Divorce billionaire heiress chapter 2625-When Ning Yue talked about her and Fu Yechuan with a smile, there was no concern or disgust in her eyes.

Probably she felt faster than them that Fu Yechuan's past was indeed in the past.

It is impossible for him to get close to Su Nan now, they will have their own lives.

Su Nan smiled, the gemstone necklace in the box was bright and beautiful, gorgeous and generous, each gemstone was carefully crafted, with a combination of wild and exquisite beauty.

She shook her head and couldn't help laughing:

"A few years ago, I liked to collect these things, but now it's much better, but thank you, I like it very much."

Ning Yue took it out on her own initiative, proving that she didn't mind the previous things, and smiled That's all.

Su Nan wore it on her wrist, it was indeed very beautiful.

Ning Yue smiled, and was very happy to see that she liked herself:

"The past is over, let's forgive each other, okay?"

Su Nan's eyes were sour, and she nodded.

"It's a pity that I didn't prepare a gift for you, but I took this..."

She took out the contract from her bag and handed it to Ning Yue:"You sign this, and you can get the contract from the Su Group in the future." It's divided."

Ning Yue frowned, looking at the things in front of her, a little puzzled.

"What is this?"

"Originally it was a share under Su Yinian's name, but it was taken back by the group a few years ago, but my father saw that he was old, so he gave him the right to earn income, and it was just dividends every year. Now he goes in Now, my father said that I would give these to you as a little favor from us, please accept it."

Ning Yue's face changed from stiff to silent, she lowered her head for a few glances, and shook her head.

She pushed the contract back:

"I don't want it."

"Ning Yue, you don't know how much money this is. Don't you want to buy bars? You can buy ten or eight for this money."

Su Nan explained patiently.

Ning Yue smiled and shook her head: "Su Nan, if I want this, I have to admit that Su Yinian is my biological father, I have to accept the incessant blood relationship, and I have to face the past that I have not participated in. Robbery. But I have no parents since I was born, and I don't want to be rich. I don't want to admit that he is my father, and I don't want to have any other connection with the Su family. You are me This is a very deep relationship. It's better not to have anything else."

Su Nan listened to her quietly, feeling a little awkward in her heart.

She has been incredibly lucky growing up and living her life.

Compared with Ning Yue, she is already living in heaven.

But even if her life was not good, she never wavered in the face of the money.

Su Nan smiled and understood what she meant: "Okay, I understand, but I would also like to thank Fu Yechuan for us. Although the shares that Su Yinian transferred to him are useless, he doesn't know. If they really get entangled, Actually, it's very troublesome."

"He knows, Su Nan, he won't harm you."

Ning Yue looked at her with a smile.

Su Nan raised her head, and was a little embarrassed for a moment: "Ning Yue, you know we didn't have anything before."

"Su Nan, you don't need to say, I understand, the past is over, and he also made it clear to me , it's not that embarrassing, we're still good friends, and we'll keep in touch in the future!"

Su Nan smiled and nodded: "Yes, you are right."

The two looked at each other and smiled, seemingly relieved.

At the end, Su Nan suddenly remembered another important thing: "Su Yinian has a wife named Shen Jie, who is very difficult to deal with. She has been thinking about these shares for a long time. She knows your existence, and you Be careful."

Ning Yue was slightly stunned, and nodded: "Don't worry, I'm prepared."

"That's good."

Su Nan smiled, probably with Fu Yechuan's ability, she wouldn't miss Shen Jie .

...

from a mental hospital.

Ning Zhenzhen saw Shen Jie, and her expression changed a few times.

"Mrs. Su."

Shen Jie looked Ning Zhenzhen up and down, her expression was in a daze, she lost a lot of weight, her eyes were dull.

It seems that he was really tortured.

"You are still sober, you didn't say anything you shouldn't say here?"

Shen Jie glanced at the mental hospital behind.

Ning Zhenzhen immediately shook her head:

"No, I followed what you said. I didn't say anything. Fu Yechuan was so angry that he beat me himself."

She unconsciously covered her face, as if she had lingering fear.

Shen Jie chuckled softly: "Don't worry, these are all temporary. Didn't I come to rescue you?"

As long as you are obedient and obedient, when I get what I want, I won't treat you badly. Don't you always envy me?" Can your cousin marry Fu Yechuan?

Why don't you wait until your cousin dies and I will match you up to marry Fu Yechuan?"

Ning Zhenzhen's eyes lit up, "Really?"

Then she dimmed again:

“But Fu Yechuan doesn’t like me, he only has Ning Yue in his eyes, and I don’t know what method she used to fascinate Fu Yechuan.” and covet.

Shen Jie twitched the corners of her mouth, and gradually let go of her guard.

This Ning Zhenzhen was still the same as before, with no brains and stupidity.

“Let’s go, I’ll find a way for you, you just need to do one more thing for me.”

“What is it?”

Shen Jie got into the car, and Ning Zhenzhen could only keep up.

She glanced back at the mental hospital.

What Fu Yechuan said to her last time came to mind.

She shuddered unconsciously.

Make yourself more awake.

“What are you looking at? Are you still reluctant to part?”

Shen Jie couldn’t help asking.

“Of course not. I don’t want to come to this ghostly place again in my life. Fortunately, you found me. Otherwise, I don’t know how long I would stay here.”

Ning Zhenzhen said gratefully.

Shen Jie chuckled triumphantly: “Of course, money can turn ghosts around!”

She just bought Fu Yechuan’s driver, and the driver easily told Fu Yechuan’s whereabouts.

The people around Fu Yechuan are nothing more than that!

Shen Jie came to another road, and then got down to business:

“You can’t show your face for the time being, but your parents can.

I have a bottle of medicine here, let your parents pour it into Ning Yue’s cup and let her drink it. Task Even if it’s finished.”

Ning Zhenzhen turned pale with fright:

“Poison?”

“Potassium cyanide.”

Shen Jie glanced at her slowly: “Why, you dare not?”

Ning Zhenzhen sat there trembling: “Don’t dare, neither do my parents. Yes, they are old, killing people is too scary, they will go to jail.”

“Hmph, didn’t you almost kill Ning Yue yourself? Why did you forget so quickly?”

Shen Jie couldn’t help but reveal her secret. face.

It’s too late to be afraid now.

“And there is no chance. Ning Yue is avoiding our family like a snake and scorpion now, for fear that we will rely on her, and she will not be able to see my parents.”

Ning Zhenzhen is telling the truth.

It was also according to Fu Yechuan’s instructions.

Don’t dare to say a word wrong, let alone reveal your secrets.
