Divorce billionaire heiress chapter 2582-Jiang Ling stood there pitifully. Although she was older, she had been well maintained for many years, and her style was still there.

After crying like this, everyone's sympathy turned to Jiang Lingyi's side.

Some media couldn't help asking,

"Miss Ning, is what Ms. Jiang said true?"

"Did you instruct Mr. Fu to block her?"

"What is your relationship with Mr. Fu? Before you Are you fooling netizens by saying that you don't dare to climb high?"

"Is there something wrong with your appearance in the Fu Group? How did you appear here for no reason?"

"The vague relationship between Mr. Fu and Miss CK before, you are I don't know the inside story, can you share it with us?"

...

Ning Yue's heart trembled.

It's not that she hasn't encountered cyber violence before. When someone reported her relationship with Fu Yechuan before, the saliva on the Internet almost drowned her.

But she survived.

There is still a gap between online and real life.

More intuitive, and more terrifying.

She can't even have an extra expression, can't say a word.

Because of one wrong step, it will be lost forever.

Her face paled, her eyelashes drooped, and she didn't speak.

Chen Mian said from the side

, “Shut up, what do you think this is? Ms. Ning is here to deal with business, do I need to explain to you?”

She is not from the entertainment industry, so I don’t need to explain anything for you.

Ms. Jiang, You keep saying that you were banned by Mr. Fu, but you can still stand aggressively in Fu’s group, and you are not small compared to your energy?”

Chen Mian suddenly pointed the finger at Jiang Lingyi.

Jiang Lingyi’s face turned pale, and his chest sank slightly.

She can’t be guilty, this is her last chance to stand up.

“I... I just want to apologize in front of everyone. I think it’s better to say things out. I did something wrong and I can accept everyone’s accusations against me. I also hope that Miss Ning can calm down...” She said His eyes turned to Ning Yue.

Because it is a live broadcast, there is no need to think about it, and now the Internet has turned upside down.

“Oh my God, what big news did Jiang Lingyi make? Fu Yechuan was responsible for her being blocked?”

I can only consider myself unlucky for taking the opportunity to be caught!”

“Ning Yue is also bullying others, and Jiang Ling is also a senior in the circle, she dares to be so unscrupulous with her own money?”

“Before she kept saying no. Dare to climb high, don’t you still climb up now? It’s really nice to say, isn’t it still bowing for money?”

“Ningyue, my goddess, the image is completely ruined! She really has an affair with Fu Yechuan, isn’t this just being trapped? Did it happen? Just happened to be blocked by Jiang Lingyi in the Fu Group!”

“But I have to say, the big brother who speaks for Ning Yue is also very handsome!”

“I really have no feelings for Fu Yechuan. Goddess Su set up an affectionate personality, and she will take care of this for a while, which is comparable to the chaos in the entertainment industry!”

“No matter what, I still feel sorry for Jiang Lingyi. A senior who admits his mistakes among such women is simply kneeling in front of capital!”

... ..

I don't know if it's the effect of someone spending money.

soon.

Jiang Lingyi's noun Toutiao gradually dominated the comments.

Hot searches such as "Distressed Jiang Lingyi", "Jiang Lingyi was banned", "Fu Yechuan Ningyue" are constantly fermenting on the Internet.

The trend of public opinion gradually moved to the other side.

After all, in everyone's infinite reverie about the relationship between Ning Yue and Fu Yechuan, there is no room for pure and clean.

So it's better to go all the way to Jiang Lingyi.

Ning Yue stood there with no expression on her face, but she didn't speak.

Her every move is under the nose of the camera.

very dangerous.

The bodyguards lined up, trying to stay in front of the camera as much as possible, keeping their strobes from getting any closer.

But those people still kept flashing spotlights in the gaps.

Chen Mian's face was extremely ugly, and he walked to the side and ordered more bodyguards to come out, and took emergency measures to deal with the people at the door.

He raised his eyes to look at Ning Yue, the blood on Ning Yue's face had already begun to fade.

It is estimated that this scene is also very uneasy.

He stepped forward and whispered, "Don't go yet, follow me upstairs."

Ning Yue's eyelashes trembled slightly, she responded, turned around and was about to follow.

But how could Jiang Ling give up this opportunity so easily?

"Miss Ning, you dare not answer the question, are you guilty?"

You have done so much to me, haven't you reflected on yourself?"

You think you can really be powerful when you stand in the building of the Fu Group
Have you been blessed for the rest of your life?

Ning Yue, when you killed your ex-husband, didn't you want to climb up the big tree of
Fu Yechuan?"

Her last words were like a drop of water falling into a boiling oil pan. inside.

In the already boiling oil pan, the pan exploded suddenly.

Those media seem to have heard some great news, and they are even more energetic.

"Ms. Jiang, what you said is true? Ms. Ning, did you really kill your ex-husband because
of Fu Yechuan?"

"Oh my God, I really can't see it. Isn't this crazy?"

"What the hell, such a beautiful person ? A murderer? Why didn't he go to jail? "

" Don't you need to go to jail for killing someone? "

...

Ning Yue's face was completely pale.

Her body stiffened suddenly, and she turned her head suddenly, her eyes were as cold
as ice, and she looked straight at Jiang Lingyi.

Jiang Lingyi was still slightly raised The corner of her mouth froze suddenly.

It seemed that she was frightened by her cold and dark eyes, and she panicked for a
moment.

That kind of eyes were as cold as if she could see the dark hell.

Seeing this, Chen Mian felt bad in her heart, so she half Embracing Ning Yue, he
walked in immediately.

But at this moment,

the elevator suddenly arrived downstairs.

Before Chen Mian and Ning Yue went in, he raised his eyes and saw the people inside,
standing there solemnly, with a dark complexion. Shen is ugly.

"Boss Fu..."

Chen Mian's face was pale, Fu Yechuan didn't look at him, and his eyes were fixed on Ning Yue.

What happened next was known upstairs at the same time.

The public relations department is urgently discussing the solution.

But Fu Yechuan He had already gone downstairs by himself.

He looked at the quiet Ning Yue. Her unwavering face was slightly pale, her whole body was tense, her fists were clenched, forbearance and tenacity.

A weed full of vitality, in front of her When faced with the overwhelming offensive, she also had no power to deal with it.

So he knew that she would be very scared.

When Ning Yue saw him, she was slightly taken aback.

She suddenly panicked for a moment.

Because the people outside had already relied on her own imagination The facts have been distorted in another direction.

Fu Yechuan will definitely be implicated if he comes out now.

Whatever the response, their relationship is over.

But Fu Yechuan walked out without realizing it.

"Fu Yechuan..."

Ning Yue called him in a low voice.
