Divorce billionaire heiress chapter 2604-Fu Yechuan knew how to measure.

Even if the person in his heart can't be erased for a while, he will not embarrass the two families on this occasion.

She was originally holding his arm, but Fu Yechuan smiled, and squeezed her hand tightly again.

Ning Yue lowered her head and smiled, seemingly relieved.

She can't force a person to have no past.

Just like her own past is also full of bad spots.

Not surprisingly.

The members of the Su family were Su Ming who was away for research, and almost everyone else was at home.

Wen Xiang was originally doing postpartum care. When she heard the bad news about Su Yifeng, she immediately brought Su Yu, who was less than one year old, here.

Su Jin and Su Qi sat on the sofa, their expressions were ugly, their anger was not concealed.

Su Nan was next to Su Yifeng, gently pressing his shoulders for him, her eyes flushed.

Su Yifeng's arm was twisted, and with a plaster and bandage on it, he teased Su Lin and the little friend in front of him with a smile.

Talk about the child sticking to Su Yifeng's knee like a block, dangling, "Does grandpa hurt?"

Su Yifeng's heart was about to melt, and he pinched the child's face, "It doesn't hurt, it doesn't hurt, say That's amazing!"

Su Lin stood aside and frowned, "Tell me about my sister's wrong arm!"

Su Yifeng leaned forward and backward with a smile.

"Chairman, Mr. Fu and Mrs. Fu are here."

The housekeeper came in and said.

There was a moment of silence in the living room.

Su Qi stood up and snorted coldly, "It's really a cat crying and a mouse pretending to be merciful. I have already said that this person is honest and upright on the surface, but in fact he is extremely hypocritical behind the scenes. He first sent people to scout the way, and then rushed over to apologize when things failed. In the end, just tear your face apart, what is it? Fortunately, my sister didn't follow him life and death, it's been a long time to see people's hearts, how can this kind of person be worthy of him? Let alone compare with Shang Qian's brother-in-law!"

Su Qi's words completely It fell into the ears of Fu Yechuan and Ning Yue who were coming in.

Both of them were stunned.

But after all, Fu Yechuan had seen many kinds of situations, so he could handle everything.

Su Jin stopped Su Qi without any emotion, "Sir, you don't want to hit someone in the face, don't say it in front of your face."

Su Jin is originally a person who does not show his emotions, and he can say this step, he has already touched his heart. To his bottom line.

Fu Yechuan's expression was stern, and when he looked at Su Yifeng, he still paused, and then nodded slightly, "Su Dong."

Su Yifeng's eyes moved to Fu Yechuan's face, without the slightest disturbance, but he just asked the daughter behind him to stop, "Take a break."

Su Nan As soon as they stopped, the talkative kid and Su Lin couldn't wait to climb onto the sofa, rolled up their sleeves, and each shouldered one shoulder,

"Let's do it."

Seeing this, Su Nan's originally angry and gloomy mood improved a lot.

Su Nan walked to the other side, looked at Ning Yue, and smiled, "Miss Ning, please sit down."

Ning Yue looked at Su Nan with complicated and hesitant eyes.

Fu Yechuan asked her to go over and sit down, and stood there by himself, "Su Dong, I'm here to apologize, I'm sorry, I didn't think about this matter clearly, and it's my fault that you were accidentally injured."

He may have never lowered his head so much before, but Ning Yue is right, if he is wrong, he has to admit it.

Su Yifeng paused, and turned his eyes to Ning Yue, "This is your bride? She is very beautiful, she looks very sensible, and she is a good match for you. I have been regretting that I couldn't attend your wedding. I let Su Yifeng Nan brought a gift, does Miss Ning like it?"

Ning Yue was taken aback, then subconsciously raised her head to look at the elder in front of her who smiled very kindly, but seemed a little alienated invisibly.

She was confused, but still nodded.

"Thank you for your gift. Su Nan has already given it to us." Su Yifeng nodded, and then turned to Fu Yechuan again, "Then Mr. Fu, should you give me a reasonable explanation?"

Walking over in the turbulent environment of the shopping mall, Su Yifeng's eyes were complicated and deep. Although he was talking with a smile, there was no warmth in his eyes.

Fu Yechuan's expression was stern and serious, with a bit of dignity.

Before thinking about how to speak, Ning Yue stood up and walked to Fu Yechuan's side, "Su Dong, I'm sorry for hurting you, but it was actually because of me."

Su Nan looked at her in shock.

Of course, Fu Yechuan would not let the woman stand in front of him. He held her hand, paused, and said in a cold voice, "My wife was kidnapped after the wedding. The person who kidnapped her said her biological father ordered her to do so. Someone pointed out that her biological father is you, Su Dong."

Fu Yechuan looked over deeply, and met Su Yifeng's deep gaze.

The flash of surprise in his eyes made Fu Yechuan's heart sink slightly.

"Me?"

Su Yifeng chuckled, feeling a little unreasonable

“Is it true that if someone says he is my illegitimate child, I have to come forward and respond? Mr. Fu is ridiculous, so you use this method to verify?”

Send someone to take my DNA sample, Fu Yechuan, someone kidnapped your wife there’s nothing wrong with you wanting revenge, you should just call the police and let the police verify it. What do you have? “

Su Yifeng’s face was gloomy and cold for a moment, and his aura suddenly became cold.

Su Qi smiled lightly, stood up, and looked at the two people in front of him unabashedly,

“So they are two people who want to take advantage? You really made the wrong calculation, and you didn’t find the right place if you wanted to blackmail people? My father and mother have a deep affection, how could we have an illegitimate child? “

Fu Yechuan’s eyes fell on Su Yifeng, “But human nature can’t stand the test. Hasn’t Dong Su made any mistakes when he was young? Even if it was a coincidence, isn’t it? “

Su Yi’s face was livid, and he stood up abruptly, “Fu Yechuan, what are you? “

Su Jin immediately stood up to support him, and looked at Fu Yechuan with a serious face, “Boss Fu, if you want to stand here and pour dirty water on my father, I hope you can come with some evidence instead of just talking about it.” vernacular! “

Fu Yechuan pursed his lips, his expression was tense, with a bit of dignity, “I didn’t intend to offend Su Dong, but I had many doubts. Only the paternity test is the simplest and most direct method, so I sent someone to approach Su Dong. OK. “

Su Nan sneered, ” Is it over if one sentence is not well thought out? Fu Yechuan, you have made so many mistakes yourself, and you are questioning whether others will make the same mistakes as you. Do you think highly of yourself, or look down on others too much? Just based on other people’s words, you dare to doubt my father? This shows that you don’t even have the most basic common sense and ability to judge. You are just eager to find a scapegoat for Ning Yue’s accident to replace your incompetence. “

Fu Yechuan suddenly raised his eyes to look at her, his face was a little grim and ugly, and there was a bit of pain in his eyes.

“Su Nan, I didn’t…”
