Divorce billionaire heiress chapter 2605-“You have, did I get into your heart? You wish that Ning Yue was really my father’s illegitimate daughter, so that you would have a target to vent your anger instead of looking for someone aimlessly. You still You can take this opportunity to blackmail the Su family, and take advantage of Ning Yue’s chance to invade the Su Group, am I right?”

Su Nan Mingyan had a somewhat sneer on her face, but that kind of contemptuous gaze made Fu Yechuan Feel a sting.

The heart throbbed involuntarily.

Seems out of control.

Obviously not like this, he just wanted to find out the facts.

But he couldn’t utter a word of explanation.

Su Qi said coldly,

“Su Nan, what nonsense are you talking to him? Now that you’ve figured it out, if someone comes to frame you, will we have to respond one by one?” Chilling: “Su Dong, since Su Dong cleared himself, why not take a paternity test with my wife, if the result is as Su Dong said, I will naturally stop here and give me a generous gift of apology.” Su Yifeng’s face was gloomy and ugly , stared at Fu Yechuan and took a deep look, “I won’t do what you want, but I also tell you that your wife has nothing to do with me. I, Su Yifeng, only have four children under my name in this life, and it is impossible to have other children. Yes, Mr. Fu, you can believe it if you want to, and I can’t help you if you don’t want to.”

Fu Yechuan frowned, and wanted to say something, but Ning Yue tugged at his sleeve and said softly, “Forget it, it’s our wife. Don’t take the liberty, let’s think of other ways.”

Fu Yechuan’s eyes were cold, he hesitated to speak.

“But.....”

Su Nan scolded in a cold voice, “Get out, you are not welcome here, Fu Yechuan, don’t be so self-righteous, if you have the ability, you can show evidence, if you have the ability, you can send bodyguards to try again, let’s see if your father has an accident faster , or your bodyguard moves faster.”

Fu Yechuan’s eyes sank, watching her without speaking.

Even Su Qi was surprised by Su Nan's threats openly.

But Su Jin is very calm, everyone has a bottom line, and Su Nan's bottom line is his family.

Fu Yechuan dared to touch her family, she could fight anything, and she could do anything.

Ning Yue turned pale in shock, "Su Nan, I'm sorry, this matter..."

"Ning Yue, I regard you as a friend, but with me, family comes first. I'm sorry, if the two of us will stand on my family's side if there is a conflict with the person.

You don't have to apologize, and I won't accept it, because this incident has hurt my family.

I know you are also a victim, but we shouldn't forgive, it can't be a reason to hurt us.

I hope you can find out the truth as soon as possible, but our Su family will not accompany you."

Su Nan glanced at the uncle butler, "Let's see the guests off." Mrs. Fu, please!"

Fu Yechuan took a deep breath, turned and left.

Ning Yue followed.

She walked in a daze, and from the attitude of the Su family, she seemed to feel that they were going in the wrong direction.

Su Yifeng could cooperate and make an appraisal, but he refused because it would be an insult to their Su family.

Su Nan's determination and indifference made Ning Yue feel sad, but she was also wronged, and she did hurt Su Nan invisibly.

The Su family did not accept the gift Fu Yechuan brought.

After the two got into the car, they were silent.

Ning Yue looked at him sideways,

"Are you feeling sad? Being misunderstood by Su Nan like that?"

Fu Yechuan frowned slightly, then squeezed her hand tightly, her throat moved slightly, "Yue'er, I..."

“You don’t need to explain, you For me to do this, I know in my heart, and I won’t be jealous.”

Ning Yue took a deep breath and smiled, “It’s just that I offended Su Nan, and I feel bad.”

She knew that Su Nan’s words made her feel uncomfortable Fu Yechuan was very sad.

All for themselves.

It was impossible for her to blame him for his attitude.

No one is wrong.

Fu Yechuan lowered his eyes, his brows and eyes darkened,

“She will understand. She will understand us when the truth comes to light.”

“I hope so!”

Ning Yue smiled, but she knew that she and Su Nan were in love I can’t go back to the past either.

Su Nan has a clearer distinction between love and hate than herself, and she is also decisive.

Ning Yue felt that she was really far behind her.

If she thinks differently, she can’t be so calm and rational.

Su house.

Both Su Nan and Su Qi looked at Su Yifeng.

Su Yifeng was horrified at the sight.

“You don’t really doubt me, do you? You bastards!”

Su Qi paused, “Maybe, don’t you make any mistakes?”

Su Yifeng became even more angry, and stood up angrily, wanting to call the Song Kiln in front of him. The cup fell on Su Qi, a rebel.

“Fart, I can learn from your mother. If I made a mistake, you can grow up so peacefully? You have made your stepmother torment you to death. Do you think

I didn't marry for you? I did it for me A heart with your mother.

She asked me to take good care of you, so I have to take good care of you. Don't feel wronged. How dare you doubt me, you bunch of heartless little bastards?"

Su Yi's blushing and thick neck!

Wen Xiang couldn't help standing up , and comforted her with a smile, "Dad, Su Qi didn't mean that. What he meant was that even if it was true, we could find ways to deal with it in time, but we believe in you. It's

just that Fu Yechuan is coming. Huo Hei, it seems that he will not give up until he achieves his goal. I think in order to prevent him from making a comeback, it is better to let more people stay at home to guard Dad?" Su Jin looked at Su Yifeng, with a heavy tone, "I also think that we don't need to cooperate with him in this role. It's a disgusting price drop."

Su Nan called back from the outside, his face indifferent, his eyebrows raised slightly, "I have already found Fu Qingcheng's whereabouts, and from now on, he is completely under our surveillance Under the circumstances, as long as he dares to do anything, we will return it ten times. Dad, don't worry about everything, Shang Qian will be back soon, and I won't let anyone get close to you."

Su Yifeng sighed helplessly, "There's no need to mobilize people like this. You are still pregnant, so don't be angry, taking care of yourself is the most important thing, don't worry about me, even if he succeeds, I will be cleared up, he will do the appraisal if he wants to, it's my attitude to refuse ."

Even if he really did the appraisal, he would not be afraid.

Su Nan smiled, "This is also my attitude, otherwise people will think that our Su family is easy to bully!"

Su Qi nodded and slapped his thigh, "That's right, from now on, Zhizhi and I will live here, and we will never leave you."

Su Yifeng rolled his eyes at him, "You want Zhizhi to live here, can you relax?"

" After pregnancy, temper and picky eaters became more and more prominent.

Su Qi leaned forward with a smile and hugged Su Yifeng's arm, "Father is so smart!"

"Fuck off, how could I have such a worthless son like you!"

Su Yifeng scolded with a smile.
