Divorce billionaire heiress chapter 2599-There was a bit of coldness in Fu Yechuan's eyes, "You have met Ning Yue's father, haven't you?"

As soon as he asked, he got to the most critical point.

Ning Zhenzhen trembled slightly, hesitated, but still nodded.

"Who is it?"

Fu Yechuan didn't have any extra nonsense.

Ning Zhenzhen gritted her teeth,

"I don't know, I saw it when I was young, but now I almost can't recognize it."

"Can't recognize it? Then you are sure that the person who called you is her biological father?"

You even Don't you even have a confirmation?"

Fu Yechuan's tone was a bit cold, with a bit of frightening power.

Ning Zhenzhen said cautiously,

"Because there were so many people on the beach when I came here, I seemed to see him, but I felt familiar, but I was not sure.

I felt strange at the time, until I received his call, I I just believed it, but you asked me to find out, I can't be sure, because there were too many people at that time, I just glanced at it, and didn't look carefully at all..."

Ning Zhenzhen's voice became softer as she spoke, crying bitterly.

Judging from what Fu Yechuan meant, it seemed that he would not let Ning Yue's biological father go.

She really has come out with everything.

"He called me and asked me to check the account. I saw the money arrived, so I did as he said. The ugly fish in the swimming pool was not prepared by me. It was already there when I went. Mr. Fu, Forgive me, I've told you everything I know, I can personally apologize to Sister Ning Yue, woo woo woo..."

Fu Yechuan let the smoke at his fingertips burn slowly, his brows were serious as the smoke lingered Frown.

Time passed by every minute and every second.

suddenly.

The door is opened.

Fu Yechuan looked up subconsciously, and Ning Yue was standing at the door, her face pale in a trance.

Fu Yechuan's heart sank, and he stood up immediately, but his voice was extremely gentle,

“Why are you awake? Are you hungry? Or are you feeling unwell?”

Ning Yue looked at Ning Zhenzhen, who was kneeling on the ground, with a cold and ugly expression,

“You What did you say? Is it my biological father who ordered you to kill me?”

Ning Zhenzhen lowered her head and did not dare to speak, but her shoulders trembled violently.

Fu Yechuan couldn't bear Ning Yue to face this fact, so he blocked her sight in the past and wanted to take her out.

“Leave it to me, Yue'er, you first...”

“I want to know, Fu Yechuan, I have to know everything. What does my life hinder him? I never thought about who I want to recognize. I have already given birth to myself.”
Since the self-destruction has reached this point, why does he want to kill them all?”
Ning Yue's eyes were already scarlet.

And the crueler fact is that, before she knew it, her biological father was also one of the invited guests of this wedding.

On the day of his own daughter's wedding, he actually wanted someone to kill her!

Why?

Is it because she is afraid that one day Ning Yue will find out about her life experience with the help of Fu Yechuan's power and find trouble with him?

Or are you afraid that you will entangle him and ruin his current life?

Countless thoughts flooded Ning Yue's mind, all of which were speculations about the unknown executioner.

The first few years of her life were probably very happy.

But after Mr. Ning knew that she was not a child of the Ning family, he used her to the extreme.

It even completely ruined her life.

It can be said bluntly that if she hadn't met such a powerful person as Fu Yechuan, she might have spent the rest of her life in prison.

Ning Yue's emotions are almost on the verge of collapse, this is the deepest secret and weakness in her heart.

She knew her real father was alive, but it never occurred to her to find him.

Even in the hardest of times.

Because she knew that he hadn't appeared in the previous twenty years, and he probably didn't want to appear in the next few decades.

Why bother to be disliked?

But now, hearing this fact with my own ears was the last straw that broke the camel's back.

When she was about to start a new life, it happened that her biological father gave her a fatal blow.

Ridiculous?

real.

Ning Yue stared at Ning Zhenzhen, the stubbornness and fragility in her eyes could hardly be restrained, and her moist eyes were scarlet.

Ning Zhenzhen raised her head, the fear and begging for mercy towards Fu Yechuan just now seemed to have subsided a lot at this moment.

She looked at Ning Yue, she didn't change at all, she seemed to be the same abandoned stray dog.

Wretched, homeless, no one loves her, she can be abandoned anytime, anywhere.

The emotion in Ning Zhenzhen's chest flashed, and the words she said almost didn't come to her mind.

"That's right, it's your biological father, because it's his shame that you live. If you die in Nian's house or in prison, he won't kill you all, because you will never have a chance to know who he is. But because you married Fu Yechuan, he has a sense of crisis, he is afraid that others will know your existence.

You are a stain that he can't wash off, if you don't care about the Ning family, others naturally don't care about you..."

Ning Yue's eyes fluctuated and shattered, instantly startled, his face turned pale.

Fu Yechuan stood in front of her for a moment, blocking Ning Yue's shattered eyes, then he half embraced her and walked out.

The bodyguard behind Ning Zhenzhen took out the tape and sealed her mouth.

Only the whining sound could be heard.

Standing there, Ning Yue's face was as pale as paper. She was already weak, but now she looked even more ugly.

Fu Yechuan scolded that damned Ning Zhenzhen in his heart, and then took her outside to the living room.

"Yue'er, don't let her talk nonsense, this matter is not that simple, I will investigate clearly."

Ning Yue's lips were drained of blood, she grabbed Fu Yechuan's clothes, and gritted her teeth, "Fu Yechuan, who do you think he is?"

She looked up at him, with a bit of stubbornness and injury in her eyes, but she grinned at the corner of her lips, "I want to know his identity, Fu Yechuan, you will help me, right?"

Fu Yechuan paused, looked at her distressedly, and reached out to hold her in his arms, "Of course, Ning Yue, we are married, of course I will take care of your affairs, no one can bully my Mrs. Fu, not anyone else." His eyes looking firmly in a certain direction, his expression was unprecedentedly solemn.

Ning Yue couldn't hold back her suppressed emotions, she reached out and hugged his shoulder, sobbing softly.

She is not a sad person.

Get out of this fact quickly.

At first, Fu Yechuan didn't want to tell her because he was afraid that she would be sad, but now seeing her reaction was very indifferent, he felt a little relieved.

She is still the tough and stubborn Ning Yue, even if the world falls apart, she will not really torture herself.

Her life experience made her psychological quality so strong.

I really don't know whether to be happy or sad.

The injury is not fully healed yet, Ning Yue insists on leaving.

Fu Yechuan's injuries recovered faster than her, and he knew that she was anxious to investigate this matter, so he directly asked someone to prepare a private jet.
