Divorce billionaire heiress chapter 2586-Ning Yue frowned at him.

I always feel as if I've been surrounded by him.

Compared with twenty or thirty years, ten years is indeed not too much.

But what will she look like ten years from now?

Old man or a lonely, empty and cold old lady?

Ning Yue's mind was in a mess.

But Fu Yechuan was right in saying something, she was still with him.

There are currently no other options.

There is no other option, why can't it be Fu Yechuan?

Compared with others, he is not bad, but she is too afraid of choosing the wrong one.

Look at her hesitation.

Fu Yechuan frowned, and his eyes gradually turned to Qingming, "Well, don't sign any agreements, the time limit and the like limit you and me, if one day we really want to separate, can we still have no way to divorce?" He smiled lightly. He let out a sound, not knowing what he was thinking about.

There was silence in the air for a few seconds.

Ning Yue took a deep breath,

"Okay, marriage is no different from falling in love, stay together if you're happy, divorce if you're unhappy."

She seemed to be thinking about herself, and this road wasn't that scary.

Three marriages and four marriages are all good, they are the most correct choices for life, aren't they?

She raised her eyes to look at Fu Yechuan, her beautiful eyes sparkled with agility,

“Get over it, just don’t regret it, if you suddenly want to divorce, you will have to pay me a lot of money.”

“Of course.”

Fu Yechuan’s throat paused, only I felt the gloom in my chest gradually dissipate, and the sunlight slowly seeped in.

subsequently.

The two went out hand in hand, looking very affectionate.

It’s just that Chen Mian felt a little weird for a while, but it made sense.

Looking at it this way, it is even more strange.

“Boss Fu...”

Fu Yechuan paused, his expression still calm,

“We’ll go get the certificate in the afternoon and let the company cooperate. I don’t want to see any negative news.”

Chen Mian’s eyebrows twitched slightly, and she looked at Ning Yue .

Ning Yue also had a calm face, and nodded, “Thank you just now, Assistant Chen!”

Chen Mian smiled, “It should.”

Since they all admitted it, there is nothing to question.

“Congratulations...”

“Congratulations...”

...

Everyone in the secretariat knew the news. After the discussion just now, they were not shocked.

Just being able to sit firmly in the eye-catching position, Ning Yue became the object of everyone’s admiration for a while.

In order to avoid long nights and dreams.

Fu Yechuan immediately asked someone to find out the ID, then took Ning Yue back to get his own ID, and went to the Civil Affairs Bureau.

Close to get off work.

The registration window happened to be empty.

Fu Yechuan and the others walked over. Although they were in a hurry, they were both good-looking people, and they were a perfect match when they sat together.

After a series of procedures, Ning Yue was still calm.

But Fu Yechuan's nervous palms were sweating.

When it was time to seal, there were many small boxes of candy in front of the lady at the front desk.

Fu Yechuan stared at it for a few seconds, and he fell in love with the one with the best looks.

The young lady handed over the marriage certificates of the two people, and congratulated the two, "Congratulations on your happiness and happy marriage for a hundred years."

Of course, she recognized that these two people were the most heated discussions on the Internet.

Being able to register for marriage at this time is simply a blow to netizens!

Regardless of whether the comments of netizens are good or bad, their attitude is very clear.

And Ning Yue looks gentle and generous, free and easy and bright, she is not the kind of scheming green tea girl.

At first glance, it makes people feel good!

Ning Yue looked at the certificate in her hand, smiled and said, "Thank you."

Fu Yechuan nodded, "Thank you."

After he finished speaking, he stood up, and weighed the box of candy he had his eyes on, "Thank you We will be happy."

The young lady at the front desk looked at his movements with a flash, and just about to say something, she watched Fu Yechuan take Ning Yue's hand and turned away with a smile.

The lady at the front desk shook her head.

This is the first time I saw a newcomer taking candies from her instead of giving them away!

Fu Yechuan didn't like candy, but since he was married, how could he do without a candy?

When he got outside, he opened it, took out a piece of milk-flavored candy, and handed it to Ning Yue's lips, "Come, enjoy our happiness!"

Ning Yue looked at his bright eyes, and suddenly her heart moved, she lowered her head and bit it. After eating candy, I couldn't help laughing.

What a fool, this man!

Fu Yechuan also picked up her ID, took a photo directly, coded it in some places, and posted it on his social account.

The public relations department of the Fu Group is also waiting all the time, forwarding and attaching the prepared copy in the fastest time.

"In the name of love, declare war on the world."

For a while.

The voice that was already boiling on the Internet suddenly exploded.

"I'm not mistaken, isn't it?"

"Look at the date, it's today. Mr. Fu always does things unexpectedly. He just warned the media. Now go directly to get the certificate?"

"Don't treat us as outsiders. It turns out that Mr. Fu doesn't want to match the family, isn't this what true love is?"

"Ning Yue is too scheming, she just caught a man like this, and she will be a rich and wealthy wife in the future."up! "

"Now I believe that this person is true love. When Jiang Ling came to the door to be aggressive, I didn't expect that he would get the certificate directly. It was really a slap in the face, but I am very happy to see Mr. Fu find true love!"

“Only I think, is this Ning Yue a bit like Goddess Su? ”

“They all look like beautiful girls, and their aesthetics are almost the same, but don't say stupid things like a substitute. Will Fu Yechuan let the substitute be Mrs. Fu?”

“Congratulations, congratulations...”

There are various comments on the Internet, but with the intervention of the platform, some malicious comments were quickly blocked.

The news of Fu Yechuan and Ning Yue's marriage not only caused an uproar in the entertainment circle .Also in the mall, almost everyone was shocked.

The women around Fu Yechuan can be anyone, and everyone doesn't care.

But Mrs. Fu's position, there are not many people who miss it at all.

Everyone's congratulatory messages and phone calls are like the tide Coming.

Ning Yue has been answering the phone with a smile since she saw him get in the car, with a relaxed posture, lazy, and very comfortable to deal with, “Thank you, the wedding has been planned for a long time, and the wedding invitation will definitely be sent later. “

Ning Yue saw that he hung up the phone, and just about to say something, the call came again.

Fu Yechuan raised his eyebrows, and continued to answer the phone.

He took the trouble to accept the congratulations from others. He seemed to be enjoying it a little bit?

Marrying for the third time, this is the most solemn and serious time for him.

So even if it is some indifferent coping on the scene, Fu Yechuan actually enjoys it very much.

He accepts all congratulations from others.

Ning Yue even admired it.

Shaking his head and looking outside.

She just didn't expect to enter her second marriage in this way.

For him, it was the third time.
