Divorce billionaire heiress chapter 2621-“Who is it?”

“It was taken from Su Yinian’s account. Just before Su Yinian was arrested by the police, the bank said that it was stored there in advance. If there is no accident, the money will be transferred to the Ning family when the day comes.”

“It seems that even if we didn’t attend the birthday banquet, he can’t hide it for long.”

Ning Yue curled her lips, thinking that it was still too late.

felt as if something was passing by in his heart, like rough waves on the sea, surging non-stop.

It seems that some idea is about to break out of the ground.

“No, he’s not that stupid, Fu Yechuan, I always feel that something is wrong. Although my uncle and aunt hate me, there is no need to kill me. What good will killing me do for them?”

Ning Yue grasped the most crucial point. “Even if Su Yinian gives them money, it will offend you!”

Fu Yechuan looked at her deeply, stretched out his hand and pinched her face, a smile appeared on the corner of his lips, “Mrs. Fu has become smarter? “

Ning Yue frowned, did he think of this a long time ago?

Fu Yechuan said seriously, “So I suspect that Su Yinian was instigated by someone behind him. He could hide in a dark place. He has been hiding in peace for twenty years. Why did he suddenly show his feet? Maybe someone couldn’t wait to see if he could hide. Pleasing to the eye, you want to make him have an accident.”

When Ning Yue heard this, the thoughts in her mind suddenly became clear.

“You mean, someone killed someone with a borrowed knife?”

“Yes.” Fu Yechuan smiled.

Then the doctor came over, “Boss Fu, madam, Ning Zhenzhen has woken up.”

Fu Yechuan nodded, then took Ning Yue’s hand and walked out.

Since the last time they found out about Ning Zhenzhen's medication, the doctor didn't dare to keep her awake all day.

Will add some sleeping pills to her medicine.

Only in this way will she be more honest.

The doctor took another patient from her room ahead of schedule.

Then let Fu Yechuan and Ning Yue walk in.

When Ning Zhenzhen saw them coming in, she sat up from the bed in an instant, her eyes were clear and sharp,

"You are finally here, Mr. Fu, sister, you have locked me up enough, right? Let me go?

I promise, I won't say a word after I go out, and I won't trouble you again.

I'll go far away and never appear in front of you again."

Ning Zhenzhen burst into tears of grievance falling down.

But after sobbing for a long time, no tears fell.

Ning Yue has a clear mind, what about acting?

It wasn't for her to see anyway.

Women's tears for women are harmless.

But a man will be moved by a woman's tears.

She raised her eyes to see Fu Yechuan's expression.

Fu Yechuan's face was stern, with a chill between his brows and eyes, with a bit of impatience and disgust,

"Last time you deliberately misled us to find Su Yifeng's trouble, did you want to divert attention for Su Yinian, or did you want the Su family The Fu family turned against each other?" He asked bluntly.

Ning Zhenzhen was stunned for a moment.

Fu Yechuan didn't want to make detours, nor did he need to.

If Ning Zhenzhen didn't come out with useful information, he wouldn't let her go easily.

Ning Zhenzhen misled Su Yifeng, which indeed caused a rift between the Su and Fu families.

If it hadn't been for Fu Yechuan to lower his airs and take the initiative to show his favor, I'm afraid that he would have been in a state of incompatibility, and the situation was like fire and water.

They easily used a single name to mix up Fu Yechuan and the Su Group.

But jumping out of this vicious circle of logic, it is not difficult to see that Ning Zhenzhen may have said Su Yifeng's name on purpose.

Ning Zhenzhen blinked and concealed her gaffe, "What? What did I say? When did I say it? I don't remember? Su Yifeng is not the chairman of the Su Group? How could I have the opportunity to meet important people? "

Her ability to pretend to be stupid is first-rate.

Fu Yechuan snorted coldly, pulled Ning Yue around and left.

Ning Zhenzhen suddenly panicked, "Wait a minute..."

"I remember, it was Su Yinian, Su Yinian is your biological father, he ordered me to kidnap you, and he gave us a sum of money, yes, Now that I have said everything, can I leave here?"

Ning Zhenzhen looked at the two people in front of her expectantly.

She would never say these words before she died.

But at this time, there is no need to make a fuss, and everything comes out of the tray.

Don't you think it's too late?

Fu Yechuan's eyes were cold, without the slightest turbulence, he paused, then turned to look at her,

"What I want to know, didn't happen already."

Ning Zhenzhen's whole body was stiff, and her face became ugly little by little.

Ning Yue watched from the sidelines, and had to admire Fu Yechuan's ability to negotiate.

He stood there looking at her without saying a word, which gave people a very strong sense of oppression.

Like all lies will have nowhere to hide.

Ning Zhenzhen's gaze couldn't help Fu Yechuan's posture.

It was quickly defeated.

Seeing that she was silent, Fu Yechuan turned around and left again.

Ning Zhenzhen was finally afraid.

She shouted in a panic, "I said."

Her voice trembled slightly.

Hesitation and struggle were written all over her face.

But even if he was afraid, that person was still not as powerful as Fu Yechuan.

Misleading Fu Yechuan before had angered him.

Now that he has seen through everything, didn't he just want Ning Zhenzhen to speak up?

If she keeps silent, she'll be afraid that I really have to stay in this mental hospital for the rest of my life!

"The money was indeed given by Su Yinian, and he was the one who asked me to attack Sister Ning Yue.

But before he came to us, someone came to me in advance."

Ning Zhenzhen lowered her eyes, with a panicked expression...

Fu Yechuan and Ning Yue looked at each other, but they didn't speak.

...

an hour later.

The two left here hand in hand and got into the car.

Ning Yue couldn't help asking, "Are you sure, that person will come out by himself?"

"If the prediction is correct, the next step is to come out, otherwise, wouldn't Su Yinian's sacrifice be in vain?"

Ning Yue chuckled.

” Su Yinian has also been bad all his life, but he never expected to be pecked in the eye by an eagle.”

“You can still laugh?”

Fu Yechuan looked at her with a half-smile.

She underestimated her ability to withstand stress.

Ning Yue leaned on his shoulder and sighed, the warm and cold fragrance made her feel very at ease.

“I can laugh, anyway, you’re here.”

...

Su Zhai.

Because of Su Yinian’s affairs, everyone has been in a bad mood these days.

Wen Xiang didn’t return to the old house until Wen Xiang’s face almost recovered, so as not to make Su Yifeng feel uncomfortable.

Although he didn’t say it, he was really angry and blamed himself because of what happened to Su Yinian.

Especially after the police told him the results of the investigation after the merger of commercial and criminal cases.

Only then did Su Yifeng realize that he didn’t know anything about this younger brother?

Usually, I just feel that he has limited abilities at work, has soft ears, and is easily deceived.

After a few words of coaxing from others, the project was let out.

Marrying a woman is also strong, raising a non-biological daughter as a treasure, developing an arrogant and domineering character, and finally getting into trouble and implicating him...
