Divorce billionaire heiress chapter 2592-Watching Fu Yechuan walk over.

Shang Qian smiled brilliantly, with a sincere smile on his warm eyebrows, "Mr. Fu, congratulations!"

He pinched the child in his arms and said to the little friend, "Honey, congratulations, Uncle Fu is getting married!" Said that the child looked at Fu Yechuan with a smile, "Congratulations to Uncle Fu on his new marriage!"

Fu Yechuan coughed awkwardly but felt very uncomfortable, "Thank you."

Su Jin nodded, "Congratulations to Mr. Fu and Miss Ning."

Ning Yue nodded.

Su Nan walked over with a smile, "Brother, you should congratulate Mrs. Fu. What is your name, Miss Ning?"

Su Jin smiled, "I made a mistake, Mrs. Fu."

"I understand." Ning Yue said with a smile.

Su Nan smiled, "Congratulations to you too, Ning Yue, I knew that I wanted to come, but she was pregnant, and the reaction was a bit serious, and I couldn't get on the plane, so my third brother stayed with her, but I will replace all the gifts They brought them."

Ning Yue smiled in surprise, "Really? I haven't personally congratulated her yet!"

"It's only been three months, and I haven't had time to make it public yet. Let's get together again when the opportunity arises."

Su Nan quickly He smiled generously, looked at Fu Yechuan, and couldn't help but look at him, "Mr. Fu is finally a little popular today, but it's different when he's married. There was a lot of buzz on the Internet two days ago, and I was sweating for Ning Yue."

"But you guys turned it around so well, this wedding is really what everyone expected!"

Shang Qian couldn't help laughing, the smile widened, and he couldn't hide the curvature of his mouth at all.

“That’s right, I know you made it public and kept me up all night with excitement. I’m so happy for you. In order to attend your wedding, I pushed a lot of entertainment and chose gifts myself. Mr. Fu, you must Take a good look at your face!”

He said, looked at Ning Yue again, and couldn’t help saying politely, “Mrs. Fu, Mr. Fu’s personality is a bit impatient, you must be more forgiving, don’t be as knowledgeable as him, marriage? If you have any difficulties, you can come to us, we are all friends…”

Fu Yechuan’s face became darker and colder, and his expression restrained his emotions.

Su Nan couldn’t help but tugged at him,

“Shang Qian!”

Shang Qian suddenly stopped, and said with a smile, “I’ve said too much, today is a good day, I’m as happy as you!”

He was happier than Fu Yechuan’s official groom.

Ning Yue thought she understood something, couldn’t help but smiled, and looked at Fu Yechuan with a bit of banter.

Fu Yechuan didn’t want to turn his face here either, so he just glanced at Shang Qian coldly, then lowered his head and put his arms around Ning Yue’s shoulders, “Thank you for your blessings, don’t worry, we will grow old together, you can take care of yourself, we still have things to do !”

Saying that, she was about to leave with Ning Yue in her arms.

Ning Yue couldn’t help turning her head and waving goodbye to Su Nan.

Su Nan also smiled and waved, and looked at Shang Qian reproachfully, “How can you say this in front of Ning Yue?”

Shang Qian rubbed his nose, feeling a little guilty, “I’m really excited, I’m afraid they are a fake marriage , I have been uneasy for a long time.”

Su Jin couldn’t help but stepped forward and patted him on the shoulder. “I understand. No wonder Mr. Fu’s wedding invitation was not sent to you, but to Su’s family. Brother-in-law must have held back these words for several years, right?”

Shang Qian’s smile became brighter, “Brother understands me.”

Su Jin” …”

Su Nan couldn't help but rolled her eyes, stretched out her hand and hugged the little boy who talked about it,

"Talk about going to play by yourself?"

The kid said talking about shaking his short legs, "No, my new leather shoes will get wet, I want Daddy to hug me."

Shang Qian couldn't help laughing, "Come on, Daddy hug you."

Su Nan coughed.

Shang Qian withdrew his hand, straightened his face and said, "Daddy's legs are starting to hurt again, tell me that the baby loves Daddy, can you walk by yourself?"

Talk about the child looking up at his daddy with distressed eyes.

Shang Qian's legs recovered fairly quickly, and now he can walk freely without crutches.

Tell me that children like to lie on Shang Qian's shoulder the most, and let Shang Qian hug him whenever they move.

So every time Shang Qian sells so badly, the children will believe what they say.

She lightly touched Shang Qian's leg and nodded, "Okay, tell me baby is very brave, I want to walk by myself."

She used to hold Shang Qian with one hand and Su Nan with the other, smiling I started to swing on the swing.

"Why hasn't Xiao Yuer come back?"

Su Nan explained with a smile, "My brother's parents took him away, and he will come back when he is on vacation."

Seeing his daughter's loss, Shang Qian couldn't help lowering his head and whispering something in her ear.

Talking about the child, he immediately raised his head happily, his eyes sparkled with starlight, "Really?"

"Of course."

Shang Qian said with a smile.

Talk about the kid let go of his hand, turned around and touched Su Nan's belly, "Hello, brother!"

Su Nan was taken aback, and looked up at him in shock, "How do you know?"

She felt something was wrong recently, and she also just noticed, haven't checked it out yet.

Shang Qian smiled, "Of course I know. You had the same reaction when you talked about your baby back then."

He didn't say it immediately because the news of Fu Yechuan's marriage was too sudden.

The double surprise made him a little overwhelmed.

Su Nan didn't mean to hide it, and said with a low smile, "I'm not sure yet, don't say it."

"I know."

Shang Qian walked over to hold her hand, with gentle joy in his eyes.

Tell me that there is no one holding hands on the side of the child, so I can only go to hold Uncle Su Jin.

Su Jin smiled and picked her up, "Su Lin will come over tomorrow, tell me that baby can play with brother tomorrow, are you happy ?

" Said that he came to attend the wedding, but Shang Qian came here for vacation. Even if he was doing business with others, he had to take Su Nan with him, just not letting her leave his nose. Su Nan knew that he was worried about his body now. But also felt too cautious. The night was getting late. There are many people on the beach. There is a sweet aroma in the air. The expensive desserts and drinks are continuously supplied, and even the best flowers are airlifted. Fu Yechuan took Ning Yue's hand to greet the people who came and went. Although Ning Yue was bored, she could only bite the bullet and listen to other people's compliments. "Mrs. Fu is so beautiful, even more beautiful than a big star!"

"Mrs. Fu is so happy. Your wedding dress is custom-made from France, right? Your dove egg ring is also custom-made? I'm so envious!"

"Mrs. Fu, congratulations..."
