

Read Novel Divorce Billionaire Heiress Chapter 2584 [Chinese]

Divorce billionaire heiress chapter 2584-Chen Mian glanced at her lightly, with a sarcastic smile on the corner of his lips,

“If other media present here today speak out about the behind-the-scenes instigation, our Fu Group will not pursue relevant responsibilities.

But if you spontaneously come to interview and film without permission Yes, we will sue you all for leaking commercial secrets. Ms. Jiang, especially you.”

Chen Mian said the last four words emphatically.

Jiang Ling’s body trembled, and his face was extremely pale.

Just as he was about to say something, Chen Mian turned his head and followed the person next to him and said, “All the photos have been taken, call the police, and then send out lawyer’s letters one by one. Everything is done in public. Don’t forget Ms. Jiang.” After he finished speaking, he turned around and

left up.

The temper and character of that behavior were no different from Fu Yechuan’s.

Jiang Ling was startled suddenly.

Suddenly he was dumb, unable to say a word, too late to regret.

Things get sorted out quickly here.

But upstairs, the frying pan has already begun.

The employees of the Fu Group all knew who Fu Yechuan’s fiancée was.

The middle and high-level employees also participated in the marriage proposal ceremony, and described the ceremony as a surprise and romance.

He was completely different from the Fu Yechuan in his memory.

And Ning Yue is a surefire proprietress.

Fu Yechuan and Ning Yue went upstairs.

Ning Yue's heart didn't calm down, it was even beating more violently than when she was downstairs.

Her mind was in a mess, blank, and she didn't know how to react.

Jiang Ling was so aggressive that she thought she couldn't escape.

But as soon as Fu Yechuan appeared, he took her away openly and aboveboard.

Fiancee, the hostess of the Fu Group?

She no longer thinks about the identity so far away from her.

When Fu Yechuan came out of the conference room, all the public relations department was on standby, and they started to control the situation online.

And Fu Yechuan's few phone calls also allowed other platforms to minimize the disadvantages of this hot search to them.

It is normal for the stock price to fluctuate up and down, and he can bear it.

When things really came to this point, he seemed to feel that there was nothing he couldn't bear.

Even if the stock falls more sharply, it is nothing more than a series of numbers.

He was a little annoyed why he hesitated, and regretted why he valued interests everywhere.

Compared with Ning Yue's interests, isn't Ning Yue more important?

He was very confused, but he found the direction, so he was very firm.

The assistant brought over a cup of coffee, and Fu Yechuan took it in as he entered.

Ning Yue was sitting on the sofa, looking at the phone expressionlessly, flicking it up and down irritably, then closing it and throwing it aside.

It doesn't look so calm.

He twitched the corner of his mouth, walked over, and handed over the coffee.

The fragrant smell made her calm down a little, and she raised her eyes slightly,

"Are you leaving?"

Fu Yechuan pursed his lips, and replied, "Chen Mian will take care of it, but you can't leave for now, wait for me to go back together at night?"

Ning Yue lowered her eyes, pursing her lips slightly, "Fu Yechuan, what should I do now?"

Their relationship was exposed, and even though she knew that Fu Yechuan was trying to help her out, she was not mentally prepared.

She was at a loss, not knowing what to do.

Next, what should we do?

Fu Yechuan sighed, and sat beside her with a somewhat serious and dignified expression.

He put his hand around her shoulder and rubbed her lightly,

"Ningyue, I will take care of it, you trust me once, don't worry about the others."

Jiang Lingyi was an accident, he just didn't expect Jiang Lingyi to take the risk. Come out, he was too careless.

A woman who doesn't know how to live or die must of course be taught a good lesson!

Ning Yue opened her mouth, not knowing what to say, her eyes were slightly red.

Suddenly, I felt that the blood all over my body was hot.

She knew that she had hurt him.

If Fu Yechuan didn't show up, the Fu Group wouldn't be implicated.

Even if she was scolded, she was just scolded.

But if that is the case, can she and Fu Yechuan continue?

She realized she was a tangled and divided woman.

Want everything, awkward and hypocritical!

But dare not admit it.

After coaxing her for a while, Fu Yechuan started busying with other things.

Seeing that Ning Yue's emotions had gradually calmed down, he even chose a movie to watch on his own initiative.

She didn't even propose to leave, she obediently waited for him to get off work.

after an hour.

People from the public relations department knocked on the door and came in, glanced politely at Ning Yue, nodded slightly, then looked at Fu Yechuan, and said seriously, "Mr. Fu, the people in the company have already discussed it. The stock price of Fu Group at home and abroad has fluctuated a lot. Great.

In order to minimize the harm of the whole matter, the best way now is to announce the news of your marriage to Miss Ning, get married, make it public, and face it directly, which can overturn many hidden dangers behind it." The office was quiet and cold .

a long time.

Only then did I hear Fu Yechuan's hoarse voice, "Are you sure?"

"Yes, this is the most suitable one among all our options, and the other plans will not achieve such an effect. When you announced the news of the marriage, our company The platform will launch an initiative 'in the name of love, declare war on the secular world'."

Just listening to it, I feel my blood boil.

Fu Yechuan looked at Ning Yue deeply.

Ning Yue tilted her head slightly and listened carefully.

She is hesitating.

Jiang Ling wanted her to fail in this predicament, but he didn't expect that Fu Yechuan would dare to pull her out of the encirclement.

Everything is developing in an uncontrollable direction.

She was moved in her heart, even a little surprised and shocked.

But these touches were far from the point where she lost herself.

It can only be said that she underestimated Fu Yechuan.

He is a responsible, straightforward man.

He wouldn't hide behind his back at this time and let others pour dirty water on Ning Yue alone.

But the consequence of all these actions is marriage.

This is unexpected.

And unwillingly.

She didn't want to kidnap his life because of this incident, and she didn't want to affect him in the future when he could find a better person, but he had to compromise because of this incident.

Even though it is beneficial to both parties now, in the long run, it is obvious that the interests of the Fu Group have been severely damaged.

Ning Yue felt that if she agreed, she would take advantage of it and it would be unfair to Fu Yechuan.

Moreover, I should not agree.

She had a pretty free and easy personality, but at this moment she suddenly wrapped herself up like a cocoon.

Because she knew that the matter was of great importance and would seriously affect Fu Yechuan's career.

She can't afford it.

So when she heard the proposal from the person in charge of the public relations department, her heart skipped a beat, and she lowered her head in silence.

From Fu Yechuan's point of view, her body is shrouded in a layer of sunshine, quiet and gentle, peaceful and distant, it is rare to see such a quiet and beautiful moment on her body.

She has always been fresh, tenacious, and unyielding.
