dark with anger, He glanced coldly at the unfamiliar female assistant.

When was this recruited?

Three views are not correct!

And it happened that Ning Yue ran into her!

He snorted coldly, looked back at Chen Mian, and said loudly on purpose, "Did you not notify of the company's new regulations?"

Chen Mian looked over blankly, "What new regulations? Award."

Everyone was shocked, and looked over in surprise and joy.

Chen Mian was even more confused. When was this stipulated?

A 10% year-end bonus, that's a lot of money!

Fu Yechuan glanced at Ning Yue, and continued to say, "In addition to the original wedding leave, there will be ten days of honeymoon leave, and the company will give a big red envelope."

Everyone couldn't help cheering.

There are still many people who feel sad and regretful.

Because already married.

Fu Yechuan paused, and added, "There is no limit to the number of marriages!"

Everyone was shocked!

If someone is willing to go out and try to take advantage of the loophole, wouldn't the company suffer a big loss?

Everyone's eyeballs almost fell off.

But Fu Yechuan turned around and entered the president's office.

Chen Mian took a meaningful look at Fu Yechuan, then at Ning Yue, and approached her with a smile, "What medicine did Mr. Fu take?"

Ning Yue paused, "Poison."

Why didn't he poison him to death?

The beautiful assistant couldn't help but stepped forward and asked Chen Mian, "Mr. Chen, is what Mr. Fu said true? If so, then I will consider giving up the doctrine of non-marriage."

Chen Mian saw that Mr. Fu wanted to After the effect was achieved, she immediately said, "Really, the specific regulations will come out later."

Ning Yue turned around and went to Fu Yechuan's office.

I really don't want to stay for another second.

This man's brain is probably short-circuited!

Unlimited number of times?

Heh, how many people can be like him, get married and divorced repeatedly?

Either Ning Yue didn't understand Fu Yechuan's thoughts, or she found it hard to understand.

Seeing her go in, Fu Yechuan pointed to the lounge inside,

"If you want to rest in it, or go to the sofa over there, the designer will be there in ten minutes."

Ning Yue nodded, naturally not in the mood to rest.

ten minutes later.

The plan given by the designer was perfect, completely exceeding Ning Yue's psychological expectations.

She didn't expect Fu Yechuan's intentions on this street. If the whole street was built, the cost would needless to say, but it would definitely become the city's business card and image symbol.

That's why he spared no effort and spared no cost.

And her bar is designed to be one of the most distinctive new logos on the original site.

Not only is there an ultra-modern feel to the architectural features, but the extensibility of the interior space makes this bar just plain cool!

Looking at Ning Yue's expression, Fu Yechuan knew that she must be very satisfied.

If you are not satisfied, you have already stood up and jumped.

He smiled, and followed the design plan, "That's right, let's do it this way."

Ning Yue was not interested in accompanying him to the next meeting.

She's a mess herself.

So after making a plan, he greeted Chen Mian and was about to leave.

Because Fu Yechuan was too busy inside.

Chen Mian paused, "Miss Ning, why don't I send you off, or Mr. Fu will be worried."

"I'm not a three-year-old child anymore, what is there to worry about?"

Ning Yue smiled and posed Waving her hand, "Don't worry about me, I'll take a taxi and leave. I'll call him when I get there."

Chen Mian smiled, and sent her to the elevator, and interrupted to see her leave the company.

"Last night, I felt something was wrong. Maybe you haven't reached that point yet, but Mr. Fu put 200% of his heart into this marriage proposal. The design of the proposal has been changed again and again, and everyone has been here for a long time. He was not satisfied all night long.

But he still chose a simple and straightforward way, probably to show his sincerity?

Miss Ning, you didn't quarrel when you went back, right?"

“Argued.” Ning Yue sighed Tone, smiled and shook his head.

“I don’t know what he thinks. We haven’t been together for long, and we don’t look like a good match. As long as we are happy together, why bother to get married, don’t you think it’s ridiculous?”

Chen Mian paused, “But he is serious this time. Ms. Ning, Mr. Fu is not a sentimental person. He has identified someone, and he will not give up easily.” No matter what Chen Mian said, Ning Yue Not soft-hearted.

She wavered her decision with just a few words, isn’t it too unreasonable?

She smiled and the elevator just arrived.

She went out and waved at the people in the elevator, “Assistant Chen, go back, I’ll go first...”

Chen Mian waved with a smile, and was about to press the elevator back when she suddenly saw the crowd around the door. Man, his complexion changed.

“Ning Yue ...”

Ning Yue was quite happy at first, but when she raised her head, she looked at the people around the door.

The bodyguard at the door probably didn’t expect so much media to appear suddenly, with long guns sprinting, and they hadn’t had time to report it for a while.

The spotlights were flickering, making it hard to look directly at.

Her face changed slightly.

Those reporters should be numerous, and they only dared to guard the door and dared not step in.

The bodyguards stood on the inside, and the situation on both sides was serious and tricky.

Chen Mian immediately got off the elevator and walked over.

“What’s going on?”

Before the bodyguard could speak, a person came out from the crowd, who looked familiar.

Jiang Lingyi.

It looks like a deliberate live broadcast for a long time.

Jiang Lingyi was dressed very low-key, and she didn't look well. When she walked out of the crowd, she burst into tears the moment she saw Ning Yue.

Ning Yue's face became ugly.

It seemed that he was vaguely worried that something would be exposed.

As soon as Jiang Ling took a step forward, he didn't step inside the group, but stood outside, and bowed deeply to Ning Yue in front of many cameras.

“Miss Ning, I'm here to apologize. I've tried many channels before, but you refused to give me a chance. I can only use this way. I'm a middle-aged woman, and the market conditions are not good. I can't lose This job. I know that you are very angry because I let my sister replace the role you originally wanted to play, so in order to vent your anger, Mr. Fu kicked me out of the crew and I have no complaints. But my endorsement and All my dramas to be broadcast have been taken off the shelves for no reason, and all the contracts I want to sign have been broken. I have almost no chance to be exposed in this circle. I have been banned, Miss Ning, you are also a woman, don't you know women? How difficult is it to get to this point? I have no other choice but to use this method, and I beg you to raise your hand!”
