

Read Novel Divorce Billionaire Heiress Chapter 2593 [Chinese]

Divorce billionaire heiress chapter 2593-My ears are almost callused when I hear the words on the scene.

Fu Yechuan nodded in agreement.

The more exaggerated others are, the more satisfied he is.

It's just a bit of self-deception.

Finally sent another one away.

Ning Yue restrained her smile, and said in a low voice,

"I'll go back and rest for a while, are you here by yourself?"

"How could you be so disrespectful and leave me here alone?"

Fu Yechuan hugged her waist tightly and didn't want to relax. open meaning.

She clicked her tongue and was about to say something.

Seeing Fu Yunche running over holding Shushuo's hand, "Daddy, I want to go to Country F with Shushuo's sister."

Fu Yechuan's eyebrows twitched.

Fortunately, the night was a bit dark, so he could hide his dark and ugly face.

"What did you say?"

"Tell me that my sister wants to go to Country F to find Xiao Yu'er, and I want to protect her!"

Fu Yunche said cautiously.

Fu Yechuan looked at his son with dark eyes.

Ah.

If Fu Yunche left with talk, then Shang Qian would go crazy!

He didn't want to be disturbed by Shang Qian in the days of rejoicing so that he would not be at peace.

"Let's talk about it later."

He couldn't refuse directly in front of the talking children.

Ning Yue just took the opportunity to let go of Fu Yechuan's arm, and went over to hold the little friend's hand, "Tell me, kid, may I take you to find your mommy?"

The little boy nodded happily.

She turned her head to Fu Yunche and said, "Brother Yunche, I also like your new mommy very much."

Fu Yunche's face flushed slightly.

Ning Yue couldn't help laughing, then took her hand and walked out.

Fu Yechuan knew that she wanted to take a breath, so he didn't stop her.

Ning Yue held a child with one hand, just in time to see Su Nan looking for someone.

When she saw her, Su Nan smiled, walked over and pinched the kid's face, "Who told you to run around? Be careful, I'll tell you daddy!"

Said the kid curled his lips aggrieved, "I'll go Say hello to Brother Yun Che!"

Fu Yunche went over to wipe away the little friend's tears, but he didn't wipe them off.

But he still took her hand distressedly,

"Aunt Su, my sister and I went to play there..."

There was a bonfire and music over there, and it was very lively.

Su Nan nodded, "Okay, be careful."

The two children bounced away.

Su Nan straightened up, looked at Ning Yue, and said with a smile,

"You are so beautiful today."

Ning Yue lowered her head in embarrassment, "Miss Su has always been beautiful."

“Let’s stop flattering each other, but today I am I sincerely congratulate you, although the Su family and the Fu family have experienced a lot, they still put interests first. But if you can marry Fu Yechuan, I don’t think this is an interest.”

Ning Yue twitched the corners of her mouth, and the evening wind blew over , her lazy eyebrows and eyes, “is not a benefit, but also the most favorable choice.”

“You are in love, why do you think so pessimistically? Fu Yechuan will not wrong himself to do things he doesn’t like, or marry someone he doesn’t like. He must be sincerely in love with you, so he wants to make you public. “

Su Nan said naturally, her voice was gentle and pleasant.

A corner of Ning Yue’s heart was inexplicably ready to move.

Inexplicably, her eyes found Fu Yechuan in the crowd.

His stern face was a bit lazy and reckless, and there was a faint joy in his eyes.

On certain occasions, he was always flamboyant if he wanted to.

“Love?” Ning Yue’s eyes showed some confusion.

She didn’t know whether she was forced to go to the step of getting married, or was it for love?

Su Nan smiled, “Look at the way Fu Yechuan looked at you, bright and warm. This is the way he looks at the person he loves. He looks at others with utilitarianism and indifference. Ning Yue, maybe you are a fan of the authorities

. I don’t know what you have experienced, but as outsiders, we can all see that Fu Yechuan is sincere and serious to you.” Ning Yue lowered her eyes,

concealing the fluctuations in her heart, and said with a faint smile, “There is sincerity, But it’s hard to talk about feelings, he’s always been willing to act.”

“I understand that before I get someone’s sincerity, I won’t easily believe in the other’s sincerity because I’m afraid of being hurt. Ning Yue, what are you doubting?”

Ning Yue Yue raised her head, her eyebrows and eyes were a little gray,

“Is it worth being happy that he doesn’t love me?”

“How do you know that he doesn’t love you.”

Su Nan looked at her.

Ning Yue pursed her lips, opened her mouth, then closed it again, lowered her eyes slightly, and remained silent.

Everyone understands in their hearts.

Who is Fu Yechuan thinking about?

The surrounding atmosphere is warm and cheerful.

But Su Nan could feel the depression and indifference in Ning Yue.

She pursed her lips and smiled softly,

“I see, you think he loves someone, don't you?”

She punctured it directly, which made Ning Yue a little embarrassed.

After all, Ning Yue knows that now that Su Nan is married, her heart is no longer with Fu Yechuan.

It was just Fu Yechuan's wishful thinking, but she still felt a little uncomfortable in her heart.

Su Nan smiled and sighed,

“We were married before, but he never touched me, and I broke up in time. There are indeed some opinions

about us on the Internet , but I don't think it is worth repeating. I have come out to say something, so I have never responded positively.

Ning Yue, you believe that a man's paranoia that he can't get what he asks for should also believe that this paranoia will be transferred to other people. He is not so unforgettable to me. Not so much He loves someone else, it's better to say that none of you have honestly recognized your own hearts.”

Su Nan's voice was clear and clean, and she looked into the distance.

“But it doesn't matter, you have a long, long time to get along, Ning Yue, you have to try to trust him.”

Ning Yue's eyebrows moved slightly, and she couldn't help but look at her.

Su Nan smiled very beautifully, her brows and eyes were bright and radiant, and she stood there with a different aura.

do not know why.

Hearing Su Nan's words, the haze in her heart quietly disappeared.

With such a frank and straightforward manner, there is no objection to the mind in her corner.

They all believed that he loved themselves.

Then is she really too tangled and suspicious?

Their past is not so unbreakable. Seeing that Su Nan can tell the past in a calm manner, it seems that he doesn't mind everything in the past.

It was she who thought too deeply about Fu Yechuan's past, and her love was as deep as the sea.

In fact, it shouldn't be to this extent.

For some reason, she suddenly became more open-minded, bright and clean.

Just about to say something.

The musicians suddenly changed to another piece of music.

Everyone consciously gave way to the roads on both sides.

From the campfire to where Ning Yue was standing.

Fu Yechuan came out from the middle, with clear eyebrows, straight figure, handsome facial features like engraved works of art, stern and clear aura, with a bit of joy and anticipation in his eyebrows and eyes.

Ning Yue paused, thinking in her mind that there seems to be no such time in the process, right?

What is this for?
