Divorce billionaire heiress chapter 2610-Fu Yechuan reached out to hold her hand, and gently squeezed it:

“You’re fine too, Ning Yue, when this matter is over, can I take you abroad for a while?”

Ning Yue smiled and leaned into his arms :”Okay.”

She also hoped that this matter would end quickly.

Ning Zhenzhen lied, but Fu Yechuan didn’t intend to pin her hopes on her anymore.

There must be someone pointing her out behind her back, so she has been refusing to let go.

The two of them haven’t been close since they were injured, worrying about their health.

But the first time they touched the warm lips, the two of them couldn’t control it.

Soft and hard embrace each other, and the temperature rises gradually.

When the two of them ended their heat with each other panting, they could feel the distance between them getting closer.

It may be that they have experienced a life and death, and the importance to each other is even more profound.

Love does not need to be proclaimed anytime and anywhere, they can all feel it.

...

Fu Yechuan gave the things to Chen Mian.

The next day, Chen Mian handed the result to Fu Yechuan.

“It’s not a parent-child relationship, Mr. Fu.”

Fu Yechuan’s eyes obviously relaxed, but then fell into a dead silence.

Fortunately, it wasn’t Su Yifeng, so he couldn’t reach the point where he could die.

But if it wasn’t Su Yifeng, who else would it be?

Back then, Su Yifeng was considered to be at the height of the sun, who else could be besides Su Yifeng?

afternoon.

An uninvited guest came to the Fu Group.

Chen Mian stood there with a serious expression on his face:

“It’s Su Yinian. He said that he wants to cooperate and talk about it. He said he mentioned it to you before.”

Fu Yechuan’s expression became cold, and he nodded, “Let him in.”

Su Yifeng was not within the scope of their suspicion, and Fu Yechuan was also Didn’t pay much attention to him.

The main reason is that he is equivalent to an invisible man in the Su Group.

If it weren’t for his relationship with Su Yifeng, he would be useless at all.

At the beginning, the woman and daughter around him had a scandal, which made Su Nan very unhappy. Su Yifeng took back most of his power in a rage.

If he had any repentance, he should have driven that Shen Jie away long ago.

But a few days after he drove her away, he kept her back.

Shen Jie has been with him for a long time, this woman is not easy to mess with.

If Su Yinian was entangled with women outside, how could Shen Jie remain indifferent?

Now, although the couple have no real power, they can live comfortably with those dividends.

But Shen Jie is not a quiet master, she must be holding something bad somewhere!

Fu Yechuan didn’t hold much hope for their cooperation, but he was more interested in the shares of Su Group.

Su Yinian walked in, smiling a little too enthusiastically: “Mr. Fu, what do you think about the cooperation mentioned last time? I came here with full sincerity.”

Fu Yechuan paused, lowering his brows and eyes Yes, with a bit of scrutiny: “Mr. Su, is the stock really in your hands? If other people find out about this matter, I don’t think it will be easy for me to end it myself, unless it is a certainty.”

“Mr. Fu, you Don't worry, I sincerely want to cooperate. Although J City is only a subsidiary company, I have put a lot of effort into it.

Some time ago, because of some family background, they withdrew my rights and made all my efforts go to waste, without considering my face and value at all. Mr. Fu, I don't want to hurt the rights and interests of the Su Group, but I want to make a bet. I want to facilitate this cooperation, so that the revenue of City J will become the leader of the group. In this way, I can gradually take back my power . “

Fu Yechuan pondered, his expression unclear.

“If you want to take back the power, it's probably not enough to just participate in the cooperation, you have to replace the cooperation of the group headquarters, but is the capital of J City so strong?”

Su Yinian froze for a moment, and smiled: “Of course not. That project has attracted much attention, so it's no wonder that Su Group and Fu Group cooperated to swallow it.”

“But as long as it is a cooperation between the two parties, there is no difference between the group headquarters and the subsidiaries. If you designate the Su Group in City J to cooperate, the group headquarters will definitely support me, and you won't just let this project slip away. “

Su Yinian's meaning is very obvious, that is, to secretly blackmail the group.

The key lies in Fu Yechuan.

If Fu Yechuan can help him get that project, the group's capital will flow to J city in an all-round way. But it will turn the world upside down.

Can Su Yinian still have a bright future?

Fu Yechuan smiled contemplatively, curling his lips slightly, with a clear look on his face.

“It sounds very good, Mrs. Fu The group did not lose anything, but earned your shares instead. “

“Yes, Mr. Fu, according to you, can our cooperation go smoothly?” Su Yinian's eyes shone brightly.

Fu Yechuan nodded, “Okay, I'll let the legal department draw up the contract, you sign it, and I'll go through the procedure.”

“Great, Mr. Fu, I believe our cooperation this time must be a good start!”

The excitement on Su Yinian's face was visible to the naked eye.

Fu Yechuan WeiweiHe lowered his eyes and paused: "But I want to ask, the shares under your hand are given by Su Yifeng. If you sell them so hastily, aren't you afraid that Chairman Su will trouble you?" Su Yinian froze slightly, his smile restrained, his gaze With a bit of complexity and anger: "My brother is old and confused, he gave all the power to his own children, and completely forgot that I accompanied him to fight the country and live a hard life, and let me be in the group. The gradual marginalization, how can I bear it? Besides, even if he knows it, so what, I deserve it, and it is my freedom how I want to deal with it. Mr. Fu, just don't worry. "

Fu Yechuan nodded thoughtfully.

Now that he has said so, there is no scruples.

Su Yinian's contract was repeatedly finalized three days later.

He is eager to use this cooperation to prove his ability and gain a chance for himself.

That's why Fu Yechuan agreed to many harsh conditions that were almost harsh.

Originally, it was agreed with the group headquarters that the two parties would assist and cooperate, but in the contract signed with Su Yinian, it became Fu's Group to do the leading work, and Su's Group to assist.

This kind of inversion of priority will suffer big losses in cooperation in the future.

But Su Yinian didn't care about this at all.

Looking at the contract on the table, Fu Yechuan was deep in thought, with a solemn and indifferent expression.

The black eyes stared for a long time.

Chen Mian knocked on the door and came in.

"Mr. Fu, Su Yinian has already signed the contract. The rest is for our legal department to hand it over to the department to start the process. Do we really want to give up the cooperation with the headquarters? Although the Su Group may prefer to cooperate Allocating resources to City J, but compared with the headquarters, City J is not worth mentioning that it can match us in all aspects."
